Welcome to

Himarsh Overseas

Himarsh Overseas is a customer-focused multi-category supplier and exporter, dedicated to providing reliable sourcing and supply solutions to wholesalers, traders, manufacturers, contractors, and bulk buyers across India and international markets.

Established in 2026, our team leverages deep industry knowledge to meet diverse buyer requirements through competitive pricing, flexible order quantities, and professional business coordination. We are committed to transparency, customer satisfaction, and long-term partnerships.

At Himarsh Overseas, we understand that every customer has unique business requirements, which is why we offer customized sourcing and supply solutions tailored to specific industry needs. Our dedicated team ensures that every product undergoes stringent quality checks before dispatch, guaranteeing consistent performance, durability, and compliance with global quality standards.

We maintain an efficient supply chain and reliable logistics network to ensure timely deliveries across domestic and international markets. Our customer-centric approach enables us to build lasting relationships based on trust, integrity, and mutual growth.

Quality, sustainability, and continuous improvement remain at the heart of our business philosophy. We actively adopt modern techniques and environmentally responsible practices to minimize our environmental footprint while delivering products that add

Spices & Herbal Powders

Himarsh Overseas supplies premium-quality spices and herbal powders sourced from trusted farms and processing units across India. Our range is carefully cleaned, dried, and ground to preserve natural aroma, colour, and nutritional value.

Available in bulk and customized packaging for wholesalers, food processors, ayurvedic manufacturers, and exporters. Every batch is quality-checked for purity, moisture, and shelf life.

OUR PRODUCTS

Dry Ginger Powder

Dry Ginger Powder (Saunth) is made from premium quality dried ginger roots, carefully cleaned, sun-dried and finely ground to preserve its natural aroma and pungency. It is widely used in Indian cuisine, traditional medicines and herbal preparations.

Turmeric Powder

Our Turmeric Powder (Haldi) is sourced from the finest turmeric roots and ground to a fine, vibrant yellow powder. Known as the "golden spice", turmeric is a staple in every Indian kitchen and a key ingredient in Ayurvedic medicine.

Red Chilli Powder

Our Red Chilli Powder (Lal Mirch) is prepared from handpicked, sun-dried red chillies of the finest quality. It delivers a rich red colour, strong aroma and the perfect level of heat to enhance any dish.

OUR PRODUCTS

Moringa Powder

Moringa Powder is made from the nutrient-rich leaves of the Moringa oleifera tree, often called the "miracle tree". The leaves are shade-dried and finely ground to preserve their high nutritional value.

Ashwagandha

Ashwagandha (Withania somnifera) is one of the most revered herbs in Ayurveda, known as an adaptogen that helps the body manage stress. Our Ashwagandha powder is made from premium quality roots, carefully dried and ground.

Neem Powder

Neem Powder is made from the leaves of the neem tree, which has been used in Ayurveda for centuries for its remarkable medicinal properties. Our neem powder is prepared from carefully selected, shade-dried leaves.

100% Cotton Textiles

Our cotton textile range is crafted from premium 100% cotton yarn, offering superior softness, absorbency, and durability. Ideal for hospitality, retail, and gifting segments.

We supply terry towels, kitchen towels, hand towels, and Jaipuri quilts in bulk with customizable sizes, colours, and packaging.

100% cotton – soft & absorbent

Custom sizes, colours & packaging

Bulk supply for retail & hospitality

OUR PRODUCTS

Cotton Terry Towels

Our Cotton Terry Towels are crafted from premium 100% cotton with a plush terry loop construction that delivers exceptional softness and absorbency. Perfect for bath, spa and hotel use, they stay fluffy wash after wash.

Kitchen Towels

Our Kitchen Towels are woven from pure cotton for superior absorbency and quick drying — making them the perfect everyday companion for drying dishes, wiping counters and handling spills in the kitchen.

Jaipuri Quilts

Our Jaipuri Quilts (Razai) are a beautiful blend of traditional Rajasthani craftsmanship and modern comfort. Handcrafted with soft cotton covers and filled with premium cotton wadding, they provide the perfect warmth without feeling heavy.

Handicrafts, Brass & Wooden Products

Himarsh Overseas offers beautifully handcrafted brass and wooden products, reflecting India's rich artistic heritage. Our range includes decorative items, utility pieces, and gifting products.

Suitable for retailers, exporters, corporate gifting, and hospitality décor, with customization options available on request.

Handcrafted by skilled artisans

Custom designs & bulk orders

OUR PRODUCTS

Brass Handicrafts

Our Brass Handicrafts are meticulously crafted by skilled artisans using age-old techniques passed down through generations. Each piece reflects the rich heritage of Indian metalwork, combining intricate detailing with a polished golden finish.

