CERTIFIED SIU (SCRIPTURES IN USE) TRAINERS; AND THE BIBLE STORY SCARF TOOL INCLUDED

Pastor Daniel's KGM team served in a closed Hindu village for months, helping them harvest their crops. One day they asked, ***"Why do you help us?" Daniel reached into his pack, pulled out the Bible Story Scarf you sent, and unfolded the Gospel right there in the dusty field***. Because these people live in non-reading, oral culture, the message didn't just drift past their ears. It pierced their souls and shattered their bondage.

SHARE JESUS

WITH UNREACHED VILLAGES

The harvest fields of India are white but the spiritual battle is fiercer than ever. Our KGM brothers and sisters on the frontlines are ready to step into the fire. They are prepared to face persecution, break through cultural walls, and lift their communities out of poverty—but they can't go empty-handed.

INVEST IN SEEDS OF CHANGE

MEET TANGIBLE NEEDS THAT OPEN HEARTS AND DOORS TO THE GOOD NEWS

DISCIPLE A CHILD

Suggested gift> $35

PROJECT NEED: $9,500

One boy shared that he helped his grandmother all week. ***"While I was with her, I told her what I learned—that Jesus loves all people."*** That's your investment multipying the joy and growth of India's children *to include their families*. Weekly KGM ***Bible Clubs-4-Kids*** provide a safe, after-school space where kids play sports and games and learn about Jesus with Bible stories, songs and dances. They also learn vital life skills like hygiene, good nutrition, and how to treat others, lessons that often open doors to reach their families. ***Open a new club for 15 kids: $250***

RESCUE A WIDOW

Suggested gift> $30

PROJECT NEED: $1,800

With no steady income and two growing children to feed, Mariamma's days were defined by the uncertainty of food and the struggle to see a way out. Through KGM's Widow Rescue, Mariamma didn't just receive a handout; she received a future. She was gifted monthly food and medicine, but it was the kindness and prayers of the KGM team that healed her heart. "I felt that God had not forgotten my family," Mariamma shared. "Through this help, I saw the love of Jesus in action." ***$180 sustains a widow for a full year.***

Every $15 gift cares for one widow for one full month.

LIVELIHOOD ANIMALS

Suggested gift> $25 five chickens | $100 Goat

PROJECT NEED: $10,500

Empower a family with a "living bank account." In rural India, livestock like goats and chickens provide more than just food; they offer a ***sustainable source of income*** through the sale of milk, eggs, and offspring. For a widow or a struggling family, these animals are a path to economic independence, helping them cover essential costs like ***clothing, healthcare and education*** for their children. Animal gifts establish trust in closed villages that's vital to spreading the Gospel.

SOWING SEEDS TOGETHER

TOM CAPRIO

FROM THE PRESIDENT OF KERUSOMEN GOSPEL MINISTRIES: Jesus said in Matthew 16:27: "For the Son of Man is going to come in His Father's glory with His angels, and then He will reward each person according to what they have done." We're going to get a reward for serving God on earth. We don't serve to gain entrance to heaven; we serve out of gratitude to demonstrate our allegiance to our Creator, Almighty God. Great joy is coming but we only get one journey through time to prepare for it.

Kerusomen Gospel Ministries is an opportunity for us to obey God's call to reach the nations and honor Him together. The enemy will do anything to stop us. We need each other to stay encouraged, to pray faithfully, and to give sacrificially to reach people we don't know, in places we may never visit. As you browse this catalog, may the Holy Spirit give you a fresh glimpse of The Kingdom, clarify your purpose, and fill you with joy in the journey.
