PLAY

Children deserve the rush of exploration, the accomplishment of overcoming an obstacle, and the fun of making a new friend. At Miracle Recreation, we create playground equipment that not only fosters healthy, active lifestyles in your community, but also helps kids develop the character to lead tomorrow.

GIGANTA

A Robot That Automatically Produces Fun

Model 111-745 Price Group 3
A 19 1/2-foot, triple-decker robot gives children the thrill of their lives. Two tube slides give youngsters fast, safe and thrilling rides. Scooped ends slow down sliders and give them a lift thrill as they swoop off the end. Two-tiered robot "body" and lookout "head" have die-formed deck and steel bar walls for safety. Feet are designed with seat indentations so children can rest. The Giganta stands head and shoulders above most other playground equipment in size and popularity.
Ground Space: 19 1/2' by 9 1/2'
Shipping Weight: 4400 pounds

MIRACLE RECREATION IS
**almost 100
years in the
making**

Original Miracle Whirl Model 302'

We're proud to celebrate nearly a century as the original creators of play. Since introducing the Miracle Whirl in 1927, we've led the industry in innovating modern play equipment for kids of all ages and abilities. With every design we create, we find new ways to bring joyful inspiration and exciting challenges to the next generation.

QUALITY

and Innovation

Our expert team of designers, engineers, and fabricators collaborate to create products that are as durable and safe as they are fun. We combine state-of-the-art technology with the highest quality materials to ensure our play equipment can support hundreds of kids playing every day for years to come.

Play for Your Whole Community

Play impacts more than just kids! From increased health and fitness to stronger intergenerational relationships, everyone can experience lasting benefits from a community playground. Some opportunities include:

IMPROVING FOCUS IN SCHOOL

SUPPORTING MENTAL HEALTH

PROMOTING LOCAL BUSINESSES

INSPIRING CREATIVITY

Shaping the Future of Play[®]

We're always innovating new ways to excite, challenge, and inspire the next generation! From bold obstacles to inclusive activities, our latest products are sure to spring your community into action.

Play by Families, for Families

Many of our representatives across the globe are multi-generational families that have built their legacy upon providing communities with premier play solutions. Whether you're starting from scratch or updating an existing play space, our team members are ready to work with you and create the perfect play space to fit your community's needs.

NEW
NEW
NEW
NEW
NEW

Calling all climbers, thinkers, and leaders! From thought-provoking activities to a hex of an obstacle, our newest products create all kinds of new ways for minds and bodies to explore.

Miracle Museum[®]

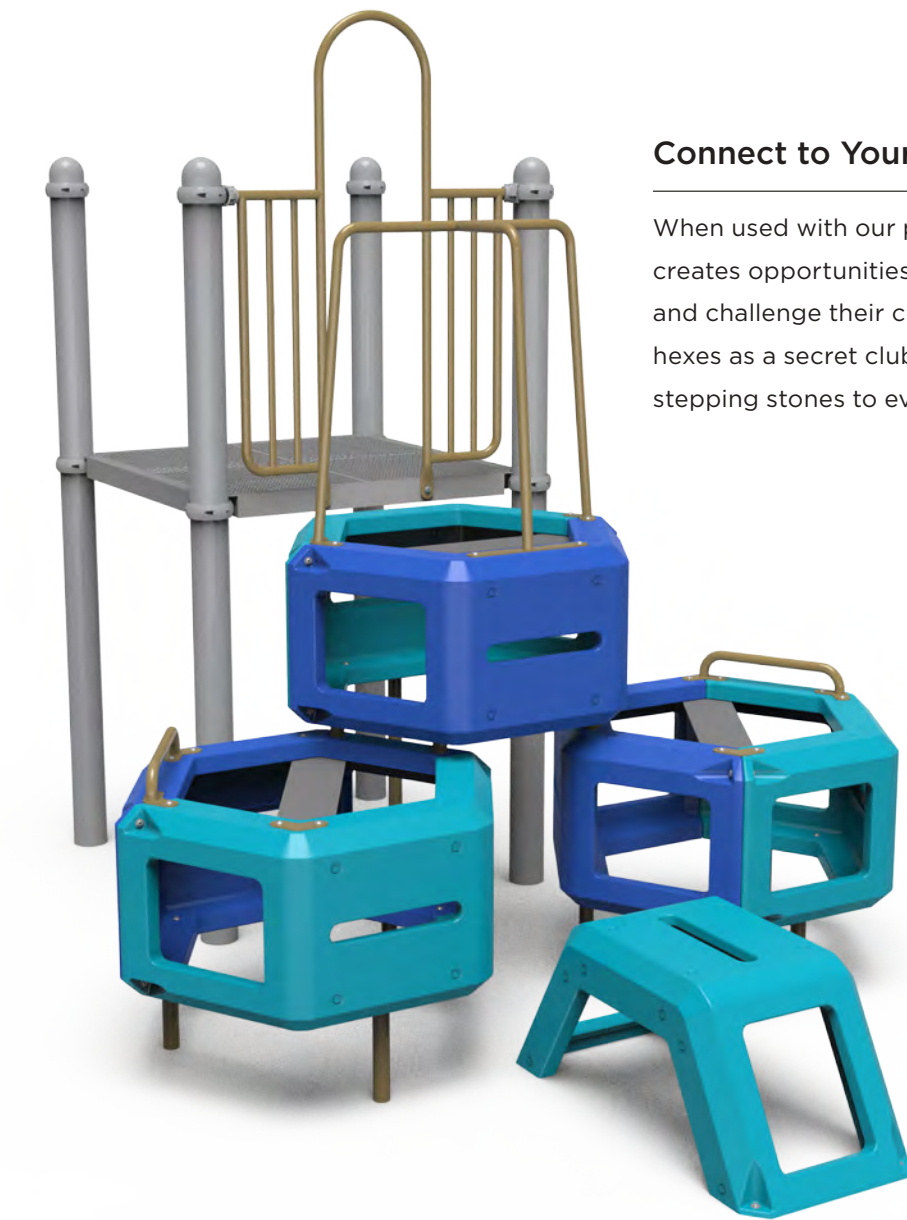

Explore the Senses. Miracle Museum[®] is a new-to-the-playground-industry children's museum experience that gives kids the chance to engage in fantastical sensory events. Children touch, listen, see, and play their way through this mesmerizing collection of products. Now available on Kids Choice[®] structures!

