K-Beauty Clinic

Exclusive Distributor in New Zealand

HUBIS LAB
HUMAN BIO SCIENCE LAB

Trusted

by medical professionals **for precision skincare**

Professional-Grade Science.

Everyday Skin Excellence.

In modern aesthetic practice,
professional standards should not end
in the treatment room.

HUBISLAB bridges clinical precision with structured daily skin management. A professional-grade cosmeceutical system designed to support skin stability, resilience, and long-term performance every day.

HUBIS LAB
HUMAN BIO SCIENCE LAB

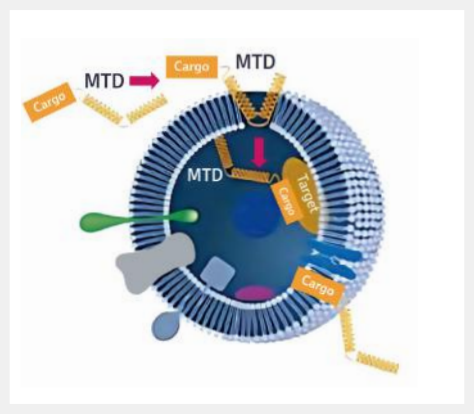

A High-Quality Clinical Cosmeceutical Brand

Developed through Human Bio Science,
HUBISLAB represents a new standard in Korean medical skincare. This is not trend-driven skincare. This is clinically engineered cosmeceutical care.

Every formulation is built on:

High-purity **Stabilization** **Delivery** **Safety**

- Designed for aesthetic professionals.
- Structured for consistent daily use.
- Retail-ready, Clinically-proven.

Powered by MITT™ Technology

At the core of HUBISLAB lies **MITT™ (Mineral Intracellular Transduction Technology).** A mineral-based intracellular delivery system that enhances dermal penetration of active ingredients.

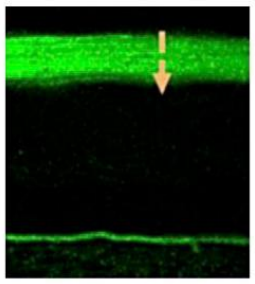

MITT™ Clinical Benefits:

Regenerate
Accelerated fibroblast activation

Remodel
Collagen & elastin synthesis

Restore
Strengthened barrier function

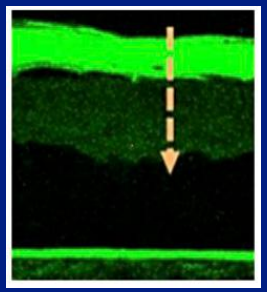

Stabilize
Enhanced post-treatment results

General Peptide Delivery

10%

Minimal impact on fibroblasts Limited dermal activation

MITT™ Applied Peptide Delivery

80%

Enhanced intracellular delivery Improved dermal stimulation

Better delivery supports better skin performance

- both clinically and daily. -

Designed for Professional Daily Homecare
Trusted by Aesthetic Professionals

Clinical results require continuity.

HUBISLAB is structured not only for post-treatment support,
but for long-term skin resilience through professional daily care.

From injectables to laser procedures and from clinics to beauty therapy environments, **HUBISLAB** integrates seamlessly into professional protocols and retail systems.

- Maintaining barrier integrity
- Supporting hydration balance
- Extending aesthetic treatment longevity
- Strengthening patient confidence between visits

"HUBISLAB has become an essential part of my professional protocol. It delivers reliability my patients can continue at home with visible stability and confidence."

POST RAYS LINE

ABOUT POST RAYS LINE

The Post Rays Line helps strengthen and protect skin that has undergone professional skincare treatments. It is designed to enhance and shield the skin before treatments and is highly effective in soothing and restoring the skin afterward.

Derma Regener K Solution

120ml

Soothing | Regenerative Hydration

KEY FEATURES

[Soothing Solution for Extremely Sensitive Skin] Calms redness caused by capillary dilatation after treatments and strengthens internal tissue to aid recovery. This tailored product is highly effective in stabilizing sensitive and reactive skin. **[Skin Regeneration and Hydration]** Nutrient-rich ingredients in K-Solution are rapidly absorbed, fortifying capillaries and stimulating cytokines to support skin soothing and activation. Arginine and Centella Asiatica Leaf Extract enhance skin health while providing essential nutrients.

MAIN INGREDIENTS

[Centella Asiatica Leaf Extract] An ingredient that helps improve acne scars and promotes cell regeneration by stimulating collagen production, enhancing skin elasticity. It protects the skin from external irritants and supports skin regeneration, soothing, anti-inflammatory effects, and inflammation relief. **[Arginine]** Prevents aging, supports collagen production, and enhances hydration for firm, moisturized skin. **[Sodium Chondroitin Sulfate]** Hydrates and conditions the skin, keeping it soft and healthy.

Derma Regener Moisturizer

120ml

Intensive Hydration | Protective Repair

KEY FEATURES

[Maximized Hydration and Minimized Sensitivity] This high-moisture formula is designed for skin dehydrated by internal and external factors. It provides hydration while Centella Asiatica Extract soothes irritated, sensitive skin, offering a comforting care experience. **[Powerful Hydration Effect]** Betaine, plant-based oil, and high-performance complex ingredients deliver intense moisture to the skin. Ideal for post-laser treatments, it minimizes irritation and helps maintain soft, healthy skin. **[Skin Regeneration and Antioxidant Benefits]** Tocopheryl Acetate (Vitamin E) activates and protects the skin through its antioxidant properties. It aids in sebum regulation, soothes inflammation, and restores damaged skin. Additionally, it prevents keratin loss, reinforcing the skin barrier.

MAIN INGREDIENTS

[Centella Asiatica Leaf Extract] An ingredient that helps improve acne scars and promotes cell regeneration by stimulating collagen production, enhancing skin elasticity. It protects the skin from external irritants and supports skin regeneration, soothing, anti-inflammatory effects, and inflammation relief. **[Macadamia Seed Oil]** A rich blend of betaine and plant- based oil delivers deep hydration, keeping the skin moisturized. It acts as a soothing moisturizer that minimizes irritation after laser treatments and promotes skin regeneration and wrinkle improvement. **[Tocopheryl Acetate (Vitamin E)]** Calms the skin, provides hydration, and protects it with powerful antioxidant effects.

