

Impact Report

2025/26

THEonePOINT

Creating Positive Impact

At The One Point, we believe that businesses have a responsibility to make a meaningful difference in the communities they serve. The One Point Foundation was created to turn that belief into action.

Run entirely by TOP employees, our foundation supports causes that improve lives, create opportunities and help those who need it most. Whether through financial donations, fundraising, volunteering, sponsorship, technology donations or practical support, we are committed to creating positive change for individuals, charities and communities.

Our Foundation Values

People First

We support causes that improve wellbeing, reduce inequality and create opportunities for individuals to thrive.

Community Focused

We are proud to support the communities where we live and work to help create stronger and more connected communities.

Opportunity For All

We believe everyone should have access to opportunities that enable them to learn, grow and succeed.

Making A Difference

ct Together

The One Point Foundation is led by a passionate group of ambassadors and supported by the entire business, who dedicate their time, energy and expertise to making a difference.

From fundraising challenges and volunteer days to charity nominations and community projects, our people continuously demonstrate the values that make The One Point more than just a technology business.

Every charity we support, every event we organise, and every initiative we launch begins with one simple idea: helping others.

ence Together

Our Vision

Our vision is a future where our local communities have the support, opportunities and resources from local businesses, to allow them to thrive!

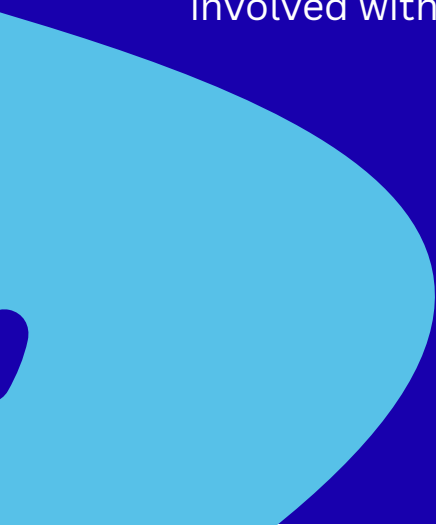

Our Mission

Our mission is to create a positive and lasting impact by supporting charities, community groups and individuals.

Specifically through fundraising, volunteering, sponsorship, tech donations and getting involved with community initiatives.

At A Glance

Supporting Charities & Communities

Throughout 25/26, we have partnered with charities, community groups, grassroots organisations and local initiatives that are making a genuine difference to people's lives.

Highlights

- ▶ Grant Funding Awarded
- ▶ Local Events & Initiatives
- ▶ Local Charities Supported
- ▶ Sponsorships/Partnerships
- ▶ Essential Equipment Donated

While no single action changes the world, together these collective efforts are creating meaningful opportunities, supporting those facing challenges and helping communities thrive.

Creating Opportunity

By supporting educational and sport programmes, digital inclusion initiatives and youth-focused projects, we are helping individuals build confidence, develop skills and reach their potential.

Driven By Our People

Our employees play a vital role in identifying worthy causes, fundraising, volunteering and championing local projects.

- ▶ Volunteering Days
- ▶ Employee Fundraising
- ▶ Charitable Fund Donations

£11,270

Donated to local
organisations.

110

Hours of employee
volunteering time.

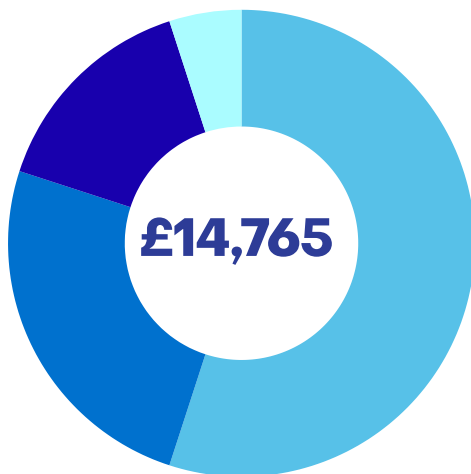

32

volunteering.

£2,053.89

Delivered through
gifts in kind, EG:
Laptops, Monitors,
Devices Etc.

£3,495

In value for the
donated phones and
laptops, to the
Gambian Schools
Trust.

Empowering People &

Over the past four years we have worked closely with St George's Crypt to support their initiatives. Directly working with their on-site team to donate funds, attend annual celebrations and donate gift-in-kind tech.

Examples of what we have done:

- ▶ Donating phone chargers to users.
- ▶ Employee volunteer days on site.
- ▶ Coffee donations for Christmas gifts.