Hex Quest™

Conquer New Challenges. Hex Quest™ invites kids of all ages and abilities to challenge themselves and make new connections across a variety of geometric terrains. Each hexagonal climber is constructed of rotomolded plastic, and features openings for kids to crawl and climb through. The modern design creates a bold aesthetic for your play space while also providing open lines of sight for caregivers.

Connect to Your Structure

When used with our play structures, Hex Quest™ creates opportunities for kids to push themselves and challenge their creativity. Kids can use the hexes as a secret clubhouse with friends, or as stepping stones to even greater achievements.

Hex Quest™ GM200

Rube Goldberg® Playful Furnishings

Put the “fun” in “functional”! Designed in collaboration with the Rube Goldberg® Institute, our playful furnishings are designed to maximize the enjoyment of your play space by combining comfortable seating with engaging play.

Hideaway Hammock

From a cozy hangout spot to a hub of activity, Hideaway Hammock excites kids of all ages! Kids can climb up either side to reach the net seating at the top, or sit and socialize on the flextread belt below. Any of our activity inserts may be selected for use at the top—from a thoughtful sliding puzzle to a challenging maze. Hidden patterns are also located throughout for an extra element of engagement; kids can race toys and found objects along roads, or follow the trail on the flextread belt.

Product Number: 468-4

Exploration Bench - Marble Run

Exploration Bench - Marble Run features a side with a marble track, and a side with a window. The marble track features a series of angled platforms that visitors can enjoy together whether they're sitting or standing. Kids can roll toys or found objects down the track, and pass them to each other through the openings located at the top and bottom. The window side features a shelf, which kids can use to engage in all kinds of social play scenarios.

Product Number: 468-51

FlexConnect Seat

Activity and rest combine at FlexConnect Seat! This equipment features a sewing panel and a pin impression panel on the back—both of which help to develop fine motor skills—along with a window for social play opportunities. Kids can engage with these activities whether they're behind the seat, or in the center. The seat side features a simple flextread belt, allowing kids to either rest comfortably or turn and engage with those surrounding them.

Product Number: 468-6

Exploration Bench - Clock

Exploration Bench - Clock features a side with a mirror merge activity, and a side with a clock. Kids can spin the mirror merge activity to experiment with their reflection, and marble rollers, which kids can feel in an engaging tactile experience. The clock activity provides another avenue of exploration for kids, as they move the arms to create a variety of social—and educational!—play scenarios.

Product Number: 468-52

Step, Sit, and Socialize

With simple, modern design, our freestanding steppers and seats inspire visitors of all ages to connect as they explore throughout the playground. Create a path with Hex Pads, give Orbit Seat a whirl, or step up and hangout with Bench Steppers.

Hex Pad - Grip
Product Number: 714-817-7B

Hex Pads

Hex Pad features a simple design that kids can use as a way to travel across the playground, or as a place to sit for a while. The surface is constructed of textured polydeck, which provides extra grip for climbing without sacrificing comfort for sitting. Available as a component or as an independent event.

Hex Pad
Product Number: 714-772-2

Orbit Seat
Product Number: 945-5

Orbit Seat

Orbit Seat revolves around fun—from its whimsically shaped base to its angled design! Kids can take turns spinning around and around on this seat, enjoying the thrill while developing their proprioception and vestibular system.

Bench Stepper - Single
Product Number: 468-1

Bench Steppers

Sit or climb with Bench Stepper! This simple yet effective design provides kids with a spot to socialize with friends—whether they’re resting or exploring. The surface is constructed of textured polydeck material, which adds an extra bit of grip for climbers without taking comfort away from those sitting. Two configurations are available, as well as a single option.

Bench Stepper - Side
Product Number: 468-3

Bench Stepper - Front
Product Number: 468-2

Play Sculptures

Inspire explorers with colorful creatures, natural obstacles, and more! Play sculptures are made of Glass Fiber Reinforced Polymer (GFRP), a material that’s just as strong as Glass Fiber Reinforced Concrete (GRFC), but much lighter and friendlier to the touch—allowing for easier installation and lower shipping costs.

Built to Last
GFRP is nonporous, UV-resistant, and has a tensile strength similar to steel, so your play sculptures are guaranteed to withstand generations of thrilling play.

Designed to Inspire
With our Custom Design Studio, you can bring any idea to life! Together, we can explore every design possibility to create a unique sculptures for your play space.

Created to Connect
Play sculptures excite kids of all ages and abilities! With whimsical design and charming details, these play elements serve as the perfect tool to bring your community together.

Champions Trek™

Get hearts pumping and feet flying faster than ever with Champions Trek™! Featuring a variety of obstacle-course challenges, this collection helps kids improve their strength, agility, coordination, and mobility through an exciting full-body workout.

