Everything you need to bring people together.

# Letter from the CEO

2026 has been another outstanding year at Special Event Sales, and I would like to sincerely thank our customers for the trust, loyalty, and confidence you continue to place in us.

For more than two decades, our goal has remained simple: to provide the event industry with dependable products, competitive pricing, and the level of service our customers can count on. Your continued support is what allows us to grow, improve, and invest in serving you better.

Since the release of our 2026 print catalogue, we have continued to expand our product offering with a wide range of exciting new additions, including Soundbox Acoustic Sound Pods, DancePro 2.0 Dance Floors, Fencing, Garden Tents, Sailcloth Tents, and an expanded collection of Soft Seating and Linens.

We have also continued to invest heavily in our online presence. Throughout the year, we have added new products and resources to our website and, in August 2026, launched a completely refreshed website designed to make finding and purchasing the products you need easier than ever.

We are proud to be Canada's largest one-stop event equipment supplier. Our roots in the rental industry give us a unique understanding of what our customers need. We know that event equipment must not only look good—it must perform reliably, withstand demanding use, and deliver value over many years.

That experience is reflected in our team, which now brings together more than 100 years of combined experience in the event industry. We have also continued to strengthen our team, welcoming several new members in both Ontario and Alberta so that we can provide even better service and support to customers across Canada.

Proud to Support Canadian Customers

At the time this catalogue goes to press, the tariff environment between Canada and the United States remains extremely volatile. These circumstances continue to create uncertainty and upward pressure on costs throughout the industry.

As a Canadian company serving Canadian customers, Special Event Sales is committed to providing you with stability, transparency, and competitive pricing. By purchasing from us, Canadian customers can avoid many of the tariff-driven price increases affecting imported products and benefit from pricing they can rely on.

We believe that in uncertain times, having a dependable Canadian supplier matters more than ever.

Continuing to Invest in Better Products

Zown tables continue to be the market leader in the event rental industry, and we are pleased to expand our Zown offering this year with new sizes and innovative features. Among the newest additions are the first-ever square and rectangular cocktail tables featuring convenient bag-hanging hooks. We also offer a comprehensive selection of Zown storage and transportation trolleys to make moving, storing, and managing your equipment easier and more efficient.

Our Container Load and Concierge Purchasing Programs have also proven extremely popular. For customers making larger purchases, these programs provide an opportunity to take advantage of competitive container pricing while allowing our team to manage the purchasing and logistics from start to finish.

If you are considering a significant purchase, please speak with your sales representative. We would be pleased to develop a competitive, all-inclusive, door-to-door package tailored specifically to your requirements.

Thank You for Your Trust

At Special Event Sales, we understand that our success is built on the success of our customers. Every order, every conversation, and every relationship matters to us.

We are grateful for the opportunity to be your supplier and partner. We will continue to invest in quality products, competitive pricing, knowledgeable people, and reliable service so that you can purchase with confidence and focus on what you do best—serving your own customers.

Thank you once again for your continued loyalty and partnership. We sincerely appreciate your business and look forward to earning your trust for many years to come.

We wish you, your team, and your business continued success throughout 2027.

Sincerely,

Thomas Pollard

# TENTS

CLEARSPAN | POLE | MARQUEE | POP-UP | TURBOTRACK

CLEARSPAN

The big ones! With widths as wide as 50m (164') utilizing a modular bay system, these tents can be as large as you need them to be. Regardless of the size, the interior of the tent is free of posts and obstructions, giving you a wide open space to work with. Uses of these tents are limited only by your needs and have been used for weddings, corporate events, trade show venues, storage buildings, garages, ice rinks etc.

POLE

Pole tents are a classic; synonymous with weddings. The high peaks and flowing lines add a great visual appeal and focal point to festivals and other events. Available in 30', 40', 60' widths and expandable in 20' increments, these tents can accommodate events of any size.

TURBOTRACK

Turbotrack Tents are Special Event Sales' next -generation frame system. Engineered for fast installs, exceptional strength, and a clean modern look. Their modular design allows flexible configurations while filling the gap between Clearspan and Deluxe Marquee tents. With smoother fabric tensioning and quick efficient setup, Turbotrack delivers professional performance for festivals, weddings and high demand rental operations.

