Tim Hackman
Park Authority Board Chair and Dranesville District Representative

With the arrival of warmer weather, I always look forward to one of my favorite pastimes – hiking at Turner Farm Park to enjoy the beauty and serenity of my neighborhood park and to pick up any litter I see along the way. For me, it's a reminder of the dynamic park system we have in Fairfax County and the opportunity we all have to contribute to its well-being.

Like many park lovers, I got my start working with parks at the local level – volunteering to fight invasive plants, working on trails and joining the Board of the Friends of Riverbend Park. Now, after 10 years as the Dranesville District representative on the Park Authority Board and as the newly elected board chairman, I've gained a deeper understanding of the many ways the Park Authority serves the public – and how the community and friends groups, in turn, support our parks and visitors through clean-up events, programs and activities, and fundraising efforts.

Fairfax County residents have the power to make a lasting difference in shaping the future of our parks system. This November, Fairfax County voters will be able to do just that with a bond referendum that would provide $180 million in funding for critical needs in our parks. These resources would enable the Park Authority to renovate an aging Rec Center, address essential maintenance needs, build new parks, trails, and other facilities, renovate existing parks, and steward our natural resources, among other improvements.

Next time you're playing a round of golf at a county course, hiking, swimming at a Rec Center or enjoying a summer concert in our parks, take a moment to reflect on how you can contribute to the future of Fairfax County parks.

Together, we can make a difference!

Named All-Star Outdoor Venue

Patriot Park North has been named the Best All-Star Outdoor Venue in the annual Readers' Choice Awards from SportsEvents Media Group. The award recognizes exceptional outdoor sports facilities that consistently deliver top-tier amenities, service and playability for athletes, coaches and event organizers.

Since opening in 2023, Patriot Park North has quickly become a premier destination for competitive baseball and softball. The state-of-the-art complex has already hosted 91 tournaments with 38 additional tournaments scheduled in 2026. The park is also a powerful driver of sports tourism in Fairfax County, generating nearly $500,000 in revenue and an estimated $5.75 million in economic activity in 2025.

"This award reflects the Fairfax County Park Authority's commitment to recreational excellence in every aspect of our park system," said Jai Cole, executive director of the Fairfax County Park Authority. "Patriot Park North is more than a sports complex. It's a gathering place that supports tourism and economic vitality and showcases the gold standard of athletic facilities and service in Fairfax County. I want to thank the Park Authority Board and staff, our county leaders and all who have helped make Patriot Park a regional destination for unforgettable events and experiences."

"I am thrilled that Patriot Park North has been recognized with the SportsEvents magazine Readers' Choice Award for All-Star Outdoor Venue," said Jeff McKay, chairman of the Fairfax County Board of Supervisors. "This facility reflects the county's commitment to high-quality recreational opportunities and the Park Authority's excellent work in creating spaces that bring our community together."

"Patriot Park North's success is just the tip of the iceberg of Fairfax County's potential in the sports tourism market," said Springfield District Supervisor Pat Herrity, chairman of the Fairfax County Sports Tourism Task Force.

"Not only has the facility elevated Fairfax County's reputation as a premier destination for youth and amateur sports but indeed contributes greatly to the local economy through direct economic impact," said Barry H. Biggar, president and CEO of Visit Fairfax. "Each tournament brings families, athletes and visitors to our destination, who in turn support our local businesses, which create lasting benefits well beyond the playing fields."

To learn more about Patriot Park North and explore a virtual 360-degree tour of the facility, visit the park's webpage at www.fairfaxcounty.gov/parks/patriot-park-north.

Tapping Through Time

at Franconia Rec Center

Inspiring — enthusiastic — incredible — amazing: these are just some words that students use to describe Roberta Matisoff, beloved tap dance instructor who recently celebrated her 90th birthday.

Matisoff started teaching tap dance lessons at Franconia Rec Center 32 years ago. For many years she taught four classes — a beginners and advanced class for children as well as a beginners and advanced class for adults.

Matisoff's face positively lights up when she talks about her dance students. "I come to love every one of them," she says. "They come for fun, and it is fun." She describes her experience teaching tap dance as "rather wonderful."

