HISTORIC SITES

Looking to have some fun on your next visit to Galesburg? Do you enjoy history, art, the outdoors or just playing like a kid again? If so, our attractions will provide you with an exciting experience and memories to last forever.

Established in 1835, Galesburg has a rich and explorable history. Much of that great history is centered around the railroad industry. Head over to the **Galesburg Railroad Museum** to experience the heart and soul of railroading from 1854 to present day. Take a tour of a 1930 Baldwin built 4-6-4 Hudson 3006 locomotive, as well as a complete 1930 caboose. While there, make sure to see the full-size granite statue of President Abraham Lincoln located at the Amtrak station adjacent to the museum.

Continuing in the “Land of Lincoln” you can discover the impact President Abraham Lincoln had on our nation and his importance to the history of Galesburg by visiting “**Old Main**” on the Knox College campus. On October 7, 1858, Old Main was the setting for the fifth and final Lincoln-Douglas Debate. This historical landmark is the only remaining building from the debates. After leaving the debate area, make your way over to the east lawn of the Knox County Courthouse to visit the **Mary Ann “Mother” Bickerdyke Memorial**. At the outbreak of the Civil War, Mother Bickerdyke used medical supplies to establish a hospital for Union soldiers, and spent the remainder of the Civil War traveling with various Union armies to assist the sick and wounded. Both Generals Ulysses S. Grant and William T. Sherman admired Bickerdyke for her bravery and deep concern for the soldiers.

Keeping with the military theme, take a trip to see the **Veterans Memorial at Lincoln Park** and the **Stockdale Soldier Citizen Museum**. Explore artifacts in the museum from the War of 1812 through Operation Desert Storm.

In addition to being part of the “Land of Lincoln”, Galesburg is also part of the **Ronald Reagan Trail**. See the boyhood home of our former President as you visit the historical landmarks that played a vital role in Ronald Reagan’s early life in Illinois.

Speaking of boyhood homes, make sure you take a tour of the birthplace of our native son and Pulitzer Prize winning author, Carl Sandburg at the **Carl Sandburg State Historic Site**. Walk through the wooded park and garden where Sandburg and his wife lie beneath “Remembrance Rock.” Take time to also visit Galesburg’s public square to see the

beautiful statue of Carl Sandburg and Nellie the Goat by acclaimed artist Lonnie Stewart.

If art is your love, a must-see is the **Galesburg Community Arts Center**. In its new location on Main Street, it is a place where everyone can connect and experience the arts through art-making, appreciation, performances and events, and pick up (or create) a memento or two from your trip. If making art is your idea of a great time, then definitely check out **Art Defined**. There you can create your own work-of-art with pottery, ceramics, canvas and more.

What if you want to experience the outdoors? Not a problem. The **Lake Storey Recreational Area** offers a variety of outdoor

experiences for everyone. Take an afternoon and play one of the best public golf courses in Illinois, **Bunker Links**. Take the kids for a splashing good time at **Lakeside Water Park**. Enjoy a canoe or kayak exploration of Lake Storey or go hiking or mountain biking on one of the many Lake Storey trails. If fishing is your hobby, **Lake Storey** and **Snakeden Hollow** are great places to wet your line.

Although the outdoors always make for a great vacation, sometimes the indoors can be just as fun and exciting. How good are you at solving puzzles? Can you think fast? If so, you should give **The Downtown Escape** a try. Use nothing but your wits and see if you can escape in under 60 minutes.

What if we can give you and your kids a place to not only have fun, but learn along the way? One of, if not the most visited attractions in Galesburg, offers both. The **Discovery Depot Children’s Museum** is two floors of interactive and engaging exhibits. Science exhibits, water exhibits and an actual caboose are just a few of the things that will engage and entertain kids of all ages. It’s the perfect place for kids to let loose, have fun and learn. Discovery Depot will inspire wonder and excitement for learning.

There is no shortage of things to do in Galesburg, the hardest part is deciding what to do first!

Experience Play! Explore with Wonder and Be Inspired to Learn at Discovery Depot Children's Museum. Nestled in the heart of downtown Galesburg, this treasure is packed full of fun, interactive, engaging exhibits and programs for the entire family to enjoy. With over 35 exhibits, an art studio, science classroom, and an authentic BN caboose to explore, the museum offers loads of fun for children ages 1 to 12 and their families.

Looking for a bit more? We have it. The Discovery Depot Children's Museum hosts multitudes of programs ranging from science and engineering to creative art, crafting, nature to nutrition. Our twenty programs each month serve all ages. Most are free or have a nominal fee with admission. Check out our website, Facebook or Instagram to see what's happening at the museum each day!