Derma Regener K Cream

40g

Soothing Care | Bright & Firm

KEY FEATURES

[Cream for Soothing Skin from External Irritations] It reduces redness and bruising that appear on sensitive skin after procedures, quickly soothing and calming weakened skin. **[Dual Function for Wrinkle Prevention and Whitening]** Niacinamide and Adenosine enhance skin elasticity, reduce wrinkles, and lighten freckles and pigmentation. They help even out the skin tone, leaving it bright and radiant. **[Strengthening the Skin Barrier and Enhancing Skin Functionality]** Peptide derivatives such as Adenosine and Ceramide reinforce the skin's protective barrier and improve overall skin functionality. Certified by the KFDA for its dual functionality in whitening and wrinkle improvement, this product offers simultaneous skin brightening and lifting effects.

MAIN INGREDIENTS

[Niacinamide] A stable vitamin B3 derivative that brightens skin, strengthens the barrier, and prevents moisture loss. **[Portulaca Oleracea Extract]** Hydrates and soothes sensitive skin with antibacterial and anti-inflammatory effects. **[Centella Asiatica Extract]** Boosts collagen, improves acne scars, and protects against external irritants. **[Menadione (Vitamin K)]** Supports healthy skin by aiding in blood clot relief. **[Adenosine]** Promotes collagen production for firmer, youthful skin. **[Peppermint Oil]** Soothes irritation, controls sebum, and provides a refreshing feel.

Derma Regener Cell Cream

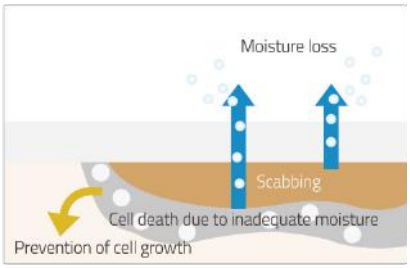

40g | Scar Control | Deep Hydration | Recovery cream

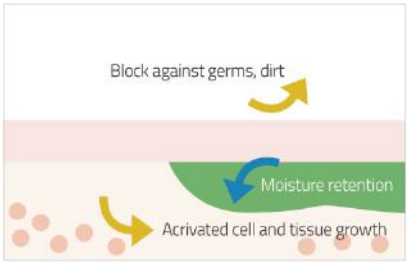

KEY FEATURES

[Moisture Retention and Scar Suppression] It hydrates sensitive skin after procedures to prevent dryness while inhibiting scar and keloid formation. It effectively protects damaged tissue and promotes skin regeneration.

[Support for Damaged Skin Tissue Regeneration] Increases collagen levels to stimulate the formation of new skin tissue and prevents the abnormal growth of damaged cells. Helps maintain healthy skin by suppressing scar tissue and keloid formation.

[Antibacterial Properties and Enhanced Skin Stability] Prevents secondary wound contamination and is free from irritating chemical ingredients such as parabens, making it safe for sensitive skin.

MAIN INGREDIENTS

[Hyalomatrix] A Hyaluronic Acid Complex composed of high, medium, and low molecular weight hyaluronic acid, delivering deep hydration to maintain moist and supple skin. **[Ceramide NP]** Enhances skin hydration and repairs damaged skin barriers, helping to maintain healthy skin. **[Centella Asiatica Extract]** Promotes acne scar removal and cell regeneration while boosting skin elasticity through collagen production. It also protects the skin from external irritants. **[Portulaca Oleracea Extract]** Provides hydration along with antibacterial and anti-inflammatory effects, effectively soothing sensitive and allergy-prone skin.

[Trehalose] Renowned for its exceptional moisturizing capabilities, it is highly effective in calming and hydrating the skin. **[Tocopheryl Acetate (Vitamin E)]** Soothes the skin, delivers hydration, and protects it with antioxidant effects. **[Allantoin]** An effective soothing ingredient that restores damaged skin cells and promotes the growth of new tissue. It is particularly suitable for troubled and sensitive skin. **[Sodium PCA]** A natural moisturizing factor that attracts moisture from the air, enhancing hydration and maintaining optimal skin moisture levels for healthy skin. **[Panthenol]** Known as pro-vitamin B5, panthenol provides deep hydration, soothes the skin, and supports regeneration. It revitalizes the skin, leaving it healthy and vibrant.

AMPOULE LINE

ABOUT AMPOULE LINE

The Ampoule Line is a high concentration solution that rapidly delivers essential moisture and nutrients to the skin while enhancing elasticity. It prevents moisture loss for 12 to 36 hours and strengthens the natural protective barrier to maintain long lasting hydration and healthy skin.

Chamomile Complex 70% Ampoule

50ml

Pure Soothing | Clean Formula

KEY FEATURES

[Soothing and Protecting with Chamomile Extract] Chamomile extract calms sensitive skin, alleviates irritation, and protects it from external environmental factors. With its anti-inflammatory properties, it helps create a comfortable and balanced skin condition. **[Ampoule for Radiant and Hydrated Skin]** Sodium chondroitin sulfate, derived from natural Mucopolysaccharides, keeps the skin soft and hydrated. It delivers deep moisture and helps maintain a healthy skin state. **[Natural Formula Free of Chemical Additives]** To minimize skin sensitivity, the formula excludes chemical additives, emulsifiers, preservatives, artificial colors, and artificial fragrances. Composed only of gentle natural ingredients without harmful substances like mineral oil, PEG, lanolin, or parabens, it is safe for use on sensitive skin.

MAIN INGREDIENTS

[Chamomile Flower Extract (70%)] Soothes inflammation, dryness, acne, and allergies, restoring skin health. **[Portulaca Oleracea Extract]** Hydrates, soothes sensitive skin, and provides antibacterial benefits. **[Centella Asiatica Extract]** Reduces acne scars, boosts collagen, and protects against irritants. **[Sodium Hyaluronate]** Hydrates, soothes, and helps maintain healthy, moisturized skin.