Each week Matisoff shares new skills with her students, works with students to choreograph dance routines and coordinate dance recitals. She has even been known to hand-sew costumes for recitals, according to student Bonnie Hannan.

"Her enthusiasm and breadth of knowledge is boundless," Hannan says. "Her love of the art of dance has inspired adults to re-ignite a passion for tap dancing they may have enjoyed as a kid and inspired adults and children who have never danced before to find joy in a new hobby."

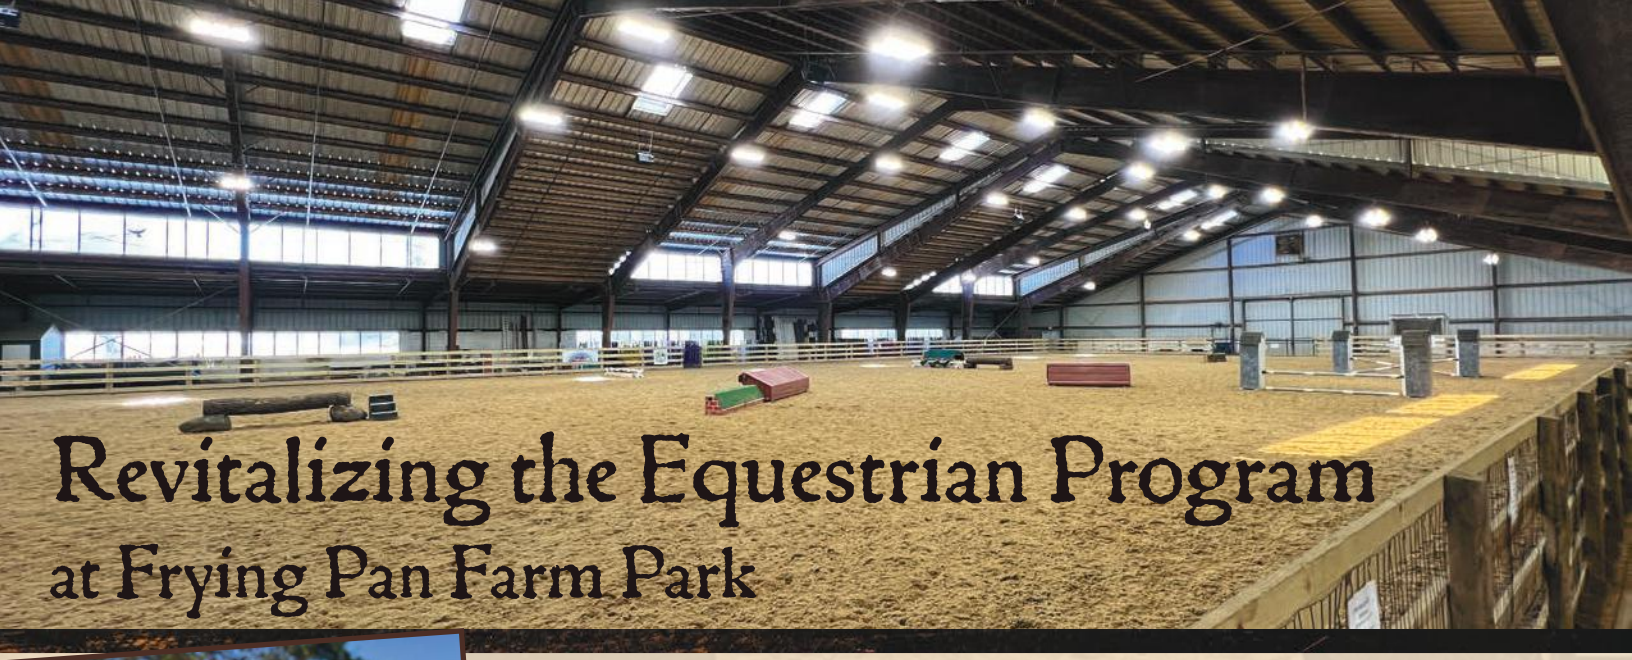

Matisoff fell in love with dance as a child, taking her first tap dance class at the age of 6. She continued tap dancing but expanded into other styles including ballet, hoping to become a professional ballerina. She would go on to spend some time as an actress, starring in professional stage performances and joining professional dance groups for performances. Eventually she became an elementary school educator and focused on raising her three children, but she never lost her love for dance.

