IPSWICH WANDERERS CLUB HISTORY

- 1980** ▶ The Club started as an under 14's boys team in 1980. Two yrs later they entered the lowest division of the Ipswich Sunday League.
- 1987** ▶ Joined the newly formed Eastern Counties Division One sponsored by Jewsons in 1987 as founder members.
- 1994** ▶ Home games were played at our present ground at Humber Doucy Lane, under the name of Loadwell Ipswich. Jimmy Barker became a very influential chairman and he negotiated a name change to Lancaster Ipswich FC before we eventually became Ipswich Wanderers. Jimmy died in November 1994 and his presence is sadly missed. Thankfully after all his work he saw the floodlights switched on in September 1994 in a match against Ipswich Town.
- ▶ Great ground improvements were made in the early years under the direction of Development Officer Roger Woshalo and ground Manager Tim Davey.
- 1996-97** ▶ A losing Suffolk Senior Cup appearance in 1996/97 lead to the following season becoming Champions of Division One, under the Chairmanship of Alan Haste, nine points clear of Maldon Town and losing only three league matches all season. Reaping the rewards of a successful youth policy which saw numerous trophies filling the clubhouse cabinet, a well organised side with a good balance between youth and experience saw us establish ourselves as a Premier Division side for a number of seasons until we suffered relegation on the last day of the 2002/3 season at Wisbech.
- 2005-06** ▶ The following season saw Jason Dozzell join the Club as Manager and after a midtable finish in his first campaign, the second season saw the Club sweep to the 1st Division title and with the assistance of Kevin Cunningham and Glynn Hague, the team finished 7th in the Premier Division in 2005/6, with the League's second best defence with home crowds on average exceeding 100.
- 2006-07** ▶ At the end of the 2005/6 Jason Dozzell and Chairman David Bugg left. Local businessman Ed Nicholls became Chairman and John Clarkson was appointed Manager having arrived with a reputation from the West Country. During the season he guided the club to the final of the Riddletons League Cup, the 5th round of the FA Vase and a Suffolk Premier Cup Semi Final against Ipswich Town.
- 2007-08** ▶ At the end of the campaign John left the Club and with an exodus of players, the Club appointed ex player Louis Newman to the role. Louis built a young, inexperienced squad and after a poor start to the campaign which included some record defeats, was replaced by another former player Steve Buckle who was brought in to rebuild the squad and hopefully retain the Clubs' premier status. Unfortunately Steve was unable to prevent relegation and the only positive from the season was the Reserves capture of the Chell Trophy defeating Wroxham.
- 2011-12** ▶ Despite Steve's best efforts over the following few seasons the Club failed to build a promotion push throughout the campaigns and after a poor start to the 2011/12 season, Steve and Assistant Paul Grainger parted company with the Club. New chairman Terry Fenwick appointed Glenn Read and he brought in his own players and former Stowmarket Town boss Steve Jay as his assistant. He quickly revamped the squad and had the Club climbing the table before the end of the season.
- 2012-13** ▶ The 2012/3 season saw the Club just fail to clinch promotion to the Premier Division and lose on penalties in the semi final in the First Division Cup. The season did finish on a high as the Club clinched its first ever Suffolk Senior Cup trophy defeating local rivals Whitton United in the final. It was a remarkable victory coming from a goal down in normal time and then from 3-0 down in the penalty shoot out.
- 2013-14** ▶ 2013/14 saw promotion achieved with two long unbeaten runs ensuring a return to the Premier Division, we also lost a tight Senior Cup final against Whitton United and set a new club record with a 12-1 win over Downham Town.