Hyaluron Complex 65% Ampoule

50ml

Hydra-Boost | Skin Vitality

KEY FEATURES

[Moisture-Intensive Formula] Formulated with hydrating chemical compounds, it replenishes moisture to sensitive skin and reactivates its natural vitality, leaving the skin moisturized and healthy. **[Effective for Extremely Dry Skin]** It delivers abundant moisture to the skin, stabilizing skin condition and enhancing elasticity. It is also effective for chronically dry skin. **[Skin Barrier Activation]** Increases skin hydration by up to 100% for 12 to 36 hours, strengthening the protective barrier. Keeps the skin deeply hydrated and comfortable for extended periods.

MAIN INGREDIENTS

[Sodium Hyaluronate (65%)] Deeply hydrates and soothes, keeping skin moisturized and healthy. **[Hydrolyzed Collagen]** Over 90% absorbable, it strengthens bonds, hydrates, and boosts moisture retention. **[Sodium PCA]** A natural moisturizer that regulates hydration and supports the skin barrier. **[Provence Rose Flower Water]** Rich in Vitamin C, it protects, firms, tightens pores, and soothes redness. **[Dipotassium Glycyrrhizate]** Licorice-derived, it balances pH, reduces sebum, soothes inflammation, and tightens pores.

Tea Tree Complex 60% Ampoule

50ml

Oil Control | Pore Relief

KEY FEATURES

[Ampoule for Oil Control and Hydration Balance] Tea tree oil regulates sebum production to maintain clean pores and balances moisture levels, promoting healthy skin. It is especially effective for oily and acne-prone skin. **[Soothing Effect for Skin Irritated by External Factors]** Sodium chondroitin sulfate replenishes moisture and protects the skin from external irritants, soothing sensitive skin. **[Moisture Retention and Barrier Strengthening]** Biosaccharide Gum-1 and trehalose penetrate deep into the epidermis, providing instant hydration and soothing effects. They repair the skin's protective barrier, prevent damage, and support a healthy complexion.

MAIN INGREDIENTS

[Tea Tree Water (60%)] Antibacterial and soothing, it controls oil, reduces redness, and purifies pores. **[Biosaccharide Gum-1]** Plant-derived moisturizer that hydrates and softens sensitive skin. **[Sodium Chondroitin Sulfate]** Reduces inflammation, repairs skin, and strengthens the skin barrier. **[Trehalose]** A natural sugar that retains moisture and keeps skin hydrated. **[Allantoin]** Soothes and restores damaged skin, supporting new tissue growth. **[Tea Tree Leaf Oil]** Astringent and antibacterial, it removes sebum, tightens pores, and purifies skin.

Vitamin-C Complex 50% Ampoule

50ml

Clear Bright | Glow Tone

KEY FEATURES

[Vitamin C-Based Brightening Ampoule] Vitamin C reduces pigmentation, brightens the skin, and promotes collagen synthesis, creating firm and healthy skin. Combined with Niacinamide, it delivers enhanced brightening effects. **[Skin Brightening Function]** Niacinamide inhibits the formation of freckles and reduces melanin production, helping to maintain an even and radiant skin tone. **[Hydration for Radiant and Moisturized Skin]** Sodium chondroitin sulfate, derived from natural mucopolysaccharides, softens and hydrates the skin. It replenishes moisture while supporting a healthy skin moisture balance.

MAIN INGREDIENTS

[COS-VCE (3-O-Ethyl Ascorbic Acid) (50%)] Antioxidant that inhibits melanin synthesis, brightens skin, and boosts collagen. **[Dipotassium Glycyrrhizate]** Licorice-derived, it balances oil and moisture, reduces sebum, soothes inflammation, and tightens pores. **[Niacinamide]** KFDA-certified brightening agent that inhibits melanin formation and evens skin tone. **[Biosaccharide Gum-1]** Plant-derived moisturizer that binds moisture, hydrates, and prevents irritation.

MineExo Peptide Ampoule

50ml

Elasticity Boost | Deep Hydration

KEY FEATURES

[Elasticity Boost with High-Concentration Peptides] Copper Tripeptide-1 and Acetyl Hexapeptide-8 help stimulate collagen and elastin production, improving skin firmness and smoothness. **[Long-Lasting Hydration and Skin Barrier Reinforcement]** Sodium Hyaluronate and Beta-Glucan provide lasting hydration, help prevent dryness, and strengthen the skin barrier against external aggressors. **[Soothing and Antioxidant Effects]** PinkB-Exo (Epilobium Angustifolium Fermented Probiotics) and the Vitamin Complex provide antioxidant protection while supporting collagen synthesis and skin regeneration for healthier, firmer skin.

MAIN INGREDIENTS

[Copper Tripeptide-1] Supports skin regeneration and collagen synthesis to improve elasticity. **[Acetyl Hexapeptide-8]** Helps improve elasticity and reduce expression lines for smoother, radiant skin. **[SSC-Glucan (Sparassis Crispa Beta-Glucan)]** Supports skin immunity and provides intense hydration to maintain healthy skin. **[PinkB-Exo(SH) (Epilobium Angustifolium Fermented Probiotics)]** Provides antioxidant and anti-inflammatory benefits to help protect the skin. **[Vitamin Complex]** Supports collagen synthesis, skin regeneration, and hydration to improve elasticity and overall skin health.

A.C CLEARING LINE

ABOUT A.C CLEARING LINE

A.C Clearing Line is designed for the care of acne-prone and problematic skin. It effectively removes impurities while gently balancing oil and moisture levels without irritation, promoting healthier skin. Suitable for sensitive skin after procedures, it helps maintain a clear and well-balanced complexion.

