OUR SCHOLARS

Dollars for Scholars

Our founder, St. John Baptist de La Salle, set the overall Lasallian mission more than 300 years ago to serve all students, but “especially the poor.” Centuries later, we are fortunate to be able to carry out St. La Salle’s vision to make Catholic education accessible to all who seek it despite financial obstacles. Your generosity makes it possible to distribute more than \$3 million in need-based tuition assistance to more than 60% of our students.

With more than half of our students receiving tuition assistance, you are guaranteed your DFS gift makes La Salle a joyful reality for students who directly enrich your children’s experience and life at La Salle—their friends, teammates, castmates, fellow artists and musicians, study partners, lab partners, carpool buddies, and many others—relationships that often last a lifetime.

The Dollars for Scholars paddle raise supports tuition assistance efforts for student scholars who make us believe in the power of Lasallian education.

60 YEARS STRONG: BUILDING A SAFER FUTURE

Protecting the place where we learn, belong and serve.

La Salle is more than a campus. It is a community rooted in relationship, belonging, and our shared commitment to helping young people enter to learn and leave to serve.

As we look toward the next 60 years, we have an opportunity to enhance our community by investing in a campus that is safer, more secure, more visible and more resilient—while remaining welcoming and distinctly La Salle.

In November 2025, a comprehensive security risk assessment was conducted on our 34-acre campus. The assessment identified opportunities to improve lighting and visibility, reinforce perimeter security, expand camera coverage, and clearer campus navigation.

We have already taken important steps to enhance campus safety through increased supervision and more secure, consistent building access.

By investing in these next steps, you are helping create a safer, more secure environment for every student who walks through our doors. Your support protects the place where students learn, belong and grow, strengthening the La Salle experience for generations to come.

A strong campus supports a strong community—and gives our mission room to thrive.

As we celebrate 60 years, help us care for the campus that has cared for generations of Falcons and prepare it for generations to come by raising your paddle.

Special thanks to Albina Holdings for matching all \$100 gifts up to \$5,000
