In a Nutshell:

The Wild follow a winning record in October with a home matinee against Victoria.

The Scene-Setter:

Wenatchee's veterans had more memorable performances, and set up a comeback to remember, in a 5-4 shootout victory over the Prince George Cougars on Friday at Town Toyota Center. **Ty Coupland** posted a goal and two assists during regulation, hammering home a power play goal in the second period. Jett Lajoie had two goals, including a shorthanded marker 3:54 into the third that made it a 4-1 game. Within six minutes, Wenatchee had vaporized the lead on goals from **Caelan Joudrey**, **Mathias Silaban** and **Boston Tait**. Coupland tacked on the eventual winner in the fifth round of the shootout, on a night where the Wild finished 3-for-5 on the power play. **Tobias Tvrznik** earned his fourth win of the season behind 38 saves.

Know Your Foe:

Victoria has proven its status as a B.C. Division frontrunner early on, winning six of its first seven and later adding a weekend sweep of the Kelowna Rockets. Cameron Schmidt gave the Royals their only goal of the game in a 6-1 loss at the Vancouver Giants on Friday - Mathis Preston finished with a goal and four assists as the Giants racked up a 5-0 lead in the opening stanza. Odin Vauhkonen earned a "B" rating from NHL Central Scouting on its preliminary watch list last week, projected as a second- or third-round selection in next summer's NHL Draft, and he enters the day ranked fourth among WHL defensemen in scoring.

Those Winning Ways:

Friday's win was Wenatchee's third straight victory, marking the first three-game winning streak for the club since a three-game weekend from December 1-3, 2023 in which the Wild earned a pair of victories against the Portland Winterhawks and a Sunday afternoon victory over the Tri-City Americans. That three-game run was also the last time the Wild scored five goals or more in three consecutive outings. The 6-4 finish to October was Wenatchee's first month above .500 since a 5-4-1-1 mark in November of 2024, and the 3-for-5 power play finish was the team's first three-goal night on the power play this season.

Turning on the Heat:

No Wild player has been hotter over the last three weeks than veteran newcomer **Ty Coupland** - since coming over in a trade from the Kamloops Blazers in mid-October, Coupland became the first Wenatchee player this year to pick up a five-game point streak. Friday's three-point game was his first of the year and the ninth of his WHL career. **Levi Benson** picked up an assist on Coupland's second-period power play goal on Friday, getting him to five straight games with a point as well - Friday's game was his first multi-goal showing since March 5, 2025 against the Lethbridge Hurricanes, and the first three-point line in his career.

TEAM OWNERS

DAVID & LISA WHITE

David and Lisa White made the leap into owning a junior hockey team in the inaugural 2009-2010 season with the Fresno Monsters in Fresno, California. This was few years after supporting local youth hockey, and then helping bring juniors to the area. Following the Monsters' successful first season, the decision was made to have two junior hockey programs in Fresno, adding one in the North American Hockey League for the 2010-2011 season. This was to add a rung on the local development ladder as was present in the USA Hockey development model. The new NAHL team was in the same division with the Wenatchee Wild. David and Lisa White's son Gunner would earn a spot on the Fresno Monsters' roster, playing stints for both junior hockey teams. Gunner's love for hockey was the reason the family grew an interest in developing 16-20 year old elite level players.

In the spring of 2013, it was announced that the Wenatchee Wild's former ownership group had plans to cease operations in Wenatchee and relocate the franchise to Texas. After several years of frequenting Wenatchee to watch the Fresno Monsters play there, David and Lisa White felt a huge connection to the town of Wenatchee. The amazing fans, the stunning arena, and the exceptional coaching staff. After several seasons with Wenatchee as the closest travel partner (1,000 miles away), and with the practice arena in Fresno unexpectedly shut down, the couple knew what they had to do. With league recommendation and support they decided to relocate the NAHL Fresno Monsters franchise to Wenatchee to keep the Wenatchee Wild train rolling – same team name and logo, same front office staff, and same coaching staff in place for what they hoped was a seamless transition for the players and fans.

In the 2015-2016 season, the Wenatchee Wild made the move to the British Columbia Hockey League as the only team in the United States. The transition to the BCHL would prove fruitful for David and Lisa. Besides a much better team travel situation, the Wenatchee Wild went on to become the 2018 BCHL Fred Page Cup Champion and the 2018 Doyle Cup Champion. This was their first junior hockey championship – an honor in which the couple are very proud of for the whole Wild organization.