St. George's
Crypt

We donated a ruggedised mobile handset to Humber Rescue Lifeboats to support their volunteers when they are out on rescue.

Being directly on the Humber, we see how important the work Humber Rescue does is.

Rob Pinder, took part in all seven Big Hikes in aid of Cancer Research raising £645 for the charity.

- ▶ Trossachs - Full Marathon
- ▶ Brecon Beacons - Full Marathon
- ▶ Peak District - Full Marathon
- ▶ Jurassic Coast - Full Marathon
- ▶ Lake District - Full Marathon
- ▶ Cotswold - Full Marathon
- ▶ Suffolk & Essex - Full Marathon

Creating Opportunities

We are proud to work closely with Men In Sheds Ferriby to provide them with technology that actively supports the work and activities they are doing.

Over the years we have donated laptops, and monitors to support new initiatives for their users.

As part of our Quarterly Grant Funding initiative, we donated £250 to Beech Holme Tandem Club, an organisation for individuals with sight loss to engage in tandem cycle rides.

The money will be going towards:

- ▶ Tandem Bike Fixes and Equipment
- ▶ Training sessions for volunteers

We donated £100 towards Aim Higher's "Party In The Quay" event. This supported them with the hire of a range of party equipment such as a climbing wall, silent disco and carnival games.

Aim Higher was brought to us by a member of staff who has a daughter diagnosed with Autism.

Growing A Greener Future

Our Environmental Impact

As part of our commitment to creating lasting positive impact, The One Point Foundation continued to support global reforestation initiatives through our Tree-Nation forest.

For every piece of feedback we receive from a customer, we plant a tree within our Tree-Nation forest.

Through this initiative, we are proud to contribute to a greener, more sustainable future.

Actively Contributing T

Through our Volunteer Day Allocation and Company Chosen initiatives, colleagues are encouraged to dedicate time to causes that align with their passions and make a tangible difference for local people and organisations.

Throughout the year, team members supported a variety of community initiatives, including volunteering at St George's Crypt foodbank, assisting vulnerable individuals through Devils Kitchen and the Hey Smile Foundation, and helping to deliver fundraising events for the TOP Foundation.

Time Value

In total, our colleagues delivered 114 volunteer hours across 16 volunteering activities, helping charities extend their reach, support more beneficiaries and deliver important community services.

£1,750

Donated To
Charities Chosen
By Our Team

Whether assisting with food preparation and distribution, supporting fundraising events, or contributing to environmental projects, every hour volunteered represents our commitment to creating positive social impact.

£11,270

Donations Of
Technology

As a technology-led organisation, we are uniquely positioned to use our expertise, resources and industry partnerships to support charities with their digital inclusion initiatives and technical growth. Throughout the year, we have worked to ensure that technology is accessible to those who need it most.

From repurposing devices and supporting digital inclusion projects to providing access to new equipment that enables education and learning. We have supported a range of local charities, such as St George's Crypt, Men In Sheds, as well as Ecklesia, a local church.

Impact Through Technology

As a way to refurbish and reuse both our and our customers' older devices, we donated over 30 devices to the Gambian Schools Trust in Africa.

This allowed us to give new purpose to unused technology while creating opportunities for people who may otherwise have limited access to digital resources.

Total donated based on device type:

£600

£2,715

£180

Looking Ahead: Our

Expanding Our Community Impact

As The One Point Foundation continues to grow, so does our ambition to create meaningful, lasting change in the communities we serve.

Building on the success of our grant funding programme, we aim to support more charities, community organisations, and grassroots initiatives each year.

By broadening our reach and strengthening our partnerships, we hope to help even more organisations deliver valuable services and opportunities where they are needed most.

We are dedicated to continuing

Our Future Plans

Growing Our Employee Volunteering

The passion and commitment of our people are at the heart of everything we do. The Foundation wouldn't exist without the dedication and volunteer time of our Ambassadors.

We want to encourage even greater participation in volunteering activities by creating more opportunities for our team to give back to causes they care about.

Whether through fundraising, hands-on volunteering or sharing professional skills, we aim to strengthen our culture of community involvement and increase the positive impact we make together.

- ▶ Volunteering at local food banks to support families.
- ▶ Fundraising for chosen charities through competitions and goals.
- ▶ Volunteering at local food banks to support families.
- ▶ Volunteering at local food banks to support families.

Strengthening Our Partnerships

We believe the greatest impact comes through collaboration. Looking ahead, we want to deepen our relationships with charities, community groups, customers and partners who share our values.

g our support of the community