Agility Wall

Featuring two staggered handholds at the top to help struggling climbers, Agility Wall makes for an exciting challenge at any skill level. Then, when kids reach the top, they can ring the bell in celebration before sliding back down the flexible material. Not only does this obstacle build strength and agility, but it also instills a sense of accomplishment.

Product Number: 468-2

Combine Champions Trek with our other freestanding equipment to create an obstacle course that's unique to your community!

XTensions (left)

Suspended at an angle and featuring a variety of foot and handholds, kids can climb across these uniquely shaped obstacles in a variety of ways. Whichever path they choose, kids are sure to get a full body workout in addition to a newfound sense of independence.
Product Number: 454-7

Balance Orbs (above)

This obstacle presents kids with an opportunity to flex their balance and coordination with spinning rows of orbs at varying heights. Whichever way they choose to take on the spheres, Balance Orbs develops children's physical ability as well as builds a sense of community on the playground.
Product Number: 454-8

Vector Pass (right)

With horizontal and vertical wheels in addition to a handlebar, Vector Pass will test and build children's strength and courage. The wheels and handlebar turn for an extra challenge, making this overhead event perfect for developing the skills of both beginning and veteran climbers.
Product Number: 454-9

Phyzics[®] Crescent

With a combination of rope, flexitread, and steel, Phyzics[®] Crescent serves as the ultimate hub for creative climbers. Kids can scale up the sides, travel through the center, or explore at the ground level—building their strength, coordination, and critical thinking skills along the way.

Seesaws for All

Everyone deserves to experience the excitement of the playground together! In addition to providing both proprioceptive and vestibular engagement, our seesaws connect families and friends of all ability levels.

Dennis Seesaw

Both seats on Dennis Seesaw are designed for support and comfort with an optional five-point harness that secures users. Handlebars are located in front of each seat for additional support. A third user may also join in by sitting in the center, using the arched rail as support.

Product Number: MR8097781

Inclusive Seesaw

Inclusive Seesaw features four seats strategically designed to allow those with mobility devices to easily transition on and off of the equipment. Handlebars are located in front of each seat for support, and an optional three-point harness is available. Additional users can also join in the center.

Product Number: 608-8

Optional three-point harness.

Secure Seating

Our optional three-point harness helps secure users in the seats.

Smooth Transitions

Strategic design ensures those with mobility devices can easily transition on/off the equipment.

Multiple Users

Friends can use the central platforms to join in the fun and create movement.

Modern Design

The arched handrails add extra style as well as grip.

PLAYGROUNDS FOR ALL™

Designing for inclusion is crucial when it comes to building community—especially in a nation where 1 in 6 children are diagnosed with a form of developmental disability. By exceeding the standards set by the Americans with Disabilities Act, we ensure families and friends of all ages and abilities are welcomed on the playground.

*Statistic reported by Centers for Disease Control and Prevention

We don't just design for inclusion—we design for connection. By considering those with mobility devices as well as those without, we're able to create inclusive play equipment that brings everyone together for a truly unique and enjoyable play experience.

MIRACLE RECREATION IS

Connecting Through Inclusive Play

We create a variety of play activities so every kid can experience the joy and excitement of the playground. By providing the opportunity for children of all abilities to play with one another, you're helping your community connect and create lifelong memories together.

5 Fundamentals of Playgrounds for All™

Playgrounds for All™ are play spaces built to facilitate better opportunities for social interaction and provide engaging activities that everyone can enjoy. From children using mobility devices to anyone who may become overstimulated by too much activity, we ensure that the needs of all visitors are taken into consideration by following five fundamental design principles.

1

Provide Multi-Sensory Play Experiences

The senses give kids information about the world around them and where their bodies are in space. All kids learn at their own pace, and sensory experiences help all kids explore their world and develop motor skills, physical strength and cognitive functioning.

2

Encourage All Kids to Play

Our inclusive play designs encourage everyone to play by providing a graduated range of challenge, grouping similar equipment together, offering equipment for multiple age groups, and providing real choices of play for each child.

3

Allow Greater Accessibility

Thanks to intentional design, unitary surfacing, wide movement routes, and smooth transitions on/off equipment, we're able to make sure those with mobility devices or different ranges of motion can access the entire play space with ease.

4

Support Kids on the Autism Spectrum

We design cozy quiet spaces, perimeter fences, and wayfinding paths to help those on the autism spectrum or with sensory integration disorders stimulate their senses without being overwhelmed.

5

Create Welcoming Social Environments

Kids in each stage of development play in different ways. By supporting kids in each of the six stages of play, our equipment welcomes everyone—whether they want to play games with peers or explore by themselves.

Setting the Standard for Inclusive Play

Best Buddies International and Miracle Recreation have teamed up to create truly inclusive play spaces for people of all abilities, including individuals with intellectual and developmental disabilities (IDD). Together, we are dedicated to delivering play experiences that embody true inclusion—starting with kids at the grade-school level, when they first form their social awareness and behaviors.

Best Buddies International is a nonprofit organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment, leadership development, inclusive living, and family support for those with IDD.

Best Buddies + Miracle Inclusive Playgrounds are designed to connect kids of all abilities and their families through the power of play. These playgrounds go beyond wheelchair accessibility to include features that support the needs of kids with IDD so children of all abilities and their caregivers can play, be challenged, and have fun together.

Because at Miracle, we know that every friendship formed today creates a more inclusive tomorrow.

Best Buddies + Miracle Inclusive Playgrounds signal friendship, social empowerment, and inclusion.

