# Hard Wax Oil

**BEST  
SELLER**

**Fiddes top selling Hard Wax Oil is the highest rated Hard Wax Oil in the Australian market! A blend of natural oils and waxes offering exceptional durability and resistance for internal timber, stone, concrete or cork. It produces a quick drying, natural, water repellent finish in multiple sheen levels.**

- Clear available in 5 Sheen levels: Matt, Silk, Satin, Gloss & Ultra Raw
- Pre-Tinted range in 12 Colours
- Customisable - Tinted Colours can be mixed together or with the clear
- Suitable for all internal timber eg. floors, kitchen bench tops, furniture
- Suitable for any porous surface eg. Concrete, cork, stone etc
- Quick Drying - 4-6hrs
- More durable than buffed in HWO's and no need to add additional hardeners
- Slip Resistant rating of R11/P4 out of the tin - no anti-slip required
- Easy to use - simply roll using a short nap roller or brush
- Excellent coverage rate - 20-24 sqm/ltr
- Replenishable without the need to re-sand
- 2 Coat system
- Food & Toy Safe
- Water Resistant
- Can be applied over most timber stains
- Does not react with silicone or putty
- Non yellowing
- Anti Static

**Available Sizes:**  
250ml, 1lt, 2.5lt, 20lt

NEW

**DEAD MATT  
ULTRA  
RAW**

Fiddes Ultra Raw Hard Wax Oil offers a flat-matt, raw timber effect with minimal colour change and is formulated to maintain the natural appearance of untreated wood.

# INTERIOR Direct Stains

## LIGHTFAST WATER STAIN

Available Sizes: 250ml, 1lt, 5lt, & Trade Sample Kit

Suitable for use under all Fiddes timber finishes, Lightfast Water Stains offer an excellent depth of colour to enhance any timber surface. The stains can be mixed together to achieve customised looks, are easy to use & have a fast dry time. Lightfast Water Stains are non-hazardous, free of toxic chemicals & environmentally friendly.

## NITRO STAIN

Available Sizes: 250ml, 1lt, 5lt, & Trade Sample Kit

Fiddes Nitro Stains are a range of high quality penetrating oil-based stains designed with the flexibility to create your own unique colour. They are specifically formulated for timber floors but can also be used on any timber or cork surface. A grain enhancing stain, suitable for use under Fiddes Hard Wax Oils or Lacquers

Nitro Clear/Thinners can be mixed with Nitro Stains to customise colours and to clean up accessories.

## LIGHTFAST WATER CONCENTRATE

Available Sizes: 1lt

A range of water based, Lightfast Water Concentrates, which can be mixed with water for an extremely intense colour or alternatively, can be mixed with all Fiddes Lightfast Water Stains. Fiddes Lightfast Water Concentrates are exceptionally strong, and provide a great deal of flexibility when colour matching. Available in a range of seven primary & secondary colours.

## NITRO BASE TINTS

Available Sizes: 1lt

Nitro Base Tints can be mixed with Fiddes Nitro Stains to provide a great deal of flexibility when colour matching. Nitro Base Tints are exceptionally concentrated and are available in 5 primary and secondary colours. A very small percentage is required to alter the tone/shade and can be used in concentrated form to achieve intense colour.

# StopLoss

## STOPLOSS BAGS

StopLoss Bags are formulated to preserve and extend the life of your woodworking finishes. Simply transfer your product into a StopLoss Bag, seal, store and forget! No more thickened or skinned over finishes caused by evaporation and oxidation. Tests consistently show over 99% preservation even after two year's storage.

- \* Simple to use
- \* Environmentally friendly - No wastage or disposal of spoilt finishes
- \* Re-usable bags, suitable for storage of Oil, Water & Alcohol based finishes

## COLLAPSIBLE FUNNEL

The StopLoss Bag Collapsible Funnel is formulated to stretch over an opened litre sized tin while the spout of the StopLoss Bag fits the small end of the funnel for simple, mess free decanting. Easy to use & easy to clean.

\*Other products in the StopLoss Range include: Filler Clip, Filler & Adjuster Tube Set and Extra Caps.

# INTERIOR Coatings

## HARD WAX OIL

**NEW** Dead Matt Ultra Raw!

Available Sizes:  
250ml, 1lt, 2.5lt, 20lt

A blend of natural oils & waxes offering exceptional durability and resistance for internal surfaces, subjected to a high degree of wear. A quick drying, water and stain resistant finish that will not peel or flake. Fiddes Hard Wax Oil is toy safe, food safe and has a Slip rating of R11/P4 without the need of an anti-slip. Extremely easy to apply with a coverage rate of 20-24 sqm per litre. Fiddes Hard Wax Oil is quick drying & suitable for a wide variety of uses, making it ideal for trade professionals, DIYers & wood enthusiasts. Sheens: Matt, Silk, Satin, Gloss & Dead Matt Ultra Raw

