Sidcot
Live Adventurously

What matters at Sidcot when educating children for the future...

- What kind of intelligence and skills will students need to flourish?
- How can students make a positive contribution to society beyond school?
- How can we help them to become the leaders of tomorrow?

Whilst we are justifiably proud of our students' academic record, we are equally proud of their social skills, their emotional intelligence, their resilience and their determination to make a difference in the world.

It's no surprise that these personal qualities go together with academic excellence. It's our experience that curiosity and the confidence to enquire fearlessly – to live adventurously, as our Quaker philosophy puts it – lead children to be better motivated and more at ease with themselves as thinkers and learners.

Academic skills will certainly continue to be important and, for the foreseeable future, exams will remain the standard measure of achievement. We proudly provide the highest quality support for our pupils' academic ambitions, whilst helping them develop their emotional intelligence and the skills they will need for their futures.

That's why we keep the curriculum as broad as possible for as long as possible. Our pupils understand that education is about expanding possibilities and discovering potential, not just passing tests.

I hope you enjoy finding out more about how we live and learn at Sidcot. We would welcome students to come and experience a taste of Sidcot and find out what makes us so distinctive.

The Sidcot Learning Wheel

Sidcot's approach to teaching encourages individual thought and exploration, whilst making sure all students have the support they need to grow as individuals with their full range of talents recognised and celebrated.

A&Q: ADVICES AND QUERIES FROM QUAKER SOCIETY OF FRIENDS

© 2016 Sidcot School

The Sidcot Learning Wheel below links our values to the teaching and learning that goes on throughout the School, everyday. The **Centre for Peace and Global Studies** develops this approach further. Students are encouraged to explore broader issues with a global perspective and to express their values in action.

With an emphasis on outdoor activity and a full extra-curricular programme, all students are encouraged to take part in many outdoor pursuits, including riding. We are fortunate to have our own **Equestrian Centre** within the school campus and the benefit of a beautiful 160 acre rural setting offering a range of inspirational learning spaces.

Co-curricular and boarding activities

Our excellent rural location, top-class facilities, and strong links with community groups, charities, and businesses mean we can offer an extensive co-curricular programme with over 100 different activities!

Activities run at lunchtime, after school, in the evenings, and on weekends. From archery to adventure club, golf to photography and maths club, our students have plenty of opportunities to try new things and develop existing interests.

Below are some examples of co-curricular activities on offer for Sidcot students.

- Adventure Club (Climbing)
- Basketball Club
- Boys' Football
- Hockey
- Drama Rehearsals
- Golf
- Swimming
- Multigym
- Languages Revision Club
- Maths Café
- Photography
- Open Art Studio

**CO-CURRICULAR
ACTIVITIES**

In addition to the extensive range of co-curricular and boarding activities on offer, students can also participate in specialist programmes including basketball, tennis and horse riding.

Led by expert coaches, our specialist programmes are extremely popular among boarding students, offering them the chance to build skills, try new activities, and make their time at Sidcot unforgettable.

Equestrian at Sidcot

The Equestrian Centre offers a rare combination – a school livery yard in the heart of a thriving co-ed day and boarding school. For students who already ride, or who want to learn, Sidcot is a popular choice, as we pride ourselves on our friendly atmosphere for both beginners and experienced riders alike.

Basketball

We're proud to offer a professional Basketball programme in partnership with the Bristol Flyers. We welcome all students, from experienced players aiming to perfect their game to complete beginners eager to learn. Our international basketball programme provides an unmatched opportunity to take advantage of specialist coaching and exciting opportunities to engage with professional players.

PASS

The Programme of Activities for Sidcot Students (PASS) has been designed to provide all students with an exciting opportunity to live adventurously and develop key soft skills. Students choose activities to last for a half term, with options ranging from Surfing and Snowsports to Mah Jong and Candle Making. Throughout the year, students can take part in a total of 6 unique activities.

Tennis

Sidcot's tennis programme enables students to enhance their skills in this popular sport, by accessing 1:1 or small group coaching with qualified tennis coaches. With various coaching opportunities throughout the weekend and the week, players can develop their tennis skills and participate in friendly matches with other students and clubs.