In 2023, David and Lisa were elated to be able to bring the next chapter to the Wenatchee Wild by joining the Western Hockey League. Thanks to their efforts, Wenatchee now enjoys an even better travel situation, higher caliber of play, and now perfectly aligned in the greatest development league in the world to showcase the best Major Junior hockey players. The road to the ultimate development experience, that leads to NCAA Division 1 or the NHL, now runs through Wenatchee.

HOCKEY OPERATIONS

BLISS LITTLER - GENERAL MANAGER

With a career spanning 34 seasons behind the bench, Wenatchee Wild General Manager Bliss Littler is USA Hockey's all time Tier 1 and Tier 2 winningest coach, with 836 regular season wins and a winning percentage of .635. The last 11 of those years were in the northwest with the Wenatchee Wild.

Prior to arriving in Wenatchee, Bliss spent 11 years in the United States Hockey League as a Head Coach/General Manager with the Omaha Lancers, Tri-City Storm, and the Topeka Scarecrows. Five times he served as a coach for USA Hockey in international competitions. He launched his coaching career by spending seven years with the Billings Bulls of the AFHL and AWHL where he won five Borne Cups. He sported an overall record of 326-210-59 in the USHL, winning one Anderson Cup.

In his career, he has coached over 300 players who moved on to play Division I hockey. He has also coached 25 NHL draft picks, including two first round picks, and seen more than 20 of his former players advance to the NHL. He also holds a Bachelor Degree in General Studies from Minot State University. Bliss is married to his wife Gretchen, and they have two children, Cade and Grace. They make their full-time home here in the Wenatchee Valley.

CHRIS CLARK - ASSISTANT GENERAL MANAGER & DIRECTOR OF HOCKEY OPERATIONS

Chris returns for his 19th season with the Wild organization in 2026-27, and his second season with the club in a full-time management & administration role, serving as part of the Wenatchee Wild coaching staff from the team's inception in 2008 through 2025. Most recently, he was Wenatchee's associate head coach and assistant general manager from 2023-25, following the team's transition into the Western Hockey League. As assistant coach, Chris helped and worked with eight NCAA Division I, three WHL and two NHL- drafted goaltenders. He served as Head Coach from December 2019 to June 2023.

Prior to joining the Wild, Chris spent the 2007-08 season as a graduate assistant at Division I Minnesota State University – Mankato (WCHA).

