THE FUTURE OF INFRASTRUCTURE MAINTENANCE STARTS HERE

Australia's underground infrastructure is under growing pressure. Ageing assets, increasing demand and tighter budgets are driving the need for smarter, safer and more efficient maintenance solutions.

AUSJET26 and LEW26 bring together the technologies, expertise and industry leaders helping councils, utilities, contractors and environmental service providers meet these challenges.

Over two days at Sydney Showground, visitors can review the latest innovations in water jetting, CCTV inspection, robotics, vacuum loading, trenchless rehabilitation, liquid waste management and environmental services.

Whether you're responsible for asset management, operations, maintenance or compliance, AUSJET26 and LEW26 offer direct access to the solutions, insights and industry connections that drive better outcomes.

Why Attend?

SEE EQUIPMENT IN ACTION

The latest technologies and innovations from leading suppliers, including an outdoor LIVE Demo Arena.

LEARN FROM INDUSTRY EXPERTS

Gain practical insights through the FREE Contract Resources Education Hub.

CONNECT WITH THE INDUSTRY

Meet other asset owners, contractors, councils, utilities and industry leaders from across Australia.

IMPROVE OPERATIONS

Find new ways to boost productivity, enhance safety and extend asset life.

Featuring

- Water Jetting & Drain Cleaning
- CCTV Inspection & Robotics
- Trenchless Rehabilitation
- Vacuum Loading & Industrial Cleaning
- Liquid & Environmental Waste Solutions
- Robotics

Two Shows, One Location.

AUSJET AGM & DINNER

The AUSJET/ADCVA Annual General Meeting will be held on Tuesday evening, October 27, 2026 at 5:00pm at Novotel Sydney Olympic Park.

Dinner and drinks will follow the AGM. The meeting takes place the evening before AUSJET26 begins, giving members an opportunity to connect ahead of the conference and expo program.

LIVE DEMONSTRATION ARENA

20-minute LIVE Demonstrations Timetable

Day 1 – Wednesday October 28

Starts at	Exhibitor
2:15pm	BLASTONE
2:35pm	BUCHER MUNICIPAL
2:55pm	HAMMELMANN AUSTRALIA
3:15pm	KOR EQUIPMENT SOLUTIONS
3:35pm	WOMA AUSTRALIA

Day 2 – Thursday October 29

Starts at	Exhibitor
11:00am	WOMA AUSTRALIA
11:20am	KOR EQUIPMENT SOLUTIONS
11:40am	HAMMELMANN AUSTRALIA
12:00pm	BUCHER MUNICIPAL
12:20pm	BLASTONE

What you'll see!

	BlastOne will showcase live UHP water jetting and robotic technology at AUSJET26, demonstrating solutions designed to make surface preparation, hydro demolition, and industrial cleaning safer, cleaner and more productive. See the VertiDrive V400 and V700, NLB 15405D trailer-mounted high-pressure water blasting unit, and NLB Model VPU-1000 Compact Diesel Vacuum System in action and see why these technologies are used in demanding industrial applications.
	See the Kroll Combination Unit on display at Ausjet 2026 and discover the industry leading solution for high-volume sewer and drainage cleaning. As the official Kroll distributor across Oceania, Bucher Municipal provides expert technical support, national service coverage and genuine parts supply, delivering maximum productivity, reliability and operational efficiency.
	Hammelmann Australia will showcase innovative technology never seen in Australia before, highlighting the performance, safety and productivity benefits of Hammelmann Australia's water blasting solutions. This includes the xPRO intelligent safety module for high-pressure blasting guns which redefines occupational safety and operator comfort for high-pressure blasting, alongside the new twin head high-pressure 600HP pump and new ultra-high-pressure twin 200HP pump trailer.
	KOR will be showcasing the Gerotto remotely operated cleaning system, designed to remove operators from high-risk environments such as confined spaces, tanks, pipelines, and other hazardous areas. By combining advanced robotic technology with powerful cleaning performance, Gerotto helps improve safety while delivering exceptional results.
	WOMA Australia will demonstrate high-pressure and ultra-high-pressure water jetting technology, including automated and semi-automated surface preparation and industrial cleaning equipment. The demonstration will showcase the safe, efficient, and environmentally responsible use of high-pressure water for industrial applications, highlighting the performance, precision, and productivity benefits of automated water jetting systems.

