MESSAGE from Kiwanis ASPAC Chair

Dear Kiwanians, distinguished guests, and friends across the Asia-Pacific region,

For many of us, a convention is much more than a series of meetings and events. It is a chance to see friends again, make new ones, exchange ideas, and spend time with people who share the same desire to serve others.

Across our ASPAC region, we come from different countries, cultures, and backgrounds. We speak different languages and live far from one another. Yet whenever Kiwanians come together, we quickly discover how much we have in common.

Throughout this year, I have been inspired by the dedication of our members and by the work being done every day in clubs across the region. Whether large or small, every act of service matters. Every project matters. Every member who gives their time to help others makes a difference.

I would like to thank everyone who helped make this convention possible — the host committee, Kiwanis International staff, ASPAC leaders, volunteers, and all those who worked behind the scenes. Your efforts have brought us together here in Manila.

Over the next few days, I hope you will enjoy the fellowship, share your experiences, learn from one another, and create memories that will stay with you long after the convention ends.

Most of all, I hope you leave Manila proud to be part of an organization that continues to change lives through friendship, service, and generosity.

Thank you for being here.

Welcome to Manila, and welcome to ASPAC.

In Kiwanis Service and Fellowship,

MESSAGE from Kiwanis International President

Hello Fellow Kiwanis Members!

Laura and I are delighted to welcome you to this joint convention between Kiwanis Asia Pacific and Kiwanis International in the beautiful city of Manila, Philippines.

The convention theme “Get Together, Stay Together”, reminds us that this convention is more than just an event—it’s a meaningful opportunity to exchange ideas, strengthen connections, and experience the rich diversity and shared purpose of our global Kiwanis family.

The Asia Pacific region has shown tremendous dedication and growth to service and leadership development. We have seen and will continue to see the impact through the Leadership Academy, Stories, and RISE initiatives. The region is truly delivering value to continue to grow and serve the children of the world.

After this week, when we return to our clubs and communities, continue these conversations forward and nurture the relationships formed at convention, allowing them to grow into lasting partnerships that further enhance our impact.

Thank you for your ongoing dedication; members truly make magic for those we serve.

Yours in Kiwanis Service and Friendship,

Michael Mulhail
2025-26 President

MESSAGE from Kiwanis International Executive Director

Dear Fellow Kiwanis Members,

Welcome to this joint convention between the Kiwanis Asia Pacific Region and Kiwanis International in the wonderful city of Manila, Philippines!

As we celebrate together, take pride in your accomplishments. However, I must urge you not to get comfortable with success and push toward a strong finish for the year.

Throughout the week I challenge you to think about...

- What new idea can I learn here to take back to my club to make it better?
- How can my club deliver greater VALUE to our members for their investment of time and money?

We must focus on the ingredients of how we add VALUE to the club for the members' experience.

Those ingredients are SERVICE, FUN, MARKETING, MEMBERSHIP, & LEADERSHIP DEVELOPMENT. Please don't hesitate to find me while we're here together to specifically talk about these ingredients for VALUE and how they will benefit your club.

Congratulations on a great year of service and look forward to an amazing week here in Manila!

Yours sincerely,

MESSAGE from Kiwanis Children's Fund President

Hello Fellow Kiwanis Members!

I am excited to welcome you to this joint convention between Kiwanis Asia Pacific and Kiwanis International in the radiant city of Manila, Philippines.

The dedication and contributions by all the Asia-Pacific districts, clubs, and members to the work of Kiwanis and the Kiwanis Children's Fund are truly inspirational. It has been a pleasure to see all the amazing work and energy the Asia-Pacific region puts into serving the children of the world.

Through the Kiwanis Children's Fund, we are in progress on our five-year campaign called the Possibility Project, which is funding Kiwanis clubs community service projects all over the world. Thus far in the campaign, we have raised over 10 million dollars worldwide and over half a million dollars has been raised by the individuals, clubs and or districts of the Asia-Pacific.

From everyone at the Kiwanis Children's Fund, thank you for your outstanding generosity and support of the Possibility Project. If you have not gotten involved, I encourage you to attend a workshop this week to see how you can be involved with this impactful project.

I am so excited to meet you all this week! Thank you for your ongoing support of Kiwanis and the Kiwanis Children's Fund!

Yours in Kiwanis Friendship,

Lenora Hanna

MESSAGE from Kiwanis International Europe President

Dear Kiwanians and distinguished guests from around the world,

It is a great honor for me, as President of Kiwanis International Europe, to extend my warmest greetings to all participants gathered in Manila for this extraordinary joint celebration of the Kiwanis International Convention and the ASPAC Convention.

This special occasion brings together delegates from every corner of the world, united by the same spirit of service, friendship, and dedication to children and communities. It is a powerful demonstration that Kiwanis is truly a global family, where cultures, experiences, and ideas come together to create positive change.

I would like to express my sincere appreciation to the organizers, volunteers, and leaders whose commitment and hard work have made this remarkable international event possible. Hosting both ICON and ASPAC is a tremendous achievement and a reflection of the vitality and hospitality of the Kiwanis family in the Philippines and throughout the Asia-Pacific region.

As Kiwanians, we share a common mission: improving the world one child and one community at a time. In today's world, gatherings like this remind us that cooperation, compassion, and unity are stronger than any distance or difference.

May this convention inspire new friendships, meaningful partnerships, and renewed enthusiasm for service. Together, we continue building a brighter future for children everywhere.

On behalf of Kiwanis International Europe, I wish everyone a successful, inspiring, and unforgettable convention experience in Manila.