Choosing a Best Buddies + Miracle Inclusive Playground comes with additional support throughout the entire process. From initial planning to opening day, our team members will work with you to make the most of your inclusive play space. Benefits include:

Grants Lick Elementary

KENTUCKY • MIRACLE PLAYGROUNDS OF KY & TN

Grants Lick Elementary, KY - As part of a campus renovation, Grants Lick Elementary in Alexandria, KY opened a new inclusive play space for students of all ages and abilities to enjoy together.

Designed by Miracle Playgrounds of KY & TN, the play space features some of Miracle's most inclusive products. Kids ages 5 - 12 can explore the main play structure's ramps to find sensory play panels, Roller Slide, and the Alta Glide Inclusive Glider. The structure also features a variety of slides and climbers, which ensure every student can experience excitement and challenge at their level.

A range of play activities also surround the main structure. Kids can test their skills on Champions Trek™ obstacles, create a tune with Concerto instruments, or swing alongside their friends. A separate structure for children ages 2 - 5 is located nearby with similarly intentional design, ensuring that inclusion is encouraged at every age.

Complete with shades and an accessible layout, the play space provides every student with the chance to learn, explore, and connect outside of the classroom.

Lou Hartfiel Memorial Park

KENTUCKY • MIRACLE PLAYGROUNDS OF KY & TN

Lou Hartfiel Memorial Park, KY - Families from across Crescent Springs, Kentucky and beyond can come together for thrilling fun at Lou Hartfiel Memorial Park's new inclusive play space!

This destination playground was designed by Miracle Playgrounds of KY & TN and features inclusive play opportunities that are as bold and modern as its aesthetic. Kids of all ages and abilities are encouraged to explore across a ramped, two-story Mega Tower® complete with Avalanche Inclusive Slide, steel sensory panels, and more.

The play space also features equipment from the Mini City collection for children ages 2 – 5, which encourages all visitors to enjoy exciting play scenarios thanks to accessible design. Other products, such as Generation Swing Seat, similarly bring families together by providing opportunities for caregivers and children to connect.

Thanks to its inclusive design, the playground serves as a space of belonging where everyone and anyone can experience the miracle of play.

CUSTOM PLAY

Custom playgrounds are a great way to showcase the innovation of your community. Together, we can help you demonstrate support for sports teams, emphasize local values, or create an immersive experience that will last for years to come.

How It Works

GET READY TO PLAY!

Design Your Legacy

From the smallest details to the largest structures, we're excited to explore your imagination and create the perfect playground for your community.

Custom Capabilities

Whether it's through metal detailing, personalized games, or thematic highlights, we have the tools you need to connect your community through a one-of-a-kind play experience.

Cherry Meadows Park

COLORADO • CHURCHICH RECREATION, LLC

Cherry Meadows Park, CO - The community of Brighton, Colorado welcomed a new, themed play space that delights all visitors to Cherry Meadows Park!

Formerly a retention pond, the playground establishes a pollination theme through a variety of custom equipment and design elements. Kids can climb across honeycombs, board the back of a dragonfly, and follow a trail of butterflies. Designer Churchich Recreation also included custom design elements on the two-story Mega Tower® structure, which houses numerous tube slides and challenging climbers.

The custom design guarantees visitors a play experience unlike any other, inspiring newfound joy and awe for generations to come.

Hamilton Park

CALIFORNIA • MIRACLE PLAYGROUND SALES

Hamilton Park, CA - Kids of all ages and abilities in Pomona, California are celebrating an exciting new play space in Hamilton Park!

The playground promises explorers the thrill of a lifetime with its eye-catching Extreme Generation structure, which transports kids to the sky as they navigate through hoops and hexes. The inclusive play structure also features a variety of slides, engaging play panels, and a custom Alta Glide inclusive Glider.

The towering structure isn't the only appeal to the play space, however. Designer Miracle Playground Sales incorporated a variety of custom design elements in the form of perforated steel rooftops, post toppers, panels, and a vibrant horse climber.

The play space has revitalized the community's spirit as well, providing new opportunities for generations of exploration, learning, and play.

It's never too early to play! From freestanding to modular equipment, our collection of Early Childhood products features innovative, modern design that ensures children are able to achieve their full potential.

EARLY CHILDHOOD

Born to be Bold

Our play equipment for children ages 2 – 5 uses modern aesthetic to inspire both new and classic play scenarios. Featuring a mix of components and freestanding equipment, children of all abilities can experience everything from the joy of running a flower shop to the delights of bouncing and counting.

The Importance of Play

From ages 2 – 5, children are forming the foundation for their future adventures! Their sensory, motor, social, and cognitive skills all play a part in their ability to explore and shape the world around them.

IMPROVING FOCUS IN SCHOOL

SUPPORTING MENTAL HEALTH

PROMOTING LOCAL BUSINESSES

INSPIRING CREATIVITY

A Lasting Impact

By nurturing early childhood development through play, you're preparing kids to step into tomorrow stronger, more independent, and excited at the challenges that await.

EDUCATIONAL PLAY

Play is about more than having fun—it's how children learn and grow. By incorporating STEM and STEAM activities into our products, we provide physical examples of classroom subjects, create hands-on learning experiences, promote equality in education, develop critical cognitive skills, and encourage collaborative exploration.

