

The Drama Department at Charters School Proudly Present

Guys and Dolls Jr

Director: Mr A Jay
Assistant Director: Miss L Jordan

10th and 13th of July 2026

Plot Summary

Set in the bustling streets of 1950s New York, *Guys and Dolls Jr.* is a lively musical comedy filled with colourful characters, catchy songs, and plenty of laughs.

The story follows gambler Nathan Detroit, who is desperately trying to organise an illegal dice game while avoiding pressure from his long-suffering fiancée, Adelaide, who has been waiting fourteen years for him to marry her. Meanwhile, high-rolling gambler Sky Masterson accepts a bet that leads him to Sarah Brown, a dedicated missionary from the Save-A-Soul Mission. As opposites attract, both couples discover that love can be just as unpredictable as a roll of the dice.

Featuring memorable songs, energetic dance numbers, and a heartwarming message about friendship, loyalty, and following your heart, *Guys and Dolls Jr.* is a family-friendly adaptation of the classic Broadway musical. Packed with humour and unforgettable characters, it remains one of the most beloved musicals ever written and is sure to entertain audiences of all ages.

Production and Rehearsal Process

From the very first rehearsal in February to our final performance here in July, the commitment shown by the cast and crew of Guys and Dolls Jr. has been truly incredible. Rehearsals have been filled with fun, laughter, and joy, and every department has worked together brilliantly to bring this production to life.

Every student involved has shown outstanding dedication, hard work, and enthusiasm in achieving what you have seen on stage tonight. We are immensely proud of each and every one of them, and we hope you have enjoyed watching the results of their efforts as much as we have enjoyed creating it.

Cast Comments

"I love Guys and Dolls, I feel that performing brings everyone together and that is exactly what this show does. I love performing and love being a part of a production. I have met so many amazing people and made so many new friends and the effort that everybody (including our directors) put in day after day is incredible."

Daisy - Playing Sarah

Guys and Dolls has been a great experience for me! I've enjoyed watching my fellow actors and actresses learn and grow as we advanced through the show. I've had a great time with my friends in the cast and can't wait to partake in other shows in the future!

Abi - Playing General Cartwright

Directors Comments

Miss Jordan -

Being part of Guys and Dolls has been no small feat, but it has also been an absolute joy. Every rehearsal has been filled with laughter, creativity, and unforgettable memories, making this junior musical at Charters a truly special experience.

With a cast and crew of nearly 100 students, I can honestly say how incredibly proud I am of every performer, crew member, and volunteer who helped bring this production to life. Their hard work, commitment, and dedication have been nothing short of inspiring, and I cannot thank them enough for the time, energy, and passion they have given throughout this journey. It has been a privilege to be part of such an amazing team.

Directors Comments

Mr Jay -

I could not have wished for a better group of individuals throughout this process. The joy and creativity I have seen throughout the rehearsal process has been amazing. The hard work, dedication and unbridled talent the students have, has carried this show through some tough times, but coming out the other side I can only say how proud I am of them.

*Thank you to every single member of staff who has contributed to this process, anyone who has ever said a well wish wandering across the quad, asked how rehearsals were going and given us copious amounts of gambling paraphernalia.
(Shout out Mr Greaves!)*

Thank you to Miss Jordan for all your support throughout this process. I could not have done this without you!

*To the performers, good luck.
I am so proud of you all.*