MARQUEE

Marquee tents are the most versatile tent and the backbone of any tent rental operation. Available in sizes ranging from 10' x 10' up to a 34' hex they are perfect for most events. Using gutters, they can also be joined to create a bigger space. Durable and substantial yet easy to set up quickly with a small crew you can have the party started in no time.

POP-UP

Pop-up tents are the lightest duty tents we carry. Compact when collapsed and easy to set up in minutes with a helper or by yourself in a pinch, these tents are the go-to for temporary use. The tents are available in 10'x10' and 10'x20' sizes. We also offer full colour printing for the pop-up tops and walls to bring awareness to your business, event, or brand.

Max V: 100 kph
Snow Loads: None

# CLEARSPAN TENTS (81mm Profile)

Smaller scale, big value!

These tents are the same style as our 166mm profile tents but with a lighter frame appropriate to their size. All packages include all frame and fabric pieces required for setup; anchors sold separately. A lower eave height of 2.4m allows these tents to mate well with our line of Marquee tents.

# TURBOTRACK TENTS

Turbotrack tents are fast and easy to set up. We offer clear unobstructed interiors that bridge the gap between our smaller Marquee tents and our larger Clearspan structures. These tents are fully engineered and conform to CAN/ULC S-109 and NFPA701 flame retardant standards.

Turbotrack is fully compatible with Aztec's Jumbotrac® System.
Jumbotrac® is a registered trademark of Aztec Tents.
Special Event Sales is not related or affiliated with Aztec Tents.

# POLE TENTS

Available in 30', 40' and 60' widths, with lengths that are easily adjusted by adding 20' mid-sections. Window walls, plain walls and accessories sold separately.

# MARQUEE DELUXE TENTS

Our Marquee tents have been tested by hundreds of rental companies to ensure ease of setup, ease of storage and durability that will last for many years.

Each tent comes with the following features:

- Industry exclusive quick adjust center pole.
- 16oz opaque white top that is mildew resistant.
- Custom USA made Herculite Architent vinyl.
- Storage bag for top.
- Complete frame made from anodized aluminum and electroplated steel components.
- Complete wall hanging cable system featuring aircraft grade stainless steel turnbuckles that are seize resistant.
- Convenient ¾" plywood storage box for small parts that are stackable, have heavy duty chest handles and have the tent size clearly marked. These boxes are invaluable for rental companies to keep their inventory organized.

# TENT ACCESSORIES

## Tent Jack

Improve labor efficiency, lower costs, and minimize the risk of on-site injuries with a safe, reliable solution for lifting tent frames. The 12' (3.7 m) tent jack raises the tent framework and holds it securely in place, allowing installers to attach the legs hands-free. It features a built-in hook for easy connection and a sturdy base equipped with loops for anchoring and a spot to add tent stakes (sold separately) to enhance stability!

For use, simply position the jack near the frame, hook it around the structure, and turn the crank handle to elevate the frame smoothly and safely.

ZOWN
CONTRACTDESIGNFACTORY

# thenew zownclassiccollection

Following ten years of proven success on the international market, ZOWN has renewed its entire CLASSIC collection. The modernised range of products has been renamed the **NEW ZOWN CLASSIC COLLECTION**.

The **NEW ZOWN CLASSIC COLLECTION** features aesthetic, technical and ergonomic improvementsand is manufactured in a new shark grey colour that replaces the traditional light grey shade. All the tables are equipped with a new and very smooth locking mechanism and the foot pads are inserted into the inner perimeter of the legs. The rectangular tables in particular have better ergonomics at the head, a lengthwise and crosswise joining system and an improved load capacity.

# SPECIALTY ZOWN TABLES

## 32” Round Praxis80 Table

509-0221 Light and easy to fold and

store, with a large
base for stability. Café height table.

## 32”Round Cocktail80 Table

509-0231

A one piece folding cocktail table. Same features as our Praxis80 table but at a taller, 43”bar height.

