EAGUPCIRCLESKINCARE

At UpCircle, we elevate leftover natural ingredients, bringing them back to life as beauty products your skin will love. Our products are natural, organic, vegan, cruelty-free, palm oil-free, sustainable, handmade in the UK and housed in 100% recyclable packaging. But the key point of difference between other brands and us is that each of our products is made with a core repurposed ingredient. "Natural" is the new "normal" – we go a step further with our waste-fighting formulations. Our products rescue and reuse TEN skin-loving natural ingredients from varied industries across the globe, including the argan, tea, juice, date, olive and wood industries. The only limit to by-product beauty is our imagination!

TURNINGPOINT'S CHIEF EDITOR PRODUCT REVIEW

As chief Editor of this magazine, I had the pleasure to conduct a product review on the Upcircle Face Moisturiser and the Face Serum. They came simply but nicely packaged. I used their products for 3 months, and I have to say my complexion is so much better, clearer and more plumped and healthy looking. My skin is also tighter. The products are not oily or greasy, yet they are rich and creamy and absorb easily into the skin.

I particularly loved the face serum which was rich, easily absorbable, and the smell of the coffee extract I found really enticing.

I have ordered more products from Upcircle. They come highly recommended and because I love the ethos of what they stand for.

A great Way to spice up your life and your skin for the festive season. Be Comfortable in Great Skin