Matisoff's husband, Bob Greenwald, enjoys dancing as well. The two took some ballroom dance classes together at Franconia Rec Center before increasing their skills at a local dance company. Matisoff's journey to Franconia began when Bob asked to learn tap dance. After Bob tried an underwhelming class at another location, Matisoff decided to teach him herself. This ignited a passion for teaching. She decided to share her skills with more people and reached out to Franconia Rec Center about becoming a tap instructor. Bob even joined her as an assistant instructor at the Rec Center for many years. She fondly recalls teaching her younger students staying on their "tippy toes" and hearing them ask "Mr. Bob" for help.

Matisoff's is still going strong, determined to teach tap as long as possible. Her legacy and love for dance shines brightly at Franconia Rec Center. You can find her on Sunday nights teaching her two adult tap dance classes, continually imparting key skills and inspiring everyone around her.

To find out more about dance classes, please turn to the Dance section in this issue of Parktakes.

Revitalizing the Equestrian Program at Frying Pan Farm Park

There is an undeniable twinkle in Frying Pan Farm Park's new Equestrian Manager, Quinn Molner's eyes when she starts talking about the equestrian program.

"I have the coolest job!" exclaimed Quinn.

Quinn has been riding horses since she was 3 years old and won two national titles by the time she was 10 years old. She took an eight-year break from riding horses while she attended college at George Washington University and worked in Washington, D.C. Quinn is thrilled to be back in the saddle riding again and working at Frying Pan Farm Park.

Recent improvements to the equestrian facilities are not only attracting local riders, but also those from up and down the East Coast, including top level Working Equitation competitors like Stephanie Hayes (Vermont), Holly Linz (Maryland) and Polly Limond (North Carolina). The Indoor Arena improvements included redoing the footing and lighting. The bluestone footing base was releveled and the top layer of footing is now a mixture of sand and repurposed textiles. The revitalized footing is less dusty, provides more cushion for the horses and minimizes concussion risks for the riders. The fencing around the arena has also seen an upgrade from metal to wood and new lights have been installed over the ring and in the audience viewing area making the areas brighter. Even the horse jumps are being reimagined. Quinn, with her assistant Katelin Kane, are repainting the jumps to reflect the rich history and natural resources of the park with native flowers, animals and the barn and country store. One of the jumps has even become a community art project that park visitors can sign.

The outside also received upgrades. The Warm-up Ring has a completely new base, footing mixture and fencing. Electric outlets have been installed in the Upper Arena, and two RV hookups were installed in the back parking lot for equestrians attending multi-day shows.

When Quinn started in this position, she received feedback from the public that they wanted a trail ride program. She found a vendor who is partnering with Frying Pan Farm Park to offer one-hour trail sessions for up to five people. The program has been immensely popular for families, especially because children 8 years and older can join their parents and grandparents on the 4-mile trail ride. Quinn is also starting a Community Trail Ride Program for active equestrians to gather at the park and enjoy evenings riding and relaxing in community.

Quinn, with her assistant Katelin, hope to continue to expand equestrian programming on the 135-acre park for equestrians and enthusiasts alike to make lasting memories. For more information about Frying Pan Farm Park and equestrian programs, turn to the Equestrian and Farm section.

FROM SEASONAL EMPLOYEES TO FULL TIME CAREERS

WITH THE PARK AUTHORITY

A seasonal role can be the first step toward something much bigger. For many of our Camps and Aquatics staff, what began as a summer or seasonal position has grown into a full-time career built on leadership, skill-building and a lasting commitment to our parks and programs.

