Luxury of Finland

The name of this sale is influenced by the consignment of “Luxury of Sweden” entrusted us in the early 2010s from one of the top-ranked collectors of the 5, 5, 5 quality, which is special in our country. This grading system is established by the Swedish Philatelic Federation and can be studied at the beginning of the FACIT Special Classic catalogues. Due to the extraordinary number of stamps, in this top-quality grade, we offered over a few auctions at that time, we got worried that our clients would think that this quality was not especially unusual.

But it really is rare! Everything must be in place; no short perfs, no other faults, a perfectly centered stamp with a clear and well-placed postmark. Each copy is one of several or many thousand stamps! Having been established as the main auctioneer at that level, we have been happily blessed with plentiful offers of this quality in every auction. If you want to know how rare this quality is, please have a look at other auctions and see how many you will find.

Sorry, it is Finland’s early issues we should be talking about! That is another story, but we wanted to highlight the similarities. The first issue of the Ovals can be found in exquisite copies, with large margins and beautiful postmarks. In that quality, very rare of course! You will find some real beauties and some great rarities in this section.

The Roulette issues are a different story, just to find them with complete roulettes is a challenge. Well placed postmarks on the stamps were not in the instructions for the postal clerks (which it in fact was in Sweden) and the rouletting often made a mess of the centering.

This auction is built around a consignment from a collector, who during a 20-year period searched for only exquisite quality and beauty of single stamps, multiples and covers of the first ten stamps of Finland, Ovals and Roulettes. Our outstanding Gummesson sales of course gave him possibilities for many additions.

It is amazing how many single stamps in this sale that would qualify for the Swedish 5, 5, 5 top rating!

If you take examples in this sale of well centered stamps described as EXCELLENT and compare to other auction catalogues, old and current, you will be amazed by how few matching copies you will find.

We hope you will enjoy reading this catalogue and wish you welcome to participate in the auction!

Mail Bidders!

We always endeavour to simulate the actual auction situation for our mail bidders, you must however beforehand have determined the maximum you wish to pay for each lot and we will ensure that this maximum is not exceeded. Your bids must be in Euro and divisible by 10. The bidding always starts with the second highest mail bid plus the next increase (see conditions of sale sect. 2). The bidding then continues between the bidders in the audience and the highest mail bidder.

Avoid missing out on every item you wanted because of higher bids from others by bidding on many items but limit your total purchase to an amount of your choice (see bid form "my total purchase must not exceed:...excl. commission"). You can for example bid for a sum of € 10 000 but limit your total purchase to € 1 000 or any amount you wish.

You can also bid on two or several items and add "or" in between. We will then make sure that you get only one of these items.

Further, according to your instructions we can for example also raise your bid on one item if it turns out that you got another item less expensive than your highest bid.

Should there be two or more equal mail bids then the first bid received will buy the lot, so please submit your bids as early as possible.

To ensure you a safe handling of your bids, we need them at least 24 hours before the auction starts.

Extra scans on the web!

For every auction we publish thousands of extra scans on our website www.postiljonen.com including more or less all certificates of single items and a very large number of collections and lots are scanned in their entirety, further many others with selected pages/scans.

In most cases these lots are marked with a picture of a camera 📷 in front of the lot #. However, sometimes there may also be scans of lots that do not bear the sign. Please check our website for updates.

More scans at cost

We often get requests for additional scans and sometimes in higher resolutions, sometimes for research or documentation purposes.

Due to time restrictions and limited availability of the lots due to ongoing viewings, we must restrict this service of making further scans on individual requests. In the cases time allows us to supply more scans we will charge for the costs of **€ 10 for each request (maximum 10 scans or photos)**

If more than 10 scans are requested, € 1 per scan will be added. **Must be paid beforehand by credit card, please go to "Payments" on our website.**

"Postiljonen Horses"

Postiljonen has always emphasized the advantages and the importance of collecting philatelic items of the highest quality. We think this is an important step for the development of modern collecting.

To highlight, and to a certain degree reward what we think is interesting, fun, beautiful and high quality philately, we are choosing a number of items in our auction catalogues and present them with Postiljonen emblems. It should be specially noted that it is not a complete classification, you will surely find other items that would well deserve extra attention.

This choice of excellence is a subjective opinion, even if done with professional as well as philatelic skill and experience. It reflects also the emotional influence of an individual eye.

An item of outstanding quality and beauty. A rarity for its appearance and not necessarily for its value. Suitable in any collection for private enjoyment as well as for exhibition.

An item of highest excellence in regard to quality, beauty and rarity. A wonderful addition to any collection in its area.

Live Bidding

Take part in the Postiljonen Auction from your home!

Postiljonen now offers the choice of Live Bidding for all clients. This means you can bid on items in real-time during the auction, from your home at your computer, just as if you were in the auction room.

In order to participate as a Live Bidder in the auction you must have an account for the Postiljonen web catalogue. If you have previously submitted written bids through the web catalogue you already have an account, otherwise you can create an account at www.postiljonen.com

In order to be approved to bid live during the auction, you must also register as a Live Bidder and be assigned a bidder number. **This must be done before every auction.**

Once you have registered you will receive an email confirming that your request have been sent, but it is only when you receive a second email from us, where we have assigned you a bidder number, that you are ready to start bidding live.

If you have any questions or concerns, do not hesitate to contact us! More information is also available at www.postiljonen.com

As usual, it will of course be possible to submit written bids, bid by telephone or use an agent.

