Your Student Met Girl Scouts Today!

Dear Parent or Caregiver,

Today, your child had a chance to spend a little time with Girl Scouts at school—and we're so glad we got to meet her.

At Girl Scouts, we believe every girl has incredible things already within her. Sometimes, she just needs a place where she feels safe enough to discover it, encouraged enough to try something new, and supported enough to realize just how capable she really is. That's what we hope to give girls.

Girl Scouts is about so much more than badges, cookies, and camping—although we love those things, too! It's a place for girls to **make friends, explore their interests, build confidence, practice kindness, take healthy risks, solve problems, serve their communities, and discover the kind of leader they want to become.**

Through hands-on experiences in STEM, the outdoors, life skills, entrepreneurship, community service, and more, girls get to learn by doing—and have a whole lot of fun along the way. Most importantly, Girl Scouts gives girls a community that says: **You belong here. Your ideas matter. You are capable of doing big things.** Today was just an introduction, and we would love for it to be the beginning of something more.

Come see what Girl Scouts is all about!

We have opportunities happening in communities throughout the Girl Scouts of the Missouri Heartland area. **Visit our website to find an upcoming event near you, learn more about Girl Scouts, and discover how your girl can get involved.**

Whether your girl is ready to join today or your family simply wants to learn a little more, we would love to hear from you. Our team is happy to help answer questions, connect you with local opportunities, and help your family find the right next step.

We hope today gave her a glimpse of what Girl Scouts can be—a place to laugh, learn, belong, explore, and grow into the confident young person she is becoming.

We can't wait to see what she discovers.

Warmly,

Girl Scouts of the Missouri Heartland

Girl Scouting builds girls of courage, confidence, and character,
who make the world a better place.