## XXL90 Table

509-0101

36”x36”folding table. The heavy duty card table.

XLmoon

PT015X001

## XL MOON Table

**509-0144**

Half-moon shaped table with a joining system to create various compositions. Angular compositions can be created in combination with rectangular “XL” tables or circular compositions by joining them together. A large circular table for up to 16 people can also be created by joining 4 XLMoon tables around a Planet180.

## M183 Classroom Table

509-0256

18”x72”table popular for lecture halls, displays and tradeshows.

## Worktop180 Table

509-0441 30”x 72” table with

adjustable height legs.

## Sharptable

509-0271

A typical 30”x72” folding
table that also folds in half for
transport. Includes carrying strap.

# SPECIALTY ZOWN TABLES

## Buffet Table Base
509-0030

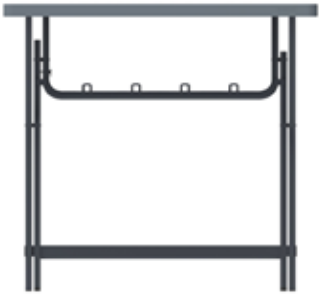

72" x 30" buffet table base. Includes caster and bottom shelf. Shown with optional Topshelf 180.

## Dakota Folding Picnic Table
509-0532

Quick and easy to set up with an improved folding system. The seat and tabletop feature a faux woodgrain embossing. A pluggable centre-hole allows for the addition of an umbrella.

## Rectangle Cocktail Table
509-0229
L120

24" x 48" x 43.3" table perfect for receptions and interaction areas.

## Resin/Wood Folding Chairs

Resin and wood folding chairs are popular with all kinds of events. Our resin folding chairs are crafted from the finest virgin plastic and designed to look the same as traditional wood folding chairs. Our wood folding chairs are constructed from Locust wood which makes them extremely durable. Folding is a snap and both styles will stack up to 25 high.

# PRO SERIES FOLDING CHAIRS

Special EVENT SALES

## NOT ALL FOLDING CHAIRS ARE CREATED EQUAL!

The SES Pro Series folding chair is as close to the original Samsonite as you will find. Don't be fooled by cheaper knock-offs! Annealed steel tubing makes our chairs lighter and stronger than the competitor's.

## Snaplock Dance Floor Cart

520-1020

24" x 48"

Capacity of 400 tiles

Dance floor carts are an easy and convenient way to store and transport your dance floor. The handle and corner posts are removable for easy access.

# SUBFLOORS

## RELIADECK

### Plastic Subfloor

Reliadeck is a durable, cost-effective outdoor flooring system designed for fast, tool-free installation. Each tile securely snaps into place, and the system can be stored in convenient 6 or 8 tile sections on standard pallets for efficient transport and handling. Available in natural white or grey, the natural white option allows light to pass through, helping maintain healthy grass during long-term installations. Optional edging pieces provide a clean, finished perimeter and ensure a smooth, safe transition from ground level to the flooring surface.

## TAG-LOC

### Plywood Subfloor

Our Tag-Loc heavy duty subfloor is made from 18mm urethane coated exterior grade plywood. Comes in 2 panel sizes of 24" x 48" and 24" x 96". Tag-Loc is easy to set up and provides a rigid subfloor for outdoor use or over uneven surfaces. Mainly used under dance floors but could also benefit in other areas as desired.

# UTILITY FLOORING

## Ground Protection Mats

4' x 8' x 1/2" thick

Our Ground Protection mats are made from virgin HDPE and will ensure years of use! These are designed to provide turf protection at events and also flotation when driving over soft ground.