David Fennel, now a Senior Interpreter at Ellanor C. Lawrence Park, began his Park Authority journey as an animal care volunteer and counselor in training before stepping into his first official role as a Summer Camp Intern at Riverbend Park. "Working summer camps gave me experience in leadership, public interaction and responsibility," David shares. After transitioning from seasonal work into a part-time role, he developed strong interpretive skills and a deeper understanding of park operations. Reflecting on his growth, David adds, "The more experience and responsibility you take on, the more opportunities open up; building connections across sites makes all the difference."

Ilana Danger, an Assistant Aquatic Director at Mount Vernon Rec Center, began her Park Authority journey as a Lifeguard in 2023. Starting in a seasonal role allowed her to learn the ins and outs of the Rec Center while developing skills that prepared her for a full-time position. "A seasonal role is a fantastic way to get involved with your community," Ilana shares. Now in a leadership role, she encourages aspiring staff to focus on growth and collaboration, adding, "Work on mastering your role and look for ways to help others, the best way to learn is by doing."

Casey Tinius, now a Senior Interpreter, began her Park Authority journey coordinating Scout programs at Riverbend Park. Starting in a seasonal role allowed Casey to build skills and confidence in a lighter capacity while learning how the park operates day to day. "When I was offered the senior interpreter position, I was genuinely surprised," Casey shares. "The first year was a huge learning curve, but I've grown so much and can't imagine doing anything else." Reflecting on what keeps her inspired, Casey adds, "I love walking outside my office and being surrounded by the scenery of the Potomac River, and seeing the same kids return to camp year after year makes it even more meaningful."

Boris Arevalo discovered his path in aquatics as a seasonal lifeguard at Providence Rec Center long before stepping into his role as Rec Center Manager at Oakmont Rec Center. What started as a part-time role quickly showed him that aquatics could be more than just a summer job. "Lifeguarding showed me it could be a real career path," Boris shares. "I saw others grow into leadership roles, and that motivated me to get more involved with pool operations, staff management and swim lessons." Reflecting on his journey, Boris adds, "The Park Authority offers a supportive, team-focused environment; if you're patient, work hard, and stay involved, opportunities will follow."

Historic Huntley Joins the National Park Service's

NETWORK TO FREEDOM

Historic Huntley has been officially listed in the National Park Service's Network to Freedom, a national program that recognizes historic sites connected to the Underground Railroad and the pursuit of freedom by enslaved people. The designation highlights powerful stories from Huntley's past.

In 1828, an enslaved man named Bob attempted to escape at age 45, despite the challenges of an injured leg and a speech impediment. Nearly a decade later, Sam Humphreys and Sandy made their own bid for freedom using forged papers created by Joseph Farrell, a free Black teacher who was part of a vibrant African American community in Alexandria. All three were ultimately captured, but their efforts speak to extraordinary courage and to the networks of support that existed among free and enslaved Black residents.

Today, the Fairfax County Park Authority interprets these stories through programs and signage at Historic Huntley, ensuring that visitors can learn about the people who lived, labored and sought freedom here. The Network to Freedom designation recognizes the significance of these narratives and strengthens our commitment to sharing them with the community.

To learn more about Historic Huntley, please visit the History section or visit www.fairfaxcounty.gov/parks/historic-huntley.

FAMILY SKATE AND DANCE NIGHT: THREE YEARS AND GOING STRONG

As an event created at the request of the local residents, Family Skate and Dance Night serves as a reflection of the Franconia community. All ages come out to enjoy these monthly events that boast exciting themes.

Fairfax County Park Authority began hosting the series in May 2023. Terrence Shepherd, opening manager at Franconia Rec Center, spearheaded the creation of the event in response to requests by the community and is responsible for the ongoing management of the monthly series.

"Families are capturing moments that will carry on for years," Shepherd says. "I'm so happy and proud that our staff and that I could be a part of these great memories."

Every month the gym at Franconia Rec Center transforms into a roller rink complete with DJ, festive decorations and food, snacks and drinks available for purchase. Patrons are invited to bring their own roller skates or inline skates, or to just join in for a dance party. Areas of the gym floor are marked off for experienced skaters and beginner skaters to make the event accessible.

