01

Your Global Partner in Product Development & Sourcing

365SOURCE helps promotional distributors and brands turn product ideas into high-quality, custom merchandise — through global sourcing, product development, quality control, logistics, and fulfillment.

Established Partner

Sourcing & product development for custom merchandise programs

Custom OEM Focus

Built for private-label and promotional requirements

Concept to Delivery

Design, sourcing, production, logistics, and fulfillment

U.S. Service + Overseas Production

Responsive client service with global factory access

From Idea to Delivered Product

A disciplined four-stage process for quality, speed, and on-budget execution.

1

Design

Concept, CAD, artwork,
and sampling.

2

Source

Global factory sourcing
and cost engineering

3

Produce

Quality-controlled
manufacturing process

4

Deliver

Logistics, warehousing,
and fulfillment

You bring the opportunity. We bring the sourcing, production, and delivery engine.

Why Distributors Choose 365SOURCE

More than products: pricing, design, compliance, logistics, and predictable delivery.

DIRECT-FROM-FACTORY RISK

Unverified suppliers

No reliable vetting or audit process

Fragmented communication

Multiple vendors, inconsistent updates

Quality surprises

Late-stage defects and rework risk

Complex import logistics

Delays, documentation gaps, cost surprises

365SOURCE MANAGED SOLUTION

Managed factory network

Vetted relationships and sourcing control

Dedicated project support

Clear communication and accountable follow-up

Production quality control

Checks built into the production workflow

Coordinated delivery & fulfillment

Import, storage, repacking, kitting, and distribution

Sourcing Across the World. Servicing from the U.S.

Global manufacturing access paired with U.S.-based project management and distribution.

USA Headquarters

Sales, design, prototyping, fulfillment, embroidery, domestic distribution, inventory management, and finance.

