WELCOME!

Dear Competitors, Judges, Club Representatives, Sponsors, Guests, and Fellow German Shepherd Enthusiasts,

On behalf of the GSSCC Ontario Region and our host clubs, Oneida Working Dog Club and Saugeen Schutzhund Club, it is my pleasure to welcome you to the 2026 Canadian German Shepherd Dog National IGP Championships & Sieger Show.

We are proud to host this prestigious event here in Ontario, a region that is passionate about our sport and dedicated to preserving and promoting the German Shepherd Dog we all admire.

Hosting a national event of this size is no small undertaking. As many of us know, finding clubs willing to take on the responsibility has become increasingly challenging. Rising costs and the need for countless volunteers make organizing an event like this a tremendous commitment. That is why I would like to extend my sincere appreciation to the members of Oneida and Saugeen for accepting this challenge. Through careful planning, hard work, and dedication, they have made this championship possible, and our entire organization is stronger because of their efforts.

This championship represents the very best of our sport. It brings together outstanding dogs and skilled handlers who have dedicated countless hours to training, building trust, and developing the partnership that makes each performance possible. Whether you are competing, judging, volunteering, sponsoring, or cheering from the sidelines, each of you plays an important role in making this event a success.

To our competitors, I wish you the very best of luck. May you and your dogs compete safely, enjoy every moment, and take pride in everything you have accomplished to be here. To our judges, sponsors, volunteers, and organizers, thank you for your time, commitment, and generosity. Without your support, this championship would not be possible.

I hope everyone enjoys a weekend filled with outstanding competition, lasting friendships, and a shared appreciation for this remarkable breed. May every performance reflect the dedication and teamwork that define our sport, and may each participant leave with memories to be proud of.

Welcome, and best of luck to all.

Gobei Ramendra

Chairman | Regional Board of Directors - Ontario

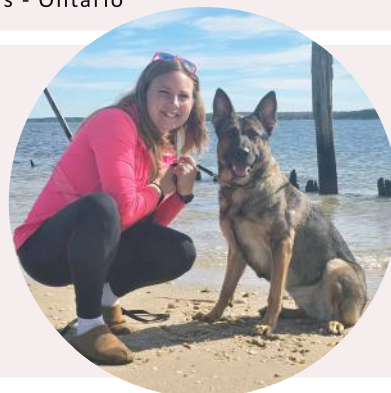

My name is Shandra Dinsmore, and I have proudly served on the Board of Directors as Secretary/Treasurer since 2021. I have been involved in the sport of IGP for nearly 20 years, and it has been an incredible journey filled with learning, friendships, and unforgettable experiences.

My first sport dog, Bora, and I earned our IPO3, Breed Survey, and AD, accomplishments that laid the foundation for my passion and commitment to the sport. Beyond competing, I have had the privilege of serving as Trial Manager for numerous clubs and trials, helping ensure successful events for competitors and volunteers alike.

I am excited to welcome everyone to the Nationals in Ontario this year and look forward to seeing familiar faces, meeting new competitors, and celebrating our shared passion for the sport. Wishing the very best of luck to all the competitors—I hope you have a successful and enjoyable trial.

Shandra Dinsmore

Ontario Regional Secretary/Treasurer

Since first becoming involved in the German Shepherd Schutzhund Club community in 2014, I have been actively involved in trialing and handling German Shepherd Dogs while also taking on significant leadership and administrative roles within the sport. Over the years, my involvement has expanded beyond competition to include responsibilities as both a Trial and Show Manager, supporting the planning, organization, and successful execution of numerous events.

In addition to my event management experience, I have been privileged to serve on the Ontario Regional Board. I currently hold the position of Show Director, where I work closely with fellow board members, exhibitors, and GSSCC members to deliver quality events that reflect the high standards and traditions of our sport.

I remain committed to supporting the breed, fostering sportsmanship, and contributing to a positive and successful future for our community. It is an honor to serve alongside so many passionate individuals who share a common goal of preserving and promoting the German Shepherd Dog.

As we gather for another National event, I look forward to celebrating the accomplishments of our members, welcoming new participants, and enjoying the camaraderie that makes our organization so special. Looking forward to another exceptional National event. Happy Training!

Katie Collins

Ontario Regional Show Director

Hello and welcome to all!

As both a recent appointee to the Ontario Regional Board of Directors, and an active member of the co-hosting Oneida Working Dog Club, I sincerely hope everyone feels welcomed in the Region and at the Nationals this year.