These events truly embody community spirit, often featuring donation collections for local food banks and charities or featuring giveaways for attendees such as the school supply raffle during the Back to School: Family Skate and Dance Night. The Park Authority has hosted a Glow Night: Family Skate and Dance Night event the past two years in partnership with Fairfax County Therapeutic Recreation Services. Other partners including NOVA Roller Derby and Paisano Pizza in Kingstowne. Approximately three to seven staff members and 10 to 15 volunteers help make everything possible.

As of April 2026, Franconia Rec Center had hosted 33 Family Skate and Dance Nights with more than 100 people typically attending each of the events. The 2025 Halloween event boasted more than 250 attendees. The event continues to grow and expand. The event has become so popular that people can now host their own private skate night parties. Call 703-922-9841 to inquire about hosting your own!

"We are so excited continuing to offer this event to our Franconia community and the growth of the event to other skaters and dancers in the DMV," Shepherd says. "We are looking forward to bigger and better events for 2026."

JUNIOR TOURNAMENT SERIES

Next Generation of Golfers Takes the Spotlight at the

This summer, junior golfers have a new reason to get excited. Golf Fairfax is launching a dynamic tournament series designed to bring competition and a championship chase to players ages 10–18. The Golf Fairfax Junior Tournament Series (GFJTS) features nine tournaments played across six Golf Fairfax courses, giving junior golfers the chance to test their skills, track their progress and compete alongside their peers. Each registered player will compete in five events, building points along the way in a season-long race inspired by the PGA's FedEx Cup.

Players will be grouped by age (10–12, 13–15 and 16–18), and every round matters. Top finishers at each event will earn awards, while consistent play throughout the summer can earn a spot in the Series Championship at Laurel Hill Golf Club. At the end of the season, champions in each division won't just take home bragging rights, their names will be etched on a perpetual trophy recognizing the top junior golfers in Fairfax County.

The series isn't just about winning — it's about the experience. From the first tee shot to the final putt, players will feel the excitement of meaningful competition, where each round builds toward something bigger.

"We wanted to create an opportunity for junior golfers to experience competitive play in a fun, structured and affordable way," said Michael Mauk, PGA Professional at Pinecrest Golf Course and GFJTS Co-Director. "This series adds an extra level of excitement because every tournament contributes to an overall goal."

That experience can make a real difference, especially for golfers preparing for the next level and high school team tryouts in the fall.

"High school golf is about more than just making the team," said Tim Sample, GFJTS Co-Director, Golf Fairfax instructor and Head Varsity Golf Coach at Meridian High School. "It's about learning how to compete, manage pressure and perform consistently. This series helps players build that confidence before tryouts even begin."

Registration for the Junior Tournament Series opens April 1 and runs through May 31. Space is limited to 200 players. The first tournament tees off June 23 at 10 a.m. at Jefferson District Golf Course.

Whether players are looking to sharpen their game or compete with friends, the Golf Fairfax Junior Tournament Series offers a summer of competition, camaraderie and unforgettable moments on the course. Hang with the Best. Play. Compete. Chase a Championship Spot!

Lasting Impact of ADAPTED AQUATICS

For more than four decades, the Fairfax County Park Authority's Adapted Aquatics program has been a cornerstone of inclusive recreation, empowering residents with disabilities to build confidence, strength and community in the water. The heart of the program lies with its instructors and volunteers, who have spent more than 41 years creating supportive and joyful aquatic experiences. Their dedication ensures that every participant, regardless of ability, is safe as they become comfortable in the water and learn new skills.

This year marks a particularly meaningful milestone: the Aqua Fitness Class for Individuals with Physical Disabilities at Spring Hill Rec Center celebrates its 35th anniversary. The class has become one of the program's most enduring and impactful offerings. As the Aqua Fitness Class reaches its 35-year milestone, the Park Authority also recognizes staff members who have shaped the entire Adapted Aquatics program: Dr. Bryna Helfer and John Cruden.

Dr. Helfer joined the Adapted Aquatics team as the primary instructor of this class at Spring Hill Rec Center 35 years ago. Under Helfer, the program has continued to grow and expand exponentially throughout Fairfax County. The Adapted Aquatics program now features 43 classes each session, four successful fitness classes led by 17 instructors and over 160 volunteers.