- 2014-15** ▶ The 2014/15 was mixed as we adapted to Premier Division and finished 9th and enjoyed a good run in the FA Vase but off field the club lost one of its driving forces Roger Woshalo mid-season.
- 2015-16** ▶ In 2015-16 we defeated Canvey Island in the FA Cup and enjoy our best ever FA Vase run but with a heavy fixture backlog, relegation fears were only ended just before the season end. Glenn stepped down at the end of the season and for 2016-17 the Club appointed Shane Wardley as Player/Manager.
- 2017-18** ▶ Shane's first season saw us almost emulate our highest ever position, however, after a poor start to the 2017-18 season Shane resigned and following a disastrous spell under Mark Benterman, club legend Mark Goldfinch took over the side ably assisted by James Buckle and Daniel Thrower. Unfortunately, relegation could not be avoided and in 2018-19 we consolidated and lost in the Senior Cup Semi Final to Cornard.
- 2019-20** ▶ In 2019-20 with Stephen Boyle taking over as Chairman, we rebuilt and after a sticky spell in October we were closing in on the promotion pack and reached a Semi Final of the Suffolk Senior Cup before the season came to an abrupt end. With further additions on field and some good improvements off field under Stephen's leadership, we then looked to gain the vital promotion required for us to take the next steps forward with a good squad. The start to the next season was positive and a second Senior Cup trophy was clinched in the delayed final with a single strike from Connor Field clinching the trophy.
- 2021-22** ▶ After a couple of Covid-19 disrupted and curtailed seasons, for the 2021/22 season Wanderers went into action in the Thurlow Nunn First Division South. With what became a tight run affair and particular rivalry with Buckhurst Hill also aiming for the title, it went almost to the wire, Wanderers finally having the upper hand, and lifting the trophy with a goal 10 seconds from time in the final home game. With the final of the Suffolk Senior Cup to follow, we finished the season with 26 straight wins, and a well deserved double of league and cup was won!
- 2022-23** ▶ The following season started with four cup fixtures in the opening 7 games, and a haul of just 3 points from the first 5 league games meant Wanderers were already playing catch up when our league campaign really got going. A run of 6 wins in an 8 game unbeaten run helped to move us up the table before another rare defeat. More wins followed until in January, we visited top of the table Thetford, which ended in a 1-2 defeat. After this, Wanderers embarked on another 17-game winning run to the end of the season, including coming from behind to avenge the result against Thetford, going above them and ultimately become Thurlow Nunn Premier winners - back to back champions - and into Step 4 football for the first time in the club's history.
- 2023-24** ▶ The 2023/24 season, the first for the club in the Isthmian League North came with added pressure - both on and off the pitch. A poor start to the season on the pitch brought a change in September, with the departure of Mark Goldfinch & James Buckle. Glen Driver came in as manager, with the task of keeping the club clear of relegation. Off the pitch was a mammoth job with a huge amount of work needed to pass the ground grading requirements to stay at this level. The inspection in April brought a great deal of relief, and along with the efforts of Glen and his team on the pitch, meant the aims for the season were achieved.
- 2024-26** ▶ The following season saw us suffer relegation a poor run of results saw Glen Driver resign and Michael Brothers come in but whilst results improved we couldn't stay up. Last season saw a bright start under Michael Brothers but results stagnated and following his departure Jack Wignall steadied the ship before the club were delighted to welcome back Mark Goldfinch and James Buckle who masterminded a long unbeaten run which narrowly failed to reach the playoffs. Optimism is high as we enter 26-27 looking for a positive campaign off the back of those results.