ACADEMIC PATHWAY

Year 7

Year 8

Year 9

During the first three years of Senior School, prior to commencing study for national examinations, we aim to keep the curriculum as broad as possible. Sidcot Students will study the following:

- English
- Mathematics
- Science – Biology, Chemistry & Physics
- Geography
- History
- Religious Education
- Modern Languages
- Creative Arts
- Music
- Drama
- Design Technology – Product Design, Food Technology, Textiles & Computing

Pre-GCSE Pathway: Specialist English Language Course

The Pre-GCSE Pathway programme is a EAL (English as an Additional Language) Foundation Course for international students.

It has been designed to offer younger international pupils a holistic pre-GCSE curriculum with a strong emphasis on English skills development, and provides excellent preparation for the GCSE course at Year 10 (14+) entry. Pupils will enjoy the advantages of being able to integrate with native English-speaking students for a large part of their timetable and within their boarding house, whilst still receiving intensive specialist language support.

PATHWAY

Year 12 A LEVELS

A Level courses are rigorous, two-year long courses that lead to university entrance. They are specialist academic courses and are therefore an excellent preparation for the demands of top-class universities. Students will normally select three A Levels to study from the below options:

- Accounting
- Art & Design
- Art & Design: Photography (For Native Speakers)
- Art & Design: Textile Design
- Biology
- Business
- Chemistry
- Computing
- Design & Technology: Product Design
- Drama & Theatre Studies
- Economics
- English Literature
- Languages
- Italian, Chinese, Russian (For Native Speakers)
- Geography
- History
- Mathematics
- Further Mathematics
- Music
- Music Technology
- Physics
- Psychology
- Religious Studies (Philosophy & Ethics)

In addition to A Levels some students will select the EPQ, or Extended Project Qualification. The EPQ offers students the opportunity to produce a project on a topic of their choice and provides the equivalent of half an A Level.

Year 12 IB

The IB, or International Baccalaureate Diploma Programme, is an internationally recognised alternative to A Levels.

It allows students a greater breadth to their Sixth Form studies as they study six subjects: three at higher level and three at standard level. The subject choices are organised to maintain a breadth of study across English, Maths, Science, Humanities, Languages and Arts.

Year 10 & 11

In Year 10 students begin the two year GCSE programme. Sidcot students can choose from the following subjects:

- English Language & Literature*
- Mathematics*
- The Sciences*
- Art
- Art - Photography
- Business Studies
- Computer Science
- Design Technology
- Drama
- Food Preparation & Nutrition
- Geography
- History
- Modern Languages
- Music
- Religious Studies, Philosophy & Applied Ethics
- Textiles (Art & Design)
- English (as a second language)
- EAL (English as an Additional Language)
- BTEC Tech Award in Sport

Alongside their elected subjects students will also take part in PE & Games lessons, PSHE (Personal, Social, Health & Economic Education) and a vast array of extra-curricular activities.

*Compulsory subject for all students.

Year 11 Pathway: One Year GCSE Course

The Year 11 Pathway is a great introduction to the UK education system for international students.

The course allows students to sit up to six GCSEs whilst also preparing them for either A Levels, IB or BTEC. There is a focus on developing English for those in need and the stretch and challenge of completing a two-year programme of study in just one year.

CORE

- IGCSE: English Language OR IGCSE: English as a Second Language
- IGCSE: Maths Extended OR IGCSE: Maths Core

OPTIONS

- IGCSE: Physics OR IGCSE: Humanities (History or Geography)

Year 12 BTEC

Alongside A Levels, BTEC Nationals are the most widely recognised qualification for admission to Higher Education in the UK.

At Sidcot students can choose been BTEC qualifications in **Business** and **Sport**. BTECs are career-based qualifications designed to give students the practical skills and specialist knowledge they need to progress along their chosen learning and career path.

Leiths Extended Certificate
in Professional Cookery

This course is designed for students aiming for a career in the food industry who want to develop the knowledge and skills required for a wide range of careers as well as a lifetime love of cooking good food. This qualification is accredited by the Confederation of Tourism and Hospitality and is a hands-on practical cookery qualification normally taken alongside three A Levels.

Boarding

When students board at Sidcot School, they join a friendly, family community where they can live, work and play, secure in the knowledge that they are valued and well cared for.