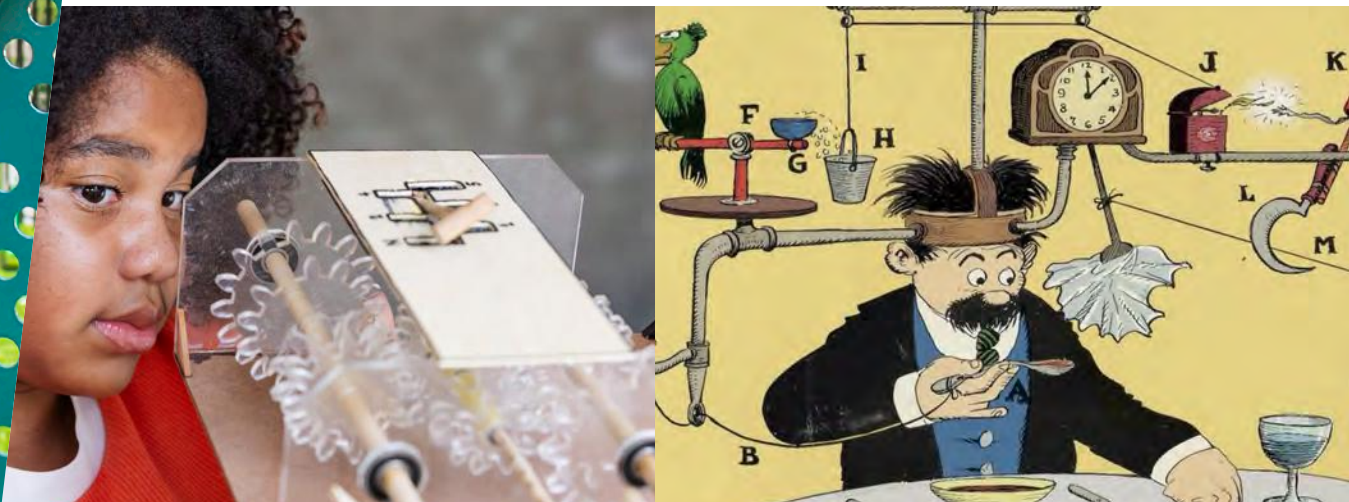

MIRACLE RECREATION BELIEVES

Kids Always Have a Dream

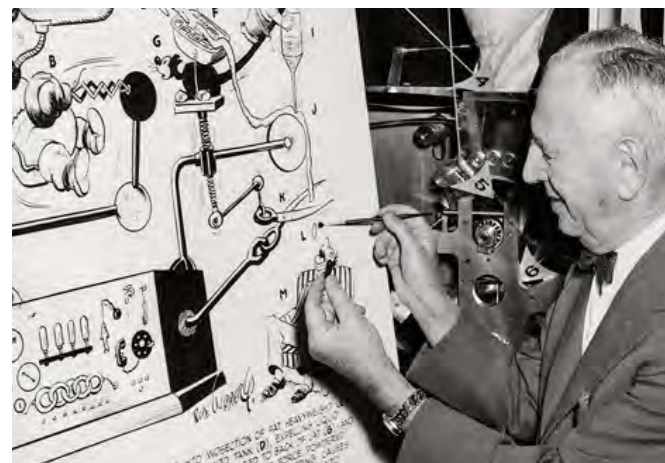

Whether it's to become a doctor, inventor, or teacher, STEM and STEAM play activities give kids a head start in achieving their dreams by demonstrating real-world applications of key concepts in fun, exciting ways.

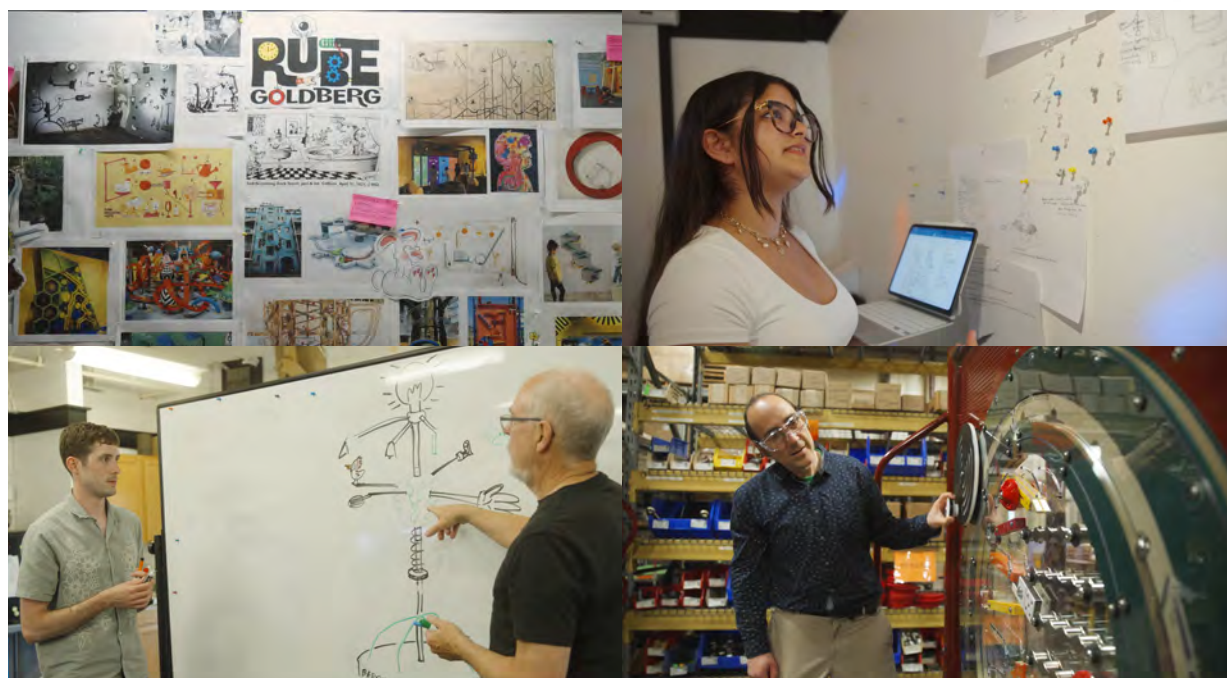

Our Team of Innovators

Rube Goldberg was a Pulitzer-prize winning cartoonist who depicted impractical machines that completed simple tasks in silly ways. Today, the Rube Goldberg Institute for Innovation & Creativity continues his legacy by promoting equity and access to STEM and STEAM education. Together, Miracle Recreation and the Rube Goldberg Institute create products that bring whimsy and learning to outdoor play.