Residents can participate in a wide range of adapted swim opportunities, including learn to swim classes, fitness programs and competitive training. One of the program's signature events is the annual Adapted Swim Meet, which brings together approximately 140 athletes from across the county. All of these swimmers train on adapted swim teams at six local Rec Centers, developing skills that extend far beyond the pool.

Learn more about the Adapted Aquatics program at www.fairfaxcounty.gov/parks/adapted-programs/.

HIDDEN GEM

Hybla Valley Park

Tucked between neighborhoods, Hybla Valley Park is emerging as a hidden gem in Fairfax County's Franconia District. The modest 2.3-acre park recently received thoughtful upgrades that make it an inviting destination for families and neighbors alike, especially when paired with nearby attractions like Mount Vernon Woods Park, Mount Vernon Rec Center and Huntley Meadows Park.

Recent improvements transformed underused areas into vibrant community spaces. The former tennis courts are now home to a dedicated futsal court and a basketball court, while the practice tennis court has been reimagined as a colorful playground designed for all ages and abilities. Additional upgrades include renovated parking, new site furnishings and more places to sit and relax throughout the park.

The new playground features a mix of equipment including poured-in-place rubber surfacing that improves accessibility for mobility devices. A hybrid inclusive play structure offers an ADA-accessible ramp, transition platforms, shade canopies and interactive activity panels at ground level. Kids can also enjoy a four-seat swing set with an accessible expression seat, a Vista Twist climbing structure with slide and a musical play feature known as the Music Ball.

These enhancements reflect the priorities identified in the Park Authority's Parks, Recreation, Open Space and Access (PROSA) Strategy, which focuses on equitable access to park amenities across the county. Community feedback gathered during a 2024 meeting at Hybla Valley Elementary School helped shape the final design.

Small but full of possibility, Hybla Valley Park is proof that great community spaces don't have to be big to make a big impact. To learn more about the park, visit www.fairfaxcounty.gov/parks/locator.

Observatory Park at Turner Farm Earns INTERNATIONAL DARK SKY DESIGNATION

Observatory Park at Turner Farm has been recognized as an International Dark Sky Urban Night Sky Place by DarkSky International, highlighting the park's commitment to protecting the night sky in one of the nation's most light-polluted regions. As one of the few locations near Washington, D.C., with relatively dark skies, Turner Farm has become a vital resource for astronomy education and light-pollution awareness.

The designation reflects years of work to improve outdoor lighting, expand public programming and build strong community partnerships. Efforts included creating a comprehensive lighting management plan, installing DarkSky-compliant fixtures and securing a special lighting ordinance around the observatory. Since the facility opened in 2016, nearly 23,000 visitors have taken part in stargazing programs, classes and public viewing nights supported by the Analemma Society.

Turner Farm now joins more than 250 International Dark Sky Places worldwide dedicated to preserving natural darkness for future generations.

THE FAIRFAX COUNTY PARK FOUNDATION

FCPF 25 Years

Fairfax County Park Foundation

The Fairfax County Park Authority (FCPA) receives the majority of its funding from revenue through fees from recreation centers, golf courses and classes However, some programs and park facilities can't be fee-based. That is where the Fairfax County Park Foundation comes in to provide support and fill funding gaps.

The Fairfax County Park Foundation was established in April 2000 as a 501(c)(3) nonprofit charitable organization. The Foundation is led by a volunteer Board of Directors and staffed by an Executive Director with a lean and efficient staff. The Board is comprised of volunteer community and business leaders.

The Fairfax County Park Foundation supports FCPA by raising private funds, obtaining grants and creating partnerships that supplement tax dollars to meet the community's need for park land, facilities and services.

However you choose to donate, we thank you for your support of your Fairfax County parks!

JOIN FCPF DAF-SUPPORTER, GAIL RUF, TO HELP SUPPORT MEANINGFUL PARK OUTREACH PROJECTS!

