"Ein sehr geschmackvoll eingerichtetes und sehr gut ausgestattetes Haus. Alles war blitzsauber. Die Klimaanlage macht das Haus mollig warm, so dass man hier auf jeden Fall auch in den Wintermonaten wohnen kann. Es gibt auch einen kleinen Ofen, der es noch gemütlicher macht. Rahima und Raphaël sind sehr nette Gastgeber. Wir haben tolle Restaurant- und Sightseeingtipps bekommen. Check-in und check-out waren völlig unkompliziert. Wir kommen gerne wieder."

"This home is just so lovely and after staying in hotels in Portugal, my wife and I so enjoyed spreading out. The rooftop is just lovely and perfect for an evening drink or drying laundry while drinking morning coffee. The location was in the most beautiful part of Olhão. We felt so at home and highly recommend."

"My wife and I stayed at Casa Amo-te Olhao for six nights during May 2022 and were very happy with the accomodation and with the host Rahima who went out of her way to welcome us and provide us with all the support and help we needed to have a most comfortable and enjoyable stay. The property was spotlessly clean and it was obvious that our host had thought through everything that a guest might need during a stay there. It is very conveniently located close to the historic centre. There was plenty of information about the town and its environs. The ground floor level is an open kitchen, dining and living area. The kitchen is fully functional, including a washing machine for laundry. Everything was there that you would need to self-cater if necessary, including an induction hob, a large fridge and freezer, pots pans and utensils that all looked as if they were brand new. On the first floor were two bedrooms both with en suite bathrooms. The bed in the master room where we slept was super comfortable, clean with crisp new bed linen. One of the best features of this property is the spacious roof top area, with a large shaded area. It was a space where we spent a lot of time. We had a really great time in Olhao and part of this was because of the Casa Amo-te. I would very much recommend staying here. Thank you to our host for making our visit to Olhao so memorable."

"Raphaël and Rahima are the best hosts. They sent us a full pack of guides and local information before we even arrived and were very communicative in the lead up to our stay and during our stay itself. They really went to a lot of effort to prepare the place for us and our young son. The pre-packed beach bag was a nice touch. The house is very tastefully furnished and comfortable and the location is unbeatable, close to the waterfront and all the best restaurants. This was our little family's first holiday together and we'll remember it fondly. Thanks guys!"

"Great location with a lovely rooftop for cooking and lounging. They packed a great beach bag for us to take to the islands and the apartment is really well decorated. Modern but comfortable. We'll be back."

"Without a doubt the best kitted out air bnb I've ever stayed in. Raphael and his family have considered every detail, down to items like a garlic crusher and electric lemon squeezer that made cooking chilli prawn linguini with fish from the local market a dream. They were very welcoming and helpful, recommending local restaurants and even coming round to tell the builders working on the house door to keep the noise down. Location is great just on the edge of the old town, a ten minute stroll to the supermarket and ferry port. Beach- wise all islands are lovely, would particularly recommend the lagoons on Armona and the beach on Farol. Can't wait to return!"

"A lovely example of a sympathetically renovated Olhao house in a great central location with a good size roof terrace. The hosts were absolutely lovely, hospitable and very helpful. We were offered a pick-up at the airport which we really appreciated as we arrived on a late evening flight exhausted. A few thoughtful things left in the kitchen (milk, coffee etc) to ease you in on your first morning. Impeccably clean and well equipped."

"We loved it! The house is an old fisherman's home renovated in a modern way. Its stylish and smart for a very reasonable price. Our favourite place to be is on the roof top terrace where we ate all our meals with fresh ingredients from the large market place down the road. Our hosts were extremely helpful answering all our questions and recommended some great places too. They definitely know how to go over and above in making us feel (Email hidden by Airbnb) ing back here may very well be unavoidable."
