CLEVELAND

| YOUR GUIDE TO A
GREAT SCHOOL YEAR

2026-2027 EDITION

CITY OF CLEVELAND
Mayor Justin M. Bibb

Dear Students, Families, Educators, and School Staff,

Welcome to the 2026 Cleveland All City Back to School FEST!

Today is a celebration of our students, our families, and the incredible community that comes together each year to ensure every child begins the school year with confidence, hope, and the tools they need to succeed.

Education is about much more than what happens inside a classroom. It takes a village. It takes neighbors, educators, families, businesses, community organizations, and volunteers working together to create opportunities for every student. When we invest in our children, we invest in the future of Cleveland.

Every student deserves to walk into school feeling prepared, confident, and ready to learn. No child should have to worry about whether they have the supplies they need to succeed. That is why events like the Cleveland All City Back to School FEST matter. It demonstrates what is possible when a community comes together with a shared purpose and a commitment to supporting our youth.

On behalf of the City of Cleveland, I extend my sincere gratitude to our community partners, educators, volunteers, sponsors, and organizers whose time and dedication made this event possible. Your service reflects the very best of our city and reminds us that we all have a role in helping our students thrive.

To our Cleveland students, this is your time. A new school year brings new opportunities to grow, discover your talents, build friendships, overcome challenges, and achieve your goals. Whether you are walking into a new classroom or beginning your senior year of high school, know that your city is cheering you on every step of the way. Dream big, work hard, stay curious, and never stop believing in what you can accomplish.

As mayor, I remain committed to strengthening educational opportunities across Cleveland by supporting our students, families, educators, and school staff. Together, we will continue building schools and learning environments that prepare every student to succeed in college, careers, and life.

I wish each of you a successful 2026-2027 school year. Have a great first day of school, and enjoy a safe, exciting, and memorable year ahead.

Sincerely,

Justin M. Bibb
Mayor of Cleveland

GET READY TO VOTE!

LAND the Vote is a **City of Cleveland initiative** designed to encourage residents to participate in the civic process in a **fresh, accessible, and innovative way.**

Voting is still one of the most powerful tools parents have to shape the world around them. It's not just about choosing a president every four years. It's about deciding who funds our schools, how our community is policed, what rights are protected—or taken away—and who gets a seat at the table when decisions are made.

Whether it's your first time voting or you need to update your info, we've got you covered.

- ✓ Register to vote or update your info

Integrated Health Initiative

The Integrated Health Initiative (IHI) is designed to increase access to healthcare services for students impacted by the pandemic's disruptions through three key investments.

Support the physical infrastructure to establish three new school-based health clinics in John F. Kennedy High School (operated by the Cleveland Clinic), John Marshall High School (operated by MetroHealth) and Anton Grdina PreK-8 School (operated by MetroHealth).

Scan this QR code for more details on clinic hours, services for families and staff, and general information.

Provide additional health supplies, medical equipment and telehealth infrastructure in schools.

Create community health education awareness to make children, adolescents and their parents/caregivers aware of new health clinics and services to proactively create access to comprehensive health care and quality patient care that improves long-term health outcomes.

Services

- ✓ Annual physicals
- ✓ Immunizations
- ✓ Care for chronic conditions including asthma, allergies, diabetes, and seizure disorders
- ✓ Sports physicals
- ✓ Routine lab tests
- ✓ Prescription medications
- ✓ Teen services
- ✓ Injury/illness care
- ✓ Mental/behavioral health

Locations

Mound PreK-8 School: 5935 Ackley Road, 44105

Clara E. Westropp PreK-8 School: 19101 Puritas Avenue, 44135

Anton Grdina PreK-8 School: 2955 E. 71st Street, 44104

Glenville High School: 650 E. 113th Street, 44108

John Marshall High School: 3952 W. 140th Street, 44111

In 2013, the first school-based health clinic was opened at Mound PreK-8 School in partnership with MetroHealth.

Two additional clinics operated by MetroHealth opened in 2024 at Glenville High School and Clara Westropp PreK-8 School.

