A durable, low-disruption way to renew walls, doors, furniture and other hotel surfaces.

Comparisons are indicative and depend on the product, substrate, preparation, traffic, maintenance, installation method and project scope. The cost comparison refers to conventional renovation methods, not paint alone. The repainting comparison is based on a 10-year Cover Styl warranty and an illustrative three-year commercial repainting cycle.

Testimonials

*"As an interior designer in Spain, I find in Cover Styl an **elegant, fast, genuine** and **economic** way to renovate or highlight interiors, offices, wall or furnitures. Their wide pattern selection is a great help to please most of my clients!"*

- MARIA SANTOS ALCALÁ, Interior Designer

*"Following the 200 rooms renovation of our hotel Radisson Blu, I appreciated the following advantages: a price 2 to 5 times **less expensive** than a classic renovation, saving time thanks to speed of application and **easy to place**, which is not always obvious with other trades. Finally the textures and the range color let me think that there is **no limit**. Cover Styl honors our tagline which is 'Yes I can'. It sums up the reactivity of your sales representative, teams and the level of finition worthy of our 4 stars hotel."*