Wooden Handicrafts

Our Wooden Handicrafts are lovingly crafted from premium-quality, sustainably sourced wood by skilled artisans. Each piece showcases the natural beauty of the wood grain, enhanced by hand-carved detailing and a smooth, polished finish.

Wooden Utility Products

Our Wooden Utility Products combine everyday functionality with artisan craftsmanship. From serving trays, chopping boards and spice boxes to kitchen organisers and storage items, each product is made from high-quality wood.

TMT Bars, Iron Ingots & Steel Pipes

We supply industrial-grade steel products for residential and commercial construction, water projects, and infrastructure development. Our range includes TMT flat & round bars, iron ingots, and MS steel casing pipes for tubewells.

All products are sourced from reputed manufacturers and conform to industry standards for strength, durability, and corrosion resistance.

Industrial-grade strength & durability

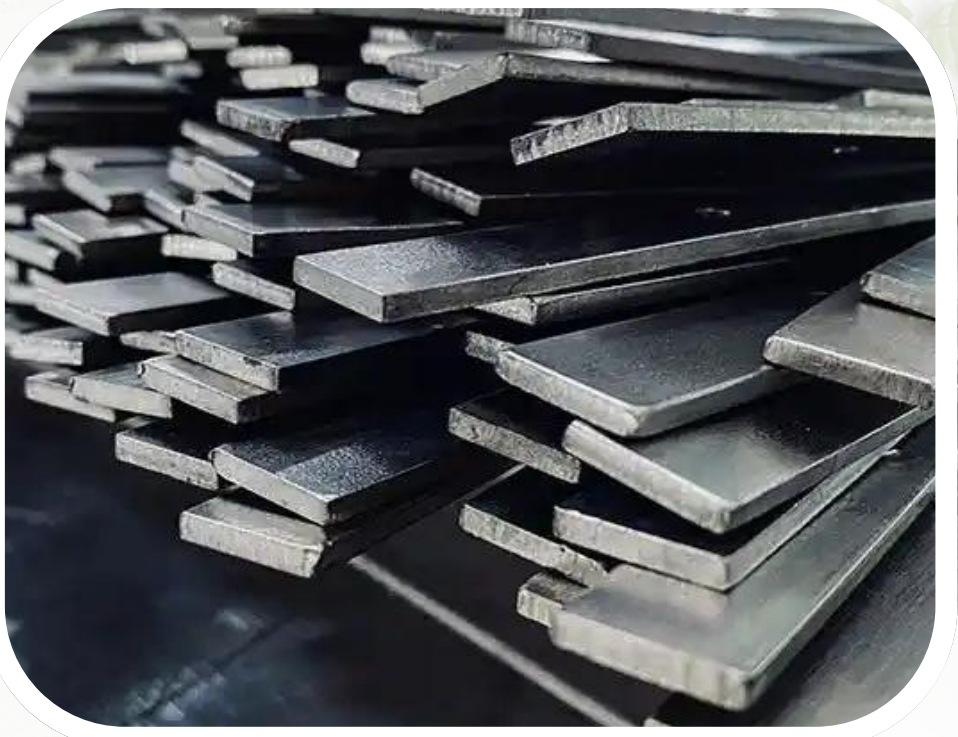

Suitable for construction & water projects

Bulk supply with timely dispatch

OUR PRODUCTS

TMT Flat Bars

Our TMT Flat Bars are manufactured using Thermo-Mechanical Treatment (TMT) technology, delivering superior strength, ductility and corrosion resistance. These bars are ideal for construction, fabrication and structural applications.

Iron Ingots

Our Iron Ingots are produced from high-purity raw materials using modern smelting processes. They offer consistent chemical composition, low impurities and excellent castability, making them ideal for foundries and steel manufacturers.

MS Steel Casing Pipes for Tubewells

Our MS Steel Casing Pipes are specially manufactured for tubewell and borewell applications. Made from high-quality mild steel, they offer excellent strength, dimensional accuracy and resistance to underground pressure and corrosion.

Submersible & Centrifugal Pumps

Himarsh Overseas supplies reliable water pumping solutions for borewells, industrial processes, and residential applications. Our range includes submersible motor & pump sets and centrifugal process flow pumps.

Built for efficiency, durability, and continuous operation, these pumps are ideal for agriculture, water supply projects, and industrial use.

Energy-efficient & durable design

Suitable for borewells & industrial use

Bulk supply with installation support

OUR PRODUCTS

Submersible Motor & Pump Sets

Our Submersible Motor & Pump Sets are engineered for reliable performance in deep wells, borewells and tubewells. Built with high-grade materials and precision engineering, they deliver consistent water output even from significant depths.

Centrifugal Process Flow Pumps

Our Centrifugal Process Flow Pumps are designed for continuous, high-efficiency transfer of water and process fluids across a wide range of industrial applications. Precision-engineered impellers and casings ensure smooth, vibration-free operation.