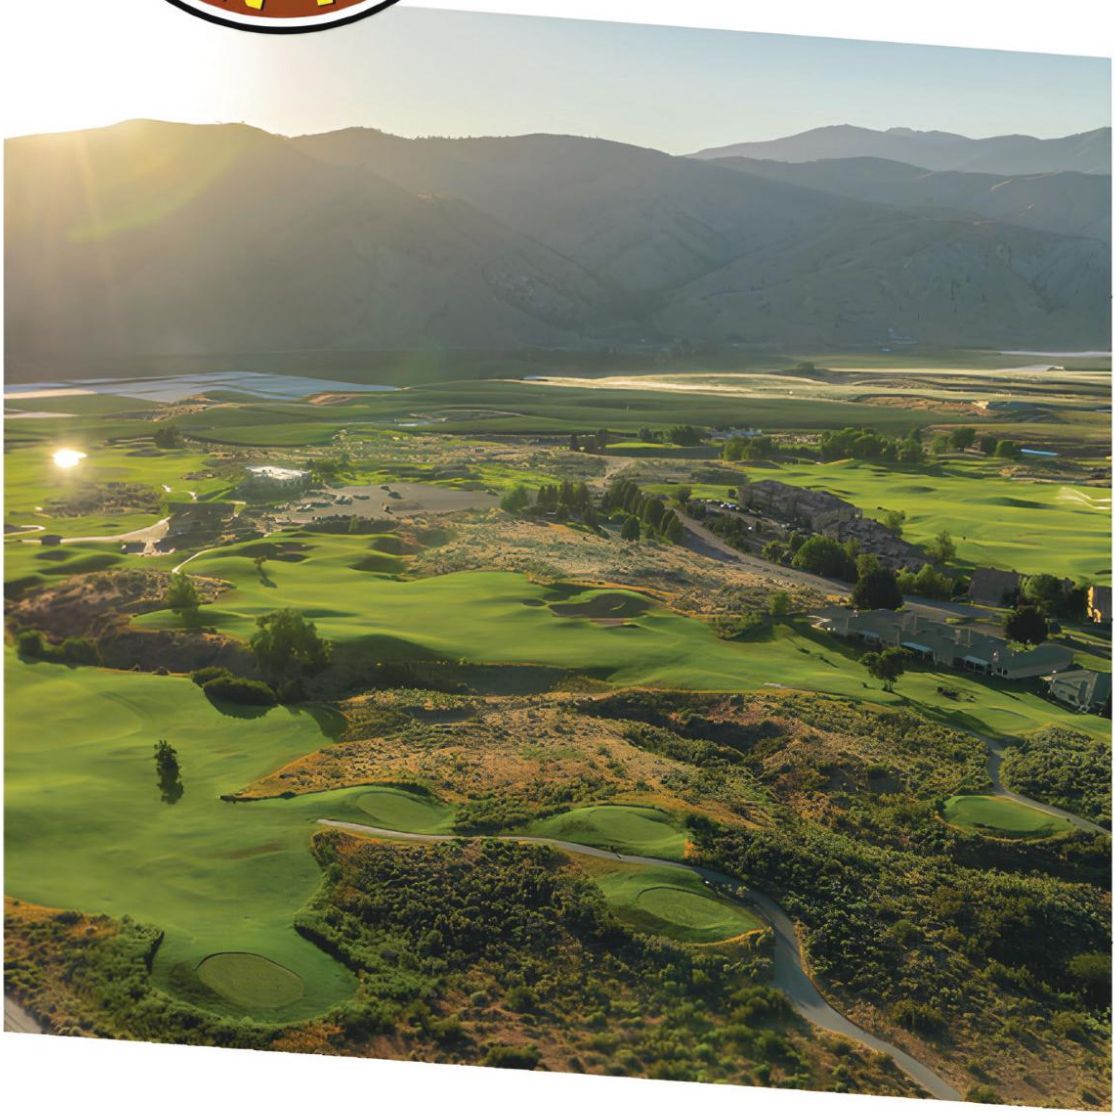

Chris played college hockey for the Minnesota State University -Mankato Mavericks from 2003 to 2007, when he graduated with a Bachelor of Science degree in Sports Management and a minor in Marketing. Chris was a member of the WCHA All-Academic team from 2004-2007 and received the Mavericks Most Improved Player in 2004-05. He was honored in the 2007 WCHA Final Five program for his volunteer work in the Mankato community.

Before moving on to college, Chris played junior hockey from 2001 to 2003 in the BCHL and was a member of the 2000-01 Fred Page Cup Champion Victoria Salsa.

Chris and his wife Julie live in Wenatchee with their son Cooper and their dog Madison.

HEAD COACH DON NACHBAUR

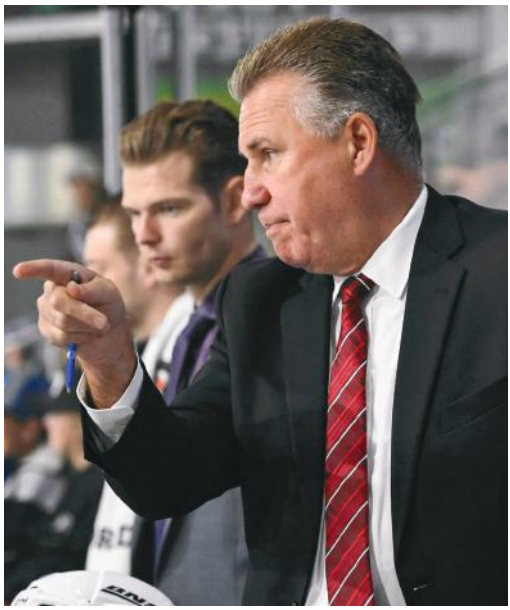

The Wenatchee Wild are excited to welcome Don Nachbaur back to the Wild family for his third season as the team's head coach in 2026-27. Nachbaur came to Wenatchee after serving for the past three seasons as an American Hockey League assistant coach in the Calgary Flames organization, most recently for the Calgary Wranglers and previously the Stockton Heat.