Weight: 88lbs per mat

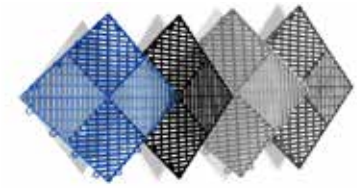

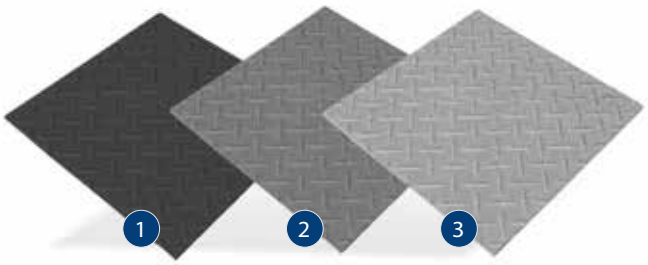

## FreeFlow

12" x 12" x .5"

Free-Flow garage tiles offer maximum airflow and drainage of liquids and debris. Increases safety in wet conditions – liquid goes through the floor and out the door.

| | ITEM | SKU# |
|---|---|---|
| 1 | Black RaceDeck Tile | 520-4020 |
| 2 | Graphite RaceDeck Tile | 520-4050 |
| 3 | Alloy RaceDeck Tile | 520-4000 |

## RaceDeck

12" x 12" x .5"

One of the most popular garage flooring styles worldwide. Offers great slip resistance and a high-tech look. Resistant to petroleum products and most chemicals. Engineered to handle heavy vehicle loads.

# EDGE TRIM

Give your floor a finished look with a beveled edge. With the same interlocking system this trim just snaps into place on all Snaplock flooring products.

*Available in black, graphite and alloy.

# New Supplier, Same Quality, New LOW PRICES

All Special Event Sales drape panels are inherently flame retardant and meet CAN/ULC-S109-3 standards.

## Banjo Drape

Banjo is the industry standard. You will find this drape nearly everywhere including conventions centres, malls, community centres, schools, and anywhere else where an affordable dividing wall is required. Standard Banjo drape panels are 4' wide. One panel for every two linear feet of drape is recommended for proper fullness. Stocked in black and blue, other colours available through special order.

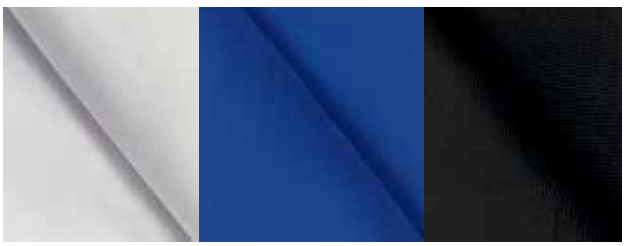

| POPULAR ITEMS | KEY# |
|---|---|
| 3' Banjo Black | 540-0122 |
| 3' x 12' Banjo Black | 540-0121 |
| 3' Banjo Blue | 540-0280 |
| 3' x 12' Banjo Blue | 540-0121EB |

| 16' Premier White | 540-0128 |

# PIPE AND DRAPE

## Blackout Drape

| 540-0241 | 540-0231 | 540-0233 |
|---|---|---|
| 8′ | 12' | 14' |

Blackout Drape features a weave that blocks sun and other light sources. An excellent solution for fashion show change rooms, room darkening, or any other application that requires privacy.

## Velour Drape

BLACK

| 540-0117 | 540-0126 | 540-0129 |
|---|---|---|
| 8′ | 12' | 16' |

RED

| 540-0126R | 540-0281 |
|---|---|
| 12' | 16' |

Velour Drape provides a lush, luxurious backdrop for your event. Commonly used for a staging backdrop.

## Fixed Uprights

Fixed uprights are the quickest and most economical solution to pipe and drape. Our fixed uprights are 1.5″ in diameter. Simply drop the upright on the pin and hook in your drape support.

| ITEM | SKU# |
|---|---|
| 3′Tall Aluminum 1.5″ | 540-0030 |
| 4′ Extension 1.5″ | 540-0040 |
| 8′Tall Aluminum 1.5″ | 540-0020 |
| 3′Tall Aluminum 2″ | 540-0031 |
| 8′Tall Aluminum 2″ | 540-0021 |

## Adjustable Uprights

Adjustable uprights are favoured for smaller scale setups due to their versatility. The height is easily adjustable allowing for custom heights or simply to make putting up 12′ drape easier. Heights are conveniently marked by laster etching. Our adjustable uprights require a 2″ pin.