Yours in Kiwanis Service,

Elio Garozzo

Kiwanis International Europe

MESSAGE from Joint Convention Host Governor

Fellow Kiwanians and friends,

Welcome to the **Joint Kiwanis Asia-Pacific (ASPAC) and International Convention 2026!**

To say I am incredibly proud is an understatement. Hosting this massive global gathering is a monumental milestone for our district. It places us right at the center of the world stage—a well-deserved recognition of the outstanding leadership, passion, and dedication our members demonstrate every single day.

Within this magazine is a display of celebration of global service and leadership in action. This convention is a unique opportunity for us to connect across borders, exchange fresh ideas, and build lasting friendships. Together, we are building a better world for the children who need us most.

To our international delegates, we open our hearts to you. We are absolutely thrilled to share our world-renowned hospitality, vibrant culture, and deep spirit of service.

To our incredible organizing committees, volunteers, and partners, thank you for the tireless work behind the scenes that brought this spectacular event to life. You embody the true heart of Kiwanis.

Let's use this momentous event to learn from one another, celebrate our collective impact, and remain energized to serve the children who need us most.

Mabuhay ang Kiwanis!

With gratitude,

Stachys Neil E. Espino

MESSAGE from Organizing Committee Chair

Greetings!

I welcome you fellow Kiwanians from Kiwanis Asia Pacific Association to the 2026 Joint Kiwanis International and Asia Pacific Convention here at the Marriott Hotel, Manila, Philippines. This is the second time that a joint convention will be held in Asia and it is indeed a great honor for the Philippine Luzon District to host this event.

The Organizing Committee and the Philippine Luzon District as Host District faced challenges in hosting this major event because this is unlike an ordinary ASPAC Convention where registration fees are paid to the host district which organizes and manages the event in coordination with ASPAC.

With limited resources and with a shorter program for the ASPAC portion of the joint convention, ASPAC managed to put into place meaningful activities that will strengthen our bond as brothers in the region, showcasing each district's culture, renewing friendships, and preparing for a better future.

I hope that you will have a meaningful and memorable convention in the Philippines.

Mabuhay!

Sincerely yours,

KIWANIS ASIA-PACIFIC STANDING RULES FOR THE *House of Delegates*

Rule 1.

The official language of the Convention of Kiwanis Asia-Pacific shall be English, with appropriate simultaneous translation where available according to the ASPAC Bylaws.

Rule 2.

During any voting session, only accredited voting delegates may be seated in the area designated for delegates.

Rule 3.

The House of Delegates of Kiwanis Asia-Pacific shall allow delegates to leave and re-enter; however, ballots shall not leave the house.

Rule 4.

Any main motion or amendment shall be written in English, signed by the maker and seconder, and presented to the Secretary/Treasurer before it is moved.

Rule 5.

No delegate shall speak for more than three minutes at a time unless allowed to do so by the orders of the day or by a majority vote of the delegates.

Rule 6.

No delegate may address the assembly a second time on the same question until all delegates who desire to speak on the topic have spoken.

Rule 7.

The maker of a motion shall be entitled to speak first in support of such motion or may immediately yield the floor to another delegate.

Rule 8.

Debate shall alternate between those speaking for and those speaking against the motion.

Rule 9.

A delegate shall not speak for or against a motion and move to close the debate on the same recognition.

Rule 10.

*(a) Candidates for office may have one nominating speech not to exceed one minutes and have his/her nomination seconded from the floor.
(b) Candidates for office may have up to five minutes to address the convention.*

Rule 11.

Any candidate who is unopposed for office may be elected by a voice vote.

Rule 12.

Debate on any proposed resolution or amendment to the Bylaws of Kiwanis Asia-Pacific, including amendments thereto, shall be limited to thirty (30) minutes.

Rule 13.

A motion to move the previous question shall not be in order until fifteen (15) minutes of debate has taken place or until there are no more speakers.

Rule 14.

Subject to the discretion of the Chairman, no proposed amendment to the Bylaws of Kiwanis Asia-Pacific shall be introduced later than fifteen (15) minutes before the scheduled adjournment of any morning or afternoon session. Any proposed amendment not considered on that day shall be considered during the next session of the House of Delegates of Kiwanis Asia-Pacific.

Rule 15.

Any of the above rules may be suspended by majority vote.

Rule 16.

Robert's Rules of Order shall be the parliamentary authority for all matters of procedure not specifically covered by the Bylaws of Kiwanis Asia-Pacific, the Bylaws of Kiwanis International, and by these Standing Rules.

KIWANIS ASIA-PACIFIC PARLIAMENTARY PROCEDURE *at a glance*

(Per Robert's Rules of Order—Newly Revised)

Please note:

As stated in Standing Rule 5, anyone wishing to make a change to a proposed amendment (making an amendment to a motion) is required to submit the change in writing, in English, to the executive director (or designee) before going to the microphone. This ensures your change will be reflected accurately.

Putting a motion on the floor: To make a motion or an amendment to a motion, the maker should go to the microphone, be recognized by the presiding officer (the Kiwanis International president), state their name and club, and then state the motion (or amendment to the motion). The motion (or amendment) must be seconded from the floor. The presiding officer then places the motion (or amendment) before the house for discussion. The club delegate may speak to the motion (or amendment) first. Note: Once a motion is placed before the house by the presiding officer, it is under the control of the house and does not belong to the delegate making the motion. For example, it cannot be withdrawn later without permission of the house.

Seconds to motions: It is not necessary to agree with a motion to second it. A second only implies that more than one person wishes to discuss the motion. Therefore, if a motion is coming from the Kiwanis International Board or a committee, it does not need a second from the floor.

Amendments to motions: Bylaw amendments are main motions. A main motion that is on the floor may have two amendments pending at one time. However, the first amendment must relate to the main motion, and the second amendment must relate to the first amendment to the motion.

