Debbi Stybel

Hebrew Reading

Carly Rosen

Hebrew Reading

Shayla Mostyn

Hebrew Reading

MADRICHIM

A madrich is a guide, and our school has an amazing cohort of teens who choose to continue being part of the Adat Shalom community on a weekly basis! Beginning in eighth grade, teens may volunteer or work within the school as classroom assistants.

Teens complete regular training and learn how to best assist the classroom teachers and their students.

Madrichim often work with students in small groups during Hebrew reading, help students with projects, run activity stations or games, and more.

WHAT TO BRING

What to Bring

- A refillable water bottle
- Money for tzedakah
- A snack or money to purchase a snack
- Tallit and/or tefillin once post-b'nai mitzvah
- Your bag (teek) - new students will receive one in September
- A kippah (required for boys; optional for girls)

What not to Bring

- Cell phones
- Smart watches
- Handheld video games
- Toys from home

Both cell phones and smart watches are a distraction to learning, and cause a significant amount of distress if they are lost or broken. Please keep these at home. If you need to reach your child, please contact the school office. If your child needs to reach you, we will gladly assist.

SNACKS

Students may purchase snacks and/or drinks before school. All snacks are kosher and nut free, and we always have dairy free and gluten free options available.

If you would like to send a snack from home, please ensure it is kosher and nut free. You may preorder snacks/bagels for the year with your registration.

COMMUNICATION

Email

Every week during the school year, we send out an email to all addresses in our system. These emails contain important highlights of the coming week, dates to remember, special notices, information about upcoming programs of interest, and any changes to our regularly scheduled programming.

If you do not receive teacher emails or messages, please contact your child's teacher directly to be sure he or she has the correct email address/phone number. If you do not receive Learning Community emails, please make sure we have your correct email address and that you have not opted-out of emails from us.

SMS / Texting

Ahead of important programs, or in the event of a school cancellation, we send text messages to parents.

Family Hub

The school's Family Hub will have links, sign ups, announcements and more. It is updated frequently and is located [here](#).

Facebook

We have a closed Facebook group, called "Adat Shalom-Beth Achim Learning Community." Please request to join! You can also "like" Adat Shalom Synagogue's Facebook page to get updates on synagogue activities and items of interest.

DROP OFF + PICK UP

Car Line

Sundays:

Kaufman Entrance

- Drop off: 8:45 to 9:05am
- Pick up: 12 to 12:10pm

Wednesdays:

Canner Entrance

- Drop off: 3:45 to 4:30pm
- Pick up: 6 to 6:10pm

Parking

Sundays and Wednesdays: Canner Entrance

Follow these directions if:

- Your child is in PreK, K, or 1st grade
- You need to pick up early or bring your child late.
- You want to have a conversation with a staff member
- Your children want you to walk them to the classroom

Late drop off or early pickup:

- Park and enter through the West Entrance (Canner).
- Security will buzz you in from the door on the right.
- Come directly to the school office to sign in or out.

Students in PreK, Kindergarten and 1st Grade must be picked up by an adult inside the building. If you would like an older sibling to pick your younger child up from the classroom, you must provide this information in writing.

- Enter at Middlebelt Road & Exit at 13 Mile Road
- Follow the traffic pattern & pull forward
- Do not leave your car unattended

EDUCATIONAL SUPPORT

Opening the Doors

We welcome children with differentiated needs into our classrooms. An Opening the Doors specialist works with students who have learning challenges and/or special needs, as well as with their teachers and madrichim on methods of inclusion and integration and differentiated learning strategies. Opening the Doors is a program of Jewish Family Services.

IEP and 504 Plans

We request that if an IEP or 504 plan (or similar) exists, that families provide those to us so that we can aim to achieve the same benchmarks and understand the specifics of your child's needs.

Buddies

Students who need a teen buddy/shadow are provided with one at no cost to the family. These teens are specially trained to work one-on-one with students with special needs, and often work with the same child for multiple years.

In cases where an adult paraprofessional is needed, please contact the office to discuss arrangements and costs.

