

RAHUL TRADERS

GROWING TODAY,
SUSTAINING TOMORROW

Welcome to Rahul Traders

Rahul Traders is a customer-focused agricultural commodities and animal feed products business, dedicated to providing reliable sourcing and supply solutions to wholesalers, traders, manufacturers, processors, and bulk buyers across India and international markets.

Our product portfolio includes Chana, Green Peas, Mustard Seeds (Sarso), Soybeans, Urad, Moong, Maize, Mahua, Neem Seeds (Nimbori), Masoor, Wheat, and Animal Feed Products. Founded by Rahul Jain, we bring 20 years of work experience and a commitment to quality-focused sourcing.

Established in 2017, our team leverages deep industry knowledge to meet diverse buyer requirements through competitive pricing, flexible order quantities, and professional business coordination. We are committed to transparency, customer satisfaction, and long-term partnerships.

Our primary objective is to build strong business relationships by understanding the specific needs of every customer and providing suitable sourcing solutions. We focus on maintaining product quality, ensuring clear communication, and supporting smooth transactions throughout the procurement and supply process.

OUR PRODUCT

Maize (Makka)

Maize, also known as corn, is one of the most widely grown cereal crops in the world. It is a versatile grain used for human consumption, animal feed, and various industrial purposes. Chaudhary Enterprises supplies quality maize sourced from trusted farms.

Our maize is carefully cleaned and graded to ensure consistent quality. It is suitable for poultry feed, cattle feed, and food processing industries.

Masoor (Lentil)

Masoor, commonly known as lentil, is a popular pulse rich in protein and essential nutrients. It is a staple food in many Indian households and is used in dal, soups, and various dishes. Chaudhary Enterprises provides clean and well-sorted masoor dal suitable for daily consumption and bulk trading..

OUR PRODUCT

Animal Feed

Animal feed is an essential input for livestock and poultry farming. It provides the required nutrition for healthy growth and productivity of animals. We supply feed ingredients and mixtures that support the nutritional needs of cattle, poultry, and other livestock. Our products

are sourced from reliable suppliers to maintain quality.

Soybeans

Soybean is a highly nutritious legume rich in protein and oil. It is widely used for making edible oil, soya chunks, animal feed, and various food products. Chaudhary Enterprises supplies quality soybeans suitable for oil extraction and feed production. Our beans are cleaned and processed hygienically.

OUR PRODUCT

Chana (Gram)

Chana, or gram, is an important pulse crop grown widely in India. It is consumed as whole gram, split dal, and besan (gram flour). It is a good source of protein and fiber. We offer well-cleaned chana suitable for dal mills, flour mills, and direct consumption.

Green Matar (Green Peas)

Green matar, or green peas, is a popular vegetable and pulse crop. It is consumed fresh, frozen, or dried and is used in a variety of dishes. We supply quality green peas suitable for wholesale and retail purposes.

OUR PRODUCT

Sarso (Mustard Seed)

Sarso, or mustard seed, is an important oilseed crop. It is mainly used for extracting mustard oil and as a spice in cooking. Chaudhary Enterprises offers quality mustard seeds suitable for oil extraction and food use.

Urad (Black Gram)

Urad, or black gram, is a popular pulse used to make dal, papad, and idli/dosa batter. It is rich in protein and an important part of Indian diets. We supply clean and quality urad suitable for households and food businesses.

OUR PRODUCT

Moong (Green Gram)

Moong, or green gram, is a nutritious pulse rich in protein and easy to digest. It is used to make dal, sprouts, and various healthy dishes.

Chaudhary Enterprises provides clean, quality moong for daily use and bulk trading.

Rahul Traders

Mahua

Mahua is a forest product obtained from the mahua tree. Mahua flowers and seeds have traditional uses, and mahua seed is also used for oil extraction. We supply mahua as per availability and market conditions. Please contact us for current stock and pricing details.

OUR PRODUCT

Nimbori

Nimbori is a product supplied by Chaudhary Enterprises as part of our agricultural range. It is sourced and supplied based on market availability. For detailed specifications, current stock, and pricing, please contact us directly through the enquiry form.

Wheat

Wheat is a major cereal grain used to make flour (atta), bread, and many staple foods. It is one of the most important crops for food security. Chaudhary Enterprises supplies quality wheat suitable for flour mills, bakeries, and household use.
