WELCOME TO HICKORY HILL COUNTRY CLUB & RESORT

Experience One of the Region's Top Public Courses

Voted the best course for the price, this Earl Stone designed masterpiece has hosted the Nationwide Tour and many State Amateur events. Since 1965, locals and tourists alike have enjoyed Hickory Hill's quality golf experience. Located among towering Oaks, Magnolias, and lush green spaces the course offers 18 Championship holes accommodating golfers of all skill levels. In mid-2021, Hickory Hill Country Club & Resort came under new ownership and management who are committed to upgrading the course and grounds in the coming years.

Amenities

Our full-service, newly renovated, clubhouse is spacious enough to handle large golf outings as well as intimate gatherings. The Pro Shop has a range of golf items needed to help you play your best. The District on the Greens is our new full-service restaurant and bar & grill in the updated and spacious dining area. Patio seating is available.

Whatever the occasion, we are here to help you celebrate!

HOLE ONE

PAR 4 | HCP 18/15

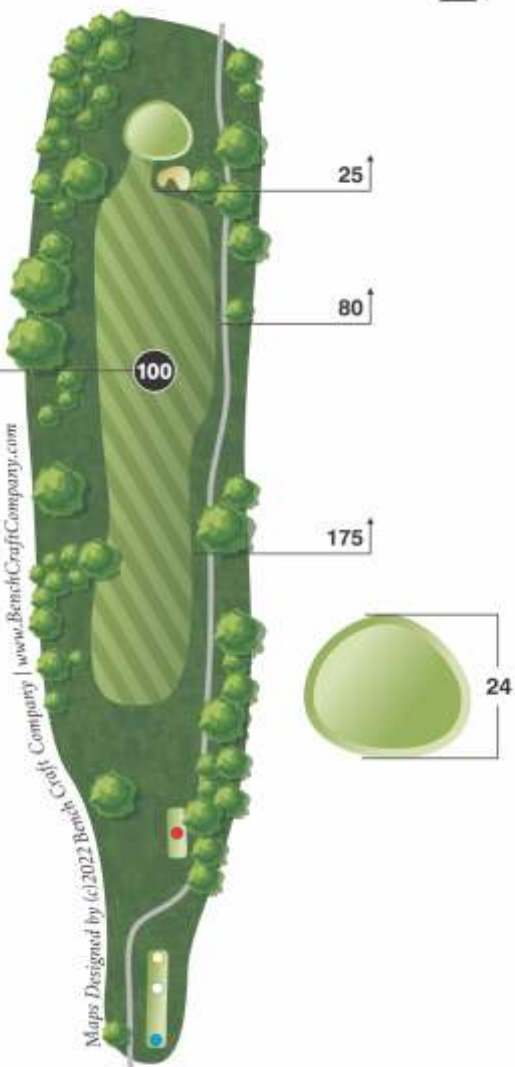

A relatively short par 4; depending on how long of an approach shot you want you can hit driver or 3 wood. The only real hazard is the bunker in front of the green.

HOLE TWO

PAR 5 | HCP 6/1

This par 5 requires carrying water twice. Going for the green in two depends on what you hit off the tee. Be careful if you hit driver because the first water hazard can come in to play.

HOLE THREE

PAR 3 | HCP 16/13

This is the shortest par 3 on the course so try to take advantage of it. Hit a solid shot and the water in front of the green should not come into play.

 133

 182

HOLE FOUR

PAR 4 | HCP 14/11

Another relatively short par 4; keep your tee shot down the middle to avoid the fairway bunker on the left. If you go past the green getting up and down for par can be difficult.

Golfer Notes: _____

HOLE FIVE

PAR 3 | HCP 4/7

This par 3 is fairly long and features a greenside bunker. Missing the green long or left will leave a difficult up and down for par.

Golfer Notes: _____

HOLE SIX

PAR 4 | HCP 8/5

Out of bounds runs down the entire left side and a bunker on the right side of the fairway can come into play for longer hitters.

Golfer Notes: _____

HOLE SEVEN

PAR 5 | HCP 12/3

This par 5 is reachable with a good tee shot. The slight dogleg left has out of bounds on the right and trees along the left side. A water hazard lies along the right side of the green, so if you miss a shot make sure it is left.

Golfer Notes: _____

HOLE EIGHT

PAR 4 | HCP 2/17

Out of bounds runs down the left side of this par 4. The green slopes hard from back to front so try to keep your ball below the hole.

Golfer Notes: _____

HOLE NINE

PAR 4 | HCP 10/9

This dogleg right par 4 has trees down the entire right side of the fairway. There is a valley where most tee shots will end up leaving an uphill or downhill lie for your second shot. Longer hitters can carry the valley with a good tee shot.

CLUB DISTANCE CHART

Use this Club Distance Chart to help gauge your progress and save strokes on the course. Knowing the exact distance you hit your clubs not only enhances your confidence but also replaces guessing with real numbers. This is especially helpful in determining club choice quickly and easily on the course. Knowing your distances is also useful when evaluating your club inventory. When considering adding or replacing a club in your set, knowing the actual distance you hit each club is crucial in choosing the club that will most benefit your game. Why carry two clubs that hit the same distance if you really only need to fill in a distance gap?

Usually golfers get 8 - 12 yards between irons (10 yard average) and 13 to 17 yards between fairway metals (15 yards average). Filling in the estimated yardage column first often proves that many of us have a tough time simply guessing how far we hit the ball. Try it out next time you are at the range!