Significant investments have been made in the clinics to provide telehealth services when necessary. General dental care will be available as space permits. School health nurses continue to provide care at these and all other schools. And, partnerships with mental/behavioral health, vision, hearing providers remain in place.

Daily attendance improves when students have access to in-school health care, and students do better in school, which leads to increases in graduation rates.

FREQUENTLY ASKED QUESTIONS

What are the benefits for my family?

On-site care makes it easier for families to get help. There's no need to worry about transportation or cost. Students can stay in school, and parents don't have to miss work. Care is quick, so students can return to class right away.

Who provides care at the clinic?

Your child will receive care from a team of trained MetroHealth providers. This team may include:

- Doctors
- Nurse practitioners
- Nurses
- Medical assistants
- Community health workers
- Mental and behavioral health providers

What if my child already has a doctor?

Our School Health Program is designed to complement — not replace — your child's existing care.

How much does a clinic visit cost?

The School Health Program will bill private insurance and/or Medicaid when able.

What if I don't have health insurance?

Our team can also help your child connect with insurance resources.

Do students need parent permission to visit the clinic?

Yes. Parents or legal guardians must sign a consent form prior to a child receiving care. The consent form can be found at metrohealth.org/schoolhealth and returned to your school nurse.

To Make an Appointment Call

216-957-1303 or contact your school nurse.

Check metrohealth.org/school-health website for our clinic schedule, same day appointments may be available.

School-Based Health Program

Healthy kids make great students! Cleveland Clinic Children's is proud to partner with Cleveland Metropolitan School District (CMSD) to keep your child healthy, thriving and ready to learn.

Through our School-Based Health Program, world-class pediatric care is always within reach during the school year. We offer two convenient ways to get care:

- **In-School Clinic:** Full-service pediatric medical care at John F. Kennedy High School
- **Mobile Health Units:** Our clinic-on-wheels that travels to CMSD partner schools

To get care, a student must:

1. Enroll in the program.
[Scan the QR code to enroll.](#)
2. Have a completed consent form on file. Complete the form at clevelandclinicchildrens.org/regform

COLLEGE NOW

Programs & Services

ADVISING

College Now advisors offer vital assistance and valuable college and career planning resources to middle and high school students and adult learners, empowering them to prepare for and navigate educational pathways beyond high school.

SCHOLARSHIPS

College Now offers its own renewable scholarships and manages hundreds of scholarships for other organizations, individuals, foundations and corporations. Renewable scholarships for students with high financial need reduce the burdens of transitioning to and through higher education enrollment, leading to degree or credential attainment.

COACHING & MENTORING

A College Now scholarship comes with a built-in support system. Starting in fall 2026, incoming first-year scholarship recipients will be matched with a dedicated Success Coach to help them navigate college, overcome challenges and stay on track toward graduation. As students progress in their college journey, they'll also have opportunities to connect with mentors focused on career development and professional growth.

ADULT PROGRAMS

Each year, College Now extends vital services to nearly 1,700 adults – ages 19 and older – completely free of charge. Our offerings include scholarship and retention services, personalized higher education and career guidance, assistance with student loan restructuring and a host of other valuable resources.

The Youth Congress (YC) is a youth voice and leadership program where young residents share ideas, set goals, and work on projects connected to issues that matter to youth, schools, neighborhoods and communities. Members meet regularly, engage with City leaders and help bring youth perspectives into City Hall.

ELIGIBLE MEMBERS SHOULD BE:

- Cleveland residents
- Ages 14 to 24
- Active in their community
- Interested in leadership, local government and civic problem-solving
- Ready to set goals and work on youth projects

YC members are selected through recommendations from schools, organizations or City partners.

Mayor Bibb's Junior Mayor's Association

Mayor Bibb's Junior Mayor's Association (JMA) is a hands-on leadership program where high school students step into the shoes of a mayor! You'll learn how city government works, meet real City leaders, and work with other students to tackle real issues and present your own ideas to help Cleveland thrive.

ELIGIBLE STUDENTS SHOULD BE:

- Cleveland residents
- Current 11th or 12th grade students
- Interested in leadership and local government
- Ready to work with peers on community-focused projects
- Eager to share their ideas and help Cleveland thrive.

JMA application information can be found on the City of Cleveland webpage.

