

# HIMALAYAN SALT

## CATALOGUE

*Fulfilling your animal's needs*

# HIMALAYAN SALT

*The Essence of the Earth*

---

Harvested directly from the ancient Himalayan foothills, this premium salt is defined by its unparalleled purity and its remarkable, complete profile of 84 essential trace minerals.

## | A Legacy of Purity

Crafted from authentic Himalayan Pink Salt formed over 250 million years ago, our products preserve their natural purity and mineral-rich composition. Carefully selected and processed to the highest quality standards, every Oryx Himalayan Salt product delivers reliability, durability, and premium performance for livestock and animal nutrition.

## | Universal Natural Benefits

Naturally rich in essential trace minerals, Oryx Himalayan Salt products offer a pure and natural source of mineral supplementation for both animals and humans. They help support mineral balance, healthy hydration, and overall well-being, making them a trusted choice for daily use across a wide range of applications.

# HIMALAYAN SALT

*The Essence of the Earth*

Enrich your livestock's diet with 100% natural Himalayan Rock Salt. Sourced from pristine reserves, it delivers essential trace minerals to boost vitality, productivity, and overall well-being.