Good afternoon everyone, and welcome to the Doucy for today's league fixture against Great Yarmouth Town.

Firstly, we would like to extend a very warm welcome to all the supporters, players, management and committee members from Great Yarmouth Town. We hope you enjoy your afternoon with us and, of course, have a safe journey home afterwards.

Before we look ahead to today's game, there is something much more important to mention.

As a football club and as part of the wider non-league family, we would like to send our sincere condolences to Liam Scopes, his wife Jenna and the whole Scopes family following the tragic loss of their son, Kaylem.

There are times when football becomes insignificant, and this is certainly one of those occasions. Our thoughts are very much with Liam, Jenna and their family during this incredibly difficult time. The whole non-league community stands together with you.

FRIDAY NIGHT - IPSWICH WANDERERS 1-2 WOODBRIDGE

On Friday evening, we welcomed Woodbridge to the Doucy and started the game extremely brightly.

We had plenty of possession, moved the ball well and looked to play on the front foot from the opening whistle. We were creating pressure and looking for that opening, but against the run of play, a strike from outside the box somehow found its way into our net.

To the boys' credit, they didn't allow that to affect them. They continued to play their football and, right on the stroke of

half-time, we created an opening which resulted in Henry

Barley tapping home at the back post to bring us level.

The second half was a strange one. We continued to see plenty of the ball and had opportunities to take the lead, but unfortunately a decision in the 83rd minute changed the game.

Marcus clearly won the ball and it appeared to go out for a throw-in, but the referee instead awarded a penalty. It was a decision that left everyone inside the ground surprised and disappointed.

Woodbridge converted from the spot and, despite our efforts to get back into the game, we couldn't find an equaliser. The final whistle brought a frustrating 2-1 defeat, but there were certainly positives to take from the performance.

The great thing about football, though, is that you always have another opportunity to put things right.

PREMIER CUP RESPONSE

That opportunity came on Tuesday evening when we faced Felixstowe in the Premier Cup – and what a response it was.

For 90 minutes, I thought the boys were excellent.

Our shape was good, our press was good and the energy from every player was outstanding. We moved the ball with real tempo, played some excellent football and, most importantly, created and finished some fantastic chances.

Paulo, Stanners and Kye Webb were all on the scoresheet as we secured our place in the next round of the competition.

It was exactly the response we wanted following Friday night, and hopefully we can take that confidence and momentum into today's game.

TODAY

We know we have another tough league fixture ahead of us, but we are looking forward to getting back out on the pitch in front of our supporters.

The effort, energy and togetherness shown by the players on Tuesday was fantastic, and if we can reproduce that level of performance today, we give ourselves every opportunity to get the result we are looking for.

Thank you, as always, for your fantastic support. It really does make a difference to the players and everyone involved with the club.

Let's get behind the boys, enjoy the game and hopefully celebrate another positive afternoon at the Doucy.

Enjoy the game.

TODAY'S VISITORS TO THE DOUCY

We welcome the players, management, officials and supporters of Great Yarmouth Town FC.

CLUB HISTORY

Great Yarmouth Town Football Club was formed in 1897 with most of the players being drawn from two very successful local clubs, Yarmouth Fearnoughts and Yarmouth Royal Artillery, who between them had won the Norfolk Senior Cup for the previous four years. The players' experience obviously told as the new Town club won this trophy in its very first year, defeating Lynn Town 4-3 in a replay after a 0-0 draw. Then, between 1902 and 1906, Yarmouth were to prove invincible in the same competition, again beating Lynn on each occasion! In total, Yarmouth have won the Senior Cup thirteen times and have been runners-up a further fifteen times.

Founder-members of the Norfolk & Suffolk League, Yarmouth won this championship in 1914, 1927 and 1928 before joining the newly formed Eastern Counties League in 1935; they have been ever-present members since and are now the only club to hold this record. During this period Gordon South was smashing in the goals accumulating 298 in a 28 year spell. He is still the all-time highest scorer today. After the Second World War, the Bloaters - now with semi-professional status - gained national recognition for their FA Cup exploits, reaching the second-round proper twice! The first-round proper was reached for the first time in 1947 when they lost at home to Shrewsbury Town in front of 4160 spectators. Then in 1952 a Wellesley crowd of 3889 witnessed a first-round proper 1-0 win over Guildford City, but a 1-4 home defeat to Wrexham in the second round (crowd 6963, a new record) dealt that season's exit; in 1953 the Bloaters' finest hour saw them defeat League side Crystal Palace 1-0 in the first-round proper in front of a still-record crowd of 8944! Second-round exit came at then-League club Barrow, 2-4.

Other cup exploits over the years include eight appearances in the first round proper of the old Amateur Cup, and one in the second round. In 1952 the East Anglian Cup was won for the only time, and - on what we might term the "domestic front" - the Eastern Counties League Cup has been won three times to date, in 1938, 1975 and 1981.

The late fifties saw a return to strictly amateur status but it was not long before a revival of fortunes saw paid players return and with them, finally, the ECL title in season 1968-69; however, this remains the sole occasion so far.

