Independence Day Celebration and DPSGI Run 2026

Anikait Kapoor

Delhi Public School Ghaziabad International celebrated India's 80th Independence Day on 15 August 2026 with patriotic fervour, enthusiasm and a strong sense of national pride. The celebration, themed "One Run. One Flag. One Nation.", was conducted under the visionary leadership of Head of School Dr Tanushree Sharma and thoughtfully curated by the Sports Department. It brought together students, parents, grandparents and members of the school community to commemorate the nation's independence while reinforcing the values of unity, responsibility and citizenship.

The morning began with an energetic warm-up and Zumba session, setting the tone for the DPSGI Run 2026. The run promoted fitness, determination, teamwork and community spirit and was formally flagged off by the Head of School. A rejuvenating cool-down session followed, allowing participants to recover after the invigorating activity.

The Independence Day ceremony commenced with the solemn Flag Hoisting Ceremony, followed by the National Anthem, creating a deeply patriotic and respectful atmosphere. Addressing the gathering, Dr Tanushree Sharma highlighted the responsibility that accompanies freedom and emphasised the role of young citizens in contributing to the nation's future.

The celebration was further enriched by vibrant musical and dance performances that showcased India's diverse cultural heritage and patriotic spirit. The event reflected SDG 16 – Peace, Justice and Strong Institutions, particularly through its emphasis on unity, responsible citizenship, inclusion and collective participation. It also reflected key elements of the DPSGI Learner Profile aligned with CD 2020, including being Grateful and Compassionate, Empathetic and Respectful, Ethical and Principled, and Collaborative. The programme concluded with a collective reaffirmation of unity, responsible citizenship and commitment to the nation, followed by a spirited "Jai Hind!"

Exploring Famous Personalities

Amyra Sandhu

As part of the library enrichment programme, Class 4 students participated in the "Exploring Famous Personalities" activity. Students researched and explored the lives, achievements, and contributions of renowned personalities from different fields using library resources. They shared interesting facts and presented their learning confidently, enhancing their research, communication, and critical thinking skills while developing an appreciation for inspiring role models.

Celebrating Festivals Through Art

Shreyas Gupta

As part of the How We Express Ourselves theme, students of PYP 1 and PYP 2 participated in a "Draw Your Favourite Festival" activity. Through colourful drawings, students expressed their understanding of festivals and shared how celebrations reflect traditions, culture, and emotions. The activity nurtured creativity, self-expression, appreciation of diversity, and confident communication, while connecting personal experiences with the transdisciplinary theme.

Career Counselling Session: Guiding Students Towards Informed Choices

Gauri Goel

DPSG International organised an enriching Career Counselling Session for students of Classes IX to XII. The session was conducted by Ms. Ojsvi Sharma, Senior Career Counsellor at Boston University and a Certified CBSE Career Counsellor. With an academic background in Psychology and Counselling and professional experience since 2022, Ms. Sharma brought a thoughtful, student-centric approach to career guidance.

The session focused on helping students understand their strengths, interests and career aspirations, explore suitable academic and career pathways, and make informed decisions about their future. Ms. Sharma emphasised the importance of self-awareness and encouraged students to approach career planning systematically rather than being guided solely by external expectations.

The session provided students with valuable insights into career exploration and decision-making. It encouraged them to recognise their individual strengths and interests while considering pathways aligned with their aspirations, thereby fostering greater clarity, confidence and self-awareness in planning their future.

Library Star Badge Distribution – Primary Classes

Ashish Sharma

To encourage a reading culture and recognize enthusiastic readers, Library Star Badges were awarded to deserving students from the primary classes. The badges were presented to students who demonstrated consistent library usage, responsible book handling, and a keen interest in reading. This initiative motivated students to develop regular reading habits and inspired their peers to actively participate in library activities.

PYP 3 Circle Time

Amyra Sandhu

During Circle Time, students of PYP 3 engaged in an insightful discussion on current world news, focusing on the recent tensions between the USA and Iran. Students shared their understanding and perspectives while practising respectful communication and active listening.

The discussion also explored the significance of the Strait of Hormuz, one of the world's important waterways, connecting the Persian Gulf with the Arabian Sea. Students learned about its strategic importance in international trade and discussed how the movement of oil and gas through this narrow waterway can affect the global economy.

The session encouraged students to remain informed about world events and understand the interconnectedness of countries and communities. It also provided opportunities to develop critical thinking, communication, inquiry and global awareness, while helping students recognise how events in one part of the world can have wider implications.