A native of Kitimat, British Columbia, Nachbaur has built an extensive and decorated coaching resume following a 15-year professional playing career. Prior to moving into the pro ranks, he played two seasons in the WHL with the Billings Bighorns, scoring 67 goals and 146 points from 1977 to 1979. He still shares the WHL record with a five-goal playoff game in 1978. Nachbaur was selected by the Hartford Whalers in the third round of the 1979 National Hockey League draft and played in nearly 900 professional contests, including 223 NHL games for the Whalers, Edmonton Oilers and Philadelphia Flyers. He also claimed an AHL Calder Cup in 1988 as a member of the Hershey Bears.

Over a 32-year coaching career, Nachbaur has guided teams at the highest levels of the sport, including eight seasons as an assistant in the NHL and AHL, and two years as a head coach in Europe. He is also a proven winner as a Western Hockey League head coach and is especially familiar with the league's U.S. Division, with 20 seasons of experience as a bench boss with the Seattle Thunderbirds, Tri-City Americans and Spokane Chiefs, in addition to the Wild. The third-winningest head coach in WHL history, Nachbaur earned his 700th WHL victory November 20, 2024 at the Kelowna Rockets, and has earned three Dunc McCallum Memorial Trophies as the WHL's Coach of the Year – he is the only coach in Canadian Hockey League history to earn Coach of the Year honors for three different CHL teams. He has also enjoyed international success behind the bench, serving as an assistant coach for Canada at the 2013 World Junior Championships, and winning gold at international competitions as an assistant coach for the Canadian under-18 team.

Nachbaur has family ties to the city of Wenatchee and the Wild organization, with son Daniel playing for the Wild in the British Columbia Hockey League during the 2015-16 season before embarking on a four-year NCAA playing career at UMass-Boston. Don and his wife Kim have two adult children, Sydney and Daniel.

ASSISTANT COACHES

DAN JOHNSTON - ASSOCIATE HEAD COACH

The Wenatchee Wild are pleased to welcome Dan Johnston back to the Wild family for his third season with the club, and his first season as the team's associate head coach in 2026-27. A native of Calgary, Alberta, Johnston served in his hometown with the Calgary Wranglers of the American Hockey League (AHL) for the previous two seasons, handling video coaching and team services duties before coming to Wenatchee.

As a player, Johnston stepped onto the ice for more than 250 games over six Western Hockey League seasons with the Portland Winterhawks and Lethbridge Hurricanes from 2007 to 2013. His professional playing career spanned nearly 200 appearances in a five-year ECHL career before his retirement in 2018. His tenure in Wenatchee marks a return to the WHL after opening his coaching career with a two-year stint as a video coach, and later an assistant coach, for the Brandon Wheat Kings from 2020 to 2022.

Dan is excited about helping the Wild build on their foundation of talent for success.

ETHAN GOLDBERG - ASSISTANT COACH

The Wenatchee Wild are pleased to welcome Ethan Goldberg back for his second season as an assistant coach in 2026-27. A native of Green Oaks, Illinois, Goldberg brings 14 years of coaching experience to the organization, including nine in the United States Hockey League with the Youngstown Phantoms, Sioux City Musketeers & Tri-City Storm, coming to the Wild after spending the 2024-25 season with Youngstown as the club's Director of Player Development.

He was noted for his success in guiding the Tri-City penalty kill over his five years in central Nebraska, helping the club win the USHL's Anderson Cup regular-season title in 2019 and overseeing the league's top penalty kill in both the 2018-19 and 2019-20 seasons. He also served on Sioux City's staff during its run to the Anderson Cup title in 2017 under current Philadelphia Flyers assistant Jay Varady. He repeated his penalty-killing prowess with the Wild in 2025-26, helping to oversee a penalty-killing unit that tied for the WHL's top mark.

Additionally, he comes to the Wild with NCAA experience at Lake Forest College in Illinois and Bemidji State University in Minnesota, and two years of European coaching experience. Goldberg has one season under his belt as an assistant for the SaiPa club in Liiga, Finland's top professional hockey league, and another as head coach of Angers in Ligue Magnus, the top professional circuit in France.

