IBPS PRELIMS - 30 DAYS REVISION PLAN

CLASS 26 - PUZZLES (PART 1)

Set 1

Study the following information carefully and answer the given questions

Six persons - N, O, P, Q, R, and S paid their EMI completely in six different months viz., April, May, June, July, August, and September. Only one person paid their EMI in each month. (O paid in a month having 31 days. Three persons paid between O and Q. As many persons paid after Q as before R. Two persons paid between R and P. P paid immediately before S. N did not pay in a month having an even number of days.)

(30)	A	R		Q
(31)	M	O		N
(30)	J	N		P
(31)	J	P	X	S
(31)	A	S		O
(30)	S	A		R
		X		✓

1. Who among the following persons paid their EMI in July?

- a. Q
- b. P
- c. O
- ☒ d. S
- e. R

2. How many persons paid their EMI between N and P?

- a. Two
- b. Three
- ☒ c. No one
- d. One
- e. More than three

3. Four of the following five are alike in a certain way and hence form a group. Which of the one does not belong to the group?

- a. QN
- b. PS
- c. RS
- d. OQ
- ☒ e. SO

4. Which of the following months Q paid EMI?

- ☒ a. April
- b. September
- c. July
- d. June
- e. May

5. Which of the following statements is true?

- a. P paid in a month having 31 days
- ☒ b. S paid two months before R
- c. Three months between O and N
- d. Q paid immediately after S
- e. O paid EMI in May

IBPS PRELIMS - 30 DAYS REVISION PLAN

CLASS 26 - PUZZLES (PART 1)

Set 2

Study the following information carefully and answer the given questions

Seven people - T, U, V, W, X, Y and Z went training on seven different days of the same week starting from Thursday. Only one person went training on each day. W went three days before Z who went one of the days after Monday. Only one person went between W and T. As many persons went before T as after X, who doesn't go on Friday. Only two persons went between X and U. V went after U but not immediately after.

Y V
 T
 U
 W Z
 V Y
 X
 Z W

Th	T	Y		
F		T		X
Sa	W	U	W	
S	U	W		W
M	X	V	X	
T	Z	X	Z	X
W	X	Z		Z

6. Who among the following person went on Saturday?

- a. T
- b. Y
- ☒ c. U
- d. X
- e. V

7. If the person D went three days after T, then who among the following person went with D?

- ☒ a. V
- b. X
- c. Z
- d. T
- e. Y

8. The number of persons went before _____ is one less than the number of persons went after _____

- a. Z, Y
- b. W, X
- c. T, Z
- ☒ d. X, Y
- e. U, T

$$B = A - 1$$

$$X = Y - 1$$

$$5 = 6 - 1$$

$$\boxed{5 = 5}$$

$$A = 3$$

$$B = 2$$

T

9. How many persons are went between the one who went two days before W and immediately after X?

- a. Three
- ☒ b. Four
- c. Two
- d. One
- e. None

10. If Y and V interchanged their position and Z and W interchanged their position, then who among the following person went four days after V?

- a. X
- b. Z
- c. U
- d. W
- ☒ e. Y

Y ↔ V

Z ↔ W

L - X, X
M - X, X

11. which of the following pair of persons were assigned with X?

I). HL ✓

II). GK ✓

III). FI

- a. Only II
- b. Only I
- c. Only I and III
- d. Only III
- ✓ • e. Only I and II

12. Who among the following persons were not assigned with N?

- a. F
- b. I
- c. All of them except e
- d. The one who was assigned in Semi-urban area
- ✓ • e. G

13. How many persons were assigned in urban area?

- a. Three
- ✓ • b. Four
- c. Two

- d. Either a or c
- e. Cannot be determined

14. Which of the following statement(s) is/are true with respect to the final arrangement? I). Even number of persons were assigned with G ☒ II). H and F were assigned a different area III). J and I were assigned the same area

- a. Only III
- b. Only I
- c. Only I and III
- ☒ d. Only II
- e. All I, II and III

15. Who among the following person was assigned with J?

- ☒ a. M
- b. N
- c. H
- d. L
- e. F

16. How many mobiles are received between the mobiles X and Y?

- a. One
- b. Two
- c. Three
- ☒ d. Four
- e. None of these

17. Which of the following mobile is received on 7th August?

- a. The mobile which is received on the same month as X
- b. V
- c. The mobile which is received two mobiles before S
- ☒ d. W
- e. T

18. How many mobiles are received after mobile V?

- ☒ a. None
- b. Three
- c. One
- d. Two
- e. More than three

19. Four of the following five are alike in a certain way and hence form a group. Which of the following one does not belong to that group?

- a. U
- ☒ b. W
- c. Y
- d. S
- e. V

20. Mobile Z is received on _____. th

- a. 7 June
- b. 16 August
- ☒ c. 7 July
- d. 16 September
- e. None of these

IBPS PRELIMS - 30 DAYS REVISION PLAN

CLASS 26 - PUZZLES (PART 1)

Set 5

Study the following information carefully and answer the given questions.

Eight cases O, P, Q, R, S, T, U, and V were filed in eight different years- 1972, 1983, 1985, 1986, 1989, 1992, 1998, and 2005. All the cases were filed in the same month and on the same date. The difference between the years in which cases S and O were filed is six. Case T was filed immediately before Case S, but in an odd-numbered year. The number of cases filed before T is one more than the number of cases filed between R and P. Case P was filed two cases after Case Q. Case U was filed before Case V, but not in an even-numbered year.

21. Case R was filed nine years after_____.

- a. Case T
- b. Case P
- c. Case Q
- d. Case S
- e. Case V

22. If all the cases were made to file in the alphabetical order from 2005, then how many cases remain unchanged in their position?

- a. Four
- b. Three
- c. Two
- d. None
- e. One

23. If case S is related to case O and case P is related to case Q in a certain way based on the given arrangement, then which of the following case is related to case P?

- a. Case V
- b. Case H
- c. Case K

- d. Case T
- e. Case N

24. Which of the following cases was filed in 1986?

- a. Case O
- b. Case S
- c. Case Q
- d. Case V
- e. Case R

25. What is the difference between the years in which cases T and V were filed?

- a. 13 years
- b. 10 years
- c. 16 years
- d. 9 years
- e. 15 years