We have four recently renovated boarding houses set within our 150-acre countryside campus. Our boarding houses are overseen by experienced, dedicated staff consisting of a Houseparent, Deputy Houseparent, House matrons, and tutors. They know how daunting it can be for students to live away from home and do everything they can to support our students and help them settle into life at Sidcot School.

NO EXEATS

There are no exeat weekends at Sidcot and no formal lessons on Saturdays. During the weekends, boarding students can participate in various activities such as basketball, swimming, and ceramics, and an exciting programme of weekend trips also takes place throughout the year.

Every year, we welcome students from around 30 countries. Some of our recent Turkish students have shared their experiences below.

“

Gunes | Year 13

Merhaba, benim adım Güneş ve 2021'den beri Sidcot'ta yatılı öğrenci olarak kalıyorum. Şu anda 13. sınıftayım ve A-Level düzeyinde Matematik, Ekonomi ve Psikoloji dersleri alıyorum.

Sidcot'un uluslararası topluluğu, farklı arka planlara ve kültürlere sahip insanlarla tanışmamı sağladı ve bu da benim daha açık görüşlü olmama yardım sağladı.

Akademik çalışmalarımın yanı sıra, kaldığım yurdun başkanı olarak görev yapmaktan onur duyuyorum. Bu rol, arkadaşlarıma destek olma ve liderlik becerilerimi geliştirme fırsatı sundu. Yurt içinde pozitif bir atmosfer yaratmaya katkıda bulunmaktan ve her öğrencinin kendini hoş karşılanmış ve değerli hissetmesini sağlamaktan büyük gurur duyuyorum.

Buraya katıldığım günden bu yana uzun bir yol katettim. Genç yaşta yabancı bir ülkede ailemizden uzakta olmanın zor olduğunu anlıyorum, ancak unutmamalıyız ki hepimiz aynı durumdayız. Arkadaşlarım ve hocalarımdan aldığım destek ilk haftamı atlatmama yardımcı oldu.

Buradaki zamanımın sonuna yaklaşırken, son dört yılımı asla unutmayacağımı güvenle söyleyebilirim. Tüm iniş ve çıkışlarıyla, beni bugün ben yapan şeyin Sidcot olduğunu söyleyebilirim.

“

Doruk | Year 11 | Basketball Captain

2024 Yazında lise eğitimini İngilterede almak istedim ve opsiyonlarım arasında Sidcot'u seçmemin sebebi, müfredat eğitiminin yanında geniş bir aktivite olanağı sağlamasıydı özellikle spor ve sanatı eğitimi başarılı bir şekilde yürütmeyi ve öğrencileri sosyal ve fiziksel olarak geliştirmeye iten bir sisteme sahip.

Ayrıca farklı bir ülkede ve farklı bir okulda yaşamının zorlukları var, bende ilk 1-2 ayımda dil ve kültür açısından sıkıntılar çektim, en çok yurttta kalmada zorlanacağımı düşündüm fakat Sidcot yurttta kalanlar için diğer okullardan çok daha geniş olanaklar sunuyor.

Ben şu anda Year 10 eğitimimi tamamlıyorum seneye GCSE sınavına gireceğim ve sixth formdada eğitimime burda devam etmeyi düşünüyorum. Aktif olarak okulun basketbol ve futbol takımında oynuyorum okul sonrası basketbol antrenmanı ya da spor salonuna gidiyorum.

Travel information

Sidcot is located in the South West of England, amongst the Mendip Hills, one of the UK's most beautiful rural locations.

The School is only 13 km (15 minutes drive) from Bristol International Airport with flights to worldwide destinations. It is also within easy access of London International Airports and mainline rail services (2 hours to London Paddington).

In contrast to the peaceful and rural setting of the School campus, the boarding students also have the benefit of the vibrant city of Bristol less than 30 minutes away. Here they will find numerous cultural festivals, theatres and cinemas, shopping malls and entertainment venues.

The Victorian seaside town of Weston-Super-Mare is only 20 minutes away, with its traditional pier, promenade and bracing sea air for those who really want to experience stepping back in time when children used to build sandcastles and eat ice-cream! Great fun for our boarders!