Purifying Cleansing Gel

200ml

Mild Cleansing | Pore Purify

KEY FEATURES

[Low-Irritation Gel-Type Cleanser] A mild glycerin-based gel cleanser suitable for all skin types, effectively removes makeup residue and impurities. It is specially designed for skin sensitized by excessive cleansing, chemical exposure, or antibacterial agents. This low-irritation formula is safe for use even after dermatological treatments. **[Excess Sebum Control]** Natural ingredients like Salicylic Acid and Green Tea Extract gently eliminate dead skin cells and abnormal sebum buildup in pores. Ideal for acne- prone, clogged, or oily skin, it helps reduce excessive sebum production. **[Antioxidant Protection and Skin Regeneration]** Green Tea Extract acts as a powerful antioxidant, preventing oxidative skin damage and protecting the skin. It provides a soothing effect on infected tissue and helps prevent acne complications, promoting a healthy complexion.

MAIN INGREDIENTS

[Green Tea Extract] Renowned for its antioxidant properties and ability to neutralize free radicals, it soothes the skin and tightens pores, helping to maintain a healthy complexion. **[Beta-Glucan]** A natural high-molecular-weight compound found in mushrooms, oats, barley, and yeast, it enhances immunity and provides antioxidant protection to strengthen and safeguard the skin. **[Zinc PCA]** Offers hydration while regulating sebum production to prevent excessive oil buildup. Effective for acne and eczema treatment, it helps maintain clear and balanced skin. **[Salicylic Acid]** Acts as a natural exfoliant, gently removing dead skin cells and excess oil from pores. Ideal for acne- prone and oily skin, it provides exfoliating, anti-inflammatory, and antibacterial effects.

Active Control Solution

120ml

Balance Control | Skin Purify

KEY FEATURES

[Sebum Control and Hydration Solution] Tea Tree Oil regulates excessive sebum production and keeps pores clean, promoting a healthy complexion. It is particularly effective for oily and acne-prone skin, helping to rebalance the skin's oil-water levels. **[Soothing Sensitive Skin from External Irritation]** Natural antioxidant Portulaca Oleracea Extract heals and protects skin from damage caused by external irritants. It soothes sensitive skin and helps maintain overall skin health. **[Deep Hydration and Retention]** Aloe Vera Leaf Juice and Betaine penetrate deep into the epidermis to provide lasting hydration. These ingredients repair the damaged skin barrier while offering soothing and purifying effects, leaving the skin healthy and well-nourished.

MAIN INGREDIENTS

[Portulaca Oleracea Extract] Hydrates and soothes sensitive, allergy-prone skin with antibacterial and anti- inflammatory effects. **[Salicylic Acid]** Gently exfoliates dead skin and excess oil, preventing acne and clogged pores. **[Tea Tree Leaf Oil]** Removes sebum, tightens pores, and keeps skin clean with antibacterial properties. **[Niacinamide]** KFDA-certified brightening agent that reduces melanin formation by inhibiting tyrosinase. **[Aloe Vera Leaf Juice]** Hydrates, soothes, and supports skin regeneration for a smooth, healthy complexion. **[Beta-Glucan]** A natural antioxidant that boosts skin immunity and promotes skin health. **[Zinc PCA]** Regulates sebum, maintains hydration, and helps treat acne and eczema.

Active Control Moisturizer

120ml

Oil Absorb | Clean Balance

KEY FEATURES

[Oil Control (Sebum Regulation)] An ultimate solution for aging and oily skin, it suppresses excessive sebum production, alleviating acne and redness. It maintains the skin's oil-water balance, promoting a clean and healthy complexion. **[Oil Control Through Microporous Polymer Action]** Methyl Methacrylate Crosspolymer absorbs excess sebum that can lead to skin issues. Its oil-control properties help maintain a fresh and smooth skin appearance.

MAIN INGREDIENTS

[Allantoin] A soothing ingredient that restores damaged skin cells and promotes the growth of new tissue, making it suitable for troubled and sensitive skin. **[Sodium Hyaluronate]** A natural moisture-binding agent that effectively retains hydration after laser treatments, keeping the skin moisturized and healthy. **[Niacinamide]** A skin-brightening ingredient certified by the KFDA, it inhibits tyrosinase production to reduce melanin formation and improve skin tone. **[Tea Tree Leaf Oil]** A natural astringent that removes sebum, tightens pores, and keeps the skin clean with its antibacterial and anti-inflammatory properties. **[Portulaca Oleracea Extract]** Provides hydration to the skin while offering antibacterial and anti-inflammatory effects, effectively soothing sensitive and allergy-prone skin.

Active Control Cream

40g

Pore Tighten | Hydra Barrier

KEY FEATURES

[Antioxidant and Sebum Control] Mushroom extract (Beta- glucan) regulates excess sebum and tightens pores, helping to manage oily skin while reducing redness. Its antioxidant properties protect the skin from environmental damage. **[Maximized Hydration Effect]** Betaine and sodium hyaluronate penetrate deep into the skin, forming a protective barrier and maximizing hydration. Ideal for acne-prone skin or chronically affected dry areas, this formula keeps the skin moisturized and healthy.

MAIN INGREDIENTS

[Portulaca Oleracea Extract] Provides hydration to the skin while offering antibacterial and anti-inflammatory effects, effectively soothing sensitive and allergy-prone skin. **[Ceramide NP]** Enhances skin's moisture retention and repairs damaged skin barriers, helping to maintain healthy and hydrated skin. **[Beta-Glucan]** A natural high-molecular-weight compound found in mushrooms, oats, barley, and yeast, it strengthens immunity and provides antioxidant benefits to support healthy skin. **[Tea Tree Leaf Oil]** A natural astringent that removes sebum, tightens pores, and keeps the skin clean with its antibacterial and anti-inflammatory properties. **[Niacinamide]** A skin-brightening ingredient certified by the KFDA, it inhibits tyrosinase production to reduce melanin formation and improve skin tone.

PURE BALANCE LINE

ABOUT PURE BALANCE LINE

Formulated with advanced bio-fermentation technology, this professional line deeply purifies skin impurities while restoring its natural pH balance. It minimizes irritation for sensitive or post-procedure skin, strengthening the skin barrier for a revitalized, healthy glow.

