INFORMACIÓN GENERAL

The descriptions and dimensions of the items in this catalogue are indicative and may be modified for the purpose of technical or design improvements. We reserve the right to cancel or change all models without prior notice. All items meet the CE Class 1 and class 2 safety regulations for home lighting appliances. The finishings and technical specifications listed here are for the European market and may vary elsewhere. Do not use stronger bulbs that recommended, and always clean lamps with a soft dry cloth. Metal polish will damage the protective finishings.

Las descripciones y medidas de los productos del presente catálogo son orientativas, pudiendo por tanto ser modificadas, a fin de mejorar las características técnicas o de diseño. La empresa se reserva el derecho de anular o modificar cualquier modelo sin previo aviso. Todos los modelos cumplen las normas exigidas por la CE para iluminación de uso doméstico y sus características vienen determinadas por las clase 1 y la clase 2. Los acabados y las especificaciones técnicas corresponden a los productos que se suministran en Europa, pudiendo estos variar en otros mercados. Para una buena conservación de las lámparas, no usar bombillas de potencia superior a las recomendadas y limpiar solamente con un paño seco. No usar limpia metales ya que dañan los barnices protectores que garantizan la duración del acabado.