Referring: A motion to refer to a committee can be made while a main motion or an amendment to a main motion is pending. A motion to refer should only be used if problems are identified with the content of the motion that indicate more study or adjustments are needed. A referral should not be made without instructions regarding what aspects are to be addressed before the motion is brought back to the house. Referral should not be used to kill the motion on the floor or to put off a difficult decision. If a delegate does not like a motion, they should simply vote against it. (Note: It takes a majority vote either to refer or defeat a motion.)

Closing debate or calling the question (same motion): A delegate must go to a microphone and wait for recognition to move to close debate or call the question. To proceed, the motion must receive a second. There is no discussion,

and it takes a two-thirds (2/3) vote. If the motion to close debate or call the question is approved, there will be an immediate vote on the pending motion.

Postponing or tabling a motion:

A motion to postpone can be made while a main motion or an amendment to a main motion is pending. A motion to table (or to "lay on the table") is used only in an emergency; it should not be used to kill the motion on the floor or to postpone consideration of the motion. If a delegate does not like the motion, they should simply vote against it. If a delegate believes there is good reason to discuss the motion later, they can move to postpone. There is no such motion as "table until [X] time." Instead, the correct motion would be "postpone until [X] time." A motion cannot be postponed until the next annual convention.

Point of order: If a delegate believes there was a breach of parliamentary procedure, they may call for a point of order. If the point of order refers to an action made by someone other than the presiding officer, the delegate should give the presiding officer time to address the problem before interrupting with the point of order. If a delegate cannot reach a microphone in a timely manner, they may shout "point of order" from their place while approaching a microphone.

Point of information: A delegate should call for a point of information if they wish to request information. To ask for a point of information, go to a microphone and let the sergeant know you wish to do so. If the delegate wants to provide information, they may only do so by being recognized for debate.

Appeal: If a delegate believes the presiding officer's ruling on a procedural matter is incorrect, the delegate may appeal the ruling. The delegate should promptly go to a microphone before another speaker has been recognized and state: "I appeal the ruling of the chair." The appeal is debatable. After debate, the chair will ask whether the ruling should be sustained. A majority in favor or a tie vote sustains the chair's ruling. A majority vote in opposition reverses it.

Questions: If a delegate wishes to make a motion and is not sure how to proceed, the delegate should ask the presiding officer. Any questions or concerns about the process used during the House of Delegates must be made known and addressed during the session. Questions or concerns cannot be addressed after the session.

Australia District

Kids need Kiwanis –
Kiwanis needs You!

Membership and Engagement – Australia has 570 members in 28 clubs, a net increase of 16 so far this year. While our members do a formidable amount of work in their communities the average age of Australian Kiwanians is 70 which has changed the nature of our service projects and is not conducive to attracting younger members.

Our SLP programs include three Aktion Clubs plus one Key Club. Our clubs also present awards at 120 Terrific Kids schools plus 1 BUGS school.

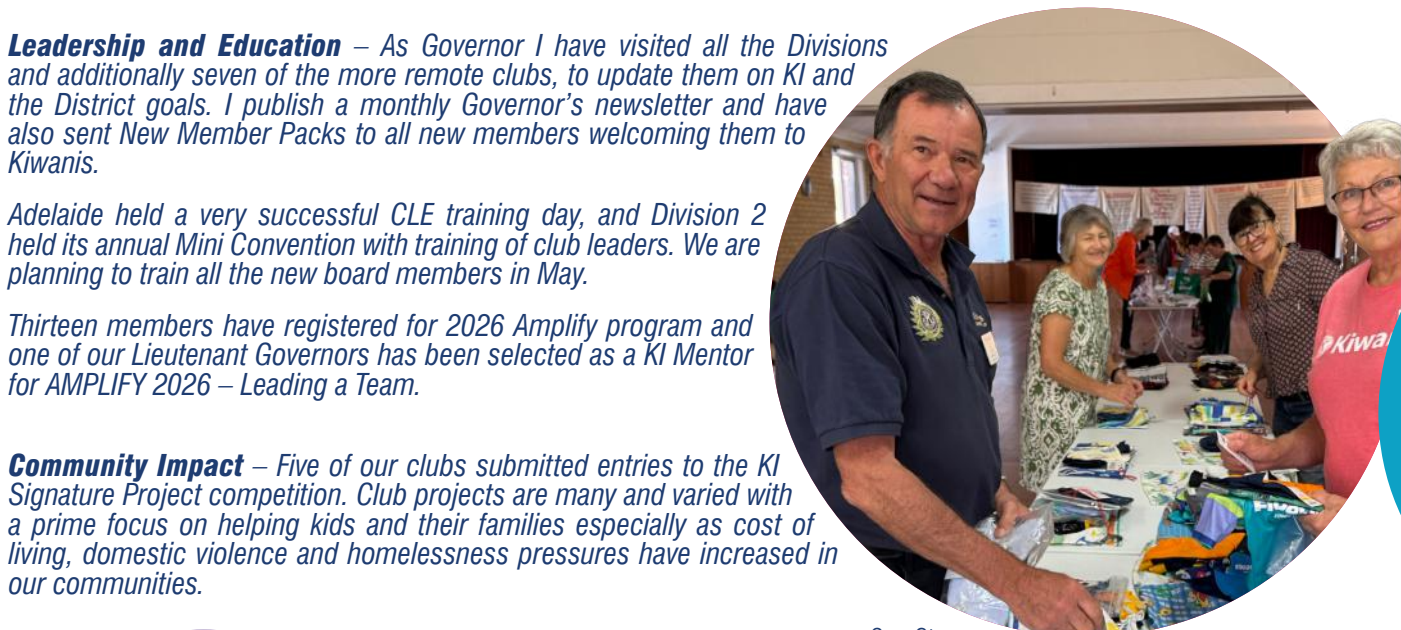

Leadership and Education – As Governor I have visited all the Divisions and additionally seven of the more remote clubs, to update them on KI and the District goals. I publish a monthly Governor's newsletter and have also sent New Member Packs to all new members welcoming them to Kiwanis.