TRADIES TOOL BOX BBQ

Round off day two with the Tradies Toolbox BBQ, a great opportunity to network, share stories, and enjoy a traditional sausage sizzle with industry professionals.

**Thursday October 29,
from 1:30pm**

NETWORKING DRINKS

Catch up with industry peers, exchange ideas, and build meaningful connections in a relaxed and welcoming setting. Enjoy complimentary drinks and make the most of this opportunity to expand your network.

**Wednesday October 28,
from 4:30pm**

EDUCATION HUB PROGRAM

Tuesday October 27, 5pm: General Meeting and AGM Novotel Sydney Olympic Park

DAY 1 PROGRAM – WEDNESDAY OCTOBER 28

8:00am – 9:00am	Coffee and Networking
9:00am – 9:15am	Welcome – Peter Bradford & Peter Jones
9:15am – 9:45am	Transforming the NextGen in Construction Lauren Fahey – Executive Director Nex Gen Construction
9:45am – 10:15am	PANEL: Safer, Smarter, Skilled: Building the Next Generation of Industry Professionals Facilitator – Lauren Fahey, Executive Director Nex Gen Construction Reece McCrystal – KOR (Chair NextGen Committee), Andrew Bates Den-Jet (NextGen Committee)
10:15am – 11:00am	Morning Tea / Visit Exhibitors
11:00am – 11:45am	Productivity, Innovation and Construction Industry Challenges Peter Colacino – Chief Executive Officer. Australian Constructors Association
11:45am – 12:15pm	Targeted High-Pressure Water Cleaning Using Contract Resources' flash tank cleaning rig
12:15pm – 1:00pm	Structured Capability Pipeline James Moohan – EMBA Vertical Horizons
1:00pm – 1:45pm	Lunch / Visit Exhibitors
1:45pm – 2:15pm	Drain Cleaning Safety – Jetting Asbestos Pipes Ethan Leeds – Trainright
2:15pm – 4:30pm	Visit Live Demos and Exhibitors
4:30pm – 5:30pm	Networking Drinks and Innovation Safety Awards

DAY 2 PROGRAM – THURSDAY OCTOBER 29

8:00am – 9:30am	Women in Industry Breakfast. PANEL: See her. Be her. Trailblazing journeys Facilitator: Lorraine Duffy Chloe Van Praet - Trainright, Billie Dowds - Aqua Prep, Alice Haddon - Chief Fluid Systems
9:30am – 9:45am	Welcome – Peter Bradford
9:45am – 10:15am	Panel: NextGen vs the Old Guard Bill Kelly, Ian Blevin
10:15am – 11:00am	Morning Tea / Exhibition Floor
10:45am – 11:00am	Guy Jellicoe Scholarship Presentation
11:00am – 1:30pm	Visit Live Demos and Exhibitors
1:30pm – 2:30pm	Tradies Tool Box Sausage Sizzle and Visit Exhibitors
2:30pm – 3:00pm	Conference Close – MC Peter Bradford

* Program correct at printing, please check website for final details

LEW26: A DEDICATED PLATFORM

For an Essential Industry

For the first time, Australia's liquid and environmental waste sector has a dedicated event focused on the unique challenges and opportunities facing the industry.

Liquid & Environmental Waste Expo (LEW26) provides a long-overdue platform for collaboration, learning and networking, bringing together waste operators, contractors, councils, utilities, environmental service providers and technology suppliers under one roof.

A key strength of LEW26 is its co-location with AUSJET26, creating a natural crossover between the liquid waste, environmental services, industrial cleaning, infrastructure maintenance and high-pressure water jetting sectors.