Refreshing Cleansing Gel

200ml

Natural Clean | PH Balance

KEY FEATURES

[Natural Surfactants Derived from Nature] Natural surfactants extracted from corn, coconut, and palm oil gently remove sebum and dead skin cells without irritating the skin. High-quality protein molecules derived from soybeans and egg yolk help moisturize the skin and prevent oxidation, maintaining healthy skin. **[Rebalancing Skin pH]** Hyaluronate and Beta-Glucan help keep the skin hydrated and smooth. Witch Hazel Extract and Citric Acid work to soothe the skin and contribute to rebalancing pH levels after cleansing. **[Minimized Surfactants, Maximized Cleansing]** While it produces less foam than typical cleansing gels, it delivers superior cleansing performance with natural ingredients instead of synthetic surfactants. It effectively cleanses without causing moisture loss, leaving the skin softer and healthier.

MAIN INGREDIENTS

[Decyl Glucoside] An EcoCert-certified natural surfactant that gently cleanses without irritation. **[Sodium Hyaluronate]** Delivers 6,000 times more hydration, protecting the skin barrier. **[Sodium PCA]** A natural moisturizing factor that regulates hydration and maintains moisture. **[Arginine]** Provides antioxidant protection, prevents aging, and supports collagen production. **[Portulaca Oleracea Extract]** Soothes skin irritation caused by allergies and inflammation.

Papaya Enzyme Peeling Wash

70g

Enzyme Peel | Soft Texture

KEY FEATURES

[Plant Enzyme-Based Deep Cleanser] Formulated with natural Papaya Extract, this cleanser dissolves easily even in cold water and gently removes dead skin cells without irritation. The patented granular formula ensures a thorough cleansing effect while keeping the skin soft and hydrated. **[Removal of Dust and Sebum from Pores]** Peptone produced by the Papain Enzyme removes residue and sebum in pores without irritation. **[Natural Ingredients for Hydration and Revitalization]** Natural-derived ingredients such as Lactose and Hydrogenated Lecithin help moisturize and revitalize the skin.

MAIN INGREDIENTS

[Allantoin] An effective skin-soothing agent that helps repair damaged skin cells and promotes the growth of new tissue. Ideal for blemish-prone and sensitive skin. **[Papain]** A natural protein-degrading enzyme extracted from unripe papaya, it inhibits lipid peroxides and breaks down hardened keratin, leaving the skin soft and clean. **[Zea Mays (Corn) Starch]** A micro antioxidant powder derived from corn, it removes makeup residues, prevents oxidation and aging, and absorbs impurities. Especially effective for acne-prone and oily skin.

Micellar Gentle Lip & Eye Remover

200ml

Makeup Removal | Soothing Care

KEY FEATURES

[Gentle Lip & Eye Makeup Remover] Enriched with plant extracts, this gentle remover effectively removes color makeup from the delicate eye and lip areas. Its low-irritation formula makes it suitable for even the most sensitive skin. **[Skin-Protecting and Soothing Properties]** Ingredients like Centella Asiatica Extract, Fig Extract, and Ulmus Davidiana Root Extract help protect and soothe the skin. These components gently care for the sensitive skin around the eyes and lips. **[Moisture-Retaining Ingredients to Prevent Dryness]** High-moisturizing ingredients such as Celosia Cristata Seed Extract, Dipotassium Glycyrrhizate, and Allantoin keep the skin hydrated and enhance its resilience. Even after makeup removal, the skin remains nourished and free from dryness.

MAIN INGREDIENTS

[Allantoin] An effective skin-soothing agent that helps repair damaged skin cells and promote new tissue growth. **[Dipotassium Glycyrrhizate]** A licorice-derived ingredient with skin-soothing and anti-inflammatory properties. It helps maintain skin pH balance, reduce irritation and inflammation, and regulate excess sebum production for healthier-looking skin. **[Selemix-c™]** A soothing complex containing Centella Asiatica, Licorice Root, Chamomile Flower, and Soybean Sprout Extracts. It provides anti-inflammatory and immunomodulatory benefits, helping calm sensitive skin and support overall skin health.

Refreshing Cleansing Milk

200ml

Deep Hydration | Barrier Care

KEY FEATURES

[Mild Cleansing Milk] Suitable for all skin types, it completely removes makeup residues and impurities. Its gentle formula is designed for sensitive skin affected by excessive cleansing, chemical use, or dermatological treatments. **[Strengthening and restoring skin]** Moisturizes and strengthens damaged and rough skin through the hyalomatrix. Strengthens and revitalizes skin to help restore it to healthy skin.

MAIN INGREDIENTS

[Hyalomatrix (Hyaluronic Acid, Hydrolyzed Hyaluronic Acid, Sodium Hyaluronate)] Composed of a triple Hyaluronic Acid Complex (high, medium, and low molecular weight Hyaluronic Acid), it delivers deep hydration to the skin and helps maintain a moisturized complexion. **[Tocopheryl Acetate (Vitamin E)]** Prevents skin aging caused by reactive oxygen species, protects the skin, and supports collagen production. Additionally, it enhances skin hydration levels, helping to maintain moisturized and elastic skin. **[Beta-Glucan]** A natural polymer found in the cell walls of mushrooms, oats, barley, and yeast, it strengthens the immune system, supports antioxidant activity, and helps maintain healthy skin.

PROTECT LINE

ABOUT PROTECT LINE

The Protect Line is a high-performance recovery solution for skin following professional treatments. It creates a natural barrier that shields against UV rays, prevents moisture loss, and accelerates soothing and restoration.

Post Rays Derma Perfect Sunscreen SPF50 PA++++

UV Shield | Cica Repair

50g

KEY FEATURES

[Soothing Protection with Creamy Texture] This product blocks broad-spectrum UV rays, including both UVB and UVA, and forms a protective barrier on the skin's surface to shield it from external elements. It helps prevent heat, moisture loss, and damage, keeping the skin comfortable and healthy.
[Multifunctional Sunscreen] In addition to UV protection, it also provides soothing and anti-aging effects to safeguard the skin. It defends against environmental pollution and revitalizes the skin, leaving it healthy and radiant.
[Suitable for Use After Skin Treatments] The F-CICA ingredient calms and aids in skin regeneration. Natural vitamins infuse vitality into the skin, making it ideal for sensitive skin.

