

EARN UP TO 37 OD CE HOURS

The meeting launches with the Association of Armed Forces and Federal Optometric Services (AFOS) exclusive sessions, followed by joint AFOS & SECO continuing education sessions and events from Friday through Sunday. This program offers a focused environment for advanced learning, skills development, and professional networking.

Attendees may choose to participate in the AFOS kickoff, the joint AFOS & SECO CE sessions over the weekend, or the full event experience.
