Branding & Labeling

YOUR BRAND, ON EVERY COUNTER

01

DIRECT PRINT

Your logo is printed directly onto the bottle, leaving it permanently fused to the surface.

02

WATERPROOF LABELS

With a more apothecary feel, the waterproof label stands out on any color bottle, accentuating your logo.

“Amazing seller who
went above and beyond!
Excellent Customer
Service!”

REBECCA H.

03

PRIVATE LABEL

A fully custom label, permanently
printed on your bottle of choice.

Glass Dispensers

THREE SIZES. FIVE COLORS.

Every space calls for its own scale.

8 OZ - COMPACT

The 8 ounce suits a powder room sink or lounge shelf, quiet and out of the way.

16 OZ - EVERYDAY ESSENTIAL

The 16 ounce is our most requested size, built for daily use on a spa counter or main clubhouse bath.

32 OZ - HIGH CAPACITY

The 32 ounce is built for high-traffic areas, group facilities and extended use. It holds enough to outlast a full weekend without a refill.

ONE PUMP. EVERY BOTTLE

Mix sizes and finishes to suit every space. All dispensers share the same silhouette and pumps for a consistent, elevated experience.

MATERIAL OPTIONS Glass • PET Plastic

I'm happy about all my personalized hand wash bottles! Thank you and will definitely recommend to all!

How to Order

FROM FIRST INQUIRY TO FIRST SHIPMENT

01

SELECT YOUR COLLECTION

Choose your bottles, pump finishes, branding method, and accessories to create a collection tailored to your property.

02

REVIEW YOUR DIGITAL MOCKUP

We'll prepare a digital proof showing your branding applied to each product for review and approval before production begins.

03

REQUEST A PHYSICAL SAMPLE (OPTIONAL)

For larger projects, a production sample can be provided so you can review the finish, branding, and quality in person before placing your full order.

04

PRODUCTION & DELIVERY

Once your approval is received, your order moves into production and is carefully packaged before shipping, ready to be installed throughout your property.
