Through our programmes, we ensure that students not only develop a global mindset but gain vital life and employability skills, enabling them to have a positive impact on the world through their future endeavours.

We are proud to be a Certified B Corporation!

It reinforces that together, we're delivering programmes that are not only transformative for students, but also beneficial for communities and respectful of the planet.

The Challenges Abroad Difference

Student Impact

Developing the next generation of Global Citizens.

Community Impact

Delivering long-term development projects that support local communities.

Environmental Impact

We're proud to be a carbon neutral organisation.

Short-Term Programmes, Long-Term Impact.

Our Education & Community Challenges enable students to step out of their comfort zone whilst developing global perspectives, learning about new cultures and fostering meaningful connections with the local community.

Global Citizenship:

Broaden your perspectives, embrace cultural diversity, and ignite a lifelong drive to make a difference in the world.

Cultural Immersion:

Discover, connect & experience - dive into vibrant local cultures, learning through meaningful cross-cultural exchange.

Community Engagement:

Lead, inspire & create change - deliver hands-on projects, building skills and leaving a lasting impact on local communities.

Every Challenges Abroad programme supports the goals and objectives of our international development charity, the FutureSense Foundation.

Participants on a Challenges Abroad programme are therefore, not only directly impacting the community through their project, but are part of a sustainable community development initiative that will have a long lasting, positive impact.

Laos: Land of Tranquility

Our programmes in Laos are based in **Luang Prabang**. Nestled between lush mountains and the Mekong River, Luang Prabang offers a peaceful, slower pace of life and an authentic setting for meaningful travel. With its rich Buddhist traditions, vibrant local communities, and surrounding rural villages, it provides the perfect base for an impactful and immersive global experience.

Day 1 Arrival

Touch down in Laos! Welcome to Luang Prabang - this UNESCO-listed city is known for its unique blend of natural beauty, culture, and history. After being welcomed at the airport by your group mentor and transferred to your base for the next two weeks, you'll have time to settle into your accommodation.

As evening settles in, explore the town and gather for a welcome dinner. Tomorrow, the real adventure begins.

Whilst this is a **sample two-week itinerary**, a **four-week option** is also available. See the [dates here](#).

Week 1

Days 2-3

Programme & Cultural Orientation

The first couple of days are about building confidence, connection and excitement. You'll dive into Laos culture and language, get to know our Hub team supporting you throughout your challenge, learn more about the communities you'll be working alongside and how your programme contributes to long-term development projects. This is where the real impact of your journey begins to take shape!

Days 4-7

Luang Prabang

Spend four immersive days embedded in the local community, contributing your skills, knowledge and passions to our long-term education and community development initiatives. With dedicated time to plan as a team, we'll help to make sure you're ready to contribute in a meaningful way - learning just as much from the community as you share. This hands-on experience builds confidence, uncovers new strengths, and leaves a lasting, sustainable impact.

Beyond your workshops, switch off and soak up Luang Prabang's laid-back charm and experience local culture in the most authentic way - think sunsets along the Mekong River, local temples and bustling local markets.

Potential workshop topics:

Conversational English, STEM Education, Creative Arts, Sports Education, Environmental Awareness, Social & Emotional Well-Being and Life Skills

Week 2

Days 8-9

Your Free Weekend to Explore!

This is your time to make the most of everything Laos has to offer:

- 👉 Sample local restaurants
- 👉 Wander through the infamous night markets
- 👉 Explore waterfalls and natural pools
- 👉 Visit an ethical elephant sanctuary

There are endless ways to soak up the culture!

Spend your weekend exploring Vientiane, the relaxed riverside capital of Laos. Discover its rich heritage, from golden temples and French colonial architecture to lively markets and the Mekong waterfront, the perfect blend of culture, discovery and downtime.

Days 10-14

Luang Prabang

These five days follow a similar rhythm, contributing to community projects, leading educational workshops and reflecting on your impact. You'll return with stronger skills, growing confidence and deeper connections, with a clearer sense of purpose. Along the way, you'll recognise your growth as a Global Citizen.

Day 15

Departure

The final day is a chance to reflect on the skills you've developed, experiences you've shared and perspectives you've gained. Our team will then drop you at the airport for your journey home or onwards travels.

In Luang Prabang, you can witness the daily tradition of the alms giving ceremony, where hundreds of monks walk through the streets at sunrise to receive offerings from locals.

"The whole experience was unbelievably incredible. I was worried about not making friends and feeling alone in a new country but that wasn't the case. I made so many friends and together we did amazing things that we just wouldn't be able to do as a tourist."