## CONCRETE FINISH

Available Sizes: 5lt

A quick drying, low VOC, water based finish that stabilises & seals internal concrete surfaces & floors. Formulated to prevent dusting, Concrete Finish protects from dirt, oil and stains and is suitable for use in sheds & garages. It is also Food Safe, making it ideal for using in kitchens & commercial food grade areas. Sheens: Matt, Satin & Gloss

## CLEAR GLAZE

Available Sizes: 1lt

Fiddes Clear Glaze is an easy to use, superior quality interior single pack finish, formulated to provide very high standards of resistance and surface abrasion on most interior wood surfaces. Applied by brush or roller, Fiddes Clear Glaze is exceptionally easy to apply, exhibiting excellent flow and high build properties. It also offers a high degree of protection and is ideal for application on to floors and working surfaces where durability and quality of finish are the primary requirements. Sheens: Matt, Satin & Gloss

## TINTED HARD WAX OIL

Available Sizes:  
250ml, 1lt, 2.5lt

Tinted Hard Wax Oil has the same features and qualities as Fiddes Hard Wax Oil and comes in 12 stylish pre-tinted colours. Application methods can vary the depth of colour achieved. All colours can be mixed together or mixed with the clear Hard Wax Oil to dilute the strength of the tint, offering a unique opportunity to create your own customised colour. Tinted Hard Wax Oil can replace the need to use a direct stain and can be used as the first coat, prior to a Clear Hard Wax Oil sheen, in the 2 coat system.

## PREMIER WOOD VARNISH

Available Sizes: 1lt, 2.5lt

Premier Wood Varnish is a water based Polyurethane/Acrylic finish, for the surface treatment of wood floors, furniture and internal joinery. Quick-drying, non-yellowing and with excellent durability, Fiddes Premier Wood Varnish is the ideal water based finish for all domestic environments and is also food safe making it suitable for a variety of surfaces. Sheens: Matt, Satin & Gloss

## DANISH OIL

Available Sizes: 500ml, 1lt

Fiddes Danish Oil contains pure Tung Oil blended with quality ingredients, offering a natural, durable, water resistant, low-sheen finish that does not peel, chip or crack. Specially designed for both internal and external wood surfaces, although more commonly used internally. Known for its deep penetration offering a natural, water resistant, low sheen finish that enhances the beauty of timber.

# INTERIOR Coatings

## TEAK OIL

Available Sizes: 1lt

Specially formulated from natural oils & a blend of high quality ingredients, Fiddes Teak Oil is designed to produce a clear, penetrating seal & finish for teak, cedar and other bare timbers. Suitable for both interior & exterior use.

## TUNG OIL

Available Sizes: 1lt

Also referred to as China Wood Oil, Tung Oil is a natural, slow drying, non-toxic oil for all interior wood surfaces. Produces a resilient, matt lustre that enhances the beauty of timber while providing excellent protection.

## SUPREME WAX

Available Sizes: 400ml, 5lt

Supreme Wax polish contains a unique environmentally friendly toluene-free blend of waxes that naturally enhances the beauty of timber. Available in clear & 6 shades, Supreme Wax is virtually odour-free, quick drying and easy to apply by hand. Once buffed to the desired sheen level, it produces a depth of finish that protects and revises any original patina. Supreme Wax can be used over chalk paint to offer protection to timber surfaces.

## LIMING WAX

Available Sizes: 400ml

Liming Wax is ideal for application on timbers which normally exhibit distinctive deep grain pattern. On application Liming Wax fills the open timber pores offering contrasting white tone and emphasizing the grain across the whole surface area, typical of a "Limed" finish.

## MELLOW WAX

Available Sizes: 400ml, 5lt

Fiddes Mellow Wax range is formulated from a traditional recipe, developed from over ninety years experience in the manufacture of fine timber finishes. A blended beeswax polish of the highest quality, Fiddes Mellow Wax Polish is available in 5 distinctive timber shades, and has been successfully used for finishing sealed or previously polished timber for over a generation.

# INTERIOR Preparation

## FILLER GEL

Available Sizes: 800g, 4.2kg

A spirit-based gel filler formulated to fill gaps, cracks and joints prior to sanding and finishing. Fiddes Filler Gel provides excellent filling and adhesion properties, whilst offering specific colour matching when mixed with fine saw dust directly from substrate.

## CELLULOSE SANDING SEALER

Available Sizes: 1lt

A Pre-catalysed, quick dry, easy-sand sealer, that is ideal for use on hardwood substrates with tighter grain patterns.

## PAINT & VARNISH REMOVER

Available Sizes: 1lt, 4lt

A DCM-free, fast acting all-purpose Stripper that effectively removes multiple coats of Varnish, Paint, Lacquer and French Polish from timber, glass, masonry and metal. Penetrating deeply into the surface, providing a powerful blistering reaction on application.

## FULL STOP STAIN BLOCK

Available Sizes: 1lt

A Shellac based, quick drying, highly pigmented universal white primer that permanently blocks stains and odours in just one coat. Adheres to bare or previously coated interior wood, metal, glass, tile, plaster and dry wall, Increasing surfaces adhesion and accepting oil, water based and acrylic topcoats.

