

2026

FORD MUSTANG

EVERY DRIVE BECOMES A HOT LAP

Iconic sports-car style with turbocharged EcoBoost power, available V8 performance and a driver-focused cockpit.

Choose your level of adrenaline

EcoBoost

A 315-hp 2.3L turbocharged engine, selectable drive modes and fastback or convertible body styles.

Mustang GT

A 480-hp 5.0L V8 with an available six-speed manual, active valve exhaust and Performance Package.

Dark Horse

A modified 5.0L Coyote V8 produces 500 hp, paired with MagneRide damping and available track-focused hardware.

Paints made to be seen

Adriatic Blue

Orange Fury

Avalanche Gray

Race Red

Shadow Black

Colors shown are selected 2026 Mustang exterior choices. Extra-cost paint, wheel, package and model availability may vary by configuration.

Three levels of pulse-raising power

315 hp

480 hp

500 hp

6-speed

EcoBoost balances turbocharged response and daily usability. GT brings classic V8 muscle, while Dark Horse adds cooling, brakes, MagneRide damping and track-ready focus.

A cockpit centered on the driver

12.4-inch

13.2-inch

SYNC 4