Park Foundation supporters increasingly give via Donor-Advised Fund (DAF) which provides a flexible method of supporting Fairfax County parks.

Gail Ruf (pictured 4th from right) has generously supported Fairfax County park projects, including the Woodlands Stewardship Education Center and the Wonder Wagon Mobile Nature Center, by granting funds through her DAF!

"I donated to help fund the first Wonder Wagon and that goes to many places bringing nature to children of all ages and economic situations. I'm now proud to support a second Mobile Nature Center through the Park Foundation!" -Gail Ruf, mother of three.

To learn about process and benefits of creating a DAF, consult your financial advisor to nominate The Fairfax County Park Foundation, Tax ID # 54-2019179 through a Donor Advised Fund!

ADA/Inclusion Support

In keeping with the Americans with Disabilities Act (ADA), Fairfax County is committed to giving all residents equal access to recreational opportunities. Park Authority activities, programs, camps and classes are inclusive, and reasonable accommodations are available for people with disabilities. ADA accommodations include sign interpreters, assistive listening devices, program modifications and inclusion support. Call 703-324-8727 to request accommodations, or for more information about adapted program opportunities, . The Park Authority makes every attempt to provide accommodations; however, fulfillment of requests received with less than 10 days notice cannot be guaranteed.

Facility Accessibility

The Fairfax County Park Authority offers parks and facilities that are accessible to all Fairfax County residents. For information on accessible features or issues associated with usage, call 703-324-8727 or visit www.fairfaxcounty.gov/parks/ada-inclusion.

Follow guidelines when registering

We suggest if it has been a month or longer since a student has participated in a swimming lesson, that they repeat the previous course completed. If you have any questions about which class is right for you or your child, please contact the Adapted Program Specialist at 571-407-6895. For safety reasons and to ensure customers get the maximum aquatic program benefits, the Park Authority reserves the right to remove students from an inappropriate class and either issue a refund or place them, when possible, in a class that better matches their ability.

Practice and Repetition are keys to success

Each student progresses at a different speed in learning aquatic skills. Students often repeat a level several times before developing the endurance and skill proficiency necessary for advancement. Repeating a level does not constitute failure; it is to be expected. Mastering skills takes time, practice, and patience.

Aquatics

Fairfax County Park Authority Aquatics offers something for all ages and swimming abilities. Monthly calendars listing pool hours are available at FCPA Rec Centers and online at www.fairfaxcounty.gov/parks.

Follow guidelines when registering
If it has been a month or longer since a student has participated in a swimming lesson, it is suggested that they repeat the previous course completed. If you have any questions about which class is right please contact the aquatics staff at your favorite Rec Center. For safety reasons and to ensure customers get the maximum benefits, the Park Authority reserves the right to remove students from a class and either issue a refund or place them, when possible, in a class that better matches their ability.

Practice and Repetition are keys to success
Each student learns at different speeds. Students often repeat a level several times before developing the endurance and skill proficiency necessary for advancement. Repeating a level does not constitute failure; it is to be expected. Mastering skills takes time, practice and patience.

Combining course levels
When enrollment is low, course levels may be combined to avoid class cancelations.

ONE ON ONE BEGINNING SWIM LESSONS

(3-Adult) Children must leave parent willingly, be comfortable in the water, and be able to follow simple directions. Private swim lessons are a great way to improve swimming skills and water safety techniques of any level. With one-on-one swim lessons, an instructor can spend more time helping overcome obstacles which may require more time or dedication than a standard swim lesson. Lessons are also available for adult swimmers. Senior discount does not apply to these lessons. See website for details and times.

Swim Classes for Children

Day Trips & Tours Information & Policies

Transportation: Transportation is either by chartered motor coach equipped with reclining seats and restroom or by a small bus or van.

Bus Seating: Registered participants may select seats on a first-come first-served basis. Usually, two seats adjacent to the driver are reserved for the trip escort and a tour guide (if needed). The trip escort will try to accommodate requests for special seating when possible.

Age Parameters: FCPA trips are for ages 18 years and older.