# INTERIOR Clean Up

## WHITE SPIRITS

Available Sizes: 2lt

Standard thinner used to dilute/clean oil based paints, varnishes, floor finishes, polyurethanes and waxes. Suitable for thinning Hard Wax Oil if required.

## NITRO THINNERS

Available Sizes: 250ml, 1lt, 5lt

Nitro Clear/Thinners can be mixed with Nitro Stains to customise colours and to clean up accessories.

# INTERIOR Aftercare

## WOOD FLOOR CLEANER

Available Sizes: 1lt Concentrate

Fiddes Wood Floor Cleaner is the ideal maintenance product for all timber, tile and stone surfaces. A concentrated non-abrasive rinse free formulation that is suitable for application onto all types of floor finishes. It revives and maintains floors, requires no rinsing and dries completely smear free.

## FLOOR REVIVER KIT

This all-inclusive kit provides everything you need to keep your Hard Wax floor fresh and unmarked. Manufactured from a blend of natural oils and solvents, Fiddes Floor Reviver can locally remove light surface marking from internal wood substrates whilst maintaining the original finish.

Kit includes 1lt Wood Floor Cleaner

## SPRAY MOP

Experience effortless and efficient cleaning with our innovative spray mop! Designed for convenience, it features a built-in spray mechanism that allows you to dispense our diluted floor cleaner directly onto the floor, eliminating the need for a bucket. Its fine mist provides just enough moisture to clean your floor without leaving excess water behind.

Lightweight and ergonomic, it's perfect for all floor types, including hardwood. This eco-friendly mop comes with a washable microfibre pad and includes a 1lt Fiddes Floor Cleaner concentrate, ensuring a sparkling clean while being cost-effective.

## WOOD SURFACE CLEANER

Available Sizes: 500ml

Wood Surface Cleaner is made from the same superior formulation as Fiddes Wood Floor Cleaner in a convenient ready to use spray. Ideal for maintaining furniture, with application onto all types of timber, stone and tile surfaces.

## FURNITURE CARE KIT

Fiddes Furniture Care Kit is perfect for maintaining furniture which has been previously coated with Fiddes Hard Wax Oil. The kit contains our 500ml Wood Surface Cleaner, a microfibre cleaning cloth and information sheet on how to care for your timber furniture.

## FLOOR PROTECTION

Keep your floor looking it's best with our range of Floor Protectors to help to prevent damage normally caused by moving furniture. Choose from three different styles to suit your needs.

- Versaglide Formed Felt combines an extremely durable felt tip with a tap-in base that can be used on any size or shape furniture leg.
- Clear Sleeve Protectors are a transparent and flexible, securely forming to the furniture leg.
- Wrap-Around Floor Savers provide floor protection for chairs with sled bases.

# EXTERIOR PREPARATION

## PAINT & VARNISH REMOVER

Available Sizes: 1lt, 4lt

A DCM-free, fast acting all-purpose Stripper that effectively removes multiple coats of Varnish, Paint, Lacquer and French Polish from timber, glass, masonry and metal. Penetrating deeply into the surface, providing a powerful blistering reaction on application.

## OXALIC ACID

Available Sizes: 1kg

Oxalic Acid concentrate is normally applied as a final stripping process to offer complete colour control before finishing. Effective at removing light stains and blemishes & also used for lightening timber and removing tannins.

## WOOD REVIVER GEL

Available Sizes: 2.5lt

A water based, odourless, biodegradable Gel that is ideal for restoring all types of grey, weathered, UV damaged wood back to its natural colour. Includes Scrubbing Brush.

## DECK CLEANER

Available Sizes: 1lt Concentrate

Restore, revive and clean exterior untreated or oiled wood decking. Use prior to application of Fiddes Decking Oil and for regular cleaning of exterior wood surfaces. Removes stains, grease, dirt and fungus.

# EXTERIOR COATINGS

## UNIVERSAL DECKING OIL

Available Sizes: 250ml, 5lt

A water repelling Decking Oil that will penetrate deeply into both smooth and planed, rough sawn decking and exterior timber. Formulated to preserve, protect and restore whilst preventing splitting & surface growth of algae. Available in a true clear oil which allows your timber to naturally silver and 3 natural colour shades. Slip Rating: R10

## OUTDOOR FURNITURE OIL

Available Sizes: 1lt, 2.5lt

A blend of natural oils & resins offering a transparent satin finish with exceptional durability & resistance for all external timber furniture and joinery. Clear, fast drying, water repellent and weather resistant finish that will not peel or flake. Outdoor Furniture Oil protects while allowing timber to naturally silver over time.

## TEAK OIL

Available Sizes: 1lt

Specially formulated from natural oils & a blend of high quality ingredients, Fiddes Teak Oil is designed to produce a clear, penetrating seal & finish for teak, cedar and other bare timbers. Suitable for both interior & exterior use.