I didn't seem to leave myself enough room on this page when putting the Catalogue together, so would like to take the space I do have to thank all the members of both clubs organizing the Nationals this year, the competitors, the spectators, and especially all of our generous and varied sponsors. Without the support of all these people, groups, and businesses, our sport and events like this would not be possible - you have my heartfelt thank you, and ENJOY!

GSSCC & SV

Hello to all,

I am in the Sport of Schutzhund for over 50 years and have been active since as Handler, Helper, Judge and many other volunteering positions. At this time I am the East Region Chair and President of the PEISC. As an SV/GSSCC Judge for over 30 years, I judged unaccounted Regional and National Championships. I was honored to judge at four WUSV World championships including last years WUSV IP in Slovenia.

I trained many dogs and participated in more than 240 trials with 26 dogs as an active handler! As of today, I competed at eight World Championships with dogs raised, trained and titled from my own breeding program – Kennel "vom Kiebitzende". Proud to say, I am still an active dog handler and helper! In the combination as handler, helper and judge, I was able to visit over 30 countries everywhere in the world! Staying up to date with modern dog training and educate myself with the rules and their interpretation is my daily challenge.

I hope to see a lot of old dog friends and can meet some new once. It will be a pleasure to be part of the GSSCC National Championship 2026.

To all competitors and organizers – safe travels and best of luck!

Andreas Weigel has been an SV member since 1989 and became an SV Breed Judge in 2019 and Körmeister in 2022. He is the breeder behind the successful "vom Almhof" kennel, founded in 1988, where he has produced approximately 150 litters. His breeding program has earned multiple breeder awards in bronze, silver and gold, and dogs from his kennel have achieved top placements at national and international Sieger Shows. Herr Weigel is recognized for his dedication to preserving the German Shepherd as a functional working dog while maintaining outstanding breed quality.

HELPERS

Zachary Todos

Front Half IGP Trial & Front Half Sieger Show

When I got my first dog, Rex, back in the summer of 2020, I had no idea what that would introduce me to the world of dog sports nor that it would become such an important and enjoyable part of my life. I have been involved in trial helper work with Schutzhund almost from the time I first learned of and became involved in the sport with the Central Plains Schutzhund Club in Saskatoon, SK in 2021. In the spring of 2022, less than a year after I first started, I received my club level helper certificate and started doing club trials. Over the following years I had the opportunity to start doing Regional and National Championships, including being selected to do the Breed Surveys. My love of the sport has only grown over the years and will continue to grow the more I compete and step onto the field each time. I am very honored and excited to be selected as one of the helpers at this years 2026 GSSCC Nationals, good luck to all the competitors, can't wait to see you and your dogs on the field.

Guillaume Beurent

Back Half IGP Trial

Hi everyone,

My name is Guillaume Beurent and I come from Belgium, and I am living in Canada since July 2023.

I acquired the passion of dogsport because my parents trained and bred Briards.

I started helper work in 2004, and did my first Belgian championship in 2009.

Since then I was qualified for more than 25 Belgians qualifications, including CACIT trials in Belgium, France, and Luxembourg.

From 2008 to 2023 I was a National level helper in Belgium.

I did 4 Belgian championship all breed: 2009, 2016, 2018, 2021

3 Belgian championship for the Malinois : 2009, 2016, 2019

4 Belgian championship for the GSD :2016, 2017, 2019, 2023

And I was a pre-selected helper for FMBB 2011

In Germany, I was selected twice for the Landesgruppe Niederrhein in 2018 and 2019.

One of my biggest accomplishments in Europe was the DVG BSP 2019

Since I have been in Canada I have done Québec Regionals, Ontario Regionals (2024, 2026), CWDF (2024, 2025, 2026), and GSSCC (2024).

I wish good luck to all the competitors

Gobei Ramendra

Alternate IGP Trial & Back Half Sieger Show

Hello everyone! My name is Gobei Ramendra, and I am proud to represent the Ontario Region as a helper for the 2026 Canadian German Shepherd Dog National IGP Championships & Sieger Show. For those I haven't had the chance to meet yet, here is a little about my journey:

I am a National Helper from Woodstock, Ontario. I started my Schutzhund journey in 2018 at Rogue Working Dog Alliance under the guidance of Shanon Rawlinson and Wallace Payne. Since then, I've been fortunate to work over 120 dogs through club training, trials, and championship events. These experiences have helped me continue to grow both as a helper and a handler.

On the handler side, I titled my German Shepherd, Arav von Ducasse, to IGP3 and competed with him at the 2024 CWDF Championship. Arav is now retired from active IGP competition and we are focusing on tracking with the goal of achieving his IFH-3. I'm also currently bringing along a young dog I imported from Italy, Leon Dei Realnardi, and enjoying the process of developing the next generation.