HEALTH + WELLNESS

Please keep your child home if ill! If your child or anyone in your family tests positive for COVID-19, the flu, or any other contagious illness, please consult with your family doctor as to who needs to stay home. We strongly encourage everyone to remain up to date on flu and covid boosters as well as other vaccines.

Allergies & Medical Conditions

If your child has an allergy or medical condition, we must have an emergency protocol and current emergency medications, epi-pens, and/or inhalers in our office. Our school environment is nut free (you may not bring food that “may contain tree nuts or peanuts” or are “processed on shared equipment with tree nuts or peanuts”). We have students in the school with airborne nut allergies.

Thank you for keeping all our children safe.

SAFETY + SECURITY

There are GABRIEL alarm systems installed throughout the main level of the Synagogue. These are emergency devices that alert the police in case there is an active threat in the Synagogue. These are ONLY to be pressed and activated in case of emergency. Please make sure you and your child(ren) do not lean on or play with these devices.

In addition, security cameras around the building keep us secure. Additional security measures are in place throughout the year, including security personnel on site.

Fire and Emergency drills will take place throughout the year.

Adat Shalom contracts a specific security team, Shamar Services, LLC. They are on site for each school day and special events and programs. Additionally, on Saturday mornings and when deemed advisable, officers from the Farmington Hills Police Department are on site.

Our security team and education team carry walkie-talkies.

ACCESSIBILITY

Accessibility

The school is located on the ground floor of the building. We have an elevator located at the far end of the building, across from an accessible and gender-neutral bathroom. Families who need to access the building without stairs should call the school office to have the doors near the elevator unlocked.

All Gender Restrooms: On the lower level near the Kaufman Entrance/Exit there is an accessible and unisex restroom. There is an additional all-gender restroom upstairs in the Breakfast Room, and two near the clergy wing.

Bathrooms

There are single-stall bathrooms in/adjacent to rooms 102, 103, 104 and 105. Men's and women's restrooms are also located in the lower atrium (near the bottom of the circular stairs), inside the lower level kitchen, and on the mid-level outside the Israel Room, in addition to the main restrooms upstairs by the clergy wing and the sanctuary.

The restroom in Melissa's office has a supply of menstrual products and additional personal hygiene items that are available to anyone who needs.

OUR MISSION

We are committed to enriching the lives of students and families within our congregation in a nurturing environment through diverse Jewish educational experiences according to the values of Conservative Judaism as they relate to God, Torah, holidays, prayer, history, the Hebrew language and the State of Israel. Our school promotes connections between and among families, the synagogue, the community and the State of Israel, creating a path to a happy and meaningful Jewish life.

OUR VISION

Our students take pride in being Jewish through an education focused on age-appropriate, experiential learning that enhances each student's appreciation for lifelong learning and living as Jews. As an important part of our synagogue community, students gain an understanding of the way Conservative Judaism is practiced at Adat Shalom Synagogue. They have a strong sense of Jewish values, ethics, Torah, traditions, Israel, and tikkun olam (social action) and have the opportunity to lead as well as participate in tefillot (communal prayer). Their understanding of Judaism gives them a sense of who they are and an appreciation of their role in the larger Jewish community that will last a lifetime.

OUR LEARNING ENVIRONMENT

Our school is warm and nurturing. Students feel safe and free to express themselves. Our learning environment is one of mutual honor and respect. Dedicated, creative and enthusiastic teachers guide our students using different learning modalities while meeting the needs of each student. They create a student-centered, active learning environment that extends beyond the classroom into the lives of our students and their families.

OUR FAMILIES

Our families are part of a diverse, engaged and motivated community. They are connected to each other, to Adat Shalom Synagogue, and to the larger Jewish community. By offering meaningful experiences, celebrating holidays and Shabbat, our school provides students and their extended families with opportunities for ongoing spiritual growth.

OUR CONGREGATION

The Rabbis, Hazzan and other professionals have an active and visible role in the school. Having developed meaningful connections with our clergy and staff, our students and families feel valued in the greater congregation and are motivated to be involved in all aspects of Adat Shalom Synagogue.