MAIN INGREDIENTS

[Zinc Oxide] Effective in preventing hyperpigmentation, it forms a protective barrier that shields the skin from sun exposure and external irritants, with excellent photostability, weather resistance, and heat resistance. It also helps soothe and regenerate the skin. **[Tocopherol]** Strengthens the skin barrier against UV damage and provides hydration, maintaining a healthy skin condition. **[Niacinamide]** Stimulates collagen production, improving skin texture, fine lines, wrinkles, and overall skin tone, leaving the skin smooth and even. **[F-CICA COMPLEX(H)]** A complex fermented with yeast that combines four ingredients—Asiaticoside, Madecassic Acid, Asiatic Acid, and Madecassoside—known for their effectiveness in soothing and regenerating the skin.

Herb 8 Soothing Blemish Balm SPF30 PA++

Herb Soothing | Sun Protection

50g

KEY FEATURES

[Soothing and Protecting the Skin with 8 Herbal Extracts] Soothes and helps regenerate sensitive and damaged skin after skin treatments. Protects the skin from harmful external substances and free radicals to maintain a healthy skin condition.
[Sun Protection and Antioxidant Effect] The Zinc Oxide component blocks UVA and UVB rays, preventing skin damage and aging, while being safe for sensitive skin. The 8 Herbal extracts eliminate free radicals, preventing wrinkles and inflammation.
[Moisturizing and Natural Skin Finish] HUBISLAB's special formula smooths the skin texture and keeps the skin moisturized, creating a natural, glowing skin appearance.

MAIN INGREDIENTS

[Zinc Oxide] Protects the skin from sun and external stimuli by forming a protective barrier with excellent light, heat, and weather resistance. It also helps soothe and regenerate the skin, preventing hyperpigmentation. **[Allantoin]** An effective skin soothing ingredient that helps repair damaged skin cells and promote the growth of new tissue. Ideal for managing troubled and sensitive skin. **[Anti Toxin Herb 8 (HD)]** A complex of 8 Herbal extracts: Chamomile, Jasmine, Lavender, Lemon Balm, Spearmint, Rosehip, Rosemary, and Sage. These ingredients work together to soothe skin inflammation, lighten dark spots, and block the aging process caused by increased free radicals, keeping the skin healthy.

MOISTURE MAX LINE

ABOUT MOISTURE MAX LINE

The Moisture Max Line delivers long-lasting hydration through a 3-step moisturizing system (hydration, nourishment, and skin protection). It protects and regenerates dry, rough skin, leaving it healthy and smooth.

Moisture Max Cleansing Foam

150ml

Deep Cleansing | Mild Formula

KEY FEATURES

[Hydrating Cleanser with Rich and Fine Foam] This cleanser generates rich and fine foam that deeply cleanses pores while providing hydration to dry and delicate skin. It leaves the skin feeling moisturized even after washing and helps create smooth, even skin texture.
[Skin Protection and Soothing Effect] Formulated with triple Hyaluronic Acid, the patented ingredient AQUAXYL, and sodium PCA, it protects and soothes the skin. It minimizes irritation and supports the maintenance of a healthy skin barrier.

MAIN INGREDIENTS

[AQUAXYL] A moisturizing agent combining Xylitol extracted from European Birch Trees and Glucose derived from wheat. It promotes Ceramide synthesis in the epidermis to maintain hydration and strengthens the synthesis of key proteins in the stratum corneum, helping to maintain a healthy skin barrier. **[Hyalomatrix (Sodium Hyaluronate Crosspolymer, Hydrolyzed Hyaluronic Acid, Hyaluronic Acid)]** A Hyaluronic Acid Complex consisting of high, medium, and low molecular weight Hyaluronic Acids. It delivers deep hydration to the skin, keeping it moisturized and healthy. **[Sodium PCA]** A natural moisturizing factor that regulates the skin's moisture levels and enhances hydration by attracting water from the air, helping to maintain soft and hydrated skin.

Moisture Max Aqua Mist

120ml

Hydra-Full | Elastic Barrier

KEY FEATURES

[Enhancing Skin Hydration with Natural Moisturizing Ingredients] Natural moisturizing ingredients such as Polyglutamic Acid, Algae Extract, and Betaine strengthen the skin's moisture retention ability. Rich in minerals, Polysaccharides, Vitamins, and Amino Acids, they protect the skin and help improve skin elasticity.

MAIN INGREDIENTS

[Sodium PCA] Acts as a natural moisturizing factor, regulating the skin's moisture levels and hydration to help maintain soft and healthy skin. **[Hyalomatrix (Sodium Hyaluronate Crosspolymer, Hydrolyzed Hyaluronic Acid, Hyaluronic Acid)]** A hyaluronic acid complex composed of high, medium, and low molecular weight Hyaluronic Acids. It delivers deep hydration and enhances moisture retention, keeping the skin thoroughly hydrated. **[AQUAXYL (Xylitylglucoside, Anhydroxylitol, Xylitol)]** An internationally patented ingredient, AQUAXYL is a multi- moisturizer combining Xylitylglucoside, Anhydroxylitol, and Xylitol. It increases the synthesis of Aquaporin-3 in the epidermis and boosts Ceramide synthesis to maintain hydration. Additionally, it promotes the synthesis of key proteins in the stratum corneum, strengthening the skin barrier. In the dermis, it stimulates the production of Hyaluronic Acid and natural moisturizing factors (NMF), aiding in visible surface improvement within 24 hours.

Moisture Max Hydro Moisturizer 120ml

Light Aqua | Long-Lasting

KEY FEATURES

[Endless Hydration] Absorbs quickly without stickiness, forming a dense moisture layer that becomes increasingly hydrating over time. It delivers deep hydration to the skin, maintaining moisture for an extended period. **[Moisture Barrier with Hyaluronic Acid]** Formulated with Hyaluronic Acid, known for its exceptional moisturizing properties, it creates a smooth moisture barrier on the skin's surface. This helps keep dry skin hydrated for a long time while preventing moisture loss. **[Light and Hydrating Cream Texture]** Featuring a soft and lightweight emulsion cream formula, it absorbs quickly into the skin without stickiness. Its refreshing finish provides comfort without feeling heavy, making it ideal even for those who find lotions too rich.