Ex-Norwich, Newcastle and Sheffield United winger Bill Punton then took the reins for what proved to be a 21-year spell, making him the longest-serving manager of the club. This was also one of the club's most successful periods: although the league title proved elusive Punton led the Bloaters to two runners-up spots, four Senior Cup triumphs, the two League Cup wins of '75 and '81, and to within one goal of Wembley in the FA Vase in 1983.

Then, as the first ECL club to get that far, Yarmouth lost on

aggregate to eventual winners VS Rugby in the semi-final, despite a phenomenal goal by prolific striker Neil Hart - a Yarmouth legend - to set up a tense extra-time period in the second leg at the Wellesley in front of another, but now rare, 4000plus gate, the first since those heady days of the fifties. It was in the last season of Punton's tenure that he introduced a young Paul Tong to his managerial team but 1990 was a year of change with both Punton and Tong moving on to Diss Town and long-serving club official Jack Pegg retiring. The club experienced a dip in fortunes in the early nineties until Paul Chick and Donny Pye were appointed, but after two moderately successful seasons this pair also moved to Diss when Punton retired from management. Ironically, Tong then returned to the Wellesley as first team boss and stayed seven years, making him the second-longest serving manager after Punton. In this period the club revived its Youth U18 side, and this has been, and continues to be, a successful breeding ground for new talent. During this first managerial spell at Yarmouth for Tong, the club won the ECL Millennium Trophy, one year after being runner-up, and reached three consecutive Senior Cup finals though disappointingly losing all three. After Tong left for a second time, the club suffered relegation to the First Division in 2005 and a period of short-lived appointments concluded with appearance record-breaking goalkeeper Nick Banham who formed a unique partnership at the club with his wife Julia as Chairperson. With the club then heading for financial meltdown in late 2008, an appeal for help in the local media resulted in local businessman Stephen Brierley assisting in the resurrection. When Banham resigned as first team manager, Yarmouth stalwart Kevin Cruickshank stepped up to the plate and was then joined by the returning Paul Tong, and the pair set about rebuilding the team side of affairs at the Wellesley.

After a difference of opinion, the pairing broke up and Tong remained as sole manager, taking the club back to the Premier Division as Ridgeon's Division One 2009-2010 champions and achieve a first-ever promotion for the Bloaters. And happily, with relations now restored, Cruickshank returned to the Wellesley as Reserve team manager. However, the fortunes were short lived with the side relegated in 2010-11 which is where they stayed for 5 years. The brighter side of 2010 also saw the club awarded Charter Club status by the FA, and expansion of the youth programme saw the club running a number of youth sides. This has grown in stature and the club now boast at least 10 youth sides of both boys and girls.

In 2011-12 due to poor committee management the club again hit severe financial problems, which almost ruined the club to extinction, but recent times have seen a dramatic change in fortunes. In 2014-15 Yarmouth almost gained promotion back to the Premier league but just fell short in 4th and in the same season where runners up in the ECL 1st Division cup, beaten by Sudbury and Woodbridge. 2015-16 with the outgoing manager leaving for fierce rivals and neighbours Gorleston and taking half of his successful squad with him Great Yarmouth Town appointed 2 young managers in Adam Mason & Martyn

visitors to *The Bouc* GREAT YARMOUTH TOWN

Sinclair on the back of their local football success. The pair gained promotion in that season at the first time of asking to return the club to the Eastern Counties Premier League (step 5). In a very positive new era for the club there have also been off the field improvements. Chairman Kevin Cruickshank who has had over 25 years association with the club in various roles along with Ben Stone as new vice chairman were appointed in February 2017 in a restructure of the management committee. In 2019 It was all change with Jack Jay Coming into a new look committee as Chairman, following Adam Mason and Martyn Sinclair stepping down as Managers, replaced by Rob McCombe. 'Mase' and 'Sinny' subsequently taking important positions on the Committee with Adam Mason taking on an 'Operations Director' Role, and Martyn Sinclair coming in as the clubs Vice Chairman. The new committee fully committed to securing the long term sustainable future of the club, aligned to its core values and philosophy. New year 2022 saw McCombe replaced by Stuart Larter who guided the club to a mid-table finish, before stepping down at the end of the season. This time the committee decided to promote from within the club, giving last year's reserve team duo of Dan Nolan and Paul Blissett an opportunity. Nolan stepped away at Christmas and was eventually replaced by Ryan Honeyman who brings a wealth of experience with him from Leiston and was joined by Rick Cleverly in the close season.