Danmarks Filatelist Forbund

NATIONAL FRIMÆRKE- OG POSTKORTUDSTILLING i Ringe 10.-11. oktober 2026

Årets store danske frimærkebegivenhed er ØPOST 2026, hvor Ringe Frimærkeklub i samarbejde med Faaborg Frimærkeklub og Danmarks Filatelistforbund inviterer til national frimærke- og postkortudstilling i Idrætscenter Midt-fyn, Søvej 34, 5750 Ringe.

Udstillingen blev længe inden tilmeldingsfristens udløb fuldt tegnet med over 250 rammer i konkurrenceklassen. Udstillingen vil bestå af både nye og velprøvede eksponater. Blandt sidstnævnte er flere "best in class"-eksponater fra tidligere nationale udstillinger, hvoraf en del har været internationalt bedømt. Samtidig har vi den store glæde, at en del af de tilmeldte eksponater er helt nye, så der vil der også komme eksponater, som aldrig tidligere har været offentligt udstillet.

Der vil være stande med handlere og klubber, så der er gode grunde til at komme til hjertet af Danmark til en hyggelig frimærkeweekend.

Du kan læse mere om udstillingen på:
www.ringefrim.dk/nationaludstilling-oepost-2026

Hovedsponsor

Udstillingen vil være i en flot hal, hvor der er god plads til udstilling, handlere og øvrige spændende aktiviteter.

Der vil være åbent for publikum

- * Lørdag, kl. 10.00 - 16.00 og
- * Søndag kl. 10.00 - 15.00.

Conditions of Sale

- 1, The auction is voluntary and lots are sold on behalf of the vendor to the highest bidder. The prices indicated against each lot are starting prices and not minimum prices. It must, however, be pointed out that the starting prices should reflect a low commercial value.
- 2, All bids must be submitted in Euro to which is added 25% commission incl. Swedish V.A.T. Lots not picked up, are shipped on buyers risk. Shipping cost (minimum Euro 30), insurance and charges on credit card payments will be added.
Exception: Only 20% commission, excl. Swedish V.A.T., only for
 - a. Export to countries outside of EU.
 - b. V.A.T. registered dealers inside of EU, *but outside of Sweden*, who forward their V.A.T. registration number in good time before the auction.

Lots marked • in front of the lot numbers are subject to import V.A.T. 12% will be added to the hammer price, except for a and b above. Invoicing instructions must be received before or during the auction. Invoices can not be changed afterwards.

The bids are increased as follows:

0 – 200€ 10€	1.000 – 3.000€ 100€	10.000 – 30.000€ 1.000€
200 – 500€ 20€	3.000 – 5.000€ 200€	30.000 – 100.000€ 2.000€
500 – 1.000€ 50€	5.000 – 10.000€ 500€	100.000€ – 5.000€

Bids not corresponding with these steps might be reduced.

- 3, Bids submitted are binding, and cancellation is only acceptable if received simultaneously with the bid. If bids are given on behalf of others, then the bidder is himself responsible for the fulfilment of the conditions of sale. The bidder is responsible for faulty mail bids and the same applies in misunderstandings in bids submitted by telephone, fax or through internet live-bidding. The bidder is personally responsible for any and all his purchases in the auction.
- 4, Mail bids are dealt with conscientiousness, but without further responsibility to the auctioneer. The auctioneer reserves the right to regroup, split up or withdraw lots and can in case of misunderstandings or disagreements annul the bids and restart the bidding. The auctioneer can also withhold the assignment to undesirable persons or refuse them admittance to the auction-room without explanation. In case of two equal mail bids for the same object, this will be sold to the bidder whose bid was the first received. The mail bidder can write alternative bids and/or indicate a total maximum purchase limit.
- 5, Payment is made in advance based on an advance invoice. The ownership of the objects remain with the vendor until the full invoice amount has been paid. If payment is not received 8 days from the invoice date, 2% interest per month is charged together with a fee of 10€. To this may be added additional documented expenses. Has payment not been received 30 days after the invoice date or has the buyer refused to pay, then the objects in question can, without further notification, be re-auctioned at the expense of the buyer.
- 6, Lots are conscientiously described but faults may occur. Claims must be made at the latest 10 days after receipt of the lot and full payment has been made with reference to the invoice number. If a claim is accepted, the full hammer price + commission and eventual V.A.T. is refunded. Interest compensation can not be made.
- 7, Request for extension must be made immediately and within 8 days from receipt. Certifier must be approved by the auctioneer. In case of a claim the auctioneer may demand a certificate from a well-known expert. Objects with certificates may, if the auctioneer regards it as justified, and if the original certifier is approved by the auctioneer, only be returned if two other well-known experts have certified a different opinion. Stamps with visible defects on photo (such as cuts, perforation, centering, cancellations etc.) can not be claimed. Returned objects must be in the same condition as when received. Lots of more than three stamps can not be claimed if one of the stamps has a minor defect. Large lots may contain both mint and used material. Collections and mixed lots are sold as is. A difference of approx. 10–20% must be accepted by the buyer.
- 8, Submission of verbal or mail bids means that the bidder has accepted above conditions.
- 9, Swedish law is applicable.

Catalogue numbers next to the object number is based on FACIT for Scandinavia and MICHEL for the rest of the world, if nothing else is stated.
