

Deok ' s day

by Doyeon

About the Author

**Hello! My name is Doyeon.
I'm a first-year middle school
student.**

**I like reading novels and dancing
I wrote this story because I
wanted you to know that hard
days are part of my beautiful life.
Thank you for reading my book.
I hope you enjoy it.**

After the sun rises, Deok gets
ready to go to school

Deok is going to school
with my bag on

The teacher gave Deok a question, but
Deok doesn't know the answer very well

Deek wa embarrassed because she said
the wrong answer while presenting in
front of his friends.

Sitting alone during a break, Deok
thinks, “Why am I not good?”

Deok practices with his friends when
they ask him to study together.

Deok announced again next time, and most of them answer correctly his time.

Deok is proud of himself today on
his way home from school

Deok learns and grows every day and realizes
that hard days are part of her beautiful life
