September 26, 2026

OTSEGO
HIGH SCHOOL

Welcome to Otsego Public Schools!

We are thrilled to welcome you to Otsego Public Schools for the 41st annual marching band competition. Today is a celebration of dedication, artistry, and community spirit, bringing together talented student musicians and passionate directors from across the region to share their hard work on our field.

At Otsego, we believe deeply in the power of music and the fine arts to inspire creativity, build connection, and enrich our schools and community. Hosting this event is both a privilege and a reflection of our commitment to supporting student achievement in all its forms.

On behalf of the Board of Education, administration, staff, and students, thank you for joining us today to support these incredible performers. We wish all participating bands the best of luck and hope you enjoy a memorable day at Bulldog Stadium!

OHS: Tradition, Commitment, and Pride

On behalf of Otsego High School, it is my pleasure to welcome our students, families, directors, guests, and visiting bands to the 41st Annual Otsego Band Invitational.

For more than four decades, this event has brought together talented student musicians who demonstrate the very best of what high school activities are all about—commitment, teamwork, creativity, and pride. The performances you will see today represent countless hours of practice, perseverance, and collaboration.

We are especially proud of our Otsego students and the many parents, staff members, volunteers, and community partners who make this tradition possible. Your dedication allows us to continue creating experiences that our students will remember long after they leave Otsego High School.

To our visiting bands: welcome to Otsego! We are excited to have you on our campus and hope you enjoy the opportunity to perform, compete, and celebrate music alongside your fellow musicians.

Thank you for joining us for the 41st Otsego Band Invitational. We hope you enjoy an outstanding day of music, school spirit, and Bulldog Excellence!

Jennifer Courtney

Principal, Otsego Public Schools

A Message from the Band Boosters Board

On behalf of the entire Otsego Band program, we extend our sincerest welcome to all participating bands, directors, families, and community members attending today's invitational. We know that behind every musical performance lies countless hours of hard work and commitment. We applaud the students on the field and their directors for their passion for music education and their unwavering dedication to their craft.

To our spectators, we hope you enjoy the performances and the spirit of sportsmanship on display today. Your support is vital to the success of band programs everywhere. Thank you for championing all of the band students here today.

We also want to extend our heartfelt gratitude to the many volunteers whose efforts make an event of this scale possible. From ticket takers and concession stand operators to field crew and parking attendants, your tireless work ensures a smooth and memorable experience for everyone. This event could not happen without your time and generosity.

Thank you for being a part of this celebration of music and talent. We hope you enjoy the day! Eyes with pride!

15 Years a Band Mom — Forever a Band Family

Three kids, fifteen years, countless early mornings, late-night competitions, and more sunburns and rehearsals than I can count. My youngest graduated in 2023, but once band family, always band family — if you know, you know.

Marching band is a sport, full stop.

I didn't have doTERRA back then, but I sure wish I did — because looking back, it would have made such a difference for all of us: the exhaustion, the immune systems getting run down from back-to-back rehearsals and competitions, the sore muscles and aching feet after hours on the field.

Are you or your student struggling with:

-  Sleep
-  Immunity
-  Digestion
-  Energy

[MY.DOTERRA.COM/AMYGLEWIS](https://my.doterra.com/amyglewis)

AMY LEWIS - 269-207-6845

 Pain or sore muscles

We've got you covered — including electrolytes to help keep students hydrated and performing through long rehearsals and hot competition days, and Deep Blue for the aches and pains that come with hours on the field (because again — this is a sport).

If any of this sounds like your household, I'd love to help current band families avoid some of what mine went through. Reach out anytime — as one band parent to another.

GOOD LUCK TO ALL THE BANDS TODAY!!