Step inside to Experience Play!

For the Love of Ferris- Discover Ferris Wheels, how they work, the history and who invented them with our own custom-made miniature display wheel. You can even sit in a real Ferris Wheel seat!

Train fans- hop right into the museum and check out our train table, train station, our second floor Railroad themed climber and authentic, big green caboose. Save the best for last with our awesome train viewing windows on the second floor. This viewing area has a bird's eye view of the 100 plus trains and cars that pass-through Galesburg each day.

Waves Water Exhibit is a popular spot with 7 interactive water play exhibits. Learn about hydro power, how a water vortex works or play a tune on our bubble organ.

Creative hearts also find our Blick Art Studio, Breeze Screen and large-scale light bright enthralling!

This is just a peek at the fun and wonder that is behind the doors at Discovery Depot Children's Museum. There is so much to explore! Visit 6 days a week. www.discoverydepot.org

When looking for a personalized farm experience, from homegrown goods to a good old fashioned rural getaway, Galesburg and Knox County are proud to be home to a welcoming agritourism scene.

A trip to one of the area's many locally-owned farms and businesses will prove to be a memorable and special bonding experience between your family and the countryside.

Walnut Grove Farm is a Civil War Era farm, a historic landmark that shows the evolution of farming. While being a fully functioning 21st century farm, the main barn hosts several events every year: the Scenic Drive Barn fest, a holiday market, and even private events like weddings. The barn was listed on the National Register of Historic Places in 1989, and is a place for anyone to come learn about and revel in its rich history.

Not too far from Walnut Grove Farm and just off Interstate 74, is **Prairie Moon Farm**, a small, family-owned farm established in 2020, with a goal of being a special place for kids to have fun and for families to make memories together. There's always plenty to do and see throughout the year: a flower and vendor market in the spring, a pumpkin patch in the fall, a Christmas market in the winter (as well as reindeer encounters), a barn store packed with seasonal items, and more!

In a rural corner of Knox County, **Heartland Criations Alpacas** is a locally owned farm that specializes in raising Suri alpacas. The gentle and curious nature of these alpacas makes for a wonderful experience for kids and adults alike. At Heartland, you can feed and interact with the alpacas, as well as leave with a one-of-a-kind alpaca product right from the farm store.

Another special staple of the Knox County agritourism scene is **Hidden Hills Vineyard and Winery**. The vineyard boasts several acres of grape vines and a unique custom designed bar in their tasting room, where you have the opportunity to sample any of their local wines. Sit back and relax on their beautiful grounds and enjoy the simplicity of the countryside!

Be sure to visit www.experiencegalesburg.com for a complete list of agritourism attractions.

The expression of arts in Galesburg comes in many forms. Proudly, Galesburg offers an intimate insight into the things that make us all feel something more -- a connection between you and something you bring to life through your experiences. From monthly exhibits of local and national artists in the **Galesburg Community Arts Center** to curating your own masterpiece with **Art Defined**, you'll not only create something extraordinary, you may uncover something incredible about yourself in the process.

Continue your artful adventure with a show featuring the live-action performances of regionally, nationally and internationally known acts. Listen to the **Knox-Galesburg Symphony** and enjoy the beautiful live music of various genres including anything from the classics to a whimsical children's concert. **Prairie Players Civic Theatre** has roots in the over 100 year history of community theatre in Galesburg. Originally founded in 1915 as the Prairie Playhouse, it was revived as a Prairie Players Civic Theatre in 1959 when it was incorporated as a 501c3. In its long history Prairie Players has performed in various venues throughout the city and in 2007 a permanent home was purchased at 160 South Seminary Street. After extensive renovation the theatre opened its door to the public in November of 2015, to celebrate 100 years of community theatre in Galesburg where the volunteer company performs today. Each year PPCT hosts 4 main stage performances, a youth summer program and various smaller productions.

The Orpheum Theatre, which opened in 1916, features a French Second Empire style facade and interior features such as classic

Corinthian columns and an Italian Renaissance plaster frieze in the mezzanine hall. Originally built as a vaudeville house, the Orpheum hosted many early starts of stage and screen, including Jack Benny, George Burns and Houdini. In addition to hosting many local performing arts groups, including the award-winning Knox-Galesburg Symphony, the theatre features top touring theatrical, musical and comedic talent from around the country.

While in the area, please be sure to take in some of the great local art throughout the city ranging from our unique artist designed and painted trash cans to cool murals on historic downtown buildings.