I believe there is always something to learn in this sport, and I value every opportunity to work with and learn from judges, helpers, and competitors. I'm passionate about supporting the growth of IGP while representing the sport with professionalism, respect, and good sportsmanship.

Being selected as a helper for this championship is a meaningful milestone for me. Thank you to everyone involved for the trust and opportunity. I look forward to serving the organization, supporting the competitors, and contributing to a successful event alongside everyone involved.

GLYCOCHARGE

CANINE POST-EXERCISE SUPPLEMENT

Annmaet Glycocharge has been considered the gold standard for post exercise glycogen repletion since 1997. Glycogen is one of the fuels used by the body during strenuous exercise. It is the fuel that provides endurance and is also a primary energy source for short term, high intensity workouts. Glycocharge is a dry powder supplement that can be mixed with water or frozen into ice cube treats, and is formulated to aid in the rapid repletion of muscle glycogen stores following periods of work or exercise.

- Studies show that dogs supplemented with Annmaet Glycocharge reached 50% of their pre-exercise glycogen levels within 4 hours after consumption, and 97% of their pre-exercise levels after 24 hours
- This can be compared to dogs in the study that were just given water who's glycogen levels never exceeded 50% of their pre-exercise levels in the same time span
- Data has shown that if given within an hour of exercise muscle takes up glucose regardless of insulin levels

INGREDIENTS

Maltodextrins, Poultry Liver, Dried Egg Product, Dextrose, Salt, Potassium Chloride, Calcium Carbonate, Magnesium Oxide, Iron Proteinates, Betaine Anhydrous, Brewers Dried Yeast, Zinc Proteinates, Manganese Proteinates, Copper Proteinates, D-Calcium Pantothenate, Vitamin B12 Supplement L-Carnitine, Pyridoxine Hydrochloride, Vitamin A Acetate, Vitamin D3 Supplement, Thiamine Mononitrate, Calcium Iodate

Available in 160g (16 count) & 300g (30 count)

RECOVERY CHEWS

CANINE POST-EXERCISE TREATS

Boost your canine athlete's performance with Annmaet Recovery Chews, the innovative treat form of our popular Glycocharge post-exercise supplement. Designed to rapidly rebuild muscle glycogen stores, these chews fuel your dog's recovery and can also be used to provide an immediate energy boost during exercise. One 10g dose of Glycocharge powder is equal to one 10g Recovery Chew.

Backed by scientific research, Annmaet Recovery Chews boast an impressive 89.6% digestibility! While the typical soft chew has a digestibility range of 27.5% to 85%, Recovery Chews break down rapidly ensuring quick absorption and minimal risk of gastric issues. This increased digestibility results in a safe and easy means of post-exercise repletion for your canine athlete.

- **Betaine Anhydrous** aids in performance during the heat and humidity
- Both **Coconut Glycerin** and **Maltodextrins** are known immediate fuels to the canine athlete
- Formulated by a Board Certified Veterinary Nutritionist & backed by 40 years of experience with canine athletes

INGREDIENTS

Maltodextrins, Oat Flour, Coconut Glycerin, Tapioca Starch, Natural Flavor, Sunflower Lecithin, Water, Coconut Oil, Betaine Anhydrous, Buffered White Distilled Vinegar, Citric Acid, Rosemary Extract, Sunflower Oil

CALORIE CONTENT

Metabolizable Energy, as fed (calculated)
3520 kcal/kg = 1600 kcal/lb = 35 kcal/10g chew

Available in 200g, 400g, & 5lb

ENDURE

CANINE JOINT HEALTH SUPPLEMENT

Annmaet Endure is a powdered joint supplement for dogs that is designed to help maintain joint integrity and gut function. Endure is formulated with glucosamine and chondroitin which are the building blocks of cartilage, ligaments and tendons. Endure also includes Green Lipped Mussel (*Perna Canaliculus*) which is an edible shellfish from New Zealand long known for its anti-inflammatory properties. Starting supplementation at an earlier age may prevent their breakdown and improve the longevity of the dog's performance life in general.

- **Glucosamine** enhances glycosaminoglycans synthesis, hydrating the joint and cartilage thereby increasing joint flexibility
- **Chondroitin Sulfate** is a building block of cartilage and also a precursor needed to improve the viscosity of synovial fluid
- **Green Lipped Mussel** is shown to have novel fatty acids to aid in joint health
- **Psyllium** is a soluble fiber that can help improve gut villi nutrient absorption, and it's a prebiotic which helps improve digestion + promotes a strong immune system
- **Vitamin C** has powerful antioxidant and immune functions; also known as the anti-stress vitamin
