POWER UP YOUR BILL *with heart*

JOIN OPERATION ROUND UP TODAY!

SUPPORT YOUR LOCAL COMMUNITY BY ROUNDING UP YOUR ELECTRIC BILL

Operation Round Up supports local organizations. Members who sign up choose to have their electric bill rounded up to the next dollar with the extra change going to the Operation Round Up trust fund. The average annual contribution is $6. The trust board reviews grant applications twice a year to determine which local, worthy causes to support.

The convenient and eco-friendly approach to manage your bill

YOUR SOURCE FOR WATER HEATERS

Building a new home? Switching from gas to electric?
Contact MiEnergy today to learn how to get a free 85 -or 105-gallon Marathon electric water heater by joining MiEnergy's Energy Management Program! Not building a home or fuel switching, we still have great rebates for members purchasing water heaters from us.

Why choose an electric water heater?

It's a smart energy choice!
Modern, large capacity electric water heaters keep the water hot until you need it. When combined with MiEnergy's energy management program, the electric water heater runs like a "smart appliance," providing stability and efficiency to the power grid by heating water when demand for electricity is low and storing it for later use.

No flames. No fumes. Free service calls during normal business hours.
