AHE GLOBAL

2025/26
COLLECTION

ABOUT US

AHE Global was established in 2013, fast becoming leading specialists in the international sourcing, design, manufacture and distribution of home and lifestyle product solutions.

Backed by sourcing capability at key strategic offices across Asia, we have an industry leading skillset in tailoring product solutions for diverse markets and customers. The team has consistently delivered outstanding results for our partners, with long-standing relationships and repeat orders a testament to our reliability, capability and drive to succeed.

The dynamic AHE Global product development teams bring to market the latest in design and innovation to ensure our customers remain leaders in their respective industries. This includes a growing list of categories including high quality storage and organisation solutions, home improvement products and various distinctive homewares and indoor furniture.

Our promises:

- Efficient and reliable global sourcing.
- Innovative product design and development.
- Long term partnership you can trust.

Featuring the
Airlie Entertainment Unit,