With Miracle, it's easy for you to add educational play into any outdoor space. Our Rube-inspired playful furnishings bring your community together with opportunities for both rest and mindful recreation.

Our Rube Goldberg® Miracle Machines™ similarly provide an easy way to add STEM/STEAM learning to your design. Featuring levers, pulleys, slides, and switches to manipulate, these whimsical play panels offer an engaging play experience as visitors work together to solve mundane tasks in silly ways.

SHAPING THE NEXT GENERATION

Our partnership has also created the Miracle Playground Challenge—a contest that invites current and future innovators to flex their creativity and imagine new structures for outdoor play based on Rube Goldberg's iconic invention cartoons. The winning submissions then get the chance to make their ideas a reality for a worthy community. **Watch future innovators bring play to life!**

Science of Play

The need to play is in our DNA! Overcoming obstacles, achieving new goals, and exercising muscles help kids develop into healthy adults that lead active lifestyles. By creating innovative equipment that challenges the mind and the body, we help inspire the next generation of leaders.

Net Play

Nets offer a unique challenge that develops children's skills. Not only do ropes build physical skills such as coordination, strength, and balance—they encourage kids to create their own path as they decide how they'd like to explore each piece of equipment.

Steel Sensory Panels

Kids of all ability levels can join together along with their caregivers to experience the awe of Sensory Panels. Families and friends can bond over inspiration instilled by the bright colors and develop their tactile abilities through the textured shapes. When thoughtfully placed, these pieces can also help develop a soothing quiet space that helps calm anyone overwhelmed by the activity of the playground.

LEXAN SENSORY

Immerse yourself in play with our Sensory Panels! Kids can experience their surroundings more fully by taking in the sights and textures of these panels. With translucent construction, each design also casts an array of colorful shadows in the sunlight.

Sensory Experiences

Play games with friends or put your skills to the test with our Sensory Inserts! Used in combination with our panels, each of our inserts offer a stimulating play opportunity that builds critical thinking, decision-making, and creativity. From puzzles to music, our panel inserts allow you to transform your playground into a sensory-friendly, fun play space that kids of all ability levels can enjoy.

Alex's Lemonade Stand Panel
714-713-9B | Ages: 2 - 5 |   |

Alexandra “Alex” Scott opened her first lemonade stand at four-years-old to raise money for childhood cancer research. Over the course of her own four-year battle with cancer, she raised over one million dollars. Today, her legacy is continued by her family and by supporters around the world through Alex’s Lemonade Stand Foundation™; a nonprofit organization that funds cancer research, raises awareness, and supports families affected by childhood cancer.

With every Alex’s Lemonade Stand Panel sold, Miracle donates \$100 to ALSF’s mission to support and empower everyone to help cure childhood cancer.

City Park Series

Built for urban play spaces that have a high number of visitors each day, our City Park Panels offer long-lasting, interactive play solutions. Steel construction and modern design ensure these timeless pieces remain high in quality to fuel years of exciting play.

OUR TEAM OF INNOVATORS

Rube Goldberg®

Miracle® Recreation has partnered with The Rube Goldberg® Institute to create Rube Goldberg® Miracle Machines™: three whimsical new play panels for everyone ages 2 and up. Users of all abilities can work together to feed the cat a treat, score a match-winning goal, or make a cup of tea using a series of interactive levers, slides, pulleys, and switches.

Miracle Museum®

Miracle Museum creates an environment full of exploration for kids of all ability levels! Children can touch, listen, and look at each piece of equipment to engage and develop their sensory skills. Each piece features a different fantastical sensory event that not only helps kids who may have sensory needs, but also provides STEAM education. Their easy-to-install design means you can use Miracle Museum to turn your under-utilized spaces such as parking lots or old basketball courts into thriving community spaces.

Concerto Collection

Concerto provides kids of all ability levels with the opportunity to create music with friends. Designed at angles and heights comfortable and accessible to all kids, these outdoor instruments allow kids to play real songs as well as create their own. With every legendary show played, they'll experience the vibration and rattling of various instruments, which also helps to develop and excite their senses.

Mini City, Big Fun

Children develop crucial life skills from ages 2 – 5, and Mini City is here to help! With easily identifiable shapes and strategic color palettes, these pieces can inspire all kinds of real-world play scenarios. By creating a community around the concept of playhouses, kids can use this equipment to build skills such as communication and collaboration along with critical thinking and motor skills. Their open sightlines and smooth design encourage children of all ability levels to explore freely, while caregivers can join in the fun or supervise from a distance.

Creative Climbers

Get minds thinking outside of the box as kids explore climbers of various shapes and sizes. Whether it's the many legs of Tarantula Climber, the unique hand and foothold of Matterhorn Climber, or the twist of Flip-Flop Climber, our equipment challenges more than just physical ability—it encourages decision-making and critical thinking as well.