ASSISTANT COACHES

ERIC WILLIAMS - GOALTENDER COACH

The Wild are excited to welcome Eric Williams back to the club in 2026-27 for his second season as the club's goaltender coach. The native of Langley, British Columbia has also spent the past four seasons as a goaltender consultant for the British Columbia Hockey League's Chilliwack Chiefs.

During his coaching career, Williams has lent his experience to West Vancouver Academy (now the North Shore Warriors) of the Canadian Sport School Hockey League and the Valley West Giants of the British Columbia Elite Hockey League, as well as his tenure with the Chiefs. In two of his seasons with Chilliwack, the Chiefs reached the Coastal Conference finals, and appeared in the 2025 Fred Page Cup Final.

Williams built a decorated resume over a four-year playing career in the Western Hockey League with the Prince Albert Raiders and Spokane Chiefs from 2010 to 2014, appearing in 199 WHL games and earning 98 career wins, tying for 21st on the league's career wins list. He briefly joined the Colorado Eagles' roster in the ECHL before embarking on a two-year collegiate run in Canada. He earned a spot on the Canadian Interuniversity Sport (now U Sports) National All-Rookie Team for the 2014-15 season, the first of his two seasons with the University of British Columbia.

Williams also reunites with Wenatchee head coach Don Nachbaur, for whom he played in Spokane from 2011 to 2014. His 73 wins in a Chiefs uniform rank third on the team's all-time wins leaderboard.

ARON BRANAM - STRENGTH & CONDITIONING COACH

Aron brings more than 25 years of health, fitness, and performance training experience to the Wenatchee Wild. He holds a bachelor's degree in Exercise Science from Rocky Mountain College in Billings, Montana and began his career in cardiopulmonary rehabilitation while assisting physical and occupational therapy teams at St. Vincent Hospital in Billings. He later spent three years as Head Strength and Conditioning Coach at Rocky Mountain College, working with athletes across all varsity sports.

His career has also included leadership roles with Seattle Athletic Club, Cybex International, and Worx of Wenatchee Valley, where he served as Fitness Director and General Manager for 11 years. During his time at Worx, Aron also served for six years as the strength and conditioning coach for the Wild. For the past two years, he has developed and led the strength, speed, and agility program for Wenatchee High School baseball. His experience also includes nearly a decade training Hailey Van Lith, a Wenatchee Valley basketball standout and current WNBA player.

Aron is excited to return to the Wild and help its players build the strength, durability, and confidence needed to perform at their best. He and his wife, LeAnne, live in Wenatchee with their four children and two dogs.

Wenatchee Wild Sign Hanowski to Scholarship & Development Agreement

WENATCHEE, Wash. – The Wenatchee Wild, proud members of the Western Hockey League (WHL), are excited to announce that 2010-born forward Avery Hanowski has signed a Scholarship & Development Agreement with the organization. A native of Rosemount, Minnesota, Hanowski comes to the Wenatchee Valley from the varsity program at Rosemount High School.

"We are excited to add a player and person of Avery's caliber to our 2010 birth-year class," said Wild director of scouting Leigh Mendelson. "Avery has the tools to be an impact player for us next season, and we look forward to him working with our coaching staff to continue his development. Avery and his family have been great in the recruiting process, and we are happy to welcome the entire Hanowski family to the Wild."

Hanowski enjoyed a standout sophomore season last year, scoring 23 points over 31 games for the Irish, and leading Rosemount to a third-place finish in the Minnesota Class AA state high school tournament. He has already suited up this fall in the Upper Midwest Elite High School Hockey League, and gained his first experience on the international stage in August, helping the U.S. win gold at the Four Nations Tournament in Chomutov, Czechia. He recently announced an NCAA Division I commitment as well, with plans to compete for St. Thomas University in Minneapolis, Minnesota following his junior career.

"I try to leave people with that I'm a hard 200-foot player who can play anywhere and everywhere," said Hanowski. "I'm most proud of my hockey IQ and being able to play in the (defensive) zone, neutral zone and the offensive zone. I'm super excited – it'll be super cool to be out there and join the Western Hockey League."

