11TH ANNUAL

COURAGE SCORE

2025 LEGISLATIVE SCORE CARD

How well does your legislator represent you?

ABOUT
COURAGE SCORE

First released in 2016, the multi-issue annual Courage Score analyzes data from **votes cast on key progressive bills** of the legislative session. The 11th Annual Courage Score grades how California legislators represented their constituents in the 2025 legislative year.

At **CourageScore.org**, users can find scores and voting history for every California legislator, providing a clear account of the willingness of their elected officials to courageously stand up for and vote in the best interests of the people and families they serve — over the interests of corporate lobbyists with deep pockets, who exploit Californians and their communities.

HOW TO USE
COURAGE SCORE

1. Visit **CourageScore.org,** enter your address, and see who represents you *-or-* search your legislators by name

2. See how they voted on **key bills**, which **corporate money** they take, and how **partners score** them

3. **Contact them** about their score and hold them accountable!

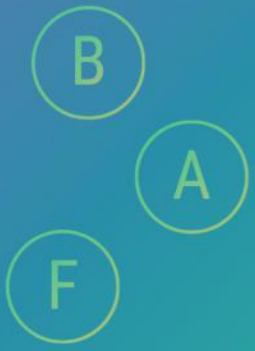

HOW COURAGE SCORE **MEASURES**
POLITICAL COURAGE

1 REACH OUT TO OVER 100 PROGRESSIVE ADVOCACY GROUPS

Courage California surveys organizations across **different issue areas** to identify **priority bills** from the previous legislative session.

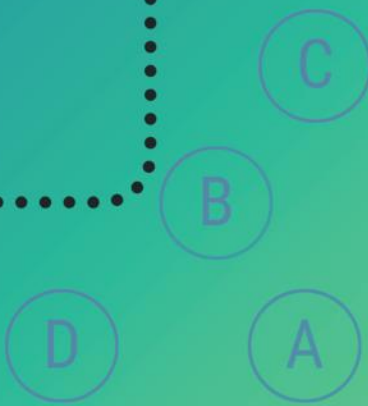

2 IDENTIFY BILLS THAT TAKE COURAGE

Often, bills that require courage will **narrowly** pass house floor votes. These bills require legislators to act with courage and **stand up to special interests** and lobbyists to get them passed.

The **list of bills** used to score California legislators can be found here: **couragescore.org/bills**

3 FIND WHO VOTES IN FAVOR OF THE PEOPLE — AND WHO DOESN'T

To determine Courage Scores, Courage CA collects data on legislators' votes on key progressive bills and the electoral history of the district they represent. Courageous legislators show up and vote on tough bills that help their communities, while rejecting corporate influences.