Many organisations operate across these industries or face similar challenges around productivity, compliance, safety, asset maintenance and workforce shortages.

Together, the two expos provide a unique opportunity to explore solutions from across the entire operational ecosystem.

Why Visit LEW26?

- Discover practical solutions across liquid waste, resource recovery, wastewater maintenance, environmental monitoring, automation and safety.
- See equipment and technologies live, compare suppliers side-by-side and evaluate what will work best for your operation.
- Learn from industry experts through live demonstrations and free educational sessions.
- Build valuable connections with peers, suppliers and decision-makers from across the waste, environmental and infrastructure sectors.

More than just an exhibition, LEW26 is a meeting place for the industry. It is an opportunity to share knowledge, identify smarter ways of working and uncover innovations that can help organisations improve efficiency, strengthen compliance and deliver better environmental outcomes. For professionals looking to stay ahead of industry challenges and opportunities, LEW26 is a must-attend event.

WOMEN IN INDUSTRY BREAKFAST

Calling all women (and interested men) passionate about the world of water jetting to join us for breakfast on Thursday October 29.

Enjoy a complimentary coffee/ tea and a light breakfast spread while we gather to celebrate and empower women in the industry.

Hear from inspirational speakers, network with like-minded individuals, share insights, and forge meaningful connections. Whether you're a seasoned professional or just beginning your journey, all are welcome.

Register from 7:45am. Panel starts 8:00am.

CELEBRATING THE NEXT GENERATION

AUSJET26 will highlight the future of the industry through the work of the **AUSJET NextGen Committee**, a group dedicated to engaging young professionals, supporting emerging talent, and helping shape the future direction of the water jetting, drain cleaning and vacuum loading sectors.

A key focus of the committee's work is the **Guy Jellicoe Scholarship**, a new industry initiative created to recognise practical innovation and fresh thinking from the next generation of professionals. Named in honour of industry pioneer Guy Jellicoe, the scholarship celebrates ideas that have the potential to improve safety, productivity and operational performance across the industry.

The scholarship reflects AUSJET's commitment to fostering innovation, professional development and industry leadership, while providing a platform for young

professionals to turn real-world experience into meaningful industry improvements.

"One of the biggest opportunities for our industry is unlocking the ideas of the next generation. The Guy Jellicoe Scholarship gives young professionals a platform to turn practical insights into real innovations and highlights the important role they will play in shaping the future of our industry."

Reece McCrystal, Chairperson, AUSJET NextGen Committee

Guy Jellicoe Scholarship Award winner announced by Patricia Jellicoe and Dianne Blevin.

Thursday October 29: 10:45am

Helping build a stronger, safer and more progressive future for the industry.

RECOGNISING EXCELLENCE IN SAFETY & INNOVATION

AUSJET26 will also celebrate the industry's top achievers through the presentation of the **AUSJET / ADCVA Innovation Safety Awards**.

Held in conjunction with the conference, these prestigious awards recognise organisations and individuals who are making a significant contribution to industry safety, innovation and operational excellence.

Awards will be presented across three categories:

Contracting Company Award

Recognising organisations that have demonstrated exceptional safety culture, innovation and workplace wellbeing initiatives.

Supplier Company Award

Celebrating suppliers and service providers who have improved industry safety through innovative products, equipment or services.

Operator Award

Recognising outstanding operators who lead by example, champion safe work practices and consistently deliver excellence in the field.

The awards highlight the innovation, commitment and leadership that continue to raise standards throughout

the industry and reinforce Australia's position as a world leader in safe, professional jetting and vacuum operations.

See more about the awards here by scanning the QR code.

BE THERE WHEN THE WINNERS ARE ANNOUNCED

From celebrating emerging talent through the Guy Jellicoe Scholarship to recognising industry-leading safety achievements through the Innovation Safety Awards, AUSJET26 will shine a spotlight on the people and organisations helping shape a safer, smarter and stronger future for the industry.

Join us at AUSJET26 and be there as the industry's best are recognised and the next generation of leaders takes centre stage.
