

Story Dream-Magic candies – CARE Program

Magic Candies –

CARE: Connect

(Understand Myself)

About the author

Hello! My name is Yeona.

I'm a first-year middle school student.

I like reading books.

I wrote this story because I wanted to share my
experiences with my dog.

Thank you for reading my book. I hope you enjoy it.

Table of Contents

01

Introduction to Magic Candies

Today's Learning Goal

- 색깔과 감정 단어를 배우고
- 나의 감정을 영어로 표현해 봅시다
- Connect with our feelings through English

About the Book

- Written by Hee-na Baek
- Award-winning Korean picture book
- Story about a boy who discovers magic candies
- Each candy reveals hidden voices and feelings

Let's explore our feelings through colors

In our CARE program, we'll use the story 'Magic Candies' to explore different emotions. Through colorful candies, we'll learn how to identify and express our feelings in English. This helps us better understand ourselves and connect with others.

+

- Respect everyone's feelings
- Learn from each other

Emotion Card Examples

Color-Emotion Examples

- I feel blue when I miss my grandma
- I feel yellow when I play with my dog
- I feel ♥ red when my friend shares candy with me
- I feel green when I read a good book

Create Your Own

- Think about your own experiences
- Choose a color that matches your feeling
- Write a complete sentence
- Draw a picture to show your emotion
- Be creative with your expression

+ Reflection – What Did You Learn Today?

01

Heart Colors

- What color is your heart today?
- How does this color represent you?
- Has your color changed since the beginning of class?
- Colors can help us understand our emotions
- Every color is important and special
- Our heart can have many colors

02

Expressing Feelings

- We can use English words to talk about feelings
- Happy, sad, angry, calm, lonely
- Surprised, excited
- 'I feel ____ because ____'
- Sharing feelings helps others understand us
- Practice using these words every day

03

Learning About Change

- Our feelings can change throughout the day
- Different situations create different emotions
- It's okay when feelings change
- Magic Candies showed how Tong-tong experienced many feelings
- Understanding our changing emotions helps us grow

Understanding Our Feelings

01

Express in English

- We learned new vocabulary for emotions
- Happy, sad, angry, calm, lonely
- Surprised, excited
- Colors can help us remember these words
- Practice using these words with friends
- Writing helps us remember new words

02

Understand Others

- When we share our feelings, we connect
- Listening to others helps us understand
- Like Tong-tong heard the dog and sofa
- We can be kind when we know how others feel
- Friends have different feelings about the same things
- This helps us build empathy

03

All Feelings Matter

- There are no 'bad' feelings
- All emotions are natural and important
- It's okay to feel sad or angry sometimes
- Sharing feelings helps us feel better
- We can learn from all our emotions
- Like Tong-tong, we can understand ourselves better

CARE Log – Connect Reflection

Today I learned about my feelings through the story 'Magic Candies' by Baek Hee-na.

- I can name my feelings in English: **happy, sad, angry, calm, lonely, surprised, excited**

- I understand that colors can help express **emotions**.

- My color of feeling today is: _____

- I will remember that all feelings are okay.

+ - I can connect with others by sharing my feelings.

Good job, everyone! You did great work today!