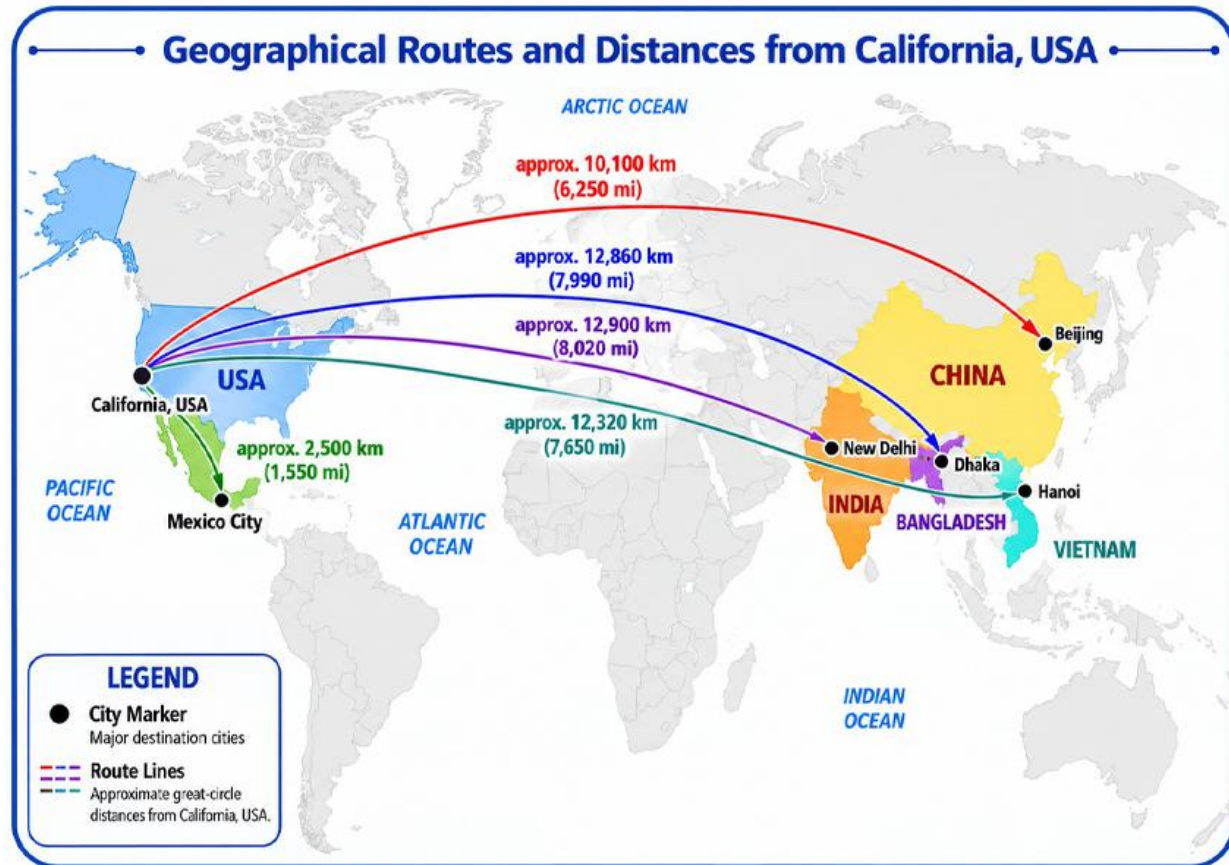

China • India • Bangladesh

Deep sourcing networks, on-the-ground quality control, production support, procurement, and compliance monitoring.

Vietnam • Mexico

Specialized sourcing and near-shore production options for category-specific programs and diversified capacity.

Vertically Integrated Support

A complete product execution platform — from concept to doorstep.

Custom Sourcing

Factory discovery, vetting, price negotiation, and procurement management.

Product Design

3D rendering, CAD, prototyping, and sample development.

Decoration

Embroidery, screen printing, patches, and specialized branding.

Fulfillment

Kitting, repacking, distribution, and white-label drop shipping.

Warehousing

Inventory storage, program management, and stock control.

Logistics

Import management, freight forwarding, and final-mile delivery.

Custom Products Across Every Promo Category

From daily-use promotional products to full custom programs, 365SOURCE supports a broad portfolio.

Lifestyle & Apparel

Bags, drinkware, apparel, headwear, scarves, sporting goods.

Home & Office

Ceramics, desk items, stationery, home & kitchenware, PPE.

Awards & Novelties

Awards, trophies, furniture, pet products, tools, toys, novelties.

Volume Programs

High-volume giveaways, retail-ready programs, umbrellas, rainwear.

Your projects. Our products. One trusted global partner.

If you can imagine it, we can source and produce it.

When Standard Catalog Products Aren't Enough

Your clients demand differentiation. 365SOURCE helps distributors create custom merchandise that fits the client's exact brand, campaign, packaging, budget, and delivery needs.

Custom Private-Label Development

Overseas product development built around your client's brand — not someone else's template.

Branded Packaging & Employee Kits

Campaign merchandise and onboarding kits that deliver a premium unboxing experience.

Event & Retail Programs

Event activation merchandise and curated retail collections designed to convert.

DISTRIBUTOR ADVANTAGE

Stand out with fully customized products your competitors cannot easily copy.

Built for Promo Timelines

Structured to move quickly from quote to final delivery.

Fast Quote Response

Rapid project review and competitive quote turnaround.

Sample for Approval

Random samples for initial evaluation, then custom samples for sign-off.

Bulk Production

Quality-controlled manufacturing with ocean, air, and domestic shipping.

Final Delivery

Local delivery, nationwide distribution, or direct fulfillment.

Ocean, air, domestic delivery, warehousing, and fulfillment options built around the client deadline.

Protecting Quality, Compliance & Risk

Every order is backed by clear supplier communication, product testing support, social compliance awareness, and quality control during production.

Verified Factory Network

Managed supplier relationships with vetted, audited factories you can trust.

Safety Testing

Product safety testing and social compliance support at every production stage.

In-Line & Pre-Shipment QC

Quality inspections during production and before shipment leave nothing to chance.

Fewer surprises. Fewer errors. Better client confidence.