Adelaide held a very successful CLE training day, and Division 2 held its annual Mini Convention with training of club leaders. We are planning to train all the new board members in May.

Thirteen members have registered for 2026 Amplify program and one of our Lieutenant Governors has been selected as a KI Mentor for AMPLIFY 2026 – Leading a Team.

Community Impact – Five of our clubs submitted entries to the KI Signature Project competition. Club projects are many and varied with a prime focus on helping kids and their families especially as cost of living, domestic violence and homelessness pressures have increased in our communities.

Book Box with free children's books

Thousands of quality used children's books are being given to children by several clubs promoting child literacy. They are distributed via Book Boxes.

Kiwanis Australia clubs combined to support HeartKids, Children First Foundation, Acute Lymphoblastic Leukaemia, KCF, the bushfires in Victoria and the floods in Pakistan to the value of over US\$50,000.

Branding and Image – Australia has a website, Facebook page and publishes four newsletters each year. Recently we have updated our trifold brochure and are airing a 30 second advertisement on digital TV over 3 months.

Financial Viability – our District dues were kept low to try and offset some of the increase in KI dues. The majority of KI dues were paid by the end of December with the total of all clubs paid by the end of March.

Most clubs raise their funds through sausage sizzles at Bunnings hardware stores.

District Convention – will be held in Sydney 21st to 23rd August 2026.

COMMUNITY IMPACT & SERVICE

The Kiwanis movement in India has placed strong emphasis on education and child welfare. Clubs across the district have organized STEM learning sessions, art workshops, teacher training programs, leadership activities, cultural events, and school support initiatives.

Kiwanis Club of RAZA has played a remarkable role in supporting Excellent English School, benefiting underprivileged students through quality education, extracurricular activities, environmental awareness drives, STEM programs, and social awareness campaigns.

Kiwanis Club of Aligarh actively promoted humanitarian service through winter wear distribution, blanket donation drives, disability support programs, and a free cervical cancer vaccination camp benefiting young girls and families. Kiwanis Club of Chennai contributed significantly through teacher development workshops, sports programs for school children, youth awareness sessions, women empowerment celebrations, medical camps, eye Camps and educational outreach initiatives.

The Kiwanis India District remains committed to membership growth, leadership development, new club expansion, and sustainable community service projects. With compassion, unity, and dedication, the district continues to build a brighter future for children and communities.

LEADERSHIP DEVELOPMENT

We are pleased to note that 8 members from India are participating in the Kiwanis International ASPAC Leadership Academy, a valuable platform for developing leadership skills, networking, and strengthening service initiatives across the Asia-Pacific region.

In addition, Indian members are also taking part in Kiwanis Amplify, an international leadership development program designed to empower emerging leaders, enhance their service impact, and foster collaboration within the Kiwanis family worldwide.

Their participation reflects a strong commitment to personal growth, organisational excellence, and expanding the reach of community service initiatives in India.

Malaysia District

District Governor: Gary Wong

First Club: Kiwanis Club of Kuala Lumpur established 1976

Chartered as a District: 2000

Number of clubs: 44

Kiwanians in Malaysia are in a festive mood these days beginning from September, 2025 when the district celebrated its silver jubilee marking twenty-five years as a district. Blue and silver were the theme colours at the gala convention dinner. Prominent guests included our beloved Ibu Kiwanis (Mama Kiwanis) Puan Sri Hajah Khir Johari and special guests from Taiwan District headed by International Trustee Hsu Chang Ching and ASPAC Chair Huang Wu Tien. Unfortunately, International President Lee Kuan Yong was away performing his duties overseas.

Immediate Past Governor Olivia Chin and Puan Sri Khir Johari lead the cake-cutting ceremony on stage along with past district governors, current trustees and dignitaries from KI and ASPAC

This year also marks the golden anniversary of the first club in Malaysia, the Kiwanis Club of Kuala Lumpur. In 1976, our then ambassador to the United States, Tan Sri Khir Johari inaugurated this pioneer club and became its first club president. Festivities are well underway with organised carnivals for the youth culminating in a grand gala celebration on the 4th of July, 2026.

Accomplishments

What makes the Malaysia District truly unique in character is the ability of the clubs to deliver high quality youth-focused service projects on a long-term, or even permanent basis. These are large-scale undertakings that require extraordinary commitments both in terms of volunteer service hours as well as funding. Some examples of these service projects are the Kiwanis Down Syndrome Foundation which was recognized as the International Best Served Project in 2018, the Kiwanis Job Training Centre, the Careheart Centre in Johor and the Kiwanis Children's Centre in Kuantan. Many more clubs directly support schools for refugee children such as the Ruth Education Centre, the Zo Centre, and the MSO School.

We are grateful for the grants that we received from the Kiwanis Children's Fund. With the grants, our clubs were able to build a tactile, sensory centre for visually impaired children and completely rehabilitate the Centennial Kiwanis Playground in Johor. The total value of both projects amounted to \$13,000.

Altogether, of the district's 44 clubs, more than fifty percent have long-term service projects. Other clubs actively support SLP clubs. There are presently 22 SLPs in the district with a few more in the pipeline.