An aerial view of a modern playground. The foreground features a large green lawn. To the right is a blue rubber safety mat covering the main play area. In the background, there's a basketball court with blue and white markings, a colorful mural on a building, and more playground equipment including slides and a smaller climbing structure. Children are seen playing on the equipment.

Create Your Course

PlaySoleil

PlaySoleil® is a patent-pending, solar-powered light durably designed to fit easily into the posts of new or existing playground structures. Shining light in a downward trajectory from atop the equipment, PlaySoleil illuminates playgrounds, discouraging unwanted after-hours activity without the need to run electricity. Contact your Local Sales Representative for more details about PlaySoleil.

*Patented: US11221116, CA3136514; other Patents pending

Miracle® uses high quality materials and state of the art manufacturing processes. Commercial playgrounds and products are subjected to years of environmental and solar exposure. Such extreme exposure takes its toll on paints and pigments, and all colors will fade over time. Miracle® does not warrant against color fading or discoloration. It is important to properly maintain your playground to ensure its longevity. Depending on environmental conditions at your location, the installation of fabric shade structures may help to delay fading and discoloration. Actual colors in catalog may vary due to four color printing process.

Purchasing & Funding

Explore our resources to simplify
your purchasing process:

Sourcewell

We are a proudly awarded contract holder with Sourcewell, a government-sourcing program that assists public agencies with the costs of their purchased goods by pooling purchasing power. Sourcewell members enjoy quality products, exceptional service, and nationally leveraged contract pricing. Contract #010521-LTS

National Cooperative Leasing

If budget is ever a concern for your municipal playground purchase, you can take advantage of a government financing program through National Cooperative Leasing. NCL is the only Sourcewell-awarded vendor offering government financing programs to the cooperative membership.

Canoe

We're proud to partner with Canoe Procurement Group of Canada, one of the largest cooperative purchasing groups in the country. Together, we provide cooperative purchasing that streamlines the procurement process while satisfying all legal purchasing requirements.

Funding Resource Center

Funding Resource Center

If you need to raise funds to make your playground dream a reality, we can help! Our team of experts developed a series of industry-leading, step-by-step guides. Let us help you bring the power of play back to your community! Miracle-Recreation.com/funding

NASPO ValuePoint

NASPO ValuePoint is a cooperative purchasing program that uses a lead-state model to facilitate public procurement solicitations and agreements.

KaBOOM!

Miracle® is an official partner in play. Apply for a KaBOOM! Playful Cities playground grant to fund a playground in an underserved community.

Make An Impact Foundation

Make an impact to end the crisis of play in America. The Make An Impact Foundation (MAIF) brings the voices of underprivileged children into the community by creating a project platform for the communities it serves. Through this partnership, our goal is to bring local sponsors and the community together to raise funds to build new playgrounds that will bring back the benefits of play and strengthen communities across America.

Marlin

Marlin is a direct lender providing financing to businesses so they can acquire new equipment and technology while preserving capital.

Miracle Recreation Equipment Company warrants its products against structural failure due to defects in materials and workmanship for the warranty periods and material categories prescribed below.

Buyer agrees that products sold by Miracle Recreation Equipment Company carry only the following warranties:

1.LIMITED WARRANTY FOR AS LONG AS YOU OWN THE PRODUCT: Aluminum deck posts, steel deck posts, VersaLok® fastening system, cast aluminum parts, and stainless steel hardware.

2.LIMITED FIFTEEN (15) YEAR WARRANTY: All rigid steel playground components, decks, steps, and weldments, rotationally molded and sheet plastic components, plastic lumber, roof panels, and stainless steel slides, except as otherwise specified below.

3.LIMITED TEN (10) YEAR WARRANTY: Fabric shade steel frames, and Shadesure™ and Colourshade FR fabrics (Note Exception: Limited Five (5) Year Warranty on Shadesure™ fabrics in colors Red, Yellow, Electric Purple, Zesty Lime, Cinnamon, and Olive.)

4.LIMITED EIGHT (8) YEAR WARRANTY:

- Fiberglass signage, precast PolyFiberCrete or precast concrete products.

- Integrated shade fabric and components against rot, UV deterioration and defects in materials and workmanship (Note Exception: Limited Three (3) Year Warranty for fabric in shades of red).

5.LIMITED FIVE (5) YEAR WARRANTY:

- Heavy duty diamond barrier mesh and Kidrox™ Climbing Rocks.

- Mira-Therm™ PVC coating against cracking or peeling.

- Park and Site Amenities (i.e. benches, tables, trash receptacles, etc.).

- GFRP (Glass Fiber Reinforced Polymer) Products.

- Accessible swing seats latch and hinge mechanism.

- Steel core cable nets and rope fittings and connections (Note Exception: Warranty does not cover normal wear and tear such as fraying or facing of cable coating).

- Concerto products (Note Exception: Warranty does not cover mallets or Tall Chime cable assemblies).

6.LIMITED THREE (3) YEAR WARRANTY: Flexible belting, plastic border timbers and accessories, and electronic panel speakers, sound chips, and circuit boards.

7.LIMITED ONE (1) YEAR WARRANTY:

- Slashproof Swing Seats, 360° Bucket Tot Swing Seats, and Tuff Net no climbing mesh.

- Pool slide support structures, stairways, landings and railings.

- All other products, components and custom pieces that are not specifically listed above, including, without limitation, all moving parts, such as swing hangers and bearings, swivels, chains, whirls, springs and flexible components, and all high wear items, such as trolleys, cables, wheels, and bumper stops related to rail and cable ride products.

8.LIMITED SIX (6) MONTH WARRANTY:

- PlaySoleil solar-powered light.

