

A snail

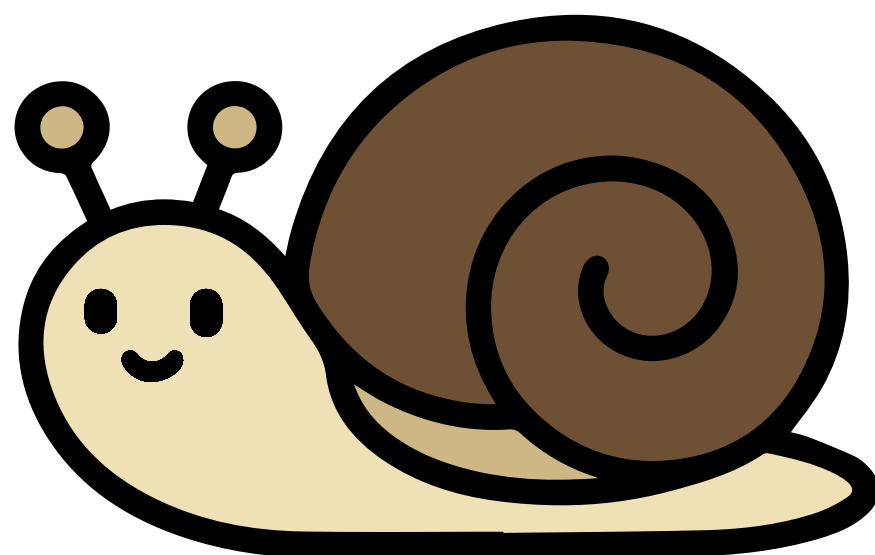

**Hello! My name is choi Ah-jeong.
I'm a first-year middle school
student.**

**I like playing badminton, and
listening to music.**

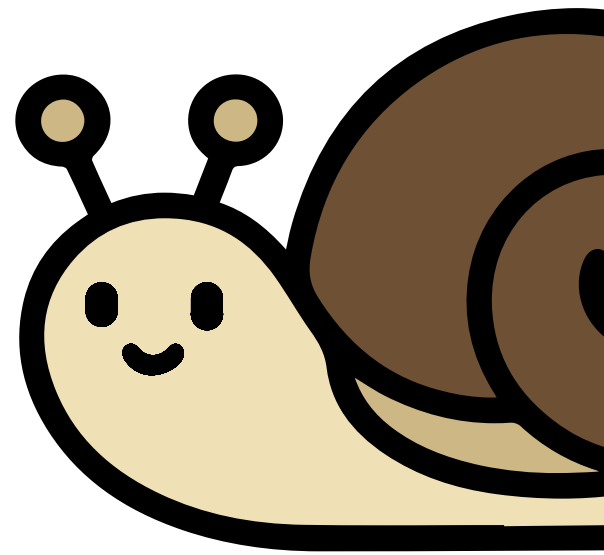

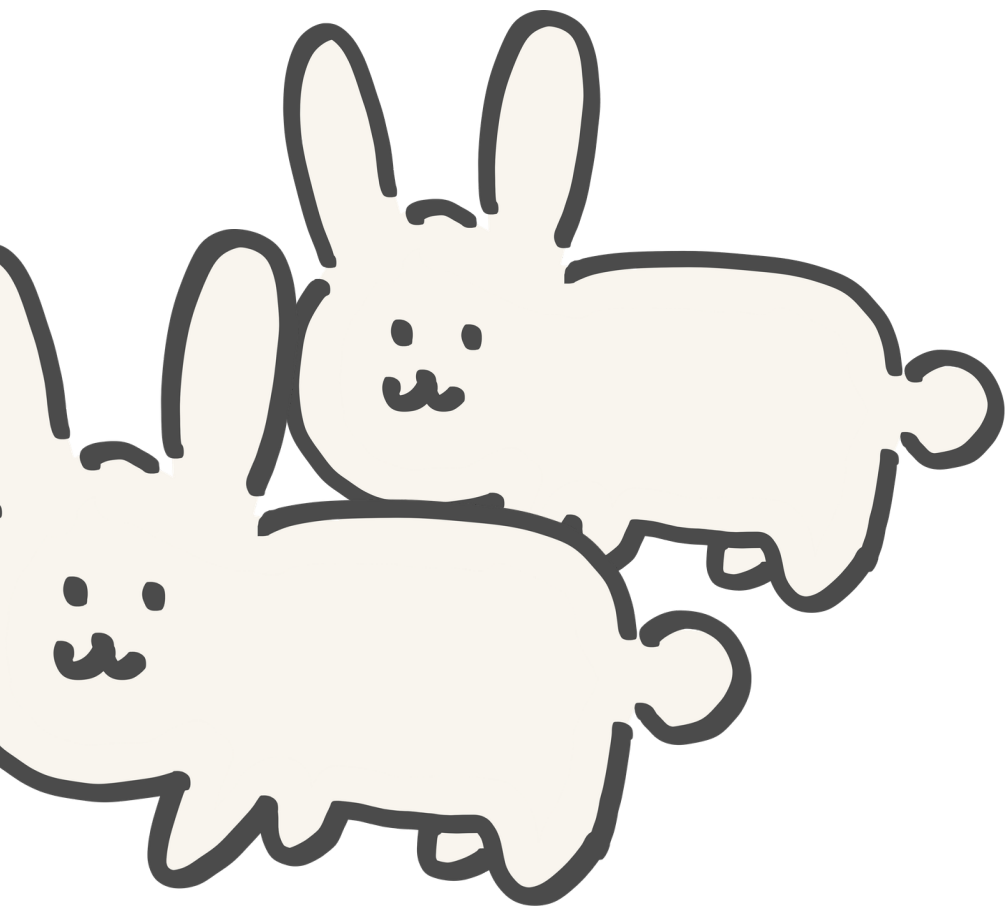

