COMBI OVEN ACCESSORIES

Poultry Rack

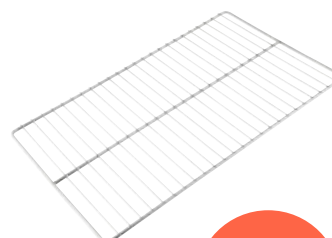

This poultry rack is the perfect tool for roasting poultry items. Fits up to 6 poultry items. Ideal for roasting - even roasting and succulent meat every time. Welded construction and heavy gauge for durability. Stainless steel with electroless plating finish to protect welded joints from rust and corrosion. Spike design allows for legs to be crossed without string. Easy to clean and dishwasher safe. Universal fit for all Combi Ovens, 1/1 GN.