WILD HISTORY AT A GLANCE

As Wenatchee embarks on its fourth Western Hockey League season, the Wild legacy is now one of a "blended family," combining two proud junior hockey traditions, one of which took root right here in the Wenatchee Valley. On September 12, 2006, ground was broken on a new multipurpose event center that would eventually become home to a new ice hockey team. On February 22, 2008, the North American Hockey League granted Wenatchee Junior Hockey, LLC. with conditional approval for an expansion team. On May 20, 2008, Wenatchee Junior Hockey, LLC. announced the franchise would be the "Wild", chosen by a "name-the-team contest" held at local schools. The first Wild home game drew more than 3,600 fans, though the visitors from Topeka prevailed, 5-0. The Wild reached the Robertson Cup title game that first year, and won another West Division championship the following season. The Wild reached the championship game once again in 2013, falling to the Amarillo Bulls by a 5-0 score.

The original Wild had been approved to move to the British Columbia Hockey League (BCHL) that offseason, but instead announced on May 14, 2013 that they would relocate to Hidalgo, Texas. Eight days later, the Wenatchee City Council approved a deal to allow David & Lisa White to move the Fresno Monsters (NAHL) to Wenatchee and adopt the Wild name and logo, announcing on June 4 that they had also retained Head Coach & GM Bliss Littler from the previous franchise. The team did make the move to the BCHL in 2015, going 45-9-4 in its second BCHL season to win the BCHL's Ron Boileau Memorial Trophy for the league's top overall record. In 2017-18, the team capped its 10th Anniversary season with a BCHL Fred Page Cup championship, and a Doyle Cup title as the CJHL's Pacific Region champion. The Wild were one of the last four Junior A teams standing, reaching the semifinals of the Royal Bank Cup tournament after sweeping their way through round-robin play.

On June 16, 2023, the team announced that David & Lisa White had purchased the Winnipeg ICE, officially bringing the Western Hockey League to Wenatchee for the first time. The move changed the layout of the league itself, now with six teams in the U.S. Division and 12 total teams in the Western Conference - it is the first league among the three to host the Wild where the majority of the team's schedule is within a five-hour drive of Wenatchee with no border crossing.

The WHL team that would eventually become the Wild has its own story of success dating to Edmonton, Alberta in 1996. Success did not come immediately, however - after two difficult years on and off the ice, the team departed for Cranbrook, British Columbia in 1998. The newly-minted Kootenay ICE hit the ground running in their new home, winning a WHL championship in 2000 and repeating the feat in 2002. The latter group would also go on to win the Memorial Cup as Canada's top major junior team.

The ICE were consistently competitive over the next eight seasons, but did not return to the Memorial Cup until 2011, winning 12 straight playoff games on the way to the team's third WHL title and a spot in the Memorial Cup semifinal game. The ICE hit a cold snap after that, though, making their final playoff appearance in Cranbrook in 2015 before departing for Winnipeg four years later. They immediately made an impact in the standings, never finishing below second place in the East Division during their four years in Manitoba. The ICE reached the Eastern Conference Final in 2022 and won 57 games the following season on their way to a spot in the WHL Final against Seattle.

More than 50 former ICE players have reached the National Hockey League, while dozens of others have played professional hockey both in North America and abroad. Wenatchee's former Junior A club has sent four of its own on to the NHL, with more potentially on the way from its final BCHL seasons.

A single forward and back motion with both fists clenched in front of the chest.

DELAYED CALLING OF PENALTY
Extend arm to upright position.

DELAYED OFFSIDES
Extend arm in the air and point to the line with the other arm.

DELAY OF GAME
The nonwhistle hand, palm open, is placed across the chest, then fully extended directly in front of the body.

ELBOWING
Tapping either elbow with the opposite hand.

GOAL SCORED
Point at the net with the nonwhistle hand, palm open.

HAND PASS
The nonwhistle hand (open hand) and arm are placed straight down alongside the body and swung forward and up once in an underhand motion.

HIGH STICKING
Holding both fists clenched, one a short space immediately above the other to the side of the head.

HOLDING
Clasp wrist of whistle hand with the other hand well in front of the chest.

HOLDING THE STICK
Clasp wrist of whistle hand with the other hand well in front of the chest. Next, hold both fists clenched, one a short space in front of the other at waist height.

HOOKING
A series of tugging motions with both arms, like pulling toward the stomach.

ICING
The back official signals the icing situation by fully extending his free arm. The front official indicates the icing is completed by extending his free arm over his head and blowing his whistle. The back official moves to the faceoff spot and crosses his arms to indicate the icing.

