// WELCOME TO THE 2026

LIVERPOOL BUSINESS EXPO

Liverpool Business Expo returns for 2026, bringing together ambitious businesses, entrepreneurs and professionals from across the region for a day of connection, ideas and opportunity.

Created to help businesses grow, the Expo is where conversations turn into new possibilities. Meet local suppliers, discover fresh ideas, connect with potential clients and partners, and put your business in front of the people who matter.

Whether you're here to expand your network, raise your profile, explore new opportunities or simply see what's happening across Liverpool's business community, there's plenty to discover throughout the day.

We hope you leave with valuable connections, useful ideas and fresh momentum for whatever comes next.
