

A man with brown hair and a beard, wearing a white perforated baseball cap and a black long-sleeved shirt, is smiling and looking down at a piece of metal he is working on. He is using a tool, possibly a file or a scraper, on a metal block that is held in a vise. The background is a workshop with shelves containing various tools and equipment. The word "Billest" is written in a large, white, cursive font across the middle of the image.