Quality of Life Ordinance Guide

The goal of this guide is to ensure all residents are aware of their rights, the rights of your neighbors, and to serve you to our best.

CITY OF CLEVELAND
Mayor Justin M. Bibb

COMMUNITY RELATIONS BOARD

1 Nuisance

Section 683.01

No person shall play any radio, music player, television, audio system or musical instrument in such a manner or at such volume as to annoy or disturb the quiet, comfort or repose of neighboring inhabitants or at a volume which is plainly audible to persons other than those who are in the room in which such device or instrument is played and who are voluntary listeners thereto.

2 Property Nuisance

Section 630.01

A property can be declared a nuisance if three or more such activities occur within 12 months, triggering a warning and the need for an abatement plan. If officers are called out for a nuisance a fourth time in a 12-month period, the property owner will be fined \$250. The fines increase to \$500, \$750 and then \$1,000 each time police are called out for a nuisance after that. The new law also includes due process in case neighbors call and make fake complaints.

3 Curfew

Section 605.14

No child twelve (12) years of age or under shall be upon the streets or sidewalks or in a park or any other public place during the period from darkness to dawn, nor shall any child between the ages of thirteen (13) and fourteen (14), inclusive, be upon the streets or sidewalks or in any park or other public place between 9:30 p.m. and 6:00 a.m. nor shall any child between the ages of fifteen (15) and sixteen (16), inclusive, be upon the streets or sidewalks or in any park or other public place between the hours of 11:00 p.m. and 6:00 a.m., nor shall any child seventeen (17) years of age be upon the streets or sidewalks between the hours of midnight and 6:00 a.m., unless the child is accompanied by a parent or legal guardian, or a responsible adult selected by the parent or legal guardian to supervise the child.

4 Illegal Dumping

Section 551.26

No person shall dump or otherwise dispose of solid waste or industrial waste by commercial car, trailer, semitrailer, pole trailer or truck on any public or private property not licensed as a solid waste disposal facility pursuant to this chapter, (except as provided in Section 551.29).

Any owner of a commercial car, trailer, semitrailer, pole trailer or truck who permits or employs another person to use the vehicle and who knows or should have known through due diligence that the vehicle will be used for the purpose described in this division is guilty of a violation of this division.

5 Animals

Section 603.04

Permitting any dog unreasonably to cause annoyance, alarm or noise disturbance to any person or neighborhood by barking, whining, screeching, howling, or other like sounds which may be heard beyond the boundary of the owner, keeper or harbinger's property under conditions where the animal sounds are shown to have occurred either as an episode of continuous noise lasting for a minimum period of fifteen (15) minutes, or repeated episodes of intermittent noise lasting for a minimum period of thirty (30) minutes. It shall be an affirmative defense under this division that the animal was intentionally provoked by a party other than the owner to make such noise;

Section 205.2

No person shall keep or harbor any animal or fowl in the City so as to create noxious or offensive odors or unsanitary conditions which are a menace to the health, comfort or safety of the public.

6 Parking and Abandoned Cars

Section 630.01

A property can be declared a nuisance if three or more such activities occur within 12 months, triggering a warning and the need for an abatement plan. If officers are called out for a nuisance a fourth time in a 12-month period, the property owner will be fined \$250. The fines increase to \$500, \$750 and then \$1,000 each time police are called out for a nuisance after that. The new law also includes due process in case neighbors call and make fake complaints.

7 Ethnic Intimidation

Section 623.16

No person shall violate by reason of the race, religion, color, sex, sexual orientation, gender identity or expression, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status, of another person or group of persons.

Customer Assistance Resources

C L E V E L A N D P U B L I C U T I L I T I E S

The City of Cleveland Department of Public Utilities (DPU) is committed to providing our customers with reliable and affordable utility services to help make the City of Cleveland a great place to live, work, and raise a family. DPU is comprised of three divisions: Cleveland Water, Water Pollution Control (WPC), and Cleveland Public Power (CPP). While each division works hard to keep water and energy services affordable for all our customers, we know that's not always enough. That's why we offer customer assistance programs to help with the cost of bills and other utility-related expenses.