MAIN INGREDIENTS

[Resurrection Plant Extract] A powerful desert-derived moisturizer that deeply hydrates and prevents dryness. **[AQUAXYL]** A moisturizing agent combining Xylitol extracted from European Birch Trees and Glucose derived from wheat. It promotes Ceramide synthesis to maintain hydration and strengthens the synthesis of key proteins in the stratum corneum, helping to keep the skin barrier healthy. **[Hyalomatrix]** A multi-molecular Hyaluronic Acid Complex that enhances hydration and moisture retention. **[Hydrolyzed Collagen]** Marine collagen rich in Amino Acids that deeply hydrates and revitalizes the skin.

Moisture Max Hydro Cream 40g

Silky Finish | Aqua Balance

KEY FEATURES

[Optimal Oil-Water Balance] Delivers rapid and intense hydration to quickly resolve dryness while maintaining the skin's oil-water balance with a protective moisture barrier. Keeps the skin hydrated and radiant for an extended period. **[Moisture Barrier with Hyaluronic Acid]** Enriched with Hyaluronic Acid, known for its exceptional moisturizing properties, it creates a smooth and hydrating moisture barrier on the skin's surface. This helps retain moisture for long periods, leaving the skin soft and healthy. **[Comfortable and Smooth Texture]** With a silky and smooth texture similar to a primer, it finishes fresh and clean without stickiness. Suitable for all skin types, including oily skin, it offers lightweight comfort for everyday use.

MAIN INGREDIENTS

[AQUAXYL] An internationally patented ingredient combining Xylitylglucoside, Anhydroxylitol, and Xylitol. It increases Aquaporin-3 composition in the epidermis and promotes Ceramide synthesis, supporting skin hydration and strengthening the skin barrier. **[Ceramide NP]** Enhances the skin's moisturizing ability and repairs damaged skin barriers, helping to maintain healthy and hydrated skin. **[Hibiscus Esculentus Fruit Extract]** Promotes collagen production, eliminates reactive oxygen species, and provides excellent moisturizing effects for the skin. **[Green Propolis Extract]** A rare extract sourced from Brazil's pristine natural environment, derived from the medicinal plant Baccharis, which inhabits only 3% of Brazil's untouched regions. It delivers powerful antioxidant effects and helps maintain healthy, firm skin.

DERMA MAX LINE

ABOUT DERMA MAX LINE

The Derma Max Line features a three step brightening system including prevention, targeting, and regeneration to transform dull skin into a clear and radiant complexion. It effectively reduces melasma and pigmentation while providing deep hydration and protection for an even skin tone.

Derma Max Brilliance Cream

40g

Tone-Up Glow | Brightening Care

KEY FEATURES

[Instant Brightening Effect] Titanium Dioxide, the patented ingredient MADEWHITE, and Niacinamide (a Vitamin B complex) work to inhibit melanin production, maintaining a bright and even skin tone. **[Oil and Moisture Balance Control]** Plant-based oil extracted from Shea Tree Nuts hydrates dry skin, while macadamia oil offers a lightweight feel. With over 60% Oleic Acid and 14– 22% Palmitoleic Acid, it protects the skin and helps maintain a balanced oil-to-moisture ratio.

MAIN INGREDIENTS

[MADEWHITE] A patented whitening ingredient from Centella Asiatica that promotes skin regeneration and brightening for a radiant complexion. **[Niacinamide]** A Vitamin B complex that prevents pigmentation, strengthens the skin barrier, and evens skin tone. **[COS-VCE (3-O-Ethyl Ascorbic Acid)]** A patented Vitamin C derivative that boosts collagen and inhibits melanin for enhanced brightening. **[Glutathione]** A tripeptide of Glutamic Acid, Cysteine, and Glycine that provides antioxidant, anti-aging, and brightening benefits. **[Queensland Nut Oil]** Fast-absorbing oil with Oleic and Palmitoleic Acid that hydrates and protects. **[Shea Butter]** Plant-based butter that deeply moisturizes and softens dry skin.

Derma Max Brightening Clinic

50g

Spot Correction | Vitamin Glow

KEY FEATURES

[Melasma Improvement and Brightening Functionality] Tranexamic acid and Vitamin complex work together to improve melasma and brighten the skin for a radiant complexion. **[Moisturizing Effect]** Shea butter provides deep hydration to the skin, preventing dryness and ensuring long-lasting moisture. **[Soothing Effect]** Asiaticoside, Allantoin, and Beta-Glucan help calm irritated skin, providing gentle and comforting care.

MAIN INGREDIENTS

[BEAUPLEX VH] A Vitamin complex composed of Tocopheryl Acetate, Sodium Ascorbyl Phosphate, Niacinamide, and Calcium Pantothenate. Provides antioxidant and brightening effects for healthy, radiant skin. **[Asiaticoside]** Soothes irritation, boosts elasticity, and aids skin recovery. **[MADEWHITE]** Patented Centella Asiatica extract for skin regeneration and brightening. **[Niacinamide]** Inhibits pigmentation, strengthens the barrier, and evens skin tone. **[Amino Acid Complex (B)]** 17 Amino Acids that hydrate, activate fibroblasts, and improve skin health. **[COS-VCE (3-O-Ethyl Ascorbic Acid)]** Patented Vitamin C derivative that boosts collagen and blocks melanin. **[Glutathione]** A tripeptide that fights oxidation, aging, and pigmentation.

PREMIUM ACTIVE LINE

ABOUT PREMIUM ACTIVE LINE

The Premium Active Line delivers intensive nourishment to skin losing elasticity from aging and environmental stress. Its high-performance formula tightens, regenerates, and protects, leaving the skin firm, radiant, and revitalized.

