

FAIR

2026 Conference
August 5–7, 2026

The Show Barn at Thanksgiving Point

Welcome to the 2026 FAIR Conference!

This year's conference is about going "back to basics". We've tried to provide answers to the questions that seem to surface most often, so that attendees will be ready to give an answer for the hope that is in them.

There are good reasons to trust in Jesus Christ and His restored gospel. Throughout this conference, you'll hear from speakers who have devoted themselves to careful scholarship, honest inquiry, and faithful discipleship. Their goal is not merely to answer difficult questions, but to strengthen confidence that the restored gospel is true, intellectually sound, and spiritually life-changing.

This conference also carries a tender reminder for many of us. Our dear friend and colleague, Sarah Allen, was deeply involved in planning this conference before her unexpected passing in January. Her love for the gospel, her compassion for others, and her unwavering testimony continue to inspire us. We miss her dearly, and we feel her influence in countless details throughout this event.

Thank you for being here. Whether this is your first FAIR Conference or you've attended for years, we hope you'll leave encouraged, better equipped to defend your faith, and more firmly anchored in the hope that comes through Jesus Christ.

We're grateful to our speakers, volunteers, sponsors, donors, and to each of you for making this gathering possible.

Warmly,
DeLayna A. Beck
Operations Manager, FAIR

Help Us Defend the Faith – Support FAIR!

This year, FAIR has secured THREE Matching Donors!

Think of the impact you can make you're your donation this year! Your \$50 becomes \$200, your \$100 becomes \$400...your \$1,000 becomes \$4,000! The FAIR Conference is our biggest event of the year, uniting faithful scholars and disciples to strengthen testimonies and defend the gospel of Jesus Christ.

But did you know that FAIR provides this conference basically at cost? That's because we believe the messages shared at the FAIR Conference should be available to as many people as possible, regardless of their financial situation.

That's where you come in. Your donation today fuels not just this year's conference but FAIR's work into 2027 and beyond. For details on how to donate, look at page 4 of the program.

Please give generously and consider sharing this campaign!