Membership Growth

Malaysia is on target to reach its goal of 1200 members by the end of the Kiwanis year. Two new clubs were opened in the last five months. These are the Kiwanis Club of Serving Beyond and the Kiwanis Club of Klang Synergy. A third club is in the process of being organized.

Kiwanis Nepal District Report on ASPAC Flagship Initiatives

Kiwanis Nepal District actively supports the ASPAC flagship initiatives to strengthen leadership, service, and communication across the region.

ASPAC RISE:

Kiwanis Nepal District promotes ASPAC RISE by focusing on club growth, leadership development, and member engagement. We continue to form new clubs, strengthen existing clubs, and encourage active participation in community service.

ASPAC Stories:

Kiwanis Nepal District shares service impact stories through district activities and community programs. We highlight successful projects in children's health, education, environment, and youth development as well as Kiwanis voices to inspire members and promote best practices.

Leadership Academy:

Kiwanis Nepal District supports leadership development through training, mentoring, and capacity-building programs. We prepare club and district leaders to serve effectively, improve teamwork, and strengthen organizational management.

Through these initiatives, Kiwanis Nepal District remains committed to building strong leadership and expanding service impact for children and communities.

2. KIWANIS VOICES:

Kiwanis Nepal District is preparing to launch Kiwanis Voices, an exciting initiative that will engage young adults in service, leadership, and fellowship. As we move forward, we aim to establish Kiwanis Voices Clubs that will empower future leaders and strengthen our communities. Although clubs have not yet been formed, we are making positive progress and look forward to welcoming our first Kiwanis Voices Club soon.

GOVERNOR MESSAGE:

Under the leadership of Governor Dr. Ram Sharan Thapaliya, Kiwanis Nepal District (K69) is advancing with strong unity, dedication, and purpose-driven service for children and communities. Despite challenges, our clubs continue to expand impact, strengthen leadership, and inspire new members.

We remain committed to sustainable growth, youth empowerment, and meaningful community change. Together, we will build a stronger future through service, compassion, and collective action across Nepal and the ASPAC region.

3

ENDURING FRIENDSHIPS

Celebrating the unbreakable bonds of service leadership that unite our clubs, inspire our members, and ensure the Kiwanis family remains strong for generations to come.

GOVERNOR’S MESSAGE

Built on the bedrock of a historic past, our district continues to bravely hurdle the challenges of the present and stand fiercely ready to conquer the future. Together, let us remain deeply committed in service for others... inspire the next generation of young leaders to carry our torch into the next 100 years... and make Kiwanis the greatest service organization in the world!

Southern Philippine District

The Kiwanis Southern Philippine District (KSPD), under the leadership of Governor Danilo “Dan” B. Fernandez, continues to uphold the Kiwanis mission of serving the children of the world through impactful community service, strong fellowship, and meaningful leadership initiatives. From October 2025 to March 2026, the district remained active and united in carrying out projects and programs that positively touched countless lives across the Southern Philippines.

Despite various challenges brought by calamities and geographical limitations, KSPD demonstrated the true spirit of “Bayanihan.” The district successfully coordinated donation drives and relief initiatives for communities affected by Typhoon Tino in Cebu and Negros Occidental, Typhoon Basyang in Iligan, and the devastating fire tragedy in Davao in the last quarter of 2025. Through the collective efforts of all divisions, clubs, members, and volunteers, immediate remedies and assistance were provided to affected families and individuals. These humanitarian efforts reflected the compassion, unity, and dedication of every Kiwanian in the district.

The district also sustained its efforts its efforts in membership growth, retention, and member engagement. KSPD continued to encourage the formation of new clubs while strengthening existing ones through leadership education trainings, fellowship activities, mentoring programs, and regular club meetings. Lieutenant Governors and district leaders actively coordinated with divisions to assist clubs in improving operations, increasing participation, and inspiring members to remain committed to the ideals of Kiwanis. These initiatives resulted in stronger camaraderie, improved collaboration among clubs, and a growing enthusiasm for community service throughout the district.

KSPD also continued to prioritize service projects that uplift communities while promoting environmental sustainability. Various clubs across the district actively implemented mangrove reforestation, coastal and beach clean-up drives, tree planting activities, eco-waste management initiatives, and environmental awareness campaigns in support of the ASPAC RISE Project Contest. Alongside these environmental advocacies, clubs remained steadfast in conducting medical and dental missions, community pantries, feeding programs, distribution of school supplies, and other outreach activities that benefited children and families in underserved communities. These efforts were strongly supported not only by Kiwanis clubs but also by active Service Leadership Program (SLP) clubs that continuously demonstrated leadership through service.

As part of KSPD's strong advocacy for child protection and youth welfare, the district initiated a webinar on Online Sexual Abuse and Exploitation of Children (OSAEC) and Child Sexual Abuse or Exploitation Materials (CSAEM) during the celebration of Children's Month in November 2025. The webinar served as an important educational platform that strengthened awareness among members, parents, educators, and community stakeholders regarding the protection and safety of children in the digital age.

In terms of leadership and administration, KSPD successfully conducted district board meetings on October 31, 2025, April 10, 2026, and May 23, 2026. These meetings became vital avenues for discussing district concerns, planning relevant activities, and strengthening collaboration among district officers and division leaders. The district leadership also continued its commitment to leadership education, officer mentoring, and membership development to ensure stronger and more effective clubs throughout the district.

KSPD likewise maintained an active presence in regional and international Kiwanis initiatives. The district strongly supported ASPAC Leadership Academy, ASPAC Stories, Kiwanis Voices, and the Kiwanis International Signature Project. One of the district's proudest achievements was the recognition of "Project Baylo" as part of the Top 10 Finalists worldwide in the Kiwanis International Signature Project competition, showcasing the district's dedication to sustainable and innovative community service.