INTERFERENCE
Crossed arms with fists clenched stationary in front of chest.

MISCONDUCT
Hands should be moved once from sides down to hips. Thus, point to player first, hands to hips second.

ROUGHING
Fist clenched, full extending arm from the side.

SLASHING
One shop with the non-whistle hand across the straightened forearm of the other hand.

TRIPPING
Keep both skates on the ice when signaling, using right hand on the leg.

WHL FREQUENTLY ASKED QUESTIONS

Q: WHAT IS THE WESTERN HOCKEY LEAGUE?
A: The Western Hockey League is widely considered the top hockey league in the world for players 15 to 20 years of age. Almost 2,300 WHL players have been drafted by National Hockey League teams since the formation of the league in 1966, including 37 players this past summer alone. 360 players have been taken in the first round of the draft. One in six current NHL players came up through the WHL - that means that on average, there is at least one WHL alumnus on the ice for each team at any given moment of an NHL game.

Q: WHO ELSE IS IN THE WESTERN HOCKEY LEAGUE?
A: The WHL consists of 23 teams spanning four Canadian provinces, as well as the states of Oregon and Washington. All six of the American teams make up the U.S. Division, putting the majority of Wenatchee's schedule within a five-hour drive with no border crossing. The other six Western Conference teams are in British Columbia, as part of the B.C. Division. The Wild will play every team in the league at least once during the 2026-27 season.

Q: HOW LONG IS THE WHL SCHEDULE?
A: The WHL schedule consists of 34 home games and 34 road games, for a total of 68 games per season - previous Wenatchee Wild teams that played Junior A hockey played 54 to 60 games per season. The team that wins the Ed Chynoweth Cup as the WHL's playoff champion advances to the Canadian Hockey League's Memorial Cup against the winners of the OHL and QMJHL championships as well as the host team, which is the OHL's Guelph Storm in 2027.

Q: ARE WHL PLAYERS ELIGIBLE TO PLAY COLLEGE HOCKEY?
A: Yes! An NCAA policy change in November 2024 granted NCAA Division I eligibility to all Canadian Hockey League players, including the WHL. ACHA club programs followed suit in the summer of 2025, and NCAA Division III schools voted to accept CHL players during the 2025-26 season. CHL players have always been eligible to play college hockey in Canada for programs in U SPORTS and other governing bodies.

Q: WHERE DO WHL PLAYERS COME FROM?
A: WHL players come from the four Western Canadian provinces and a territory covering roughly the entire U.S. west of the Mississippi River. WHL rosters can also include up to three players from outside of North America (commonly known as "import players") and most of these players come to teams through the CHL Import Draft each summer.

Q: DID THE 2023 MOVE TO THE WHL CHANGE THE TEAM'S NEED FOR BILLET FAMILIES?
A: Absolutely not - WHL players are housed with welcoming billet families just like players in other junior hockey leagues. In fact, with players from the Wenatchee Wild Hockey Academy's 18U and 16U teams billeting in Wenatchee, more than 65 players stay with area billet families each year, making our group of billet families more important than ever. The Wild are always in need of families willing to take in a player or two - for more information on billeting a Wenatchee Wild or Wild Hockey Academy player, email billets@wenatcheewildhockey.com.

WENATCHEE WILD HOCKEY ACADEMY

This season marks the fourth year for the Wenatchee Wild Hockey Academy as a full member of the CSSHL. Wenatchee's Academy program was formally announced as the CSSHL's newest member on January 31, 2023, after playing as a guest program at CSSHL showcase events during the 2022-23 season. The Wild Hockey Academy fields 18U and 16U teams who compete in the CSSHL, and a weekend-only 14U team. All three) teams are also Tier 1 "national bound" AAA programs, meaning they are eligible for USA Hockey district and national tournaments. The 18U and 16U teams are fully billeted, just like the Wild WHL team, and all players attend classes in person at Eastmont High School in East Wenatchee. The CSSHL strives to be Canada's leader in education-based hockey, featuring 39 accredited schools fielding more than 135 teams from British Columbia to Prince Edward Island, plus Washington and Idaho. 170 CSSHL alumni have been drafted by NHL teams, with 58 former CSSHL players suiting up in the NHL.