**I wrote this story because I
wanted to share the importance
of one's own worth.**

**Thank you for reeading my book.
I hope you enjoy it.**

Hello, I'm a snail.

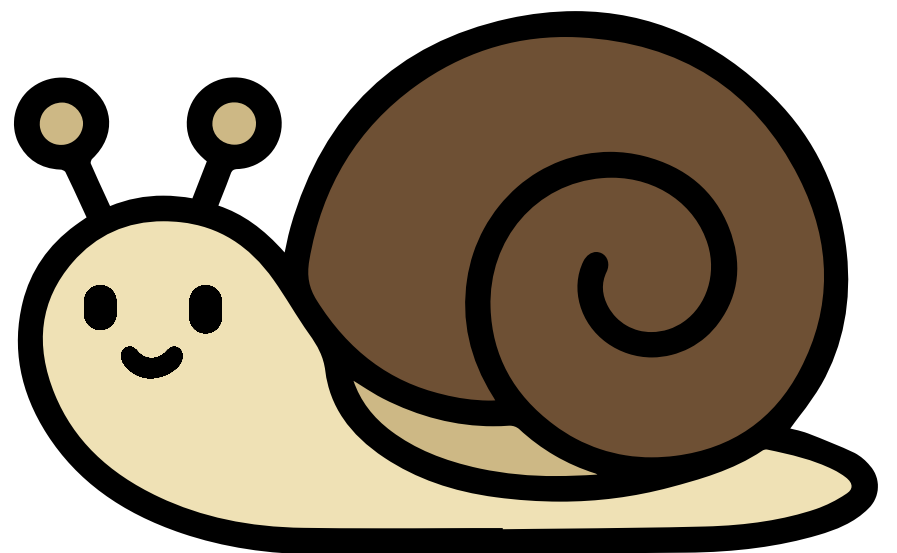

The rabbits passed by me.