As the Kiwanis year progresses, the Kiwanis Southern Philippine District remains optimistic, united, and service-driven. With increasing participation from clubs and members across all divisions, the district is now ready to conquer and proudly represent the Southern Philippines in the upcoming ICON/ ASPAC Convention in Manila. KSPD looks forward to continuing its mission of building stronger communities, empowering future leaders, and creating lasting positive impact through service and fellowship.

Korea Provisional District

International Kiwanis Korea District continued to carry out various volunteer and sharing activities for children and communities from 2025 to 2026 under the spirit of "helping children around the world."

This year, the Korean district successfully held district meetings, leadership meetings, and club exchange events, and strived to improve harmony and leadership among members. Members of each local club actively participated in various events, sharing the spirit of Kiwanis and practicing the value of service.

In addition, the International Kiwanis Korea District actively conducted various volunteer activities for children and the community. Each club continued various volunteer activities necessary for the community, including support for local children's centers, sponsorship for multicultural families, support for low-income families, delivery of scholarships, and environmental improvement activities.

Members delivered school supplies and gifts to children, and actively participated in activities to improve the environment of welfare facilities and support daily necessities. In particular, we are creating a warm community culture by practicing constant sharing and volunteering for neighbors in need of help in the community.

The International Kiwanis Korea District also carried out various social contribution activities in cooperation with local welfare institutions and organizations. Through this, we provided practical help to the vulnerable in the community and supported children to grow up in a safer and brighter environment.

This year, in particular, the active participation of each club and the service spirit of its members stood out, and through various activities, we were able to deliver the growth and positive influence of the Korean district to the community.

The International Kiwanis Korea District will continue its continuous service and sharing activities for children and communities and do its best as a volunteer organization that practices the spirit of the international Kiwanis.

Through the 2026 ASPAC Convention, we look forward to sharing the value of friendship and service with Kiwanians in the Asia-Pacific region.

Thank you.

*Best regards,
Korea District of Kiwanis Intl.*

WHO WE ARE

The Kiwanis Nation of Guam (KNG) is a united coalition of Kiwanis clubs dedicated to improving the lives of children, families, and communities throughout Guam and the Mariana Islands. Guided by the Kiwanis mission of serving the children of the world, KNG brings together volunteers, community leaders, professionals, and families who share a commitment to service, leadership, and development.

MEMBER CLUBS

Together, these four clubs work collaboratively to create meaningful programs that continue to promote child welfare, education, health, volunteerism, safety, and community engagement.

KHUSHWINDER KATHPALIA

Candidate for Vice Chair

ABOUT KHUSH

Khushwinder Kathpalia is a passionate Kiwanian, compassionate leader, and dedicated humanitarian who strongly believes in the power of service to create meaningful change in society.

For him, Kiwanis is not just an organization – it is family, purpose, and emotion.

Known for his humble nature and people-centered leadership, Khushwinder has always believed that true leadership is about listening, connecting, and growing together. His journey in Kiwanis has been guided by compassion, teamwork, and a sincere commitment to improving the lives of children and communities.

As the Immediate Past District Governor of India, he worked closely with a committed team to strengthen membership growth and proudly contributed toward achieving district status for India. Throughout his tenure, he focused not only on organizational growth, but also on building stronger relationships, empowering future leaders, and encouraging meaningful service.

His service journey includes organizing medical and health check-up camps, supporting communities during flood relief efforts, conducting leadership workshops, and working toward long-term educational support for underprivileged children. He has also actively supported fundraising initiatives focused on empowering the girl child, believing that investing in children today creates a better future for tomorrow.

Khushwinder is deeply grateful for the opportunities Kiwanis has given him to serve and connect with people across the world. Through international and ASPAC conventions, he has witnessed the strength of unity, friendship, and service beyond borders.

PROFESSIONAL BACKGROUND

Khushwinder Kathpalia has over two decades of experience in the healthcare and pharmaceutical sector and currently serves as the Executive Director of Krypton Global Health.

He has also worked with leading healthcare organizations including Biocon Oncology, where he gained extensive experience in professional collaboration, clinical engagement, and leadership development.

Throughout his professional career, he has been recognized for his dedication, communication skills, organizational ability, and commitment to excellence.

FROM KHUSH

My Kiwanis journey has always been rooted in one simple belief – service has the power to bring people together and create lasting impact.

Over the years, I have had the privilege of working alongside inspiring leaders and passionate Kiwanians who dedicate their lives to helping others. Every experience, every service initiative, and every child whose life we touched strengthened my commitment toward this beautiful organization.

As a leader, I believe in unity, compassion, teamwork, and action. I believe leadership is not about standing ahead of people, but standing beside them and growing together.

If given the opportunity to serve as Vice Chair of ASPAC, my focus will remain on strengthening collaboration between districts, encouraging leadership development, supporting sustainable growth, and expanding meaningful service initiatives throughout the ASPAC region.

I wish to continue building an ASPAC family where every leader feels connected, every district feels supported, and every Kiwanian feels valued.

With humility, sincerity, and dedication, I seek your trust and support to continue serving our Kiwanis family.

“One Life, One Kiwanis.”

- 2025 – ASPAC Convention, Kaohsiung, Taiwan

CANDIDATE *for* KI TRUSTEE 2026-27

CANDIDATE FOR KIWANIS INTERNATIONAL TRUSTEE

About Me. JOSE RAMON “IKE” ALTAVAS

A LIFETIME OF SERVICE, A SECOND STEP FORWARD...

Jose Ramon “Ike” Altavas of the Kiwanis Club of New Kapis, Southern Philippines District, was elected to a three-year terms as Trustee of Kiwanis International during the 2026 Kiwanis International Convention in Manila, Philippines. He represents the Asia-Pacific region.

