SKINNER'S BREWERY CORNWALL

Founded in 1997 by Steve Skinner, who after running successful Brewpubs in Jersey and finding a passion for making beer, decided to move from Jersey to Cornwall. Determined to offer something slightly different to the other breweries in Cornwall, Skinner's launched with three beers including, the infamous Betty Stogs and Cornish Knocker, which were at the time paler, modern and more hoppy, with the added touch of the characteristic fun Skinner's style.

BETTY STOGS

BEER COLOUR GUIDE

PINS

WHY PINS OF BEER HELP YOUR LOCAL PUB

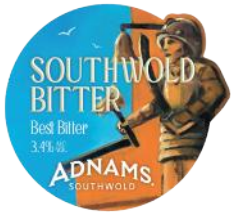

A pin is a smaller cask of beer (about half the size of a normal one), and it makes a big difference:

- **Fresher Pints** - smaller casks empty faster, so every pint tastes its best.
- **More Choice** - pubs can offer a wider range of beers without worrying about waste.
- **Supporting Pubs** - less spoilage means less money down the drain, helping your local stay thriving.
- **Safer for Staff** - lighter to move and easier to handle behind the bar.

So when you see beer being served from a pin, it's not just good news for your pint – it's good news for your pub too.