Alcohol: No kegs, opened cans or glass containers are allowed on the bus. No large coolers are allowed unless the cooler can be positioned on the back seat so that it does not take away a seat from any passenger. Damage or spillage from a cooler can stain coach seat upholstery and compromise bus cleanliness and appearance.

Discounts: Early registration discounts apply only to tours first advertised in this issue of Parktakes. Senior discount fees do not apply to tours. The class scholarship policies also do not apply to tours.

People with Disabilities: Participants requiring ADA accommodations must call 703-324-8563 at least 10 business days in advance of the scheduled activity. TTY Va. Relay 711.

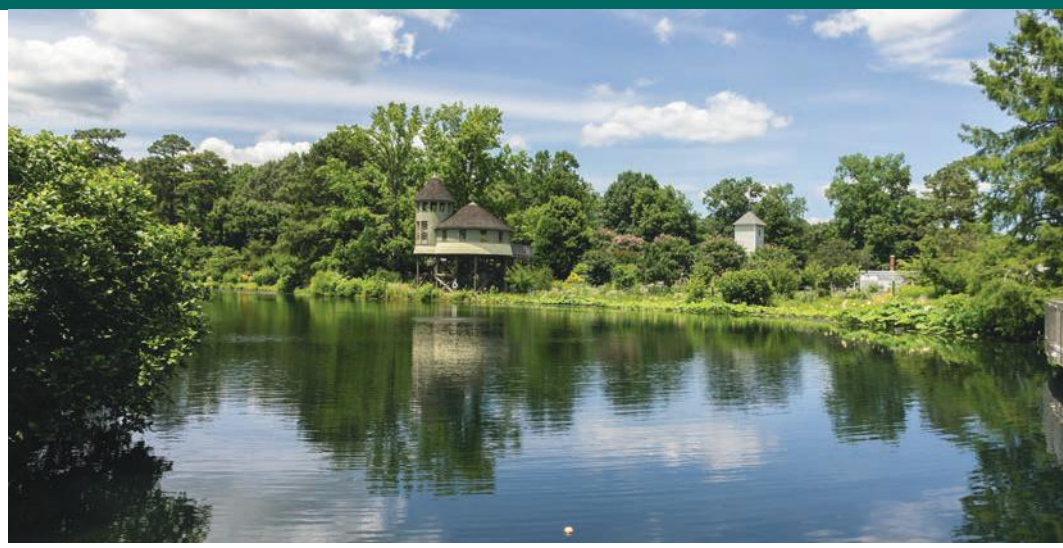

Cancelations: The FCPA reserve the right to cancel a trip due to low enrollment and/or other circumstances. If a trip is canceled, all registrants will be notified, and all fees will be refunded to your Parktakes account. Trips are not canceled due to inclement weather unless you are notified by phone.

Refund Policy: Refunds, credits or transfers for day trips are allowed up to 14 days prior to the trip date. Cancelation/refund requests received 13 or fewer days prior to the trip date will not be granted because of bus company and vendor deadlines. For trips requiring deposits, the deposit is nonrefundable. You can, however, substitute another person in your place.

The FCPA retains the right to decline, accept or retain any person as a member of a trip when such action is deemed to be in the best interest of the health, safety or general welfare of the tour group or the individual concerned.

Schedule times are approximate. Reasonable substitutions for some items included in the printed trip description may be necessary in certain cases. Refunds are not given for delays or changes in the itinerary due to weather, traffic, security delays, crowds, mechanical breakdown, or other factors beyond the Park Authority's control. FCPA is not liable for cost of tickets, meals or expenses due to schedule changes.

Confirmation and Itinerary: A welcome email is sent 1-2 weeks before the trip with important information regarding the trip.

Ice skating classes:

- Offered at Mount Vernon Ice Arena at Mount Vernon Rec Center and at Fairfax Ice Arena.
- Students should report 15 minutes before class and be ready to go on the ice at class time.
- Prior to the first class, students should attend a public session to become accustomed to the ice and to determine proper skate fitting.
- Recommended clothing is a sweater or jacket, knit hat, gloves or mittens and warm, comfortable slacks.