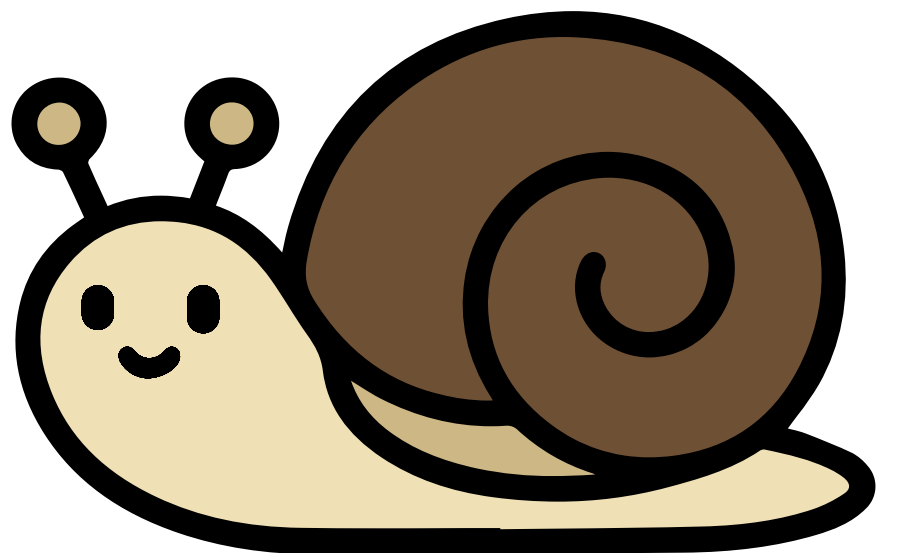

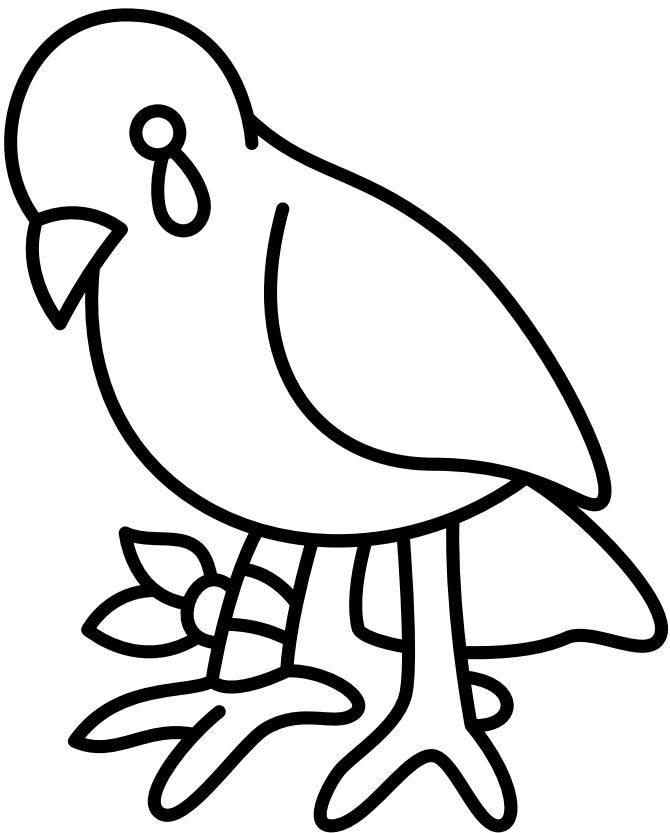

**I'm so upset because I'm
much slower than the rabbits.**

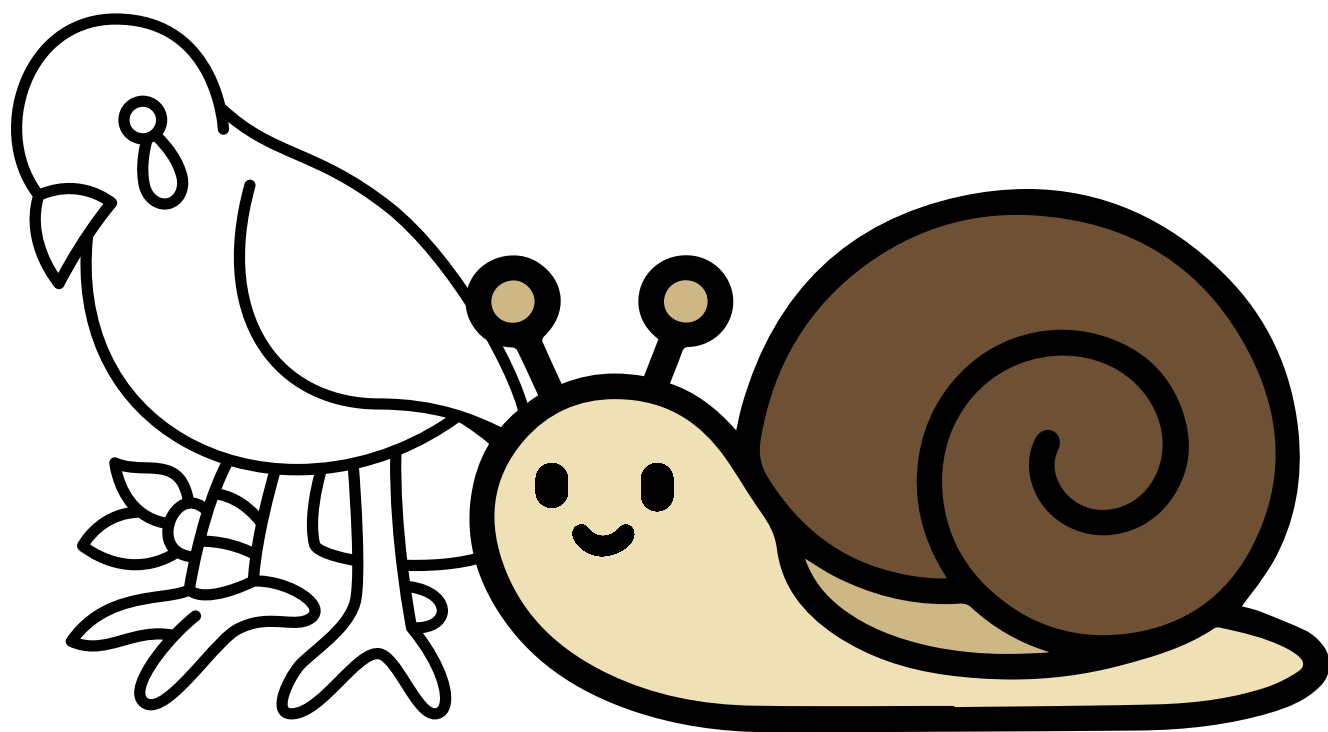

**I tried to follow my friends
rabbits, but I gave up.**