BUYER'S REMEDY: If any products prove defective or non-conforming under normal use and within the above-prescribed warranty periods and material categories, Buyer must promptly notify Miracle in writing at 878 E. Hwy 60, Monett, MO 65708 USA. Miracle does not warranty that any particular color will be available for any period of time, and reserves the right to discontinue any color for any reason, without recourse by the Purchaser or Owner of the discontinued color. Miracle may elect to inspect the alleged defect at Buyer's site or at Miracle's facility. Buyer shall not return products to Miracle unless authorized by Miracle to do so. Authorized returns must be properly packaged and shipped prepaid and insured, at Buyer's expense. Upon verification of warranty coverage, Miracle may elect,

in its sole discretion, to repair defective or non-conforming products, or replace them by delivering products or part(s) of similar functionality free of charge to the site. Miracle's limited warranties do not cover the cost of labor to remove defective or non-conforming part(s) or to install repaired or replacement part(s). By use of these limited warranties, Buyer accepts their terms and limitations, and waives any rights it would otherwise have to claim or assert that such warranties fail of their essential purpose. Buyer agrees that venue for any court action to enforce these limited warranties shall be in Barry or Greene Counties in the State of Missouri.

LIMITATIONS: All warranty periods begin on the date of Miracle's invoice. Repaired and/or replacement part(s) are warranted only for the balance of the original limited warranty period. Warranties extend only to the original Buyer/end user for products purchased from Miracle or a Miracle authorized reseller, and are not transferrable.

Warranties apply only to Miracle products that are erected and installed in conformance with Miracle's installation instructions, and that are maintained and inspected in conformance with Miracle maintenance and operational instructions.

Unless manufactured with coastal coatings, product installed within 500 yards of a saltwater shoreline will only be covered for half the period of the standard product warranty for defects caused by corrosion.

Warranties specifically do not cover Miracle products:

- for cosmetic damage or flaws occurring under normal use, such as surface scratches, minor chips, hairline cracks, dents, marring, efflorescence, color fade (except for shade fabric as noted above), discoloration, corrosion/rust, fraying, or warping of recycled plastic lumber;

- that have been modified, altered, or repaired by unauthorized third parties;

- that have not been used as designed or intended, or misused;

- to which non-Miracle parts have been added or substituted;

- that have been removed from their original location and re-installed elsewhere, without pre-approval by Miracle;

- or that have been damaged due to excessive wear and tear, vandalism, abnormal use, abuse, negligence, environmental factors (such as wind-blown sand, salt spray unless the product is manufactured with coastal coating, or airborne emissions from industrial sources), extreme weather (such as hail, flooding, lightning, tornados, sandstorms, earthquakes, or wind storms), and acts of God.

THE FOREGOING LIMITED WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY FOR SELLER'S PRODUCTS, AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT. SELLER SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, AND ANY IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING OR PERFORMANCE OR TRADE USAGE. SELLER SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES, OR ANY LOSS OF REVENUE, PROFIT OR USE, ARISING OUT OF A BREACH OF THIS WARRANTY OR IN CONNECTION WITH THE SALE, INSTALLATION, MAINTENANCE, USE, OPERATION OR REPAIR OF ANY PRODUCT. IN NO EVENT WILL SELLER BE LIABLE FOR ANY AMOUNT GREATER THAN THE PURCHASE PRICE OF A DEFECTIVE PRODUCT.

Prices are subject to change without notice and are exclusive of installation, surfacing, transportation, insurance, taxes, license fees, customs fees, duties, premiums, fees, and other changes. Prices shown are in US dollars.

CERTIFICATIONS

ISO 9001 Certification: The International Standards Organization is a network of national standard institutes that work in partnership with international organizations, governments, industry, business, and consumer representatives to develop universal standards for quality, environmental, and management processes.

The Miracle Recreation Equipment company has been certified to 14001:2015 for its environmental management system.

European Norm EN-1176. Miracle® offers playgrounds that have been certified by TÜV Product Service, the recognized testing house designated by the European Union. This certification demonstrates compliance with the European Harmonized Standard for Commercial Play Equipment, EN 1176.

The space requirements in this catalog are shown to ASTM standards. Requirements for other standards may be different.

Canadian Welding Bureau Certified

IPEMA Member: Miracle® is a member in good standing of the International Play Equipment Manufacturer's Association (IPEMA), a member-driven international trade organization which represents and promotes an open market for manufacturers of play equipment.

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the ASTM F1487 Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10, 13.1.1, 13.1.2, 13.2, and 13.3; to CAN/CSA Z614 Children's Playspaces and Equipment, except clauses 10 and 11; or both. A list of current validated products may be viewed at www.ipema.org.

In the Interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification program whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates a surfacing manufacturer's certification of conformance to ASTM F1292, Standard Specification for Impact Attenuation Under and Around Playground Equipment Performance Criterion, Section 4.2; ASTM F1292, Standard Specification for Impact Attenuation Under and Around Playground Equipment Performance Criterion (in its entirety); ASTM F3351, Standard Test Method for Impact Testing In Laboratory at Specified Test Height; and for an engineered wood fiber manufacturer its certification of conformance, also to ASTM F2075, Standard Specification for Engineered Wood Fiber for Use as a Playground Safety Surface Under and Around Playground Equipment; and for a Loose Fill Rubber manufacturer its certification of conformance, also to ASTM F3012, Standard Specification for Loose Fill Rubber for Use as a Playground Safety Surface under and around Playground Equipment. A list of current validated products, their thickness and critical height may be viewed at www.ipema.org.