Meet Galesburg's viral sensation, Judy Wang! With over 15 million views on TikTok, over 35,000 posts on Facebook and 38,000 posts on Instagram each month, it's safe to say that Judy's Family Cafe has become one of the hottest attractions in Galesburg, while declaring "I have the best pancakes!"

Originally from Beijing, China, Judy made her way to Galesburg in 2017. After working at a local buffet for a while, Judy decided to venture on her own and opened her restaurant in 2019.

Operating during the pandemic was hard on the business, but Judy decided to explore advertising through social media. Eventually, she met up with a local digital marketer, Victor Dantas, and together they began collaborating, coming up with ideas. They have been able to tap into a trend of low-budget internet comedy videos. And the videos have worked. Daily, the parking lot is packed with cars from all over the Midwest, with many as much as from 4 plus hours away to not only try the amazing American and Asian cuisine, but also a chance to meet the "star" herself.

Judy says she is a "little bit shocked" at the notoriety she and the cafe are receiving, but is very happy with the added business. Business has grown so much that a second location will be opened in Galesburg in early 2025.

Judy's Family Cafe has been featured in the New York Times and on Chicago's WGN-TV.

Judy's Family cafe is located at 1195 N. Broad St. and is open 7 days a week from 6 am to 3 pm.

CRAFT BREW

Nestled in the heart of Illinois, Galesburg may not be the first place that comes to mind when you think of craft beer, but our charming city has quietly become a hub for craft breweries. From its rich history to its vibrant brewing scene, Galesburg has much to offer for beer enthusiasts and curious visitors alike. Whether you prefer hoppy IPAs or a lighter wheat ale, our town has a beer to satisfy just about anyone (21 and up, of course).

Get the feel of our ties to the railroad at **Iron Spike Brewing Company** with a pint of "Speed Rail" Lager. Located downtown, this rustic brick building gives off welcoming vibes to all who may enter. The interior is decorated with graffiti that provides a visually appealing, artistic atmosphere to go with the enticing food and beer. The brewing supplies are visible from the dining area, allowing restaurant goers to get an up close view into just how intensive their brewing process is. And while it may be an impressive amount of work, nobody can argue with the results.

Just across the street from Iron Spike is our next location, **Cherry Street Brewing Company**. This family owned and operated establishment not only has a great selection of food, but now brings their version of craft brew to the masses. From grain to glass, Cherry Street takes you through the process of crafting a quality beer.

Visit the CSBC Safari Room and "Take It Easy Dude" with a pint of stout. If you are looking for great food, great service and outstanding craft beer, then CSBC is a must-visit.

Our next stop takes us to **Reserve Artisan Ales**. This pour-your-own taproom features 30 beverages ranging from beer to wine and non-alcoholic options of old fashioned sodas. Located in a remodeled and re-imagined car dealership, RAA offers a community space to enjoy amazing craft beers and great food with friends. The most unique feature is the re-engineered 1960s city bus that has been converted into the housing for all the taps. It's quite a unique sight to see and experience. The newest addition to RAA is the street car that has been converted into a food truck. So now customers can enjoy delicious pizza, pretzels, panini, etc. while tasting some of the best craft brew in the Midwest.

Although craft beer has become prominent in Galesburg, that's not all we have to offer. No matter if you prefer a sweet cocktail, smooth bourbon or a glass savory wine, we have a variety of establishments that can mix it up.

The Bar 65 is fast becoming a hot spot for whiskey fans. As you enter, the atmosphere sucks you in and makes you feel like this is a place you belong. Walking up to the expansive wooden bar, you will face a literal wall of spirits from which to choose. About any bourbon or whiskey you can think of will be at your disposal. Sam, the bartender/owner, will immediately make you feel like you have been friends forever and that you are in a comfortable place that you'll want to visit again.

Finally, our tour brings us to **Hidden Hills Vineyard and Winery**. A gravel path leads you to the beautiful winery where you will find a taste experience unlike any other. Once in the tasting room, you'll cozy up to the unique custom designed bar and sample

a variety of wines produced right here in Knox County. Visit their website to keep up to date on events they hold throughout the year.

A small town with big time flavor, Galesburg will get you in the spirit!

They often have a selection of single-origin coffees and specialty blends that appeal to coffee enthusiasts looking for something distinctive.

If sweets and treats are what you crave, we have you covered. Situated on the historic Seminary Street is one of the coziest cafes, **The Carriage House**. They offer a varied range of bakery items, ice-creams, and coffees. You also don't have to go too far if you're yearning for some flavored popcorn. **JT's CaramelKorn Station** is opposite The Carriage House. It now provides monthly flavors and various other sweet treats!

cakes, corn dogs, ice cream and more await your taste buds and tummy.