| ITEM | SKU# |
|---|---|
| 6′ - 10′ Adjustable Aluminum 2″ | 540-0015 |
| 7′ - 12′ Adjustable Aluminum 2″ | 540-0013 |
| 7′ - 12′ Adjustable Black 2" | 540-0014 |
| 9′ - 16′ Adjustable Aluminum 2″ | 540-0018 |
| 9′ - 16′ Adjustable Black 2" | 540-0016 |
| 7′ - 17′ Adjustable Aluminum 2" | 540-0019 |

# PIPE AND DRAPE

## Drape Supports

Special Event Sales' drape supports are adjustable allowing for the perfect width. Our supports feature single piece cast steel ends ensuring long service life. The button stop keeps your support the length you set it.

| ITEM | SKU# |
|---|---|
| 3' - 5' Slider | 560-0065 |
| 4' - 7' Slider | 540-0060 |
| 6' - 10' Slider | 540-0050 |
| 6' - 10' Euro | 540-0051 |
| 7' - 12' Slider | 540-0052 |
| 8' - 14' Slider | 540-0054 |

## Baseplates

These baseplates are thicker than the competitions standard model, creating a more stable base. 18" x 18" baseplates are recommended for 12' high drape and high traffic areas. Pins sold separately. Rounded corners reduce the risk of injury or damage.

540-0005 (Silver)

540-0010 (Black)
14" x 16"

540-0011 (Black)
18" x 18"

540-0009 (Black)

## Signature Tablecloths & Napkins

These are not the lightweight see-through linens that you will find elsewhere. They will endure all kinds of abuse and still come out of the washer looking like new. They feature 100% polyester fabric that is of a heavy weight. Edges are merrow stitched to give a long lasting professional finish. Stain resistant fabric that launders easily. Colours remain bright and vibrant, even after 100's of washes. Readily available in black, white and ivory. Inherently flame retardant to satisfy fire code.

We also offer linens in our Majestic, Standard and Velvet collections.

# SPANDEX COVERS

## 42" x 30" Spandex Covers

Our spandex covers have been specifically designed to fit over our cocktail tables. These heavyweight and long-lasting covers feature reinforced pockets at the base where the table feet contact the ground. Machine washable and available in a variety of colours.

# GLASS RACK

Our glass racks are built to the highest standards and will help simplify the storage and washing of your beverage glasses. They feature snap fit construction which facilitates easy construction and customization of your racks.

Stacks with most competitor's racks.

Handles on all 4 sides for easy movement.

Textured surface diminishes scratches.

Snap-fit extenders will not rust or loosen like metal screws. Open profile allows air to circulate freely, resulting in faster drying.

NSF certified.

Barbecue
6' X 36"
530-0009

The Steakmate barbecue is optimized for reliable rental operations. They are available in three sizes and range from 62,500 to 125,000 BTU ensuring high even heat to satisfy every chef. Steakmate barbecues are easy to disassemble for cleaning and maintenance, and feature durable burners and stainless steel grates. The units are built to CSA specifications.

# STEAKMATE

## Steakmate Barbecue

This heavy duty barbecue has been designed by our engineering department to provide large cooking capacity, easy cleaning and long life. It features a powder coated steel frame with 2 rigid and 2 locking swivel casters. The firebox, drip trays and top shelf are constructed from stainless steel, ensuring long life and easy cleanup. Burner is made from heavy duty black pipe and will last for years. We have eliminated messy lava rock and have designed an industrial stainless steel flavourizer assembly to sit on top of the burner. No tools are required for disassembly, so cleanup is a breeze. CSA and UL approved design.

# STEAKMATE GRIDDLES

## 36" x 20" Steakmate Griddle

530-0060

The Steakmate griddle is a powerful cooking machine that will produce pancakes as fast as you can pour the batter! We have proven the quality of this machine for many years in our rental fleet. Hundreds have been sold across Canada to other rental companies and caterers. It features a robust steel frame with 2 rigid and 2 locking swivel casters. It has a 90,000 BTU burner that is controlled by 3 valves to precisely control temperature.
CSA and UL approved design.