DPSG International celebrated Social Science Week

Arnavi Chaudhary

The week provided students with meaningful opportunities to engage with Social Science through experiential, interdisciplinary and activity-based learning, encouraging them to explore India's rich heritage, diverse geography, culture, economy and future possibilities.

The week commenced with a Heritage Walk to Qutub Minar, Lotus Temple and Humayun's Tomb, enabling students to connect classroom learning with India's historical and cultural legacy and appreciate the importance of preserving its heritage. This was followed by 'Geo Quest', an exciting geography-based treasure hunt where students worked collaboratively to solve clues, identify locations and apply geographical knowledge through challenges across the school campus.

Students then explored social issues through Caricature Making, using humour, creativity and visual representation to communicate their ideas. 'Ad Mad World' combined creativity with commerce as students conceptualised advertisements and explored product positioning, branding, persuasive communication and audience appeal. Through 'India 2040', students presented their vision for the country's future, exploring areas such as technology, education, sustainability, infrastructure, entrepreneurship, economic growth and social development.

The week culminated in 'Kaleidoscope', a vibrant cultural showcase celebrating India's unity in diversity. Students represented the culturally rich regions of Jammu & Kashmir, Punjab, Kerala and Assam through traditional attire, music, dance, customs and cultural expressions. The celebration promoted appreciation of India's diverse traditions while highlighting the common bonds that unite the nation.

Throughout the week, Head of School Dr Tanushree Sharma actively encouraged and appreciated the students, boosting their confidence and enthusiasm. Her constant support fostered a positive environment for creativity, collaboration and participation.

Social Science Week successfully transformed learning beyond textbooks, enabling students to observe, explore, create, collaborate and present while developing greater awareness of India's past, present and future. The celebration also reflected the values of SDG 4 – Quality Education and SDG 10 – Reduced Inequalities.

VIVACITY 2026

Dhruv Kaushik

VIVACITY 2026, an inter-school event, was successfully organised at DPSG International School on Monday, 24 August 2026, with the enthusiastic participation of 369 students representing 19 schools. The event provided a vibrant platform for students to showcase their creativity, knowledge, skills, confidence and collaborative spirit through competitions across the Scholastic and Foundational Domains.

A diverse range of competitions was organised in English, Hindi, Mathematics, Science, Social Science, ICT, Art, Music, Dance and Theatre. The events included creative writing, poetry recitation, digital drawing, news presentation, folk and semi-classical dance, scientific projects, traditional art, museum making, mathematical modelling, coding, singing and street theatre. The varied competitions enabled students to demonstrate both academic competencies and creative talents.

The event was conducted in a well-planned and systematic manner. Registration and reporting commenced at 8:30 a.m., followed by competitions at designated venues across the school campus. The coordinated efforts of the organising team, teachers, activity in-charges, judges and support staff ensured the smooth conduct of all competitions. Students participated with enthusiasm while displaying discipline, confidence and sportsmanship.

During the closing ceremony, Head of School Dr. Tanushree Sharma congratulated the participants and encouraged them to view competitions as opportunities to learn, grow, collaborate and discover their potential. She also expressed gratitude to the school leaders, teachers and accompanying mentors from all participating schools for their support and cooperation.

The event concluded with the Valedictory and Prize Distribution Ceremony, where the Winners and Runner-Ups were felicitated for their outstanding performances. VIVACITY 2026 was a memorable celebration of creativity, collaboration, confidence, healthy competition and experiential learning.

IPS Debate

Ashish Sharma

The DPSGI team of three students embarked on an exciting and memorable journey to participate in the 36th Edition of the IPS Debate, held at DPSG Meerut Road on 20 August 2026. The event brought together talented young debaters from several schools, providing a valuable platform to exchange ideas, strengthen confidence, and develop public-speaking skills.

The DPSGI team participated with enthusiasm, determination, and team spirit, showcasing their knowledge, critical thinking, and debating abilities. A proud moment came when Anikait Kapoor secured the 2nd Runner-Up Trophy, bringing immense pride to the school. His achievement reflected his hard work, dedication, and excellent debating skills.

The experience offered valuable learning, teamwork, and exposure beyond the competition. It strengthened the CD 2020 Learner Profile of being Excellent Communicators and Critical Thinkers and supported the SDG goal of Quality Education. Head of School Dr Tanushree Sharma congratulated the team on their commendable effort and performance.
