BRIGHT IDEAS SMART SOLUTIONS

Driven by innovation, defined by quality,
designed for you.

At VAKO/Domicet, brightness isn't just about light, it's about vision. Born from a spark of innovation, we set out to create personalized products that shine with both purpose and style. We start by listening to our clients. That's how we deliver uncompromising quality, designed exactly the way you imagined.

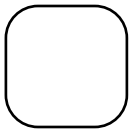

DESIGN WITHOUT LIMITS

Vako/Domicet's large roller blind program brings scale and sophistication together. Engineered for windows up to 4.00 x 4.00 metres, the Tube 55 and 65 systems deliver smooth performance and refined design — perfect for modern architecture.

Choose your option: bracket or cassette, manual or motorized, light-filtering or blackout. Every detail is built for flexibility, durability, and seamless integration.

Big on performance. Subtle in presence.