## 30" x 18" Steakmate Griddle Top

530-0030

This handy griddle top is made from solid steel and will last forever! It's the perfect add-on for your Steakmate barbecue as it instantly transforms it into a griddle. Have the best of both worlds when you add this griddle top to your barbecue!

STAGE PLATFORMS

# TUFFSTAGE

Tuffstage is a professional grade portable concert stage with all the necessary features, at a much lower price point. Tuffstage is constructed with an aluminum frame and ¾" plywood deck. The deck has a plastic non-slip laminate applied to the surface to promote safety and to improve the look. The legs feature the best foot in the industry, allowing for fine adjustment to both the height and the angle for a perfect installation. Integrated joiners ensure that the stage stays put with less parts. Compatible with steps and skirting; rails and ramps are also available to order.

LEGACY

## Shipping Policy

To maintain the lowest possible price on our products, Special Event Sales does not include shipping charges in the price of our products. The cost of shipping is figured for each individual order and is determined by weight and destination. Shipments that do not meet weight and size requirements by ground delivery will be shipped by freight carrier. Freight service includes tailgate delivery only. You are responsible for taking the items off the trailer and into your location. You may request inside delivery and other services for an additional fee. You may use your own shipping method by supplying the information required when placing the order.

All shipments should be carefully inspected by the customer before acceptance. Immediate inspection by the delivery carrier should be requested to record any damage or shortage on the delivery.

Notification of concealed damages must be made to the delivery carrier and Special Event Sales within 7 days of delivery of merchandise.

After obtaining a clear receipt for shipment, the delivery carrier is no longer responsible for damages or shortages. Please inspect all cartons and the products within them for visible damage and count the number of pieces you received. Note any damage or discrepancies on the carrier's delivery receipt. If there is any visible damage, or if you discover any concealed damage during unpacking, do not remove the merchandise or throw away the shipping carton. If for some reason you are unable to inspect the items at the time of delivery, please sign the freight bill as "subject to inspection".

## Return Policy

The customer is responsible for the accuracy of items ordered: colours, sizes, options, etc. An order confirmation is provided for approval. Excluding Special Event Sales errors, the following instructions must be followed to return and/or exchange products ordered in error.

## No Product May Be Returned 30 Days After Delivery Date.

The customer is responsible for freight charges to and from our warehouse. Returned goods will not be accepted without a Return Materials Authorization (RMA) given by Special Event Sales. A 25% restocking fee applies to all returns received in re-sellable condition. No credit will be given for items damaged in transit.

## Warranty

All products carry a minimum of a one year warranty unless otherwise stated. Warranty coverage is limited to defects in manufacturing and designs. Exclusions include abuse, misuse, extreme weather, and other force majeure. Products may be replaced or repaired at Special Event Sales' expense. Warranty service is FOB Edmonton/Woodstock.

## Payment Options

We accept Visa, Master Card, American Express, Debit, Cheques, Bank Drafts and Direct Deposit. Credit card transactions greater than $500.00 will be subject to a 2.4% surcharge. We also accept purchase orders under certain terms. All Special Event Sales products are priced in Canadian dollars. Our systems are very secure and all customer information is kept private. We gladly accept purchase orders from Schools, Universities and Government Organizations subject to the following terms and conditions:

- Purchase orders will only be accepted for Special Event Sales accounts in,
  a PDF file attached to an email (sent to sales@specialeventsales.com) or mailed to:

Special Event Sales Ltd.
7063 68 Ave NW
Edmonton, Alberta
T6B 3E3

## Sales Tax

Items shipped to destinations in Canada are subject to GST sales tax of 5% and PST/ HST/ QST where applicable.

## Order Confirmation

You will receive an "order confirmation" email within 24 hours of placing your order. The email confirmation will list all items in your order and serve as your invoice. If you do not receive your order confirmation after 24 hours, please send an email to sales@specialeventsales.com. Be sure to include your account email address and order number. We will send a new confirmation to you.

PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.