WATER & SEWER ASSISTANCE PROGRAMS

Eligible customers can apply for one of the two following assistance programs that offer a discounted Cleveland Water and/or WPC bill.

Homestead Discount Program

The Homestead Discount Program offers lower water and sewer rates for eligible Cleveland Water and WPC customers. To qualify, customers must meet the following criteria:

- Be 65 years of age or older, or totally and permanently disabled;
- Own and live at the service address; and
- Meet income guidelines.

To enroll in the Homestead Discount Program, customers must complete and submit an application. Once enrolled, the program eligibility period is good for 3 years, after which a renewal application is required.

For more information or to receive an application, call **216.664.3130** or visit clevelandwater.com/discount-programs

Water Affordability Program

The Water Affordability Program offers the same monthly fixed charge and consumption rate as the Homestead Program. To qualify, customers must:

- Own and live at the service address; and
- Meet current income guidelines.

CHN Housing Partners also offers other services and programs to help with utility-related costs. For more information or to apply, call **216.774.2349** or visit chnhousingpartners.org/utilityassistance

HEAP ENERGY ASSISTANCE PROGRAMS

The HEAP Program provides a one-time benefit to income eligible households to help with home energy bills. It is applied as a direct credit to your CPP account. The amount of this benefit varies and is dependent upon federal funding levels, how many people live with you, and total household income. HEAP offers assistance twice a year as outlined below. Eligibility for one program does not guarantee benefits from both programs.

The following energy assistance programs are available to qualifying CPP customers via CHN Housing Partners or Step Forward. For more information or to apply, call **216.350.8008** or visit chnhousingpartners.org/utilityassistance or stepforwardtoday.org/energy-assistance-programs

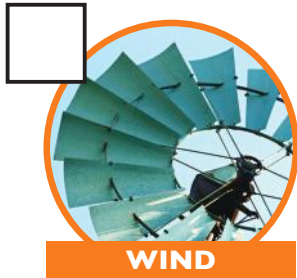

Winter Crisis Assistance

The Winter Crisis Program runs from November 1st through March 31st each year. Eligible households that are at or below 175% of the Federal Poverty Guidelines may qualify to receive up to \$750 per heating season in payment assistance in emergency situations. This is a one-time benefit to help customers who have been disconnected or are facing disconnection maintain, restore, transfer, or initiate their energy utility services.

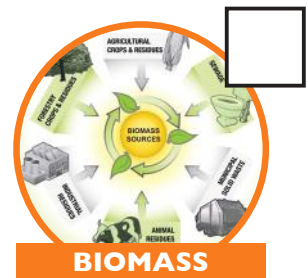

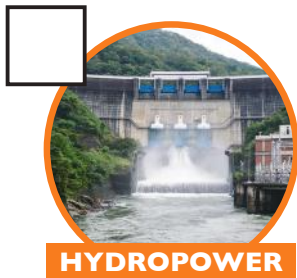

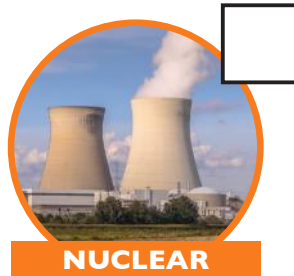

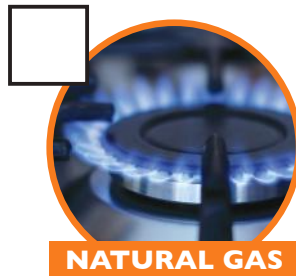

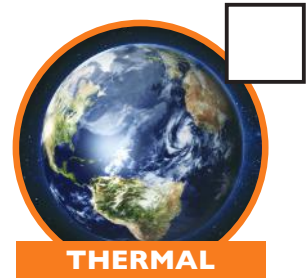

Summer Crisis Assistance

The Summer Crisis Program helps eligible customers with payment of an electric bill or the purchase of a fan or air conditioning unit. Program benefits are available once per cooling season to households who are at or below 175% of the Federal Poverty Guidelines, have a household member age 60 or older, and/or a household member with a documented medical condition requiring air conditioning. The program duration is typically from July 1 through August 31.