IKE is a dedicated servant leader with over 48 years of service in Kiwanis. His journey began in 1978 as Charter member & Club President of the Kiwanis Club of Capiz in 1995, a Charter member of the Kiwanis Club of New Kapis (1998), eventually rising through the ranks to serve as Lieutenant Governor (2001–2002), District Governor (2004–2005), Asia-Pacific Chairman (2014–2015), and currently as District Ambassador (2023–2026). A member of the Heritage Society and George Hixson Fellow.

A founding member of multiple Kiwanis clubs in the Southern Philippine District, Ike is known for pioneering/award winning impactful community projects, including the Balay ni San Jose Feeding Program for malnourished kids in remote villages, the Kiwanis Book Bank setting up mini-libraries in far flung villages, Kiwanis Hands-on Project providing prosthetics for amputees, Kiwanis Lights of Hope Project providing solar lamps to remote island villages, Barkada Kontra Drogra (Anti-Drug Campaign) on youth communities. His environmental advocacy also led to the creation of the Kiwanis Marine Fish Sanctuary & Reef Rehabilitation Project covering 30 hectares as a protected marine zone.

Outside Kiwanis, Ike is a farmer, property lessor, public speaker, scuba diver, and community organizer. He is married to Joshie, a Trustee of Catholic Womens League (CWL), with whom he has five accomplished children in public service, development work and social enterprise.

Internationally, Ike has represented the Philippines in numerous Kiwanis conventions, promoting a leadership philosophy that empowers others to grow and lead by example.

His legacy is one of innovation, compassion, and unwavering commitment to service.

Now, Ike seeks the post of Kiwanis International Trustee not out of ambition, but out of deep conviction and commitment to service. After stepping aside in 2016 for the sake of unity, he returns with what he calls his **“second step forward”** — a renewed call to serve, lead with humility, and uplift others. His candidacy reflects a leadership philosophy grounded in sacrifice, resilience, and the strength to rise with, serve and lead our Kiwanis communities...

In 2016, Ike was ready to run for International Trustee. But when asked to step back aside in unity for his fellow leader from Philippine Luzon District, then-Governor Poly Lat, he did so with humility and grace — not in defeat, but in conviction. That decision paved the way for a historic Filipino victory at the Hiroshima ASPAC Convention by the late KI Trustee and much later to become KI President in 2017.

Now, nearly a decade later, **Ike takes his second step forward.**

Following the wisdom of a giant — the late Juan (Ito) Torres (the 1st Asian-Filipino) KI President who admonished me then to make “one step backward, two steps forward”.

While making that step backward, Ike was incidentally elected as ASPAC Chairman for KY 2014-15 during the Hiroshima Convention.

On March, 2024, he stepped forward once again at the Kaohsiung 50th ASPAC Convention. Though he did not win, Ike believes that leadership is not defined by titles, but by resilience — by the refusal to surrender even when the winds of defeat blow hardest. Ike lost to a noble Bushido warrior named Konichi.

However, Ike learned that a taste of defeat has a richness of experience all its own, more triumphant than victory.

His candidacy is not for vindication. It is a renewed call to serve, sacrifice, and uplift.

His philosophy is clear:

“Leadership is not in the crown one wears. It is in the courage to let go, the humility to fall, and the strength to rise again — hand in hand with those who believe.”

Once again, Ike is running for International Trustee because he believes in servant leadership that empowers others to rise, serve and lead — and even surpass their mentors.

- A vision rooted in legacy, driven by purpose and focused to the future.
- A lifelong commitment to children welfare, community building and environmental sustainability.
- A passion for developing the next wave of global Kiwanis leaders.
- A steadfast belief that when one rises, all rise...

-----**Support the Second Step Forward**

**Make it Kiwanis.
Make it History....**

MY KIWANIS MOMENT

Thirty-two years ago, I saw four barefoot children outside Jollibee Dau, quietly watching the smiling Bee.

I invited them to share a meal with my 5-year old son. They hesitated - until the eldest softly asked, "Talaga po?"

They ate in silence. Hunger needed no words. Before leaving, the young girl gently asked if she could take her leftovers home for her siblings.

The moment changed my life.

It became the beginning of the "On to Jollibee" Project - serving children every February for 32 years reaching 29,700 lives.

That day did not just start a project - **it gave me purpose.**

Because Kiwanis is not about titles - **it is about turning compassion into impact.**

flagship project: **ASPAC** **STORIES**

The ASPAC Stories Program received an impressive total of 62 video submissions from clubs across the Asia-Pacific Region. Through the three categories—Who We Are, Our Impact, and Why I Am a Kiwanian—participants shared the identity of their clubs, the impact of their service projects, and the personal stories that inspire members to serve.

The creativity, authenticity, and passion reflected in these videos demonstrated the strength and diversity of Kiwanis throughout the region. As one judge commented:

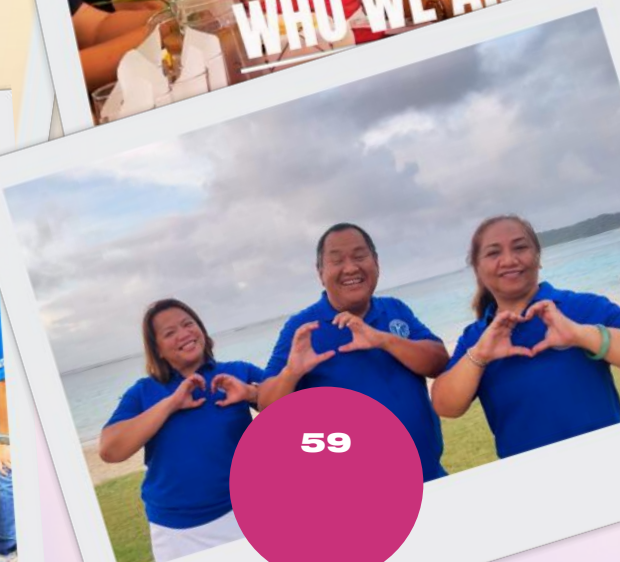

“These videos have been a true treat to watch.”