In his 1st full season alongside Paul Blissett, Ryan's experience told, and the season was to prove very rewarding, with a young 'Bloaters' side clinching the Division One North title and promotion to the Premier division as champions for the first time since 2009-10, having lost only 4 out of the 40 league games. Their started the 24/25 season, winning 7 of their opening games which included good runs in the FA Cup and Vase. The

club achieved a very creditable 11th place finish on they return to the Premier division. In the close season the club said farewell to Paul Blissett, who had managed the U18 and both senior teams in his time at the club.

Season 25/26 was another successful year with the Team reaching the last 32 of the FA Vase and improving on the previous league season finishing Eight whilst challenging for a playoff place until two games left of the season remained. Disappointedly this also marked the end of the Ryan Honeyman era, as Ryan decided to take his leave of the club he had served so well, over the previous 3 and a bit season.

The club moves on with Chris Brownbridge taking up the reins alongside Jordan Reid and a returning Rob McCombe, whilst also retaining nearly all of the squad.

Sunday 11th October 2026 | Needham Market Development 7 Wanderers Ladies 1 Women's KO Cup – Second Round

The ladies travelled to Needham Market for the second round of the Women's KO Cup, facing a well-established Needham Market Development side.

Unfortunately, we were caught sleeping in the opening 10 minutes, allowing Needham to score twice before we had really settled into the game. However, those early goals seemed to wake us up, and we began to threaten going forward.

Our response was rewarded when Beth showed great determination to steal the ball from a defender, drive forward and fire home from outside the area to make it 2-1. It was a fantastic finish and a goal that brought us to life!

The ladies battled hard to keep Needham at bay, but two late goals just before half-time proved a sucker punch, leaving us with a mountain to climb.

Half-time: Needham Market Development 4-1 Ipswich Wanderers Ladies

The second half saw the ladies continue to battle for every ball against a well-organised Needham side whose experience and regular training were evident.

We created opportunities of our own, including a great effort from an acute angle that struck the post, showing that we were still looking to get forward and make things happen.

In midfield, Trent, Shan and Abi worked tirelessly to compete against a strong opposition, while Amy S and Maddie put in a huge shift battling down the wings. Lottie and Eva also came on in midfield

and helped the team very well, adding energy and continuing to compete against a strong Needham side.

Summer came on up front and immediately looked to terrorise the Needham defence with her pace, giving us another attacking threat and showing that we were still willing to push forward. Jen also came on at left-back and worked hard to help hold Needham at bay.

At the back, the defence were absolutely awesome, throwing themselves into challenge after challenge and doing everything possible to repel the constant Needham attacks. Maren, Amberley, Sky and Maz worked their socks off, with Nae between the sticks doing her best to keep the opposition out.

Needham added a fifth midway through the second half before scoring twice more towards the final whistle as our energy levels began to drop.

The final score was a tough one to take, but there is plenty of context behind it. Needham are a well-established side, while we are just five games into our very first season together. We are still learning, developing and building those partnerships as a new team.

As a manager, I can accept losing to a stronger, more established team, but what I will always demand is effort, commitment and a willingness to keep going. The ladies showed all three in abundance today, never giving up and continuing to fight right until the end.

I am incredibly proud of the attitude and

FENCING CONTRACTOR

<https://www.a2-m.co.uk>

determination shown by everyone. We will learn from this, take the positives and keep working hard together.

Players' Player of the Match: Shan – battled tirelessly throughout the game and never stopped working for the team.

Manager's Player of the Match: Maren – put in a superb defensive performance, working

relentlessly to keep Needham at bay.

Both thoroughly deserved their awards after giving absolutely everything for the badge.

Heads up, ladies! We move on, keep learning and go again.

Once a Wanderer, always a Wanderer!