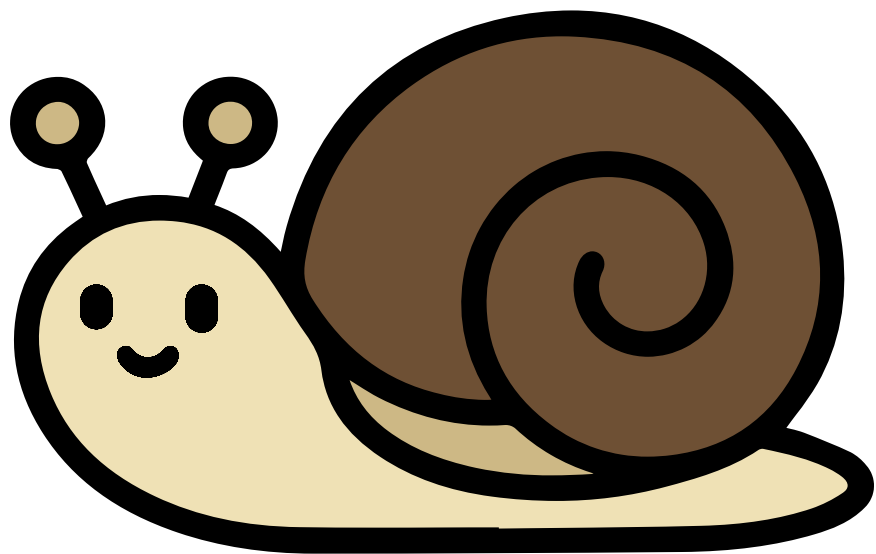

**I found flowers and injured birds
while I walking slowy at my
speed.**

I helped an injured bird.

**I knew I just had to keep up
with others and keep up with
my speed.**

**From now on, I'm going to
trust myself and live at my
own pace.**
