Greater Houston

Easter Seals Greater Houston's Children's Therapy Program is designed to help kids live, learn, work and play through our physical, occupational and speech therapy services. Each of its dedicated therapists has specialized training and experience in working with children at risk, delayed or diagnosed with a disability to promote growth and development. The goal of the program is to allow the child to be as independent as possible and participate in family, school, and community activities.

**Bring home your new
forever friend!**

**OUR ADOPTION CENTER
IS NOW OPEN!**

We will welcome animal lovers inside the Adoption Center by appointment only. You can book an appointment from 10:30 a.m. to 5 p.m. by calling 713.869.7722 (SPCA).

BROWSE LIVE CAMS

Follow us @HoustonSPCA on social, and we'll send you an alert when the cams are live!

CAT CAM

This live streaming camera lets you check virtually and visit some of our adoptable cats. It's paws-tively feline fun!

DOG CAM

Dog cam will introduce you to some wonderful pets so you can get to know them better.

**To support Houston SPCA and our work, consider giving a gift to help all the animals in our care and those we are out rescuing 24/7.*

The reopening will also come with some new, personal touches for visitors. Every individual or family will be assigned their own experienced Adoption Counselor when they arrive on campus for their appointment. The AC will guide them through the process of meeting and interacting with available pets based on their personal preferences such as puppies and small dogs in the large get-acquainted spaces; small pets like rabbits and guinea pigs in habitats as well as felines in the Kitty Lodge or large dogs in one of several play yards.

artist BOAT

Artist Boat was founded in 2003 as a nonprofit organization with the purpose of protecting our Gulf Coast through land conservation and fun, educational, inspiring adventures that spark creativity, awareness and action.

NATURE TOGETHER FAMILY CAMP

Ages 5 & Up

Discover the coastal environment through hands-on activities, creative projects, and outdoor exploration. Together, families will learn about local wildlife and ecosystems while creating nature-inspired artwork and connecting with the environment.

WHERE THE WILD THINGS GROW

Ages 5 & Up

Explore the prairies of the Coastal Heritage Preserve on a guided walk through the landscape.

Learn to identify native plants, discover animal tracks and signs, and uncover the historical and cultural significance of this unique coastal habitat.

WATERCOLOR AND WETLANDS

Ages 12 & Up

Participants will discover how wetlands support wildlife, protect our coast, and keep ecosystems healthy while creating plein air watercolor paintings.

This activity is perfect for those new to watercolor painting, those with art skills that want to learn about wetlands and paint in a beautiful place and those that want to share nature with the next generation.

WHERE THE WILD THINGS GROW

Ages 12 & Up

Explore the Coastal Heritage Preserve through nature journaling.

Participants will slow down, notice the details of the coastal landscape, and document plants, wildlife, and natural patterns through art.

READ·A·RIFIC®

The Best Reading Comprehension Program

Every child deserves to feel capable and confident in their learning!

Many struggling learners have never been taught the important foundational skill that makes comprehension, memory, and independence possible.

That skill is visualization — the brain's ability to create meaning from what is heard and read.

Discover how this approach works — and how to begin supporting your child at home!

Read-A-Rific® is an affordable, step-by-step online reading comprehension program that teaches the foundational skill of visualization in short, guided sessions — approximately 15 minutes a day.

Read-A-Rific® is perfect for:

Parents and Guardians

Homeschooling

Schools

Read-A-Rific® is a vendor for various schools & ESA Scholarship Programs across the country, including Texas PDSES, and TEFA - Texas Education Freedom Accounts and continues to grow.

Janel Nansenn, M.A., is an Educational Therapist, author, speaker, online course creator and founder of Read-A-Rific®, LLC. Janel earned a Master's degree in speech-language pathology and audiology, and over the years, has established five successful private practices/learning clinics in four different states, helping many clients from the age of five through adulthood become independent learners.

BEZOS ACADEMY

**At Bezos Academy,
the child always
comes first.**

**We provide programming
5 days a week, for children
ages 3-5 years old.**

Our preschools are offered at no cost to families who qualify through fully supported scholarships and public funding.

**Our Curriculum is designed around
four key areas:**

- ✓ Child-centered
- ✓ Culturally responsive
- ✓ Standards-based
- ✓ Montessori-inspired

These four areas drive our decisions on what is taught in our classrooms, ensuring that a high-quality learning experience is offered to each child and that developmental outcomes meet or exceed the national standards for early childhood education.

You can make **wonder** happen.

There is nothing like the wonder of a young child.
But not every child has the same access to education.

We are working to change that by providing
innovative learning opportunities for Houston's
most vulnerable 0-5-year olds.

If you share our passion for making wonder happen, we
invite you to **support Collaborative for Children** with a year-
end gift **by texting the keyword "QualityED" to 41444.**

*Together, we can usher in a future bright
with possibility for every child.*

Field Trips and Distance Learning

Field Trips

Guided field trips accommodates visitors of all ages. SCT provides field trips for daycares, scout packs, high school science classes, nature clubs, senior centers, and more.

Field Trips may include tours of the hatchery, aquariums, and wetlands. A story time session may replace the hatchery tour for groups with mostly children younger than 8 years old.

Distance Learning

Connect with real scientists and bring marine science education to your classroom with virtual learning programs.

From marine food webs, to fish morphology, to wetland water science, we offer a variety of TEKS aligned programs for all grade levels. Sea Center Texas' distance learning programs are always free.

Sea Center Texas is a fish hatchery, marine aquarium, and education center operated by the Texas Parks and Wildlife Department.

Education and Engagement at Sea Center Texas Includes:

- Aquarium Tours
- Angler Education
- Touch Tank
- Kayaking Courses
- Diving Presentations
- Distance Learning
- Field Trips
- Hatchery Tours
- Summer Camps
- Story Time

Celebrate Special Events Throughout The Year:

- Public Youth Fishing Days
- Nature Day
- Shark Celebration
- Sea Center Spooktacular
- Christmas with the Fishes

Since 1974, the Down Syndrome Association of Houston has been providing lifelong education, support, and resources to individuals with Down Syndrome, their families, and their communities.

- Y Resource Center
- Y Community Groups
- Y New Parents Support
- Y Youth & Family Social Activities