Premium Active B-tol Ampoule

30ml

Natural Lifting | Elastic Volume

KEY FEATURES

[Firming & Wrinkle Care] The Oleacea Acmelia extract helps enhance skin elasticity and reduce wrinkles. It works by relaxing muscle contractions, providing a natural lifting effect, and effectively preventing and improving the appearance of wrinkles. **[Powerful Hydration with Hyaluronic Acid Base]** High concentrations of Hyaluronic Acid strengthen the skin's moisture barrier, keeping it hydrated and firm. **[Multidimensional Wrinkle Improvement]** Effective in reducing frown lines, crow's feet, nasolabial folds, neck wrinkles, and sagging cheeks with just 4 weeks of use.

MAIN INGREDIENTS

[Acmella Oleracea Extract] Derived from Acmella Oleracea, this plant-based ingredient helps improve skin elasticity and reduce the appearance of wrinkles. It works similarly to injection-based treatments by gently relaxing facial muscle tension, providing a natural lifting effect. Additionally, it prevents wrinkle formation, leaving the skin smooth and firm. **[Triple Peptide Complex]** Includes Acetyl Hexapeptide, Copper Tripeptide, and Palmitoyl Tripeptide, a powerful combination that aids in skin regeneration and enhances elasticity. **[Soothing Ingredients (Centella Asiatica Extract, Madecassoside, Asiaticoside)]** Provides soothing effects while improving wrinkles, boosting volume, elasticity, hydration, and radiance.

Premium Active Eternal Eye & Face Cream

Active Lifting | Total Renewal

40g

KEY FEATURES

[Firming & Wrinkle Care] The Oleacea Acmelia extract helps enhance skin elasticity and reduce wrinkles. It works by relaxing muscle contractions, providing a natural lifting effect, and effectively preventing and improving the appearance of wrinkles. **[Comprehensive Skin Improvement with 5 Patented Ingredients]** Formulated with five patented ingredients— BL Fill-UP, COS-VCE, GATULINE EXPRESSION AF, BSASMTM, and MADEWHITE. These components deliver multi-faceted benefits, including wrinkle reduction, texture refinement, skin barrier strengthening, dual hydration, and facial lifting effects.

MAIN INGREDIENTS

[Acmella Oleracea Extract] Plant-derived ingredient that enhances elasticity, reduces wrinkles, and provides a natural lifting effect. **[Hydrolyzed Collagen]** Over 90% absorbable, it strengthens bonds, hydrates, and locks in moisture. **[BSASMTM (EG2)]** Multi-functional ingredient with soothing, moisturizing, and brightening effects. **[BL FILL UP]** Patented Bladderwrack and Prunella Vulgaris Extract for firming and wrinkle reduction. **[MADEWHITE]** Patented Centella Asiatica extract for regeneration, brightening, soothing, and sebum control. **[PEPTA-5 COMPLEX (H)]** Five-peptide blend that improves wrinkles, elasticity, hydration, and radiance. **[COS-VCE (3-O-Ethyl Ascorbic Acid)]** Patented Vitamin C derivative that boosts collagen and inhibits melanin.

e+ EPIDERMA MASK LINE

ABOUT e+ EPIDERMA MASK LINE

Every patient appreciates the instant cooling comfort following a treatment. The E+ Epiderma Mask Line soothes, hydrates, and restores radiance as an essential step for complete recovery.

e+ Epiderma Nova Cell Soothing Mask 35g (5ea)

Texture Refine | Soothing Relief

KEY FEATURES

[Soothing and Calming Effect] Aloe, Witch Hazel, and Allantoin work together to soothe and calm sensitive skin, making them effective for managing acne and atopic dermatitis. These ingredients protect damaged skin and prevent dryness-induced cracking, maintaining a healthy skin condition. **[Improved Moisture Retention]** Enhances the skin's ability to retain moisture, helping to keep the skin hydrated and supple. **[Improvement of Rough Skin Texture]** Promotes the removal of dead skin cells, leaving the skin surface soft and smooth. It helps refine the skin texture, resulting in vibrant and healthy-looking skin.

MAIN INGREDIENTS

[Salicornia Herbacea Extract] Soothes, hydrates, boosts elasticity, and removes impurities for clear skin. **[Reed Extract]** Purifies, brightens, improves wrinkles, and enhances skin elasticity. **[Bambusa Vulgaris Extract]** Provides hydration, elasticity, regeneration, and reduces pigmentation. **[Witch Hazel Extract]** Soothes, protects, and offers antioxidant and antibacterial benefits. **[Coconut Fruit Extract]** Rich in vitamins and minerals, it hydrates, soothes, and strengthens the skin barrier. **[Centella Asiatica Extract]** Promotes regeneration, collagen production, and protects skin from irritants. **[Aloe Vera Leaf Extract]** Hydrates, soothes, and supports skin regeneration. **[Trehalose]** Maintains hydration, protects proteins, and strengthens skin defense.

e+ Epiderma Nova Cell Brightening Mask 35g (5ea)

Vital Antioxidant | Brighten Lift

KEY FEATURES

[Skin Protection and Antioxidant Effects] Strawberry, Rose, and Mango Extracts deliver powerful antioxidant benefits, shielding the skin from external irritants. They help improve skin tone, enhance elasticity, prevent aging, and provide lifting effects, maintaining a healthy and vibrant complexion. **[Clear Skin Through Collagen Production]** Boosts collagen synthesis while inhibiting melanin production, the primary cause of dark spots and freckles. This results in bright, clear skin with an even tone.

MAIN INGREDIENTS

[Provence Rose Flower Extract] Regulates skin pH while providing anti-inflammatory, soothing, and moisturizing effects. **[Mango Extract]** Delivers anti-aging and brightening benefits along with deep hydration, leaving the skin elastic and healthy. **[Beach Strawberry Extract]** Provides anti-aging, collagen- boosting, and brightening effects, revitalizing the skin. **[Green Tea Extract]** It protects the skin with anti-oxidation and active oxygen removal effects, and provides soothing and pore tightening effects. **[Pomegranate Extract]** Enhances skin elasticity, prevents aging and wrinkles, and provides hydration and radiance for a healthy complexion. **[Papaya Fruit Extract]** Offers skin conditioning, gentle exfoliation, free radical removal, pore tightening, sebum balance, and skin revitalization. **[Apple Extract]** Supports exfoliation and anti-aging, while brightening the skin tone for a clear and even complexion.
