IMCAS CHINA

Our 5th edition
in Shanghai

Esteemed Colleagues and Friends,

On behalf of the IMCAS China Congress organizing committee, I would like to extend our warmest welcome to you for the upcoming 5th edition.

Currently, China's medical aesthetics industry is undergoing a profound transformation from rapid growth to high-quality development. The market scale is projected to approach nearly 400 billion RMB by 2026, with non-surgical aesthetic treatments taking the lead. Consumer aesthetics are becoming more rational and personalized, where safety, compliance, and professional credentials have become the core decision-making factors. Amidst increasingly stringent regulations, the industry is accelerating its standardization and entering a new phase of "value competition."

Against this backdrop, we gather once again in the Oriental Pearl - Shanghai. This congress will be grandly held at the W Shanghai - The Bund from August 27 to 29, 2026. Choosing Shanghai is deliberate, as this international metropolis serves as the bellwether and innovation hub for China's medical aesthetics market. Its open, avant-garde city character highly resonates with the medical aesthetics spirit that pursues excellence, integration, and innovation.

Looking back at 2025, our 4th China Congress achieved milestone success: it attracted a record-high of 2,009 attendees from 67 countries and regions; 224 world-renowned faculty delivered over 115 hours of cutting-edge scientific content; 74 scientific sessions and 59 leading industry sponsors jointly charted the course for the industry. This report card is the best recognition of our platform's value from the global medical aesthetics community.

In an era of rapidly updating knowledge, participating in a high-caliber, international academic congress like IMCAS is no longer merely about learning; it is an essential choice for keeping pace with the times and maintaining professional leadership. It is a window to learn about global trends, a bridge to building top-tier academic networks, and a wellspring of inspiration for clinical innovation.

In August 2026, let us meet at the Shanghai Bund, join hands with global elites, and jointly shape a more professional, standardized, and brilliant future for medical aesthetics.

The future undoubtedly belongs to passionate idealists who act on advanced values.

The future belongs to us.

We look forward to meeting you!

HOW TO OBTAIN YOUR CERTIFICATE OF ATTENDANCE?

Delegates, faculty, and contributing speakers can obtain a Certificate of Attendance at the end of IMCAS China 2026.

Each registered participant is asked to fill in the online evaluation form within the next 30 days on www.imcas.com. Once submitted, the Certificate of Attendance is immediately available for download.

GENERAL INFO & SERVICES

ACCIDENTS, DAMAGES, AND LOSSES

IMCAS, its suppliers, and the W Shanghai – The Bund are not responsible for any damages and/or losses that may occur during the official conference and social programs.

All Congress attendees participate at their own risk and are advised to insure themselves against any loss, accident, or damages that may occur during the conference. Verbal agreements are not considered binding, unless confirmed in writing.

BADGE ACCESS

IMCAS welcomes all professionals active in the world of dermatology, plastic surgery, and medical aesthetics, including physicians and all related professional bodies. Access to conference rooms is restricted to each corresponding badge category and the verified medical specialty of each participant.

The purchase of a badge in an individual's name is nontransferable. All badges must be scanned to confirm verification before entering a specific area. Please refer to the registration form for badge types, accesses, required supporting documents, and the IMCAS cancellation policy.

CERTIFICATE OF ATTENDANCE & SPEAKER CERTIFICATE

Delegates, faculty, and contributing speakers can obtain a Certificate of Attendance at the end of IMCAS China 2026. Each registered participant is asked to fill in the online evaluation form within the next 30 days on www.imcas.com. Once submitted, the Certificate of Attendance is immediately available for download.

COFFEE BREAK AREA

Levels 1 & 2

Take a moment to recharge between sessions. Coffee, tea, and light refreshments are available throughout the congress days.

CONFLICT OF INTEREST POLICY

IMCAS values transparency in all scientific courses. As part of IMCAS' COI policy, each speaker is required to disclose any sponsorship or commercial bias within their presentation. The COI policy applies to all Congress speakers and contributors involved in the scientific program, including faculty and members of the Scientific Board.

The content within the Scientific Program consists of both sponsored and non-sponsored session material by means of educational grants and direct sponsorships. To learn more about the program, please refer to pages 6 to 11.

CONGRESS FORMAT: IN PERSON & REPLAY

IMCAS China 2026 will take place entirely on site, featuring live, in-person sessions and exhibitions throughout the full duration of the conference.

After the event, session replays will be available for 3 weeks exclusively on the IMCAS Live App. Please note that replays will not include translations, and access will depend on your badge type.

IMCAS FUND

IMCAS FUND is a non-profit organization committed to spearheading groundbreaking advancements in science, driving sustainable innovation, leading transformative research in our fields, and advocating for the improvement of medicine and public wellbeing.

“We want to promote research that goes beyond the limits of current products and market objectives. We don’t want just the immediate outcomes, but we want to challenge the community to look at what are the lasting effects of treatments [in our field] in the light of longevity and overall wellness.”

Dr. Peter VELTHUIS, PhD, Dermatologist, Netherlands