The submissions beautifully captured the spirit of Kiwanis and showcased the meaningful difference our members make in their communities every day. More importantly, they reminded us that behind every project is a story of service, compassion, and leadership.

flagship project: ASPAC RISE

The ASPAC RISE Program received 19 project submissions, including 14 Kiwanis Club projects and 5 Service Leadership Program (SLP) projects. Each submission included a detailed PDF project report and a supporting video presentation, allowing judges to evaluate both the project's implementation and its impact.

Projects were assessed based on innovation, measurable results, sustainability, leadership, member engagement, and overall community impact. The quality of the submissions highlighted the dedication of Kiwanis and SLP members to creating positive and lasting change throughout the Asia-Pacific Region.

As one judge remarked:

“Thank you! Some incredible projects! I appreciate the opportunity to review.”

These outstanding projects demonstrated the power of service, creativity, and collaboration in addressing community needs and improving the lives of children and families. They serve as inspiring examples of what can be achieved when members unite behind a common purpose.

flagship project: ASPAC LEARNING ACADEMY

The ASPAC Leadership Academy brought together leaders from across the Asia-Pacific Region through a series of educational modules focused on governance, leadership development, project management, communication, and innovation.

ASPAC Vision & Teamwork

The Core Module on ASPAC Vision & Teamwork featured Paul Palazzolo, who shared insights on meaningful club experiences, followed by Asia-Pacific leaders discussing teamwork, leadership, regional initiatives, and Kiwanis' shared vision.

CORE MODULE

Kiwanis Leadership & Governance

The Kiwanis Leadership & Governance module featured sessions by Paul Palazzolo and Greg Beard, equipping participants with valuable insights into governance, organizational structure, policies, and effective leadership practices.

MODULE 1

With more than 60 participants attending each module, the Academy provided a dynamic learning environment where Kiwanians could exchange ideas, develop new skills, and build meaningful connections across districts and nations.

Participants gained practical tools and knowledge to strengthen their leadership journey and contribute to the continued growth and success of Kiwanis in ASPAC.

Personal Leadership & Influence

Dr. Valarie Brown-Klingelhofer led Module 2: Personal Leadership & Influence, covering emotional intelligence, trust, influence, and leadership impact to empower participants as more effective and inspiring leaders.

MODULE 2

MODULE 4

Project & Team Leadership

The Project & Team Leadership module featured Taka Ogata and Sue Petrisin, covering project leadership and teamwork, equipping participants with skills to lead initiatives effectively and strengthen collaboration within Kiwanis.

MODULE 3

Digital Leadership & Youth Management

The Digital Leadership and Youth Engagement module featured Eric Chin and Jane Erickson, covering digital leadership and youth engagement, empowering participants to use technology and strengthen youth involvement in service.

The Academy reflects ASPAC's commitment to developing capable, confident, and service-oriented leaders who will help shape the future of Kiwanis throughout the region.

By investing in leadership today, ASPAC is empowering tomorrow's leaders and strengthening the foundation of our organization for years to come.

TRAVEL GUIDE MANILA SPOTS

Now that you've solved the puzzle, take a closer look at the landmarks, attractions, and hidden gems that make Manila truly unforgettable.

LUNETTA

One of the largest urban parks in Asia and home to the Rizal Monument, where the country's national hero, Dr. José Rizal, is commemorated. The park also features gardens, fountains, and open spaces ideal for leisurely strolls.

MOA

One of the largest shopping destinations in the Philippines, offering a wide range of retail stores, restaurants, entertainment facilities, and attractions such as the MOA Eye Ferris wheel by the bay.

INTRAMUROS

Step back in time within Manila's centuries-old Walled City. Wander through cobblestone streets, visit Fort Santiago and San Agustin Church, and discover the enduring legacy of Spanish colonial architecture.

OCEAN PARK

Get up close with marine life at the country's first world-class oceanarium. Enjoy interactive exhibits, animal encounters, and underwater tunnel experiences perfect for families and ocean enthusiasts.

SALCEDO

Held every Saturday in Makati, this beloved community market brings together local farmers, artisans, and chefs. Sample gourmet dishes, shop for fresh produce, and experience Manila's thriving food culture.

BGC

A modern urban district known for its walkable streets, impressive public art installations, and lifestyle destinations. Visitors can enjoy shopping, diverse culinary experiences, and green spaces such as Track 30th and Terra 28th.

CUBAO

A dynamic district in Quezon City known for shopping, entertainment, and live events. Visit the historic Smart Araneta Coliseum, often called the "Big Dome," and explore nearby malls and local dining spots.

BINONDO

Established in 1594, Binondo is recognized as the world's oldest Chinatown. Explore its vibrant streets, centuries-old temples, and legendary eateries serving authentic Chinese-Filipino cuisine.

NATIONAL MUSEUM

Explore the country's rich heritage through world-class collections of art, archaeology, anthropology, and natural history. Don't miss Juan Luna's iconic masterpiece, *Spoliarium*, at the National Museum of Fine Arts.

MANILA BAY

Famous for its spectacular sunsets, Manila Bay offers picturesque views along Roxas Boulevard. It's the perfect spot for an evening walk while enjoying the city's iconic waterfront scenery.
